## Independent Auditors' Report

To the Plan Administrator of  
SumiRiko Tennessee, Inc. 401(k) Savings Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of SumiRiko Tennessee, Inc. 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of SumiRiko Tennessee, Inc. 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of SumiRiko Tennessee, Inc. 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SumiRiko Tennessee, Inc. 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

#### **Auditors' Responsibilities for the Audits of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SumiRiko Tennessee, Inc. 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SumiRiko Tennessee, Inc. 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for

Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SUMIRIKO TENNESSEE, INC. 401 (k) SAVINGS PLAN  
Notes to Financial Statements  
December 31, 2025 and 2024

NOTE 1 - DESCRIPTION OF PLAN

The following description of the SumiRiko Tennessee, Inc. 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

**General** - The Plan is a defined contribution plan covering substantially all employees of SumiRiko Tennessee, Inc. (the "Company") who have three months of service and are age 21 or older. The Plan is subject to the Employee Retirement Income Security Act of 1974 ("ERISA").

**Contributions** - Participants may elect to contribute a portion of eligible compensation to the Plan on a pre-tax basis, subject to limitations established by the Internal Revenue Code. Participants age 50 or older may also make catch-up contributions. Participants may roll over amounts from other eligible retirement plans into the Plan.

The Company may make a discretionary matching contribution equal to 100% of a participant's eligible before-tax contributions up to 3% of eligible compensation, plus 50% of eligible before-tax contributions in excess of 3% and up to 6% of eligible compensation, for participants who have completed one year of service. Tax-deferred contributions made to the Plan on behalf of an eligible employee that exceeds 6% of the annual compensation for a contribution period shall be excluded in determining the amount of matching Company contributions. The matching Company contributions are invested directly based on each participant's election. Additional profit-sharing amounts may be contributed at the option of the Company. Contributions are subject to certain limitations. Employees are eligible to receive matching contributions once the employee has completed one year of service which is determined by 1,000 hours of service.

**Participant Accounts** - Each participant's account is credited with participant contributions, employer contributions, investment earnings or losses, and charged with benefit payments and applicable administrative expenses. Participants direct the investment of their accounts among the investment options available under the Plan.

**Vesting** - Participants are immediately vested in their own contributions and related earnings. Employer matching and discretionary contributions vest based upon years of credited service. Participants become fully vested after four years of credited service.

**Notes Receivable from Participants** - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 9.50%, which are commensurate with prime plus one percent as determined by Empower Trust Company, LLC. Principal and interest are paid ratably through monthly payroll deductions.

**Benefit Payments** - Upon retirement, disability, death, or termination of employment, participants are generally entitled to receive distributions of their vested account balances in accordance with the provisions of the Plan.

**Forfeited Accounts** - Forfeited non-vested accounts totaled \$36,093 and \$43,536 for the years ended December 31, 2025 and 2024. During 2025 and 2024, forfeitures of \$27,079 and \$208,473, respectively, were used to reduce employer contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting** - The accompanying financial statements have been prepared using the accrual basis of accounting.

**Investment Valuation** - Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Contract value represents the amount participants would receive if they initiated permitted transactions under the terms of the Plan.

Notes receivable from participants are measured at their unpaid principal balances plus accrued but unpaid interest. No allowance for credit losses has been recorded as management believes participant loans are adequately secured by participants' vested account balances. Delinquent participant loans are reclassified as benefit payments in accordance with the terms of the Plan.

SUMIRIKO TENNESSEE, INC. 401 (k) SAVINGS PLAN  
Notes to Financial Statements (Continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

**Investment Valuation (continued)** - Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date. Net appreciation in fair value includes realized and unrealized gains and losses on investments.

**Benefit Payments** - Benefits are recorded when paid.

**Administrative Expenses** - Administrative expenses may be paid either by the Company or by the Plan, as provided in the Plan document. Expenses paid by the Plan are reflected in these financial statements.

**Estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein. Actual results could differ from those estimates.

**Date of Management's Review** - Management evaluated subsequent events through July 9, 2026, the date the financial statements were available to be issued.

NOTE 3 - INVESTMENT CONTRACT

The Plan holds a fully benefit-responsive guaranteed investment contract with Empower Trust Company, LLC. Contributions are maintained in a general account that is credited with earnings and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay principal and a specified interest rate to the Plan.

Because the contract is fully benefit-responsive, contract value is the relevant measurement attribute and represents the amount participants would receive if they initiated permitted transactions under the terms of the Plan.

Contract value was \$9,104,755 and \$8,753,808 at December 31, 2025 and 2024, respectively.

The average yield credited to participants was approximately 1.45% and 1.41% for 2025 and 2024, respectively. The crediting interest rate is established by the contract issuer and is reviewed periodically.

Certain events, such as plan termination, loss of tax-qualified status, or other significant events described in the contract, may limit the Plan's ability to transact at contract value. Management does not believe any such events are probable.

NOTE 4 - ERISA SECTION 103(A)(3)(C) CERTIFICATION

Accordingly, the following information included in the accompanying financial statements and supplemental schedule was prepared and certified to by Empower Trust Company, LLC, the Plan trustee, as complete and accurate.

NOTE 5 - FAIR VALUE MEASUREMENTS

The Plan measures investments at fair value in accordance with FASB ASC Topic 820, *Fair Value Measurement*.

ASC 820 establishes a hierarchy that prioritizes the inputs used to measure fair value. Level 1 inputs are quoted prices in active markets for identical assets, Level 2 inputs are observable inputs other than quoted market prices, and Level 3 inputs are unobservable inputs.

The Plan's investments measured at fair value consist entirely of mutual funds valued using quoted market prices in active markets and are classified within Level 1 of the fair value hierarchy.

Fair Value Measurements at December 31, 2025

|                            | <u>Fair Value</u> | <u>Level 1</u> |
|----------------------------|-------------------|----------------|
| Mutual Funds               | \$ 19,260,308     | \$ 19,260,308  |
| Total assets at fair value | \$ 19,260,308     | \$ 19,260,308  |

Fair Value Measurements at December 31, 2024

|                            | <u>Fair Value</u> | <u>Level 1</u> |
|----------------------------|-------------------|----------------|
| Mutual Funds               | \$ 16,109,857     | \$ 16,109,857  |
| Total assets at fair value | \$ 16,109,857     | \$ 16,109,857  |

There were no transfers between levels during either year presented.

NOTE 6 - TAX STATUS

The Internal Revenue Service issued a favorable determination letter for the Plan dated June 30, 2020. Although the Plan has been amended since that date, management believes the Plan continues to be designed and operated in compliance with the applicable provisions of the Internal Revenue Code. Accordingly, the Plan's related trust remains exempt from federal income taxes.

Management evaluated the Plan's tax positions and concluded there are no uncertain tax positions requiring recognition or disclosure. The Plan remains subject to examination by taxing authorities for the applicable statutory periods which are generally 3 years.

NOTE 7 - PLAN TERMINATION

Although the Company has not expressed an intention to do so, it reserves the right to terminate the Plan at any time, subject to the provisions of ERISA. Upon termination, participants would become fully vested in their employer contribution accounts.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Empower Trust Company, LLC, the Plan trustee. In addition, the Plan utilizes Saunders Asset Management, Inc. to provide participant investment advisory services. These transactions qualify as party-in-interest transactions that are exempt from the prohibited transaction provisions of ERISA. Fees and expense arrangements to parties in interest are not material.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities that are exposed to market, interest rate, and credit risks. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying financial statements.
