Re: Employee Retirement Income Security Act of 1974 (ERISA)
Insurance Information Schedule A (Form 5500)

Unum's policy is to fully disclose and report all compensation associated with the insurance plans we offer in accordance with our internal guidelines and with all applicable regulations. We are pleased to certify the reported Schedule A data with respect to the filing of an ERISA Form 5500 Annual Report.

This information is forwarded to you in the event your company has determined it is required to make this filing. Unum does not take any position or provide any advice on ERISA's applicability to any of your company's benefit plans.

The enclosed Primary Schedule A data is reported by the insuring company and includes all Base Commissions, Supplemental Compensation and Fees paid to a broker/entity for this policy issued by the insuring company during the plan year as reported through Unum's commission systems. If no plan year has been specified in our records the information is for the period reported on the form.

Base Commissions are a fixed percentage of the policy premium, and may include a one time flat amount. If no compensation has been paid, this figure will be zero (.00). If Base Commission is reported, it will be reflected under the Sales Commissions Paid column.

Supplemental Compensation, other than Base Commissions, may be received by a broker/entity for this policy. If no Supplemental Compensation has been paid, this figure will be zero (.00). If Supplemental Compensation is reported, it will be reflected under the Additional Compensation Paid column.

In some instances a broker/entity may receive a Fee for services provided to the policyholder. If no Fee has been paid, this figure will be zero (.00). If a fee is reported, it will be reflected under the Fees Paid column.

The Supplemental Schedule A data identifies any additional or other compensation including, but not limited to, any final payments under prior incentive plans, overrides, and non-cash compensation. If no such additional or other compensation has been paid, this figure will be zero (.00).

If you have any questions regarding the enclosed data or think that you may have received this information in error, contact us at 1-800-ASK-UNUM (1-800-275-8686) or email us at AskUnum@unum.com. We would be glad to assist you with any questions relating to Unum insurance coverages or broker compensation. However, we may not provide legal advice on the applicability of particular laws or regulations to your company. For these issues, you should consult your company's attorneys or other advisors.

We appreciate this opportunity to provide service to you.

Dear Valued Customer:

The enclosed report provides some important information regarding your group insurance policy for the recently completed policy year. This information includes, among other things, total premiums paid, as well as compensation paid to agents or brokers in connection with your policy.

If your policy is issued in connection with an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), then you will find this information useful in preparing the ERISA annual report (Form 5500). Please contact your attorney or benefits consultant if you have questions regarding the applicability of ERISA to your plan, Form 5500, or other requirements. We hereby certify that the information provided here is accurate and complete.

If your policy is not subject to ERISA, then we are providing this information as a service, for your use in the management of your benefit plan. Our goal is to provide the highest degree of service to our customers, and we are committed to providing this important information to you.

This information may include an entry which shows other compensation received by your broker from New York Life Group Benefit Solutions, in addition to commissions. New York Life Group Benefit Solutions companies offer programs under which agents and brokers can qualify for additional compensation, for providing our insurance companies with market intelligence, product and service feedback, and other services that enable us to conduct our business more effectively. This additional compensation may be paid either as an override (contingent on meeting new sales and persistency goals), or as a supplemental commission (measured as a percentage of premium). For plans subject to ERISA and required to file Form 5500, the U.S. Department of Labor has advised that such payments must be reported on Schedule A of Form 5500. Thus, if your broker received a payment during the policy year under one of these programs, a portion (equal to the amount, which was based on premiums or commissions, that was paid with respect to the policy) has been allocated and is included with the Schedule A information that is enclosed. While this compensation has been, for this purpose, allocated to specific policies, it is funded from our general overhead for all policies, regardless of whether a broker participates in these agreements.

Your agent or broker may also have participated, at the insurance company's expense, in producer events sponsored by our insurance companies during which information concerning our products and services was exchanged. Please contact your agent or broker if you would like specific information about their participation in these programs. In addition, the insurance company offers agents and brokers the opportunity to receive the benefit of New York Life's favorable pricing with vendors of various goods and services.

New York Life Group Benefit Solutions has a longstanding commitment to our customers to deliver the highest level of quality service. Millions of individuals continue to rely on New York Life Group Benefit Solutions for the Insurance protection they need. We value the trust our customers place in us, and unwaveringly pledge to adhere to ethical business standards.

Sincerely,

Dear Valued Customer:

The enclosed report provides some important information regarding your group insurance policy for the recently completed policy year. This information includes, among other things, total premiums paid, as well as compensation paid to agents or brokers in connection with your policy.

If your policy is issued in connection with an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), then you will find this information useful in preparing the ERISA annual report (Form 5500). Please contact your attorney or benefits consultant if you have questions regarding the applicability of ERISA to your plan, Form 5500, or other requirements. We hereby certify that the information provided here is accurate and complete.

If your policy is not subject to ERISA, then we are providing this information as a service, for your use in the management of your benefit plan. Our goal is to provide the highest degree of service to our customers, and we are committed to providing this important information to you.

This information may include an entry which shows other compensation received by your broker from New York Life Group Benefit Solutions, in addition to commissions. New York Life Group Benefit Solutions companies offer programs under which agents and brokers can qualify for additional compensation, for providing our insurance companies with market intelligence, product and service feedback, and other services that enable us to conduct our business more effectively. This additional compensation may be paid either as an override (contingent on meeting new sales and persistency goals), or as a supplemental commission (measured as a percentage of premium). For plans subject to ERISA and required to file Form 5500, the U.S. Department of Labor has advised that such payments must be reported on Schedule A of Form 5500. Thus, if your broker received a payment during the policy year under one of these programs, a portion (equal to the amount, which was based on premiums or commissions, that was paid with respect to the policy) has been allocated and is included with the Schedule A information that is enclosed. While this compensation has been, for this purpose, allocated to specific policies, it is funded from our general overhead for all policies, regardless of whether a broker participates in these agreements.

Your agent or broker may also have participated, at the insurance company's expense, in producer events sponsored by our insurance companies during which information concerning our products and services was exchanged. Please contact your agent or broker if you would like specific information about their participation in these programs. In addition, the insurance company offers agents and brokers the opportunity to receive the benefit of New York Life's favorable pricing with vendors of various goods and services.

Millions of individuals continue to rely on New York Life Group Benefit Solutions for the Insurance protection they need.
