INDEPENDENT AUDITOR'S REPORT

To the Participants and Management of
Neotiss High Performance Tube Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Neotiss High Performance Tube Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025 and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Neotiss High Performance Tube Retirement Savings Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(c)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103.5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statement section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Neotiss High Performance Tube Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Neotiss High Performance Tube Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Neotiss High Performance Tube Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Neotiss High Performance Tube Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of assets held at end of year as of December 31, 2025 and 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Neotiss High Performance Tube Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan established under the provisions of Section 401(a) of the Internal Revenue Code (IRC), which includes a cash or deferred arrangement under 401(k) of the IRC and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is also intended to be a 404(c) Plan. Under a 404(c) Plan, an employee may select the investments for all or a portion of the account under the Plan.

Plan Sponsor, Administration and Spin-off. In 2016, Neotiss, Inc. (the Company) was spun-off from Vallourec North America. Coincident with the spin-off, Neotiss, Inc. established this Plan, the Neotiss High Performance Tube Retirement Savings Plan. Effective July 1, 2016, (the Transfer Date) the participant account balances and assets related to participating Neotiss, Inc. employees were transferred to the Plan.

The Plan is administered by the Neotiss, Inc. 401(k) Fiduciary Committee. T. Rowe Price Retirement Plan Services, Inc. serves as the record keeper and T. Rowe Price Trust Company serves as trustee of the plan.

Eligibility and Contributions. All full-time employees who are 18 years of age or older are eligible to participate in the Plan. A participant may elect to contribute up to 100% of his or her compensation in any plan year subject to maximum deferral amounts set forth in the Internal Revenue Code. Roth deferrals are also permitted. A Roth Deferral is an elective deferral the participant irrevocably designates as a Roth deferral and is subject to income tax when contributed to the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan sponsor provides a Safe Harbor Non-Qualified Automatic Contribution Arrangement matching contribution equal to 100% match for the first 3% of compensation contributed and if applicable, a 50% match for the next 3% compensation contributed as defined in the plan document. The Plan sponsor may also provide a discretionary, qualified non-elective contribution. Employer contributions are invested in accordance with the participant's election.

Participant Accounts. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. The employee's deferrals, rollovers and employer's actual deferral percentage (ADP) Safe Harbor Non-elective contributions are fully vested at all times.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Notes Receivable from Participants. Participants may borrow from their vested fund accounts as described in the Plan document.

Investment Options. The Plan's investment options are managed by T. Rowe Price Trust Company, the trustee of the Plan. Upon enrollment in the Plan, a participant may direct employee contributions in 1% increments in any of the available funds managed by T. Rowe Price Trust Company.

Payment of Benefits. On termination of service due to death, disability or retirement the vested balance is paid in a single sum if the participant's vested account totals \$5,000 or less. If the participant's vested balance exceeds \$5,000 he or she may elect to have the vested account paid in either a single payment or in a series of payments over a period of time based on options chosen by the participant. Additional guidelines may apply based on the participant's age, vested balance and current or prior marital status. Benefit payments are expensed when paid.

Forfeited Accounts. Forfeitures of participant non-vested account may first be used to pay Plan expenses, and then to reduce future employer contributions. There were no forfeitures during the Plan years ended December 31, 2025 and 2024.

Administrative Expenses. The Plan permits the payment of the Plan expenses to be made from the Plan assets. If the Company does not pay these expenses, then the expenses paid using the Plan's assets will be allocated among the participant accounts.

Plan Termination. Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Plan assets must be used for the exclusive benefits of the participants.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, which requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value as reported by the trustee, T. Rowe Price Trust Company. Shares of mutual funds and pooled separate accounts are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end. See Note 4 for discussion of fair value measurements. The Plan's investments are valued daily.

Net appreciation or depreciation of investments included in the accompanying statement of changes in net assets available for benefits includes realized gains and losses from the sale of investments and unrealized appreciation or depreciation in fair value of investments. Net unrealized appreciation or depreciation in the fair value of investments represents the net change in the fair value of the investments held during the year. The net realized gains or losses on the sale of investments represent the difference between the sale proceeds and the fair value of the investment as of the beginning of the year or the cost of the investment if purchased during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Investments in registered investment companies (mutual funds) are valued at amounts representing the net asset values of shares held by the Plan at year end as determined by T. Rowe Price Retirement Plan Services, Inc.

Notes Receivable from Participants

Loan terms range from one to five years. The loans are secured by the vested balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Interest rates range from 4.25% to 9.5% on all outstanding loans. Principal and interest are paid ratably through bi-weekly payroll deductions. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document. Accordingly, no allowance for loan losses is considered necessary.

Payment of Benefits

Benefits are recorded when paid.

Excess Contributions

There were no excess contributions by Plan participants during the plan years ended December 31, 2025 and 2024.

NOTE 3 - CERTIFIED FINANCIAL DATA

The plan administrator has elected the alternative method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, information certified by the Plan's custodian, T. Rowe Price Retirement Plan Services, Inc. as of December 31, 2025 and 2024 and for the years then ended, was not audited, except for comparing such information to the related information included in the accompanying financial statements and supplemental schedule.

A summary of the Plan's financial information, which has been certified by the Plan's custodian, is presented as follows:

	<u>December 31,</u> <u>2025</u>	<u>December 31,</u> <u>2024</u>
Investments, At Fair Value	\$ 17,377,754	\$ 17,588,316
Dividends and Interest	\$ 809,082	\$ 569,705
Net Appreciation/(Depreciation) in Fair Value of Investments	\$ 1,500,513	\$ 1,290,781

NOTE 4 – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- Level 1 consists of unadjusted quoted prices in active markets for identical assets or liabilities, and has the highest priority.
- Level 2 consists of inputs other than quoted prices within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 consists of significant unobservable inputs for the asset or liability and has the lowest priority.

Fair Value Measurements Using:

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
<u>December 31, 2025</u>				
Mutual Funds	<u>\$ 17,377,754</u>	<u>\$ 17,377,754</u>	<u>\$ -</u>	<u>\$ -</u>
Total investments, at fair value	<u><u>\$ 17,377,754</u></u>	<u><u>\$ 17,377,754</u></u>	<u><u>\$ -</u></u>	<u><u>\$ -</u></u>

Fair Value Measurements Using:

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
<u>December 31, 2024</u>				
Mutual Funds	<u>\$ 17,588,316</u>	<u>\$ 17,588,316</u>	<u>\$ -</u>	<u>\$ -</u>
Total investments, at fair value	<u><u>\$ 17,588,316</u></u>	<u><u>\$ 17,588,316</u></u>	<u><u>\$ -</u></u>	<u><u>\$ -</u></u>

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are managed by the T. Rowe Price Retirement Plan Services, Inc. T. Rowe Price Retirement Plan Services also provides recordkeeping services to the Plan. Therefore, transactions relating to these investments qualify as party-in-interest transactions. Fees incurred by the Plan for investment management and administration services are included in net appreciation in the fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

NOTE 6 – TAX STATUS

The Plan is using a prototype plan approved by the Internal Revenue Service (IRS) and accordingly, has neither applied for nor received a determination letter from the IRS. The Employer believes that the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements. Management believes there are no uncertain tax positions requiring recognition in the financial statements.

NOTE 7 – SUBSEQUENT EVENTS

The plan administrator evaluated events and transactions subsequent to December 31, 2025, through the date of the independent auditor's report (the date the financial statements were available to be issued) for potential recognition or disclosure in the financial statements. The plan administrator has not identified any items requiring disclosure.
