INDEPENDENT AUDITORS' REPORT

To the Plan Sponsor of Lido Consulting, LLC 401k Plan
Los Angeles, California

Opinion on the Financial Statements

We have audited the accompanying financial statements of Lido Consulting, LLC 401k Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net asset available for benefits as of December 31, 2024, the related statement of changes in net assets available for benefits for the year ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Lido Consulting, LLC 401k Plan as of December 31, 2024, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Lido Consulting, LLC 401k Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lido Consulting, LLC 401k Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lido Consulting, LLC 401k Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lido Consulting, LLC 401k Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the

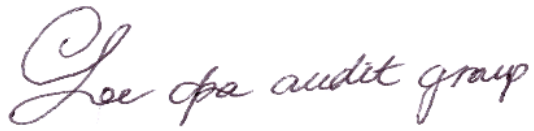

financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules are fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter — Auditor's Report on the 2023 Financial Statements

The accompanying statement of net assets available for benefits of the Lido Consulting, LLC 401k Plan as of December 31, 2023 were not audited, reviewed, or compiled by us and, accordingly, we do not express an opinion or any other form of assurance on them.

NOTE 1: DESCRIPTION OF PLAN

The following description of the Lido Consulting, LLC 401k Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a participant directed defined contribution plan covering all eligible employees of Enterprise Trust Company, Lido Tax, LLC, and Lido Advisors, LLC (collectively, the "Company") with retirement benefits in accordance with section 401(k) of the Internal Revenue Code (the IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was established on January 1, 1996.

Eligibility

To be eligible to participate in the Plan, employees must have reached 21 years of age and have completed 6 months of continuous service with the Company. Service rendered to Enterprise Trust & Investment Company is recognized as eligible service for purposes of meeting the Plan's eligibility requirements. Collectively bargained employees, leased employees, and nonresident aliens are excluded from participation in the Plan. Eligible employees shall enter the Plan immediately upon meeting eligibility requirements.

Contributions

Participant Contributions: Participants elect to have amounts withheld from their paychecks and contributed to the Plan by the Company. Participants may contribute up to the maximum of their plan compensation in pre-tax deferrals and Roth deferrals as defined in the Plan and by the Internal Revenue Service. Participants may also contribute rollover amounts representing distributions from other qualified defined benefit or contribution plans. Participants who have attained age 50 before the end of the Plan year are eligible to make catch up contributions. The Plan includes post severance compensation as eligible compensation.

Employer Contributions:

- *Discretionary Matching Contributions*: The Company may make discretionary matching contributions in an amount as determined by the Company.

- *Safe Harbor Matching Contributions:* The Company makes safe harbor matching contributions in an amount equal to 100% of the first 3% of the participant's eligible compensation, plus 50% of the next 2% of the participant's compensation. The Company has made safe harbor matching contributions in the amount of $1,367,112 during 2024.

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

Contributions (Continued)

- *Non-Elective Contributions*: The Company may also make discretionary non-elective contributions as determined by the Company. To receive an allocation of Company non-elective contributions, participants must complete 500 hours of service during the Plan year and be employed by the Company on the last day of the Plan year.

All of the foregoing contributions are subject to limits as set by federal law.

Participant Accounts

Each participant's account is credited with the participant's own contributions and an allocation of net earnings from investments and changes in investment values. Allocations are based on each participant's contributions, earnings, or account balances, as defined by the Plan agreement. The benefit to which a participant is entitled is limited to the benefit that can be provided from the participant's account. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan.

Investment Options

Participants may direct the investment of all contributions into various investment options offered by the Plan and Charles Schwab Trust Bank.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or may elect to take partial payments. Terminated participants whose balances are less than $5,000 will be automatically distributed. For such balances exceeding $5,000, subject to certain requirements, participants may leave their account balance in the Plan. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participants may request withdrawal from their contribution accounts for financial hardship or after attaining the age of 59½. The distribution of the participant's account must commence no later than April 1 following the calendar year in which the participant attains age 73.

Vesting

Participants are always fully vested in their own contributions, Company safe harbor matching contributions, matching contributions, non-elective contributions, and all earnings thereon.

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

Participant Loans

Loans to participants consist of promissory notes received from participants in exchange for the distribution of cash from the Plan. A participant is allowed to borrow a minimum of $1,000, up to one half of the vested balance of their Plan account, up to a maximum of $50,000. Loans must be repaid over no more than a five-year period with the exception of a loan for the participants' principal residence that may have a repayment period beyond five years. Principal and interest are paid not less frequently than quarterly or ratably through payroll deductions. Loans to participants are stated at the principal amount outstanding, which approximates fair value.

Forfeitures

Forfeitures of nonvested employer contributions, if any, shall be used to reduce employer contributions and can be applied to reduce administrative expenses charged to the Plan, for the plan year in which they occurred or thereafter.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions which affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by its investment advisors, custodians, and insurance company. See Note 3 for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis.

Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

Level 1) Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2) Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3) Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 3: FAIR VALUE MEASUREMENTS (CONTINUED)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024.

Self-directed brokerage accounts: The fair values of the mutual funds, stocks, and bonds within the self-directed brokerage accounts are based on quoted market prices when available.

Registered Investment Companies (Mutual funds): Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. The mutual funds held by the Plan are deemed to be actively traded.

Exchange traded funds (ETFs): ETFs are valued at the closing price reported on the principal market on which the respective securities are traded.

Cash and Cash Investments: Cash and cash investments consist primarily of cash, money market funds, and other short-term investments. These investments are valued using quoted market prices, published net asset values (NAVs), or other observable market data and generally approximate fair value due to their short-term maturities.

Equities: Equity investments consist primarily of common stocks and exchange-traded funds (ETFs). Common stocks are valued using quoted market prices in active markets. ETFs are valued at the closing price reported on the principal market on which the securities are traded.

Other investments: Other investments consist primarily of registered investment companies (mutual funds), fixed income securities, and investments held within self-directed brokerage accounts. Mutual funds are valued at the daily closing NAV reported by the fund and are deemed to be actively traded. Investments within self-directed brokerage accounts, including mutual funds, stocks, and bonds, are valued using quoted market prices when available. Fixed income securities are valued using quoted market prices or other observable market inputs.

The valuation methods used by the Plan may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

NOTE 3: FAIR VALUE MEASUREMENTS (CONTINUED)

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Net appreciation in fair value of investments includes net unrealized and net realized gains and losses on investments during the year and is presented net of investment expenses. Investment income is allocated to individual participant accounts based upon the participant's share of the investment fund.

As of December 31, 2024, assets in the plan, as defined by ASC Topic 820, were as follows:

	Assets at fair value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Self-directed brokerage accounts	$ 19,726,349	-	-	$ 19,726,349
Cash and Cash Investments	376,626	-	-	376,626
Equities	933,627	-	-	933,627

Registered Investment Accounts	147,546	-	-	147,546
Other investments	248,715	-	-	248,715
Total investments, at fair value	$ 21,651,819	-	-	$ 21,651,819

As of December 31, 2023, assets in the plan, as defined by ASC Topic 820, were as follows:

	Assets at fair value as of December 31, 2023 (Unaudited)			
	Level 1	Level 2	Level 3	Total
Self-directed brokerage accounts	$ 10,629,818	-	-	$ 10,629,818
Cash and Cash Investments	75,002	-	-	75,002
Equities	779,980	-	-	779,980
Exchange-Traded Funds	183,258	-	-	183,258
Registered Investment Accounts	124,983	-	-	124,983
Other investments	268,039	-	-	268,039
Total investments, at fair value	$ 12,061,080	-	-	$ 12,061,080

NOTE 4: PLAN TERMINATION

Although the Company expects to continue the Plan indefinitely, it has the right under the Plan to suspend its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all accounts become fully vested and non-forfeitable. Plan assets would first be used to pay any expenses properly charged to the Plan. The remaining Plan assets would then be distributed to participants.

NOTE 5: TAX STATUS

The Company has adopted the Plan Perfect, Inc. Non-Standardized Pre-Approved Profit Sharing Plan with CODA. The Internal Revenue Service ("IRS") has informed Plan Perfect Inc in a letter dated June 30, 2020, that its pre-approved defined contribution plan is designed in accordance with applicable sections of the IRC, and any Plan Sponsor adopting this form of the pre-approved defined contribution plan will be considered to have a plan qualified under applicable sections of the IRC. Therefore, the Plan and related trust are tax-exempt, and once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified as a tax-exempt trust.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognizes tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examination for years prior to 2021.

NOTE 6: PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Charles Schwab Trust Bank. Charles Schwab Trust Bank is the custodian, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Any purchase and sales of investments in the custodian are open market transactions at fair market value. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments. These fees are paid to the investment fund manager and may include certain revenue-sharing fees that are paid to Charles Schwab Trust Bank, other investment custodians, and investment advisors.

NOTE 6: PARTY-IN-INTEREST TRANSACTIONS (CONTINUED)

Additionally, the Plan Sponsor, Lido Advisors, LLC, is also a party-in-interest to the Plan, however, there were no transactions with the Plan Sponsor other than the funding of contributions to the Plan and the payment of certain administrative expenses of the Plan. The Plan also allows for the issuance of notes receivable to participants in accordance with the related regulations. Such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 7: NON-EXEMPT TRANSACTIONS

During the Plan year ended December 31, 2024, the Company failed to remit timely to the Plan's custodian certain employee contributions totaling $165,016 during the period prescribed by the Department of Labor regulations. Delays in remitting contributions to the custodian were due to administrative errors, and subsequent to year end the Company will make contributions to the affected participant's accounts to compensate those participants for potential lost earnings due to the delay.

NOTE 8: RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2024 and 2023, to the Plan's Form 5500:

		2024	2023 (Unaudited)
Net assets available for benefits per the financial statements	$	23,299,535	13,303,041
Employer contributions receivable		(84)	42
Net assets available for benefits per the Form 5500	$	23,299,451	13,303,083

The following is a reconciliation of the change in net assets available for benefits per the financial statements for the year ended December 31, 2023, to the Plan's Form 5500:

Change in net assets available for benefits per financial statements	$	9,996,494
Less: Employer contributions receivable at December 31, 2023		(42)
Less: Employer contributions receivable at December 31, 2024		(84)
Change in net assets available for benefits per Form 5500	$	9,996,368

NOTE 9: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10: SUBSEQUENT EVENTS

Subsequent events are events or transactions that occur after the statement of net assets available for benefits date but before the financial statements are available to be issued. The Plan recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statement of net assets available for benefits, including the estimates inherent in the process of preparing the financial statements. The Plan's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statement of net assets available for benefits but arose after the statement of net assets available for benefits date and before the financial statements are available to be issued.

The plan has evaluated subsequent events through July 10, 2026, the date the financial statements were available to be issued.

Supplemental Schedules
