Digestive Specialists, Inc./Digestive Endoscopy Center, LLC
401(K) Profit Sharing Plan
Dayton, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Digestive Specialists, Inc./Digestive Endoscopy Center, LLC (DSI/DECL) 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the DSI/DECL 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from Matrix Trust Company, LLC (Matrix), the Trustee of the Plan, as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information

prepared and certified by an institution that management determined meets the requirements if ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the DSI/DECL 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the DSI/DECL 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards (GAAS) will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the DSI/DECL 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the DSI/DECL 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United State of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental

schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(K) PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN

The following description of the Digestive Specialists, Inc./Digestive Endoscopy Center, LLC, "(Company") 401(k) Profit Sharing Plan ("Plan"), formerly known as the Digestive Specialists, Inc. 401(k) Profit Sharing Plan, provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering all full-time employees of the Company who have twelve months of service, are age twenty-one or older and have 1000 hours of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan assets are held in a Trust whose Trustee is Matrix Trust Company, LLC (Matrix), a regulated and supervised trust company. The Trust has thirty (thirty-one in 2024) mutual fund options available to participants.

Contributions – Each year, participants may elect to defer a maximum of 75% of their wages up to the maximum allowed by law. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their accounts using the various investment options offered by the Plan. The Company has adopted the "safe harbor" feature which requires the Company to annually contribute an amount equal to at least 3% of each participant's compensation. Additional profit-sharing amounts are contributed at the discretion of the Company's Board of Directors.

Beginning February 1, 2021, the Plan allows for elective deferral contributions to be made as Roth contributions. Participants may elect to defer eligible compensation on a pre-tax basis, after-tax basis or a combination of both.

Participant Accounts – Each participant's account is credited with their deferral contribution, the Company's contribution and an allocation of Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All participant accounts are self-directed.

Participant Loans – Participants may borrow from their account a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1% as published in the Wall Street Journal on the date the loan is processed, which is commensurate with current interest rates charged for loans made under similar circumstances by persons in the business of lending money.

Vesting – Participants are immediately vested in their contributions plus earnings. Vesting in the Company's contribution portion of their accounts, plus earnings on this portion, is based on years of continuous service. A participant is 100% vested after six years of credited service.

NOTES TO FINANCIAL STATEMENTS

NOTE A – DESCRIPTION OF PLAN (continued)

Payment of Benefits – On termination of service due to death, disability or retirement, a participant will receive a monthly annuity payment for their lifetime, joint and 50% survivor annuity if married, or they may elect to receive another payment option. These options are a lump-sum payment of their vested interest or an annuity with installment payments on a monthly or other periodic basis. If a participant dies before receiving all payments, the balance of the account will be paid to their beneficiary if the periodic payment option is selected.

If a participant's vested interest is \$7,500 or less, it may be paid out in one lump sum.

Forfeited Accounts – Forfeited nonvested accounts may be used to reduce future employer contributions or pay Plan expenses. If an employee returns to work before five consecutive one-year breaks in service, the participant may restore the forfeited portion of their account by repaying any payment received at termination. The balance in the forfeiture account was \$695 and \$1,820 at December 31, 2025 and 2024, respectively. The amount of forfeitures used was \$6,584 and \$27,629 in 2025 and 2024, respectively.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation – The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP).

Plan Expenses – The Plan pays a portion of the administrative expenses for the plan's operations.

Participant Loan Receivables – Participant Loan Receivables are reported at their unpaid principal balance. Interest income is recorded on the cash basis. Related fees are charged directly to the borrowing participant's account and are included in the administrative expenses when incurred. At December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the delinquent participant note receivable is deemed a benefit payment based on the terms of the Plan document.

Estimates – The preparation of financial statements requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits – Benefits are recorded when they have been processed and paid by the Plan.

NOTES TO FINANCIAL STATEMENTS

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition – The Plan's investments (level 1) are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividends are recognized when received and included in the investment gains.

NOTE C - INVESTMENTS

Fair Value of Investments – Investments held by the Plan are recorded at fair value. Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, defines fair value as the exchange price that would be received for an assets or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction. ASC 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are observable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodologies used for the Plan instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds – These investments are public investment vehicles valued using the Net Asset Value (NAV) provided by the recordkeeper of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market and classified within Level 1 of the valuation hierarchy.

Money Market Funds – These investments are public investment vehicles valued using pricing models maximizing the use of observable inputs for similar securities and are classified within Level 2 of the valuation hierarchy.

Total	<u>\$ 37,219,727</u>	<u>\$ 35,848,264</u>	<u>\$ 1,371,463</u>	<u>\$ -</u>

NOTE D – PLAN TERMINATION

In March 2026, Digestive Specialists Inc terminated the Plan effective March 28, 2026, and discontinued its contributions concurrently with the last payroll on March 20, 2026. Plan participants will become 100% vested in their accounts on the termination date. See Note J for additional details.

NOTE E - TAX STATUS

The volume submitter profit sharing plan adopted by the Plan restatement has received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the written form of the prototype document is qualified under Section 401(a) of the IRC, and that any employer adopting this form of the Plan will be considered to have a plan qualified under Section 401(a) of the IRC. Therefore, the related plan is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Plan management believes it is no longer subject to income tax examinations for years prior to 2021.

NOTES TO FINANCIAL STATEMENTS

NOTE F – RISKS AND UNCERTAINTIES

The Plan invests in various investment companies (mutual funds). These mutual funds are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with any mutual fund investment, it is at least reasonably possible that changes in their values will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE G – ADMINISTRATIVE EXPENSES

The Annual Return/Report of Employee Benefit Plan (Form 5500) requires the reporting of direct compensation of \$5,000 or more paid to Plan service providers on Schedule C. In 2025 and 2024, Schedule C reports a total of \$102,707 and \$120,191, respectively, was paid to service providers; those amounts are included in the amounts reported on Schedule H.

Included in the amounts on Schedule H in 2025 and 2024 were other expenses for investment advisor fees, trading fees, plan administration and recordkeeping. The aggregate amount paid was \$102,707 and \$120,191, respectively. The Company pays the Plan audit fees directly.

NOTE H – PARTIES IN INTEREST

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan, or an employer whose employees are covered by the Plan. Accordingly, notes receivable from participants are considered party-in-interest transactions.

Certain investments are managed by Morgan Stanley as the investment advisor along with Matrix Trust as the custodian. Administrative functions are performed by Dynamic Pension Services as the third-party administrator along with MWG Retirement Plan Services as the recordkeeper. Therefore, these transactions qualify as party in interest transactions.

NOTE I – DELINQUENT PARTICIPANT CONTRIBUTIONS

In 2024, the Company failed to remit certain employee deferrals in the amount of \$6,000 to the Plan in a timely manner in accordance with DOL regulations. The Company calculated \$33 of lost earnings and deposited the amount into the Plan.

NOTE J – SUBSEQUENT EVENTS

The Company has evaluated subsequent events through July 15, 2026 which is the date the financial statements were completed.

NOTES TO FINANCIAL STATEMENTS

NOTE J – SUBSEQUENT EVENTS (continued)

In March 2026, in conjunction with the sale of Digestive Specialists, Inc. (DSI), the Directors of the DSI unanimously consented to terminate the Plan effective March 28, 2026 (the "Termination Date"). The last 401(k) benefit eligible paycheck was paid March 20, 2026. As the Plan is a safe harbor plan, all eligible employees are entitled to receive a 3% safe harbor contribution for the 2026 plan year based on eligible compensation paid from January 1, 2026, through March 20, 2026. This was funded on April 28, 2026.

Distributions will be processed after the employer contribution is made and all fees are finalized and processed. Although the Plan must be at a zero balance by March 28, 2027, the third-party administrator is giving participants until June 15, 2026, to make their distribution elections and anticipates the balance will be at a zero balance prior to the year-end.
