**INDEPENDENT AUDITOR'S REPORT**

To the Board of Trustees and Participants  
Lifetime Products, Inc. 401(k) Retirement Savings Plan

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Lifetime Products, Inc. 401(k) Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024 and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024 stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects,

the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter — Supplemental Schedules Required by ERISA**

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) at December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance

with GAAS. For information included in the supplemental schedules that is agreed to or derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that is agreed to or derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# **LIFETIME PRODUCTS, INC. 401(k) RETIREMENT SAVINGS PLAN**

Notes to Financial Statements

December 31, 2025 and 2024

## **(1) DESCRIPTION OF THE PLAN**

The following description of the Lifetime Products, Inc. (Lifetime or the Company) 401(k) Retirement Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

### **(a) General**

The Plan is a defined contribution plan covering all full-time employees of Lifetime who have completed sixty days of entry service and who are at least 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and subsequent enactments. From time to time the Plan has been restated and amended. Principal Life Insurance Company (Principal) is the custodian of the Plan's assets. Lifetime is the Plan sponsor and oversees administration of the Plan.

### **(b) Contributions**

Employees may elect under a salary reduction agreement to contribute to the Plan up to 100 percent of before-tax, gross compensation. Contributions are limited by the Internal Revenue Code, which establishes a maximum contribution amount of \$23,500 and \$23,000 for the years ended December 31, 2025 and 2024, respectively. Participants age 50 and over may contribute an additional \$7,500 for the years ended December 31, 2025 and 2024.

The employer contributes 50 percent of the first 6 percent of before-tax, gross compensation that a participant contributes to the Plan.

### **(c) Participants' Accounts**

Each participant's account is credited with (a) the employee's contribution, (b) the employer's contribution, and (c) an allocation of the Plan's earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

### **(d) Allocation of Earnings**

The net increase or decrease in the value of each investment fund attributed to interest, changes in market value, expenses, and gains and losses realized from the sale of assets is allocated to employees' accounts based upon relative fund account balances.

### **(e) Investment of Contributions**

For both employer and employee contributions, participants may designate how his or her account balance is allocated into one or more registered investment companies, various pooled separate investment accounts, or a collective investment trust.

### **(1) DESCRIPTION OF THE PLAN (CONTINUED)**

#### ***(f) Vesting and Benefits***

Employee contributions and earnings thereon are 100 percent vested. Employer matching contributions for participants vest at a rate of 20 percent after two years and an additional 20 percent for each year of service thereafter from the date of hire. A participant is, therefore, 100 percent vested after six years of such service. Employees also become fully vested upon attaining normal retirement age or upon death or disability.

#### ***(g) Distribution of Benefits***

Benefits are distributed upon retirement, disability, death, or termination of employment. Under certain circumstances, such as in the event of undue hardship, an employee may withdraw his or her contributions prior to the occurrence of these events.

#### ***(h) Forfeitures***

The Plan provides for the nonvested portion of employer contributions and earnings forfeited by employees to be accumulated by the Plan to either offset the cost of the employer contribution or offset the cost associated with administering the Plan. Plan forfeitures were used to offset the cost associated with the employer matching contributions to the Plan in the amounts of \$192,133 and \$169,201 during 2025 and 2024, respectively. The forfeiture balance totaled \$5,797 and \$401 for the years ended December 31, 2025 and 2024, respectively.

#### ***(i) Plan Termination***

Although it has not expressed any intent to do so, Lifetime has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

### **(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The following are the significant accounting policies followed by the Plan:

#### ***(a) Basis of Presentation***

The Plan's financial statements are presented on the accrual basis of accounting.

#### ***(b) Investment Valuation and Income Recognition***

The Plan's investments are stated at fair value or net asset value where permitted. See Notes 3, 4 and 5 for more information regarding investment valuation.

## **LIFETIME PRODUCTS, INC. 401(k) RETIREMENT SAVINGS PLAN**

### **Notes to Financial Statements**

December 31, 2025 and 2024

## **(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes gains and losses on investments sold during the year as well as appreciation and depreciation of the investments held at the end of the year.

### **(c) *Risks and Uncertainties***

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

### **(d) *Payment of Benefits***

Benefit payments to participants are recorded upon distribution.

### **(e) *Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### **(f) *Subsequent Events***

Subsequent events have been evaluated through June 18, 2026, the date the financial statements were available to be issued, and there were no matters that materially affect the carrying amounts of the net assets available for benefits as of December 31, 2025.

## **(3) FAIR VALUE OF INVESTMENTS**

ASC 820, *Fair Value Measurements and Disclosures* (ASC 820), defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical unrestricted assets or liabilities

# LIFETIME PRODUCTS, INC. 401(k) RETIREMENT SAVINGS PLAN

## Notes to Financial Statements

December 31, 2025 and 2024

### (3) FAIR VALUE OF INVESTMENTS (CONTINUED)

Level 2 - Quoted prices for identical or similar assets or liabilities in markets that are not considered to be active or identical or similar financial instruments for which all significant inputs are observable, either directly or indirectly

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurements and unobservable.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. In periods of market inactivity, the observability of prices and inputs may be reduced for certain instruments. This condition could cause an instrument to be reclassified from Level 1 to Level 2, or from Level 2 to Level 3.

### (4) POOLED SEPARATE ACCOUNTS

The Plan's interest in Pooled Separate Accounts (PSA) invests in a single mutual fund. The fair value of the mutual fund is a publicly quoted pricing input used in determining the net asset value of the pooled separate account, which is not publicly quoted. ASC 820 allows net asset value (NAV) per share to serve as a practical expedient to estimate the fair value of a PSA as long as certain requirements are met. The Plan's PSA's meet those requirements. The PSA's can be redeemed at NAV on a daily basis.

### Notes to Financial Statements

December 31, 2025 and 2024

#### **(5) COLLECTIVE INVESTMENT TRUST**

##### Principal Stable Value Fund

This is a stable value collective investment trust (CIT) for which the NAV is based on the contract value. Investments held by a CIT are required to be reported at fair value, however, contract value is the relevant measurement characteristic for that portion of the net assets of a CIT attributable to fully benefit-responsive investment contracts. This is because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the underlying defined-contribution plans. The fair value of conventional contracts is determined using a discounted cash flow methodology where the individual contract cash flows are discounted at the prevailing interpolated yield curve rate as of year-end. Individual assets of the synthetic investment contract are generally valued at representative quoted market prices. Short-term securities, if any, are stated at amortized cost, which approximates market value. Debt securities are valued on the basis of valuations furnished by a pricing service approved by the Trustee, which determines valuations using methodology generally recognized by institutional traders. Accrued interest, if any, on the underlying investments is added to the fair value of the investments for presentation purposes. ASC 820 allows NAV per share to serve as a practical expedient to estimate the fair value of a CIT as long as certain requirements are met. The Principal Stable Value Fund meets the requirements for the NAV practical expedient. Unfunded commitments typically are found in private equity funds and therefore are not applicable to CITs.

#### **(6) TAX STATUS**

The Plan uses a prototype plan document, which received an opinion letter from the IRS, dated March 31, 2014, stating that the prototype document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS and the prototype has been amended since receiving the opinion letter. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

### **(7) INFORMATION CERTIFIED BY THE CUSTODIAN**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator has obtained certifications from the Plan's custodian as of and for the years ended December 31, 2025 and 2024 that all information provided by the custodian is complete and accurate. Information included in the accompanying financial statements as to investments in the trust fund administered by the custodian, investment income (loss), and all investment information in the supplemental schedules is presented in reliance solely upon those certifications.

### **(8) RELATED PARTY TRANSACTIONS**

As of December 31, 2025 and 2024, the Plan invested in a collective investment trust and pooled separate accounts managed by the Plan's custodian. These party-in-interest transactions are not considered prohibited transactions by statutory exemptions under ERISA regulations.
