Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **TRONCONI SEGARRA & ASSOCIATES LLP**

(2) EIN: **04-3728817**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

Independent Auditors' Report

To the Trustees of the
Dynabrade, Inc. Profit Sharing/401(k) Savings and Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Dynabrade, Inc. Profit Sharing/401(k) Savings and Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud

is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Profit Sharing/401(k) Savings and Retirement Plan
Notes to Financial Statements

1. Description of the Plan

The following description of the Dynabrade, Inc. Profit Sharing/401(k) Savings and Retirement Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution profit sharing plan with a 401(k) feature covering substantially all employees of Dynabrade, Inc. (the “Plan Administrator”). An employee must complete ninety days of service and be of age 21 years or older to become a participant in the Plan and begin making elective deferrals. When eligible, employees are automatically enrolled with a 6% pre-tax deferral amount.

The Plan was established effective July 1, 1983 and restated to comply with statutory regulations effective November 1, 2021, to include Manth Mfg, Inc., a subsidiary of the Company, as an adopting employer. The plan was amended again effective May 1, 2023, to include Global Abrasives, Inc., a subsidiary of the Company, as an adopting employer. The Board of Trustees is responsible for oversight of the Plan, determining the appropriateness of the Plan’s investment offerings and monitoring investment performance.

Contributions – Participants may elect to contribute up to 100% of their eligible compensation on an after-tax basis, or if elected by the participant, on a pre-tax basis, limited by the amount imposed by law. Participants who are fifty years and older are eligible to make catch-up contributions. Participants may also make rollover contributions from other qualified plans.

The Plan Administrator also can make discretionary contributions based on the discretion of the Plan Administrator’s Board of Directors. To be eligible for discretionary contributions, participants must have completed at least twelve months of service and are age 21 or older. For the years ended December 31, 2025 and 2024, the Plan Administrator did not make discretionary contributions.

The Plan Administrator has amended the plan effective May 1, 2023 in order to provide for matching contributions for Global Abrasives, Inc. employees. The Plan Administrator contributes a matching contribution of 100% of the employee contribution, up to 4% of their compensation.

Participants direct the investment of contributions into various investment options offered by the Plan.

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Participant Accounts – Individual accounts are maintained for each Plan participant. Participant accounts are increased by participant contributions, Plan Administrator contributions, and the participant's share of Plan earnings. Participant accounts are decreased by participant distributions, the participant's share of Plan losses, and certain administrative expenses. The allocation of earnings and losses to participant accounts is based on the value of an individual account in relation to the total assets of the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their contributions and the actual earnings thereon. Participants vest in Plan Administrator discretionary contributions, matching contributions and actual earnings thereon at the rate of 20% per year after two years of service and become fully vested after six years of service, as defined in the Plan document.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$49,999 or 50% of their vested account balance. Note terms range from 1 to 5 years and are secured by the balance in the participants account, bearing interest at the prime rate of interest prevailing as of the date of the loan. Principal and interest are repaid weekly through payroll deductions.

Payment of Benefits – Upon termination of service due to retirement, death, disability, upon reaching age 55, or upon reaching age 59 ½ while employed with the Plan Sponsor, a participant may elect to receive an annuity or a lump-sum distribution in an amount equal to the vested value of their account. Hardship withdrawals, as defined by the Internal Revenue Code (the "Code"), are available to participants from all or part of the vested portion of their individual account, subject to the provisions specified in the Plan agreement.

Forfeitures – Forfeitures arising under the Plan may first be used to pay administrative expenses of the Plan which would otherwise be paid by the Plan Administrator and then used to reduce the Plan Administrator's discretionary contribution. There were forfeitures available in the amount of \$0 and \$46 as of December 31, 2025 and 2024, respectively.

Plan Termination – Although it has not expressed intent to do so, the Plan Administrator has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

Tax Status – The Plan Administrator obtained a letter dated June 30, 2020, in which the Internal Revenue Service ("IRS") stated that the pre-approved plan document, sponsored by Principal Life Insurance Co., satisfies the applicable provisions of the Code. Although the

Plan has been amended since the pre-approved plan received the determination letter, the Plan Administrator and the Plan's tax counsel believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the Code and, therefore, believe that the Plan is qualified and the related trust is tax-exempt. Accordingly, no tax provision for income taxes has been included in the accompanying financial statements.

2. Summary of Significant Accounting Policies

Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value and are administered by the Plan's Custodian. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income and dividends are recorded on accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits – Benefits are recorded when paid.

Administrative Expenses – Certain expenses of maintaining the Plan are paid directly by the Plan Administrator and are excluded from these financial statements. Fees related to the administration requests for distributions and loans are charged directly to the participant's account. Investment-related expenses are paid by the Plan and charged ratably to participant accounts.

Party-In-Interest Transactions – Certain Plan investments are managed by Principal Life Insurance Company. Principal Life Insurance Company is the custodian and the recordkeeper as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions that are exempt from the prohibited transaction rules.

Risks and Uncertainties – The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible

Notes to Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)

that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Use of Estimates – The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Accounting Changes – Management periodically assesses the applicability of new accounting pronouncements and technical guidance and the effect, if any, on the Plan's financial statements.

Subsequent Events – The Plan has evaluated subsequent events, for recognition or disclosure, through July 14, 2026, the date the accompanying financial statements were available to be issued.

3. Information Certified by the Custodian (Unaudited)

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan has elected to utilize the certifications of certain financial information by Principal Life Insurance Company.

The Plan has obtained certifications from Principal Life Insurance Company that the following information is complete and accurate as of December 31, 2025 and 2024 and for the years then ended:

	2025	2024
Assets as of:		
Pooled separate accounts	\$ 13,842,705	\$ 18,952,602
Common and collective investment trusts	9,217,621	8,665,424
Guaranteed interest accounts	121,543	443,762
Transactions for the year ended:		
Dividend and interest income	10,123	19,582
Net appreciation in fair value of investments	3,032,936	3,242,841

4. Fair Value Measurements

ASC 820, *Fair Value Measurement*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

- **Level 1** – Unadjusted quoted prices in active markets for identical, unrestricted assets or liabilities that are accessible at the measurement date.
- **Level 2** – Quoted prices for similar assets or liabilities in active markets or quoted prices for identical or similar assets or liabilities in markets that are not active. This level also includes inputs other than quoted prices that are observable, either directly or indirectly, for substantially the full term through corroboration with observable, independent market data. This includes investments valued at quoted prices adjusted for legal or contractual restrictions specific to the security.
- **Level 3** – Pricing inputs are unobservable for the asset or liability. That is, inputs that reflect the reporting entity's own assumptions about the assumptions that market participants would use in pricing the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Guaranteed Interest Accounts: The fair value of guaranteed interest accounts represents the amount Plan participants or the Plan Sponsor would receive currently if they were to withdraw or transfer funds within the Plan prior to their maturity. Fair value is estimated based upon discounting future cash flows under the contract at current interest rates for similar investments with comparable terms.

Pooled Separate Accounts (PSAs): PSAs are insurance company separate accounts that invest in underlying assets such as mutual funds, common stocks, bonds, or other investment vehicles. The fair value of PSAs is determined based on the net asset value ("NAV") of the underlying assets held by the account, as reported by Principal Life Insurance Company. The NAV is calculated using observable market inputs when available, including quoted market prices for securities held by the account. Participant transactions (purchases and redemptions) may generally occur on a daily basis at NAV, with no significant restrictions.

4. Fair Value Measurements (continued)

Common and Collective Investment Trusts (CITs): The fair value of CITs is determined using the NAV per unit, as provided by Principal Global Investors Trust Company. The underlying investments of the CITs may include equities, fixed income securities, and other investment instruments, which are valued using observable market data when available. The NAV is calculated daily and is used as a practical expedient for fair value. Participant transactions in CITs generally occur on a daily basis at NAV, with no material redemption restrictions. Were the Plan to initiate a full redemption of the CITs, the investment advisor reserves the right to temporarily delay withdrawal from the trust for 6 months.

In 2025, the Plan elected to value PSAs and CITs using the NAV per share practical expedient in accordance with ASC 820. These investments are no longer classified within the fair value hierarchy. Prior year amounts have been reclassified to conform to current year presentation.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	<u>2025</u>	<u>2024</u>
Level 1	\$ 0	\$ 0
Level 2	0	0
Level 3		
Guaranteed interest accounts	<u>121,543</u>	<u>443,762</u>
Total assets in the fair value hierarchy	121,543	443,762
Investments measured at NAV (*)		
Pooled separate accounts	13,842,705	18,952,602
Common and collective investment trusts	<u>9,217,621</u>	<u>8,665,424</u>
Total investments measured at NAV	<u>23,060,326</u>	<u>27,618,026</u>
Total investments at fair value	<u>\$ 23,181,869</u>	<u>\$ 28,061,788</u>

* In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

4. Fair Value Measurements (Continued)

The following table sets forth a summary of changes in the fair value of the Plan's Level 3 assets for the years ended December 31, 2025 and 2024:

	2025	2024
Balance, beginning of year	\$ 443,762	130,061
Issuances and settlements	(343,457)	(13,849)
Purchases	10,922	307,311
Interest income	10,123	19,582
Total gains	193	657
Balance, end of year	\$ <u>121,543</u>	<u>443,762</u>

The guaranteed interest accounts are general account investments with Principal that provide for the guarantee of principal and interest. These investments are not traded in active markets and do not have readily observable market prices.

The fair value of guaranteed interest accounts is determined using valuation techniques, including discounted cash flow models, which incorporate inputs such as crediting rates and market-based discount rates. Because these valuation techniques use significant unobservable inputs, these investments are classified within Level 3 of the fair value hierarchy. The range of rates used was 0.75% - 5.10% at December 31, 2025 and 0.75% - 6.44% at December 31, 2024.
