Independent Auditor's Report

To the Plan Administrator and Those Charged with Governance
Transom Post OpCo, LLC 401(k) Plan
Hopkinton, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Transom Post OpCo, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by a qualified institution, in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from the qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report:

- The amounts and disclosures in the 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2025 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2025 Supplemental Information Required by ERISA

The supplemental information of Schedule H, line 4a – schedule of delinquent participant contributions and line 4i – schedule of assets (held at end of year), as of or for the year ended December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental information, other than the information in the supplemental information that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental information related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditor's Report on the 2024 Financial Statements

Predecessor auditors performed an audit of the 2024 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 3, 2025, indicated (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental information, other than the information in the 2024 supplemental information that agreed to or is derived from the certified investment information, were presented, in all material respects in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA and the information in the 2024 supplemental information related to assets held by and certified to by a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements under ERISA Section 103(a)(3)(C).

TRANSOM POST OPCO, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 – Description of Plan

The following description of the Transom Post OpCo, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General and eligibility

The Plan is a defined contribution plan, established January 1, 2023, available to eligible employees of Transom Post OpCo, LLC (the Company, Employer or Plan Sponsor). The Plan has been amended and restated over the years to comply with certain tax legislation. The Plan covers substantially all employees of the Company. Eligible employees are full-time employees who have attained the age of eighteen (18) with no period of service requirement. Eligible employees may enter the Plan immediately upon meeting the eligibility requirements.

The Company is the Plan Administrator and is responsible for oversight of the Plan. The Plan contracted with Empower Annuity Insurance Company of America and Empower Trust Company, LLC (collectively, the Trustee) for trust and custody services and their affiliate, Empower Retirement, LLC (Empower), for recordkeeping services.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, eligible participants may make pre-tax, Roth, and/or after-tax contributions of their eligible compensation, as defined by the Plan adoption agreement, subject to applicable limits established by law. Under certain circumstances, eligible employees may make rollover contributions to the Plan. Participants who have attained age 50 before the end of the calendar year are eligible to make catch-up contributions. Participants direct their contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation. Under the Plan's automatic escalation provision, participants' elective deferral rates increase by 1% annually on the first day of the plan year, up to a maximum of 10%, unless an alternative rate is elected by the participant.

The Employer may elect to make matching contributions and profit-sharing contributions to the Plan. Employer contributions, if any, are recorded in the year for which the contributions apply. For the year ended December 31, 2025, the Employer elected to make matching contributions equal to 100% of each participant's elective deferral, not to exceed 4% of the participant's eligible compensation, as defined. For the year ended December 31, 2025, the Employer's matching contributions totaled \$621,409. Employer contributions are invested in funds in accordance with the participant's direction and the Plan's provisions.

Contributions are subject to certain IRS limitations.

Participant accounts

Participant accounts are credited with the participant's contributions, the Employer's contributions, if any, and earnings or losses thereon. Participants are charged with applicable transaction charges, and an allocation of administrative expenses that are paid by the Plan. Participants direct their contributions into various investment options offered by the Plan. Allocations are based on earnings and losses of the participant's investments or participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

TRANSOM POST OPCO, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 1 – Description of Plan, Continued

Vesting

Participants are immediately vested in their individual contributions, if any, plus actual earnings or losses thereon. Vesting in the Employer's contributions (if any), plus actual earnings thereon, are fully vested after one (1) year of credited service. Participants are immediately vested upon retirement age (65), death, disability, or Plan termination.

Forfeitures

Forfeited nonvested accounts may be used to offset Plan administrative expenses or reduce future Employer contributions. During the year ended December 31, 2025, forfeitures used to reduce the Employer's contributions totaled \$31,800. As of December 31, 2025 and 2024, unallocated forfeitures totaled \$5,529 and \$29,634, respectively.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Loan terms range from one to five years unless the loan is used to acquire the principal residence of the participant. Loans are secured by the vested account balance in the participant's account. Interest is determined by the Plan Administrator as of the date of the loan request. A participant may have one (1) loan outstanding at any given time. Principal and interest are paid ratably through regular payroll deductions and remitted to the Plan. Delinquent notes receivable from participants are recorded as distributions, under the Plan's provisions. Principal and interest are paid ratably through regular payroll deductions. All loans are required to be repaid within a period of five years.

Payment of benefits

On termination of service due to death, disability or normal retirement age (65), a participant may elect to receive an amount equal to the value of the participant's account or vested portion in either a lump sum amount or in annual installments. Upon termination, a participant's account balance is distributed if the vested value of the participant's account is \$1,000 or less. If the balance exceeds \$1,000, the participant may leave the balance in the Plan or request payment. On termination of service due to reasons other than death, disability, or retirement, a participant is entitled to a benefit equal to the vested interest in the participant's account. Benefit payments to participants are recorded upon distribution. Participants may elect to take an in-service distribution of vested funds if they meet certain defined requirements, including becoming disabled, reaching age 59½, or for heavy financial hardship needs, as defined.

Plan administration

The Company is the Plan Administrator, and as such, controls and manages the operations of the Plan. The Plan's investment assets are maintained by the Trustee, who invests cash received, interest and dividend income and makes distributions to participants (subject to the direction of participants). Empower, an affiliate of the Trustee, provides recordkeeping services to the Plan.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

TRANSOM POST OPCO, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 2 – Summary of Significant Accounting Policies, Continued

Investment valuation and income recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract which is valued at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisor and the Plan's Trustee.

Interest income is recognized when earned. Dividends are recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Use of estimates

The preparation of financial statements in accordance with U.S. GAAP requires the Plan management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates, and such differences could be material.

Risks and uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate risk, market risk, and credit risk. Due to the high level of risk associated with certain investment securities, including the uncertainty related to changes in the values of investment securities, it is at least reasonably possible that changes in such risks in the near-term would materially affect participant account balances and the amounts reported in the financial statements.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual method. Related fees are recorded as administrative expenses and expensed as incurred. If a participant ceases to make scheduled repayments and the Plan Administrator deems the participant note receivable to be in default, the note receivable balance is reduced and a benefit payment recorded. As of December 31, 2025 and 2024, there was no allowance for uncollectible notes receivable from participants.

Payment of benefits

The Plan records benefits when paid.

Contributions

Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which they are withheld from compensation.

Plan expenses

The Plan classified certain administrative expenses as an expense rather than as a reduction of investment income. Substantially all administrative expenses for maintaining the Plan are paid by the Plan Sponsor and are not reflected in these financial statements. Certain expenses paid by the Plan consist of recordkeeping, trustee, and third-party administrator fees. Certain participant directed transactions such as loan processing fees are charged directly to participants' accounts.

TRANSOM POST OPCO, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 2 – Summary of Significant Accounting Policies, Continued

Uncertain tax positions

U.S. GAAP requires Plan management to assess its uncertain tax positions for the likelihood they would be overturned upon examination by the IRS. In accordance with this guidance, the Plan Administrator has determined it does not have any positions at December 31, 2025, that it would be unable to substantiate.

Note 3 – Certified Investment Information

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Annuity Insurance Company of America and Empower Trust Company, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown on the statements of net assets available for benefits as of December 31, 2025 and 2024;
- Net investment activity and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025; and
- Investment information included in the Schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2025, as shown on the ERISA-required supplemental information.

At the request of the Plan's Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified information to the related investment information included in the financial statements and disclosures related to the investments to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP, and in the ERISA-required supplemental schedule, including assessing whether the supplemental schedule, is in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 4 – Fair Value Measurements

Accounting guidance provides a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1	Unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that a plan has the ability to access.
Level 2	Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means for substantially the full term of the assets or liabilities.
Level 3	Significant unobservable inputs.

TRANSOM POST OPCO, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 4 – Fair Value Measurements, Continued

A financial investment level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2025 and 2024. During the year ended December 31, 2025, there were no transfers of financial instruments into or out of Level 3.

Following is a description of the value methodologies used for assets measured at fair value:

Mutual funds – are valued at the daily quoted closing price as reported by the fund. Mutual funds held by the Plan are deemed to be actively traded on national exchanges and transacted at their published daily net asset value (NAV).

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodology or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments, measured at fair value, on a recurring basis, as of December 31, 2025 and 2024:

Fair Value Measurements as of December 31, 2025				
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 10,588,584</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,588,584</u>

Fair Value Measurements as of December 31, 2024				
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 8,638,027</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,638,027</u>

Note 5 – Fully Benefit Responsive Investment with Insurance Company

The Plan invests in a fully benefit-responsive investment contract through a guaranteed investment contract with Empower Annuity Insurance Company of America (EAICA, the issuer) with a contract value of \$53,630 and \$74,713, as of December 31, 2025 and 2024, respectively. EAICA maintains the contributions in a general account. The Empower Investments Fixed Account is a general account product offered through a guaranteed investment contract. Participants' principal and interest are fully guaranteed by EAICA.

The method for calculating the interest crediting rate is based on the earnings on the underlying investments, in the entire medium long-term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The average crediting rate was 1.45% for the year ended December 31, 2025.

EAICA is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is reviewed on a quarterly basis for resetting.

The contract meets the fully benefit-responsive investment criteria and, therefore, is reported at contract value. Contract value is the relevant measurement for fully benefit-responsive investment contracts, because it is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Under the terms of the guaranteed investment, participants may direct the withdrawal or transfer transactions of all or a portion of their balance in the investment option at contract value. Contract value, as reported to the Plan by EAICA, represents contributions made under the contract, plus earnings and losses, less participant withdrawals and expenses.

TRANSOM POST OPCO, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 5 – Fully Benefit Responsive Investment with Insurance Company, Continued

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value. Such events include, but may not be limited to, amendments to the Plan documents (including complete or partial plan termination or merger with another plan), changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, bankruptcy of the Plan Sponsor or other Plan Sponsor events that cause a significant withdrawal from the Plan, the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or premature termination of the contract.

The Plan Administrator does not believe any events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow EAICA to terminate the contract with the Plan and settle at an amount different from contract value. Such events include an uncured violation of the Plan's investment guidelines, a breach of a material obligation under the contract, a material misrepresentation or a material amendment to the agreement without consent of EAICA.

Based on ongoing credit evaluations of its guaranteed investment contract investments, Plan management does not expect payment defaults or delinquencies and has not recorded an allowance for credit losses for these investments as of December 31, 2025 and 2024.

Note 6 – Party-in-Interest Transactions

Parties-in-interest are defined under DOL Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer and certain others. The Plan's investments are managed, administered and/or issued by the Trustee. Empower is the Plan's recordkeeper, a related company of the Trustee, and accounts for investment transactions and participant records along with other compliance and administrative services. Therefore, these transactions with the Trustee and Empower qualify as party-in-interest transactions. Such transactions are exempt from the prohibited transaction rules under ERISA.

Certain administrative functions are performed by officers and employees of the Company. No officer or employee receives compensation from the Plan for these services.

Fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments. The Plan also made direct payments to service providers not covered by revenue sharing totaling \$19,160 in 2025.

Note 7 – Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their Employer contributions.

TRANSOM POST OPCO, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 8 – Tax Status

On June 30, 2020, the IRS stated that the Non-Standardized Pre-Approved Profit-Sharing Plan with CODA adopted by the Plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code (IRC), and therefore, the Plan and its related trust is tax-exempt. The Plan has not received a determination letter specific to the Plan itself. The Plan has been amended since receiving the Non-Standardized Pre-Approved letter, however, the Plan Administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9 – Delinquent Participant Contributions

The Plan Sponsor is required to segregate participant contributions from its general assets as soon as it is practicable in accordance with ERISA Section 2510.3-102. For the years ended December 31, 2025 and 2024, the Plan Sponsor failed to timely remit to the Plan certain participant contributions and loan payments totaling \$1,712 and \$427, respectively. The Plan Sponsor corrected the 2025 and 2024 delinquent participant contributions, along with lost earnings, during 2025.

Note 10 – Subsequent Events

The Plan evaluated events occurring subsequent to December 31, 2025 through June 16, 2026, the date on which the financial statements were available to be issued, for matters that should be recorded in the financial statements or disclosed in the footnotes thereto.

On January 1, 2026, the Plan Sponsor amended the Plan to revise the method used to determine vesting service for Employer contributions to an elapsed-time method, whereby vesting service is measured based on the passage of time from a participant's employment commencement date.

On May 7, 2026, the Plan Sponsor transferred the Plan's assets from Empower Annuity Insurance Company of America to Principal Financial Group for trustee and record keeping services.
