Independent Auditor's Report

**The Plan Administrator
United Health Centers of the San Joaquin Valley, Inc.
401(k) Profit Sharing Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements

We have performed an audit of the financial statements of United Health Centers of the San Joaquin Valley, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2025 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate to the best of their knowledge.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section.

- The amounts and disclosures in the accompanying 2025 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying 2025 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2025 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2025 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2024 Financial Statements

Predecessor auditors performed an audit of the 2024 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated July 22, 2025 indicated that (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with U.S. GAAP, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedule, other than the information in the 2024 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2024 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 DESCRIPTION OF THE PLAN

The following description of the United Health Centers of the San Joaquin Valley, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution and profit-sharing plan covering all employees of United Health Centers of the San Joaquin Valley, Inc. (the Company) except for union, non-resident alien, leased, and temporary employees. Employees are eligible to participate in salary deferrals and safe harbor matching contributions after completion of six months of service and are age 18 or older. Employees are eligible to participate in the Company non-elective contributions after the completion of one year of service consisting of 1,000 hours of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan, up to the annual maximum allowed by the Internal Revenue Service (IRS). Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan also allows Roth contributions.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan also includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

The Company contributes a safe harbor matching contribution equal to 100% of the first 5% of base compensation that a participant contributes to the Plan. Additional Company non-elective amounts may also be contributed at the discretion of the Company. During the year ended December 31, 2025, the Plan made safe harbor matching contributions of \$2,445,793. There were no discretionary non-elective contributions for 2025. Contributions are subject to certain IRS limitations.

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions, Company safe harbor matching contributions, and allocations of (a) the Company's discretionary non-elective contributions, (b) plan earnings (losses), and (c) forfeitures of terminated participants' nonvested accounts. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their voluntary contributions, rollovers, Company safe harbor contributions plus actual earnings (losses) thereon. Vesting in the Company's discretionary non-elective contributions is based on the number of years of service.

Company discretionary non-elective contributions vest according to the following schedule:

<u>Years of Service</u>	<u>Vesting %</u>
Less than 1 Year	0%
1 Year	25%
2 Years	50%
3 Years	75%
4 Years	100%

Participants are considered to have completed one year of service for purpose of vesting upon the completion of 1,000 hours of service at any time during 12 consecutive months.

Payment of Benefits

Upon severance of service due to death, disability, retirement, or termination, a participant (or beneficiary) may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or a direct rollover to another eligible retirement plan. In addition, hardship distributions are permitted if certain criteria are met. The Plan also allows for in-service distributions upon attaining age 59 1/2.

Forfeitures

At December 31, 2025 and 2024, forfeited nonvested accounts totaled \$9,043 and \$5,723, respectively. These accounts will be used to reduce future Company contributions or to pay administrative expenses of the Plan in accordance with the plan document. During the year ended December 31, 2025, there were no forfeitures used. Forfeitures will be used within required timeframe consistent with SECURE 2.0 compliance.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts (FBRICs)). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

FBRICs are reported at contract value, which is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the Plan.

Net Appreciation (Depreciation) in Fair Value of Investments

Realized and unrealized appreciation (depreciation) in the fair value of investments is based on the difference between the fair value of the assets at the beginning of the year, or at the time of purchase for assets purchased during the year, and the related fair value on the day investments are sold with respect to realized appreciation (depreciation), or on the last day of the year for unrealized appreciation (depreciation).

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Net Appreciation (Depreciation) in Fair Value of Investments (Continued)

Realized and unrealized appreciation (depreciation) is recorded in the accompanying Statement of Changes in Net Assets Available for Benefits and is presented as part of investment income (loss).

Contributions

Contributions from Plan participants and the matching contributions from the employer are recorded in the year in which participant compensation is earned.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses incurred while maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment-related expenses are allocated proportionately to plan participants based on their respective account balances and are included in total investment income.

NOTE 3 FAIR VALUE MEASUREMENT

The Plan has adopted Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*. This framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

United Health Centers of the San Joaquin Valley, Inc.
401(k) Profit Sharing Plan
Notes to Financial Statements
As of December 31, 2025 and 2024
and for the Year Ended December 31, 2025

NOTE 3 FAIR VALUE MEASUREMENT (CONTINUED)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques that are used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Registered Investment Companies

These investments are public investment vehicles valued using the net asset value (NAV) provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market and is classified within Level 1 of the valuation hierarchy.

Common Collective Trusts

The common collective trusts are valued at the NAV provided by the administrator of the fund using NAV as a practical expedient to estimate fair value. This practical expedient would not be used if it were determined to be probable that the fund would sell the underlying investments for an amount different than the reported NAV. These funds are stable funds and their NAVs are based on the underlying investments held by the fund less its liabilities. Participant transactions (purchases and sales) may occur daily, and there are no restrictions as to the redemption of these funds or unfunded commitments at December 31, 2025 and 2024.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan maintains a fully benefit responsive guaranteed investment contract with Voya Retirement Insurance and Annuity Company (Voya). Voya maintains the contributions in a general account. The account is credited with earnings on investments and charged for participant withdrawals and administration expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1.00%. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The contract is stated at contract value, which approximates fair value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Voya, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Certain events may limit the ability of the Plan to transact at contract value with the issuer. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. The Plan administrator does not believe that any events which would allow the issuer to terminate the contract with the Plan are probable of occurring.

NOTE 5 FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE

The Plan's asset information as of December 31, 2025 and 2024, and for the year ended December 31, 2025, included throughout the Plan's financial statements and ERISA-required supplemental schedules, were obtained by management and agreed to or derived from information certified by Voya, the Trustee of the Plan. The Plan Administrator has obtained certifications from the trustee that information provided to the Plan Administrator by the trustee related to the Plan's assets is complete and accurate to the best of their knowledge. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and ERISA-required supplemental schedule related to the following:

- Investments, as reflected in the Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024;

United Health Centers of the San Joaquin Valley, Inc.
401(k) Profit Sharing Plan
Notes to Financial Statements
As of December 31, 2025 and 2024
and for the Year Ended December 31, 2025

NOTE 5 FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE (CONTINUED)

- Investment activity, as reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025;
- Investment information disclosed in Notes 3 and 4 to the Plan's financial statements; and,
- Investments, as reflected in Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025.

NOTE 6 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Voya. Voya is the Trustee, as defined by the Plan and, therefore, these transactions qualify as party-in-interest that are exempt under ERISA. Fees incurred and paid by the Plan to Voya for administrative services amounted to \$164,212 for the year ended December 31, 2025. Fees for the investment management services during the Plan year ended December 31, 2025 were offset against net appreciation in fair value of investments.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan document to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company contributions.

NOTE 8 TAX STATUS

The Plan adopted a non-standardized pre-approved plan document with an IRS notification letter, which states the pre-approved plan document is in compliance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter; however, the Plan Administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Because of the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in various risk factors, in the near term, could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 10 NEW LAWS AND REGULATIONS

On December 29, 2022, the Setting Every Community Up for Retirement Enhancement 2.0 Act of 2022 (SECURE 2.0) became law. The new law makes changes to include provisions intended to expand coverage, increase retirement savings, and simplify and clarify retirement plan rules. SECURE 2.0 changed the retirement plan rules for long-term, part-time employees. The 401(k) plan requirement to allow employees to contribute elective deferral was expanded to 403(b) plans.

For plan years beginning in 2024, if an employee has three consecutive 12-month periods with more than 500 hours of service in each, the employee must be eligible to enter the plan, and the period of service was reduced from three to two consecutive 12-month periods, for plan years beginning after December 31, 2024.

The IRS issued proposed regulations in February 2023 addressing the use and timing of forfeitures in qualified retirement plans. These regulations apply to plan years beginning on or after January 1, 2024. The regulation states that forfeitures must be used no later than 12 months after the end of the plan year in which the forfeitures were incurred. However, the transition rule also provides that any forfeitures that were incurred in any plan year beginning before January 1, 2024 are treated as having been incurred in the first plan year that begins on or after January 1, 2024, and, thus, must be used no later than December 31, 2025, for a calendar year plan. The Plan will ensure that all forfeitures from years prior to 2024 are used by December 31, 2025, to comply with this requirement.

In addition, for plan years beginning in 2026, catch-up contributions for participants age 50 or older earning more than \$145,000 annually will be required to be made on a Roth (after-tax) basis. Management is monitoring regulatory guidance and evaluating administrative updates required to comply with this provision.

The Plan intends to implement these legislative changes and expects to adopt the required plan amendments by the applicable deadlines, which is no later than December 31, 2026.

NOTE 11 SUBSEQUENT EVENTS

The Plan has evaluated subsequent events to December 31, 2025 to assess the need for potential recognition and/or disclosure in the financial statements. Such events were evaluated through June 30, 2026, the date the financial statements were available to be issued. Management determined that no subsequent events require disclosure or adjustment to the accompanying financial statements.
