## **Report of Independent Auditors**

To the Administrator of the Belcan Services Group  
Limited Partnership Retirement Savings Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the accompanying financial statements of the Belcan Services Group Limited Partnership Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (in liquidation) as of November 19, 2025 and December 31, 2024, and the related statement of changes in net assets available for benefits (in liquidation) for the period from January 1, 2025 to November 19, 2025, including the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Basis of Accounting***

As discussed in Note 1 to the financial statements, the Board of Managers of Belcan, LLC approved a plan of liquidation, and the Plan determined liquidation is imminent. As a result, the Plan changed its basis of accounting on August 23, 2024 from the going concern basis to a liquidation basis. Our opinion is not modified with respect to this matter.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Notes to Financial Statements (In Liquidation)**

### **November 19, 2025 and December 31, 2024**

---

#### **1. Plan Description**

The following description of the Belcan Services Group Limited Partnership Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan documents and summary plan descriptions for a more complete description of the Plan's provisions.

#### **Plan Termination and Liquidation**

On August 25, 2024, the Board of Managers of Belcan, LLC, parent of the Plan Sponsor, approved the termination of the Plan effective August 23, 2024 at 11:59 PM. The Plan was frozen to new entrants on August 24, 2024, with no new participant contributions permitted after that date. Participants continued to be able to receive termination and retirement benefit payments, based on existing plan provisions. In conjunction with the Plan termination, on August 26, 2024, Propulsion Holdings, LLC, parent of Belcan, LLC, was acquired by a subsidiary of Cognizant Technology Solutions Corporation. As of April 8, 2025, participants were able to direct their balances to either an Individual Retirement Account ("IRA") or the Cognizant Technology Solutions 401(k) Savings Plan through rollovers. Alternatively, they could take their existing funds as a distribution, subject to applicable taxation and penalties. Participants could make the aforementioned directive elections for their balances through October 1, 2025. If a participant did not make an election, their balance was automatically rolled over into an IRA set up for the participant. On November 19, 2025, the Plan completed the distribution of all participant account balances and fully liquidated its assets in accordance with the Plan's decision to terminate the Plan. See Note 3 for additional information.

#### **General and Participation**

Effective July 1, 2025, the Company converted to an LLC and changed its name to Belcan Services Group, LLC. The Plan is a defined contribution plan subject to provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA") and the Internal Revenue Code of 1986, as amended (the "Code"). The following affiliates have adopted the Plan ("Participating Employer"): (a) Belcan, LLC; (b) Belcan Engineering Group, LLC; and (c) Cognizant Government Solutions, Inc. (formerly known as Belcan Government Solutions, Inc. prior to April 29, 2026). To be eligible to participate in the Plan, an individual must have been an employee of the Company or Participating Employer who completed at least 60 days of service, attained at least age 21, and was not: (1) a member of a collective bargaining unit (unless the collective bargaining agreement requires coverage under the Plan); (2) a nonresident alien with no United States source income; (3) a leased employee; (4) a staff employee; or (5) a temporary staffing employee.

#### **Administration and Trustee**

The Plan is administered by a committee (the "Committee", or "Plan Administrator") comprised principally of management. The Committee appointed Matrix Trust Company ("Matrix Trust") as trustee for all assets other than those held in self-directed brokerage accounts. Certain employees of the Company are the trustees for assets held in self-directed brokerage accounts. With the exception of self-directed brokerage accounts, Matrix Trust invests and holds all contributions made by the Plan Administrator and allocates among the investment options available under the Plan as directed by individual participants. Hilltop Securities is custodian of investments within the self-directed brokerage accounts. Correll Company ("Correll") is the Plan's recordkeeper.

#### **Contributions**

Participants were permitted to contribute to the Plan, on a pre-tax basis, 401(k) contributions and catch-up contributions up to limits set by the Plan and the Code. Effective January 1, 2024, participants were permitted to contribute to the Plan on an after-tax basis (Roth contributions), up to limits set by the Plan and the Code. Participants could change their contribution withholding percentages at any time. Participants who had attained the age of 50 before the end of the Plan year were eligible to make additional catch-up contributions up to \$7,500 per year during 2024. The Plan also accepted direct rollovers from other qualified plans and arrangements and rollover contributions from participants. Effective January 1, 2024, the Plan permitted in-Plan Roth rollovers by Participants. See Note 3 regarding Plan termination for additional information.

#### **Participant Accounts**

A participant's account is credited with the participant's contributions and is adjusted for earnings and losses. The benefit to which a participant is entitled is the vested amount that is in the participant's account at any given time.

#### **Vesting**

Participants are immediately 100% vested in their pre-tax and Roth 401(k) contributions, catch-up contributions and rollover contributions as adjusted for earnings and losses.

#### **Investments**

Upon enrollment into the Plan, a participant could direct employee contributions in 1% increments into various investment options available under the Plan. Participants may reallocate their investments at any time during the year. Accordingly, all investments are participant directed.

#### **Benefits**

A distribution in a lump sum may be made to a participant upon the participant's termination of employment with the Company and all affiliated companies. Prior to termination from employment, a participant experiencing a financial hardship (if certain requirements are satisfied) or if called to military duty (if certain requirements are satisfied) may withdraw all or a portion of their vested account balance upon attaining age 59½. Upon death, a participant's vested account balance remaining in the Plan will be paid to the participant's beneficiary or estate.

#### **Notes Receivable From Participants**

Participants could borrow up to \$50,000 (reduced as required by the Code) or 50% of their vested account balance in the Plan, whichever was less. The maximum term of a loan was 5 years unless the loan was used to purchase a primary residence which was 30 years. A participant may only have one loan outstanding. The loans are secured by the balance in the participant's account and bear interest at a rate determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions. A participant must generally repay any loan in full within 90 days of the participant's termination of employment with the Company. At November 19, 2025, there were no outstanding participant loans. At December 31, 2024, participant loan interest rates in effect ranged from 4.25% to 9.50% with various maturity dates through 2029.

Upon termination of the Plan, participants were no longer permitted to borrow additional loans. However, existing loans continued to be repaid through payroll deductions, as described above. For any outstanding participant loans, participants had the ability to roll over up to two existing loans into the Cognizant Technology Solutions 401(k) Savings Plan or take their loans as deemed distributions. Participants could make the aforementioned directive elections through October 1, 2025. If a participant did not make an election, their outstanding loan was treated as a deemed distribution.

## **2. Summary of Significant Accounting Policies**

### **Basis of Accounting**

The accompanying financial statements of the Plan as of November 19, 2025 and December 31, 2024 and for the period January 1, 2025 to November 19, 2025 are prepared in conformity with accounting principles generally accepted in the United States of America using the liquidation ("In Liquidation") basis of accounting.

Under the liquidation basis of accounting, assets are measured to reflect the estimated amount of cash expected to be collected in settling or disposing of assets during the liquidation process and liabilities are measured using the accrual basis of accounting and would include any expected costs of the disposed assets and other costs expected to be incurred during the liquidation process.

### **Use of Estimates**

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the accompanying financial statements and disclosures. Accordingly, actual results could differ from these estimates.

### **Valuation of Investments and Income Recognition**

The Plan's investments are reported at liquidation value. Under the liquidation basis of accounting, investments are carried at the amount of cash that the Plan reasonably expects to receive upon liquidation. Liquidation value approximates fair value. Fair value represents the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The change in the unrealized difference between cost and fair value of investments held is reflected in the statement of changes in net assets available for benefits as net appreciation in fair value of investments. Gains on dispositions of investments are recognized at the time of disposition with the amount of gain determined on a specific identification basis. Interest and dividend income is recorded on an accrual basis through the date of liquidation.

The following is a description of fair value methodologies.

#### ***Cash (Interest-Bearing)***

Fair value was based on original cost plus accrued interest or at amortized cost as reported by the financial institution associated with the interest-bearing account. Cash (interest-bearing) was held within the self-directed brokerage accounts.

#### ***Mutual Funds and Money Market Accounts***

Fair value was based on the daily closing price reported by the fund. Mutual funds and money market accounts held by the Plan were open-end mutual funds that are registered with the Securities and Exchange Commission. These funds were required to publish their daily net asset value (NAV) and to transact at that price. The mutual and money market accounts funds held by the Plan were deemed to be actively traded. Money market accounts were held within the self-directed brokerage accounts.

#### ***Common Stocks***

Fair value was based on the quoted closing price reported on the active market on which the individual securities are traded. These securities were held within the self-directed brokerage accounts.

## **Notes to Financial Statements (In Liquidation)**

### **November 19, 2025 and December 31, 2024**

---

#### *Common/Collective Trust Fund*

Fair value was based on the NAV of units held by the Plan at year end. The net asset value of units held by the Plan was based on the fair value of the underlying investments held by the fund less its liabilities. Generally, under ordinary market conditions, all common/collective trust positions provided daily market liquidity to plan participants and the Plan. Participant transactions (issuances and redemptions) may have occurred daily.

#### **Notes Receivable From Participants**

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan document.

#### **Payment of Benefits**

Benefits are recorded upon distribution. Excess employee deferral contributions are accrued and are reflected as a reduction in contributions.

#### **Administrative Expenses**

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the payment of benefits are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

#### **Risks and Uncertainties**

The Plan invests in various investment securities that are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and statement of changes in net assets available for benefits.

### **3. Plan Termination and Liquidation**

As discussed in Note 1, the Plan was terminated effective August 23, 2024. The Company communicated its intent to terminate the Plan to affected participants on August 12, 2024. The Plan was amended as of August 23, 2024 to reflect the termination.

As of November 19, 2025, all Plan assets had been distributed to participants and beneficiaries or transferred to other qualified retirement plans or individual retirement accounts, as elected by participants. Following the completion of these distributions, the Plan ceased operations and no assets remained in the Plan as of November 19, 2025. Accordingly, the accompanying financial statements reflect the final activities of the Plan through the date of liquidation.

The Plan sponsor does not expect any further contributions, benefit payments, or other Plan transactions subsequent to November 19, 2025, except for the settlement of any remaining administrative matters related to the termination of the Plan.

### **4. Income Tax Status**

The Plan uses a pre-approved nonstandardized prototype plan document sponsored by Correll dated June 30, 2020. The Company may rely on the opinion letter that was issued to Correll by the Internal Revenue Service ("IRS") with respect to the Plan's tax qualified status. The Plan

# **Belcan Services Group Limited Partnership Retirement Savings Plan** **Notes to Financial Statements (In Liquidation)** **November 19, 2025 and December 31, 2024** ---

Administrator believes that the Plan is currently designed and being operated in accordance with the applicable requirements of the Code in all material respects. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan applied for and received a favorable termination determination letter dated September 9, 2025.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of November 19, 2025 and December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2022.

## **5. Trustee Certification**

The following is a summary of the Plan's financial information and data included in the Plan's financial statements and notes to financial statements, which were certified by Matrix Trust, the trustee, as of December 31, 2025 and 2024 and for the year ended December 31, 2025 as complete and accurate, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.
