Independent Auditor's Report

Plan Administrator
Lisega, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Lisega, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Plan Administrator
Lisega, Inc. 401(k) Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an independent auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Plan Administrator
Lisega, Inc. 401(k) Plan

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Plan Administrator
Lisega, Inc. 401(k) Plan

Other Matter – Supplemental Schedule Required by ERISA (continued)

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of the Plan

The following description of the Lisega, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions.

General

The Plan is a controlled group defined contribution plan covering substantially all full-time employees of Lisega, Inc., OST Services, LLC, and Southern Fab & Supports, Inc. (collectively, the “Plan Sponsor”) who have completed 1,000 hours of employment and are 21 years of age or older. Employees that are non-resident aliens, leased employees, union employees, or interns, if any, are not allowed to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute, on a pre-tax or post-tax basis, to the Plan, up to 100% of their eligible wages, as defined by the Plan Document, subject to the maximum contributions permitted by the Internal Revenue Service (IRS). Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions to the Plan. Participants may also contribute to the Plan amounts representing distributions from other qualified retirement plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. Participants can change the investment options previously elected at any time. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of compensation, with an automatic escalation of 1% every September 1 up to a maximum of 15% of eligible wages, as defined by the Plan Document.

The Plan Sponsor contributes a safe harbor matching contribution equal to 100% of the first 1% of compensation each participant contributes to the Plan and 50% of additional compensation each participant contributes to the Plan, up to 6%. The Plan Sponsor may also make discretionary matching and profit sharing contributions to the Plan; no such discretionary matching or profit sharing contributions were made during 2025.

Cash contribution receivables, if any, are unsecured. Cash contributions receivable are stated at the amount that plan management expects to collect from outstanding balances less an allowance for current expected credit losses. The current expected credit losses amount reflects plan management’s best estimate of amounts that will not be collected, which considers historical experience, current conditions, and reasonable and supportable forecasts. Plan management has concluded that no allowance for current expected credit losses is necessary as of December 31, 2025 and 2024.

1. Description of the Plan (continued)

Investments

The investments of the Plan are held by American Trust Company (American Trust), who maintains the investments in various mutual funds and a collective investment trust.

In accordance with the policy of stating investments at fair value, net appreciation or depreciation in the fair value of investments is reflected in the statements of changes in net assets available for benefits. This includes all investments bought or sold as well as those held during the year.

Generally, the Plan's investments are collateralized by the proportionate share of the respective investment's underlying net assets. The maximum loss, if any, that would be incurred by the Plan if the counterparties to the Plan's investments failed to perform and any collateral was insufficient is the recorded amount of such investments.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Plan Sponsor's matching contributions, allocations of the Plan Sponsor's profit sharing contribution, investment earnings and losses that are allocated based on each participant's relative account balance within the respective fund, and an allocation of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are fully vested in the Plan Sponsor's safe harbor matching contributions after two years of credited service, as defined. For any Plan Sponsor discretionary matching or profit sharing contributions, vesting is based on years of credited service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more years	100%

1. Description of the Plan (continued)

Notes Receivables from Participants

Subject to approval by plan management, participants may borrow from their fund accounts. The minimum amount of the loan is \$500, and the maximum amount is the lesser of one-half of the borrower's vested account balance or \$50,000. Two loans can be outstanding at a time per participant, and the loans bear interest at a rate established by the Plan Administrator in a nondiscriminatory manner. The loans are generally repayable in fixed periodic payments over various terms of up to five years, except for those utilized for the acquisition of a principal residence, which may be repaid over a period of time up to 30 years. The loans are secured by the balance in the participant's account. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service, death, disability, or retirement, a participant (or his or her beneficiaries) shall receive a lump sum amount equal to the vested value of his or her account. Partial withdrawals or installments are only permitted for participants who must receive required minimum distributions in accordance with the Internal Revenue Code (IRC).

In-service hardship withdrawals are available in certain circumstances.

Forfeitures

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeitures of terminated participant's non-vested accounts may be used to reduce future Plan Sponsor contributions to the Plan. If a terminated participant is rehired by the Plan Sponsor, the participant may be entitled to a restoration of certain amounts forfeited, based on provisions in the Plan Document. During 2025, forfeitures generated totaled \$914, and forfeitures totaling \$16,390 were used to reduce Plan Sponsor contributions. As of December 31, 2025 and 2024, the forfeiture account totals \$1,954 and \$17,176, respectively, which is included in the Plan's assets.

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Plan Sponsor contributions.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). Annual returns filed under applicable provisions of ERISA and the IRC are filed on the modified cash basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts in the Plan's financial statements. Accordingly, actual results may differ from those estimates.

Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (*Note 5*). The Plan Sponsor's management determines the Plan's valuation policies utilizing information provided by American Trust.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as those held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024.

Upon default of notes receivable from participants, the entire outstanding principal and interest shall be immediately due and payable. If a distributable event, as defined by the IRC, has occurred, the note receivable will be foreclosed on and be offset against the participant's account balance. If a participant's note receivable is in default, the participant shall be treated as having a taxable deemed distribution whether or not a distribution event has occurred.

Benefit Payments

Benefits are recorded when paid.

2. Summary of Significant Accounting Policies (continued)

Administrative Expenses

Certain plan administrative expenses are paid by the Plan Sponsor and are excluded from these financial statements. Fees related to administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Certain investment related expenses are included in net realized and unrealized appreciation in the fair value of investments.

Subsequent Events

Plan management has evaluated subsequent events through July 16, 2026, the date the financial statements were available to be issued.

3. Income Tax Status

The Plan Sponsor adopted a prototype plan sponsored by Tennessee Pension Administrators, LLC. This prototype plan received a favorable opinion letter from the IRS dated June 30, 2020 that states the form of the prototype plan is acceptable for use under applicable sections of the IRC; therefore, the Plan is not subject to income taxes. The Plan has been amended since the latest opinion letter date; however, the Plan Administrator believes the Plan is being operated in accordance with applicable requirements of the IRC and, accordingly, remains exempt from income taxes.

On January 1, 2026, the Plan Sponsor adopted a prototype plan sponsored by CCH Incorporated DBA FTWilliam.com. This prototype plan received a favorable opinion letter from the IRS dated June 30, 2020 that states the form of the prototype plan is acceptable for use under applicable sections of the IRC; therefore, the Plan is not subject to income taxes. The Plan has been amended since the latest opinion letter date; however, the Plan Administrator believes the Plan is being operated in accordance with applicable requirements of the IRC and, accordingly, remains exempt from income taxes.

4. Certified Information (Unaudited)

American Trust holds the Plan's investments assets and executes transactions therein. Financial information relating to those assets disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held as of December 31, 2025 and 2024, net realized and unrealized appreciation in the fair value of investments, interest income on the collective investment trust of American Trust, dividend income, and interest income on notes receivable from participants, is based upon information provided to the Plan Administrator and agreed to or derived from information certified as complete and accurate by American Trust.

Lisega, Inc. 401(k) Plan

Notes to Financial Statements (continued)

4. Certified Information (Unaudited) (continued)

The fair value of investments is as follows as of December 31:

	2025	2024
Mutual funds	\$10,735,143	\$9,176,357
Collective investment trust	1,888,422	1,783,006
Total investments, at fair value	<u>\$12,623,565</u>	<u>\$10,959,363</u>

The Plan has one investment, the Vanguard 500 Index Fund, representing 25% and 23% of net assets available for benefits as of December 31, 2025 and 2024, respectively.

5. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under the Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurement (Topic 820)*, are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets the Plan has the ability to access.
- Level 2 Inputs to the methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value measurement level for the asset or liability within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Lisega, Inc. 401(k) Plan

Notes to Financial Statements (continued)

5. Fair Value Measurements (continued)

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective investment trust: Valued at the NAV of units of the collective investment trust. The NAV, as provided by American Trust, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

There have been no changes in the methodologies used at December 31, 2025 and 2024.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments as of December 31:

	Level 1	Level 2	Level 3	Total
2025:				
Mutual funds	<u>\$10,735,143</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,735,143</u>
Investments measured at NAV*				<u>1,888,422</u>
Total investments, at fair value				<u>\$ 12,623,565</u>
2024:				
Mutual funds	<u>\$ 9,176,357</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,176,357</u>
Investments measured at NAV*				<u>1,783,006</u>
Total investments, at fair value				<u>\$ 10,959,363</u>

* - In accordance with Subtopic 820-10, the Plan's collective investment trust is measured at fair value using the NAV per share (or its equivalent) practical expedient and has not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Lisega, Inc. 401(k) Plan

Notes to Financial Statements (continued)

5. Fair Value Measurements (continued)

The following table presents the Plan's investments using the NAV practical expedient as of December 31:

	2025	2024
Collective investment trust:		
Fair value	\$1,888,422	\$1,783,006
Unfunded commitment	—	—
Redemption frequency (if currently eligible)	Daily	Daily
Redemption notice period	None	None

The Plan invests in a collective investment trust of American Trust. The trust holds a fully benefit responsive group annuity contract with MetLife. The objective of the collective investment trust is to seek stability of principal and a high level of current income consistent with a 2 to 3 year average maturity. The collective investment trust is generally redeemable at NAV. However, it is possible that the redemption rights could be restricted. The Plan Administrator believes an event limiting the ability of plan participants to transact at NAV is not probable of occurring. The Statement of Net Assets Available for Benefits presents the fair value of the investment in this trust using NAV as a practical expedient.

6. Other Related Party and Party-in-Interest Transactions

Certain Plan investments are investments held and managed by American Trust; therefore, these transactions qualify as party-in-interest transactions.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and amounts reported in the statements of net assets available for benefits.
