INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Southwestern Indiana Building Trades Sheet Metal Workers
Substance Abuse and Safety Training Trust Fund

Opinion

We have audited the accompanying financial statements of the Southwestern Indiana Building Trades Sheet Metal Workers Substance Abuse and Safety Training Trust Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits- cash basis as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits- cash basis for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits- cash basis of the Southwestern Indiana Building Trades Sheet Metal Workers Substance Abuse and Safety Training Trust Fund as of December 31, 2025 and 2024, and the changes in net assets available for benefits- cash basis for the year ended December 31, 2025, in accordance with the cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Southwestern Indiana Building Trades Sheet Metal Workers Substance Abuse and Safety Training Trust Fund and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting described in Note 2; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Southwestern Indiana Building Trades Sheet Metal Workers Substance Abuse and Safety Training Trust Fund Employee Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Southwestern Indiana Building Trades Sheet Metal Workers Substance Abuse and Safety Training Trust Fund Employee Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of reportable transactions- cash basis for the year ended December 31, 2025, is presented for the purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rule and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule (cash basis), we evaluated whether the supplemental schedule (cash basis), including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the supplementary schedule (cash basis) is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1- DESCRIPTION OF FUND

The following description of the Southwestern Indiana Building Trades Sheet Metal Workers Substance Abuse and Safety Training Trust Fund (Fund) provides only general information. Employers should refer to the Agreement and Declaration of Trust and Various Collective Bargaining Agreements for a more complete description of the Fund's provisions.

General:

The Fund was established January 1, 2005, for the purposes of promoting the safety of its participants by establishing drug testing, employee assistance, safety training programs and background checks for sheet metal contractors located throughout Southwestern Indiana.

Participating employers are any employers subject to a Collective Bargaining Agreement (CBA) or a Special Agreement of the Fund. Participating employees are any individual employed by a participating employer who is covered by the CBA. Non-bargaining employees are allowed to participate through Special Agreements.

The Fund is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees the governance of the Fund

Benefits:

The Fund provides confidential drug and alcohol testing, and rehabilitation when test results show unacceptable levels of any substance that can impair an employee's ability to work safely and efficiently. In addition, the fund provides completion of a safety training program and background checks for the benefit of the employees and participants of the Fund.

The Fund contracts with an outside service provider to administer the tests and maintain the employee database. These tests can be performed due to pre-employment, post-accident, random selection, probable cause, return to duty, follow-up, and scheduled based on the terms of the Trust Policy.

There are no accumulated credits and thus no benefit obligations presented.

Contributions:

The Trust Policy provides those participating employers make contributions to the Fund of a specified amount for each hour worked. The employers' contribution rate is determined by the current CBA between the participating employers and labor organizations.

Effective December 31, 2025, the hourly contribution rate was as follows: Specialty Workers \$.00; Metal Fab Industrial Workers \$.03; Residential, Industrial Workers and Building Trades \$.08.

Form 5500 Reconciliation

There are no reconciliation items between the financial statements and the Form 5500 filed.

NOTE 2- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Fund are prepared using the cash basis of accounting which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under the cash basis of accounting, certain revenues and related assets are recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred. Consequently, the Fund has not recognized employer contributions receivable or accounts payable and their related effects on the change in net assets available for benefits in the accompanying financial statements.

Contractual Agreement

The Fund entered into an automatically renewable contract with DISA Global Solutions. Under the contract, DISA Global Solutions has the exclusive right to administer drug and alcohol testing and employee assistance program services for the members of the Fund.

Cash

Cash consists of a noninterest bearing checking account.

Administrative Expenses

All expenses of maintaining the Fund are paid out of the Fund as directed by the Board of Trustees.

Date of Management's Review of Subsequent Events

Subsequent events were evaluated through July 19, 2026, which is the date the financial statements were available to be issued.

NOTE 3- FUND TERMINATION

Although it has not expressed any intent to do so, the Board of Trustees has the right under the Fund to modify the benefits or terminate the Fund subject to the provisions set forth in ERISA. Termination of the Fund would not affect payment of benefits incurred prior to the termination date.

NOTE 4- TAX STATUS

The Internal Revenue Service has determined that the Fund is exempt from federal income tax under Section 501(c)(9) of the Internal Revenue Code.

Management has concluded that as of December 31, 2025, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Fund is subject to examination by the Internal Revenue Service; however, there are currently no audits for any tax periods in progress.
