**REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS**

Plan Administrator  
J. J. Keller & Associates, Inc.  
Employees' 401(k) Savings and Retirement Plan

**Scope and nature of the ERISA Section 103(a)(3)(C) audit**

We have performed audits of the financial statements of J. J. Keller & Associates, Inc. Employees' 401(k) Savings and Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of management for the financial statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's responsibilities for the audit of the financial statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other matter - supplemental schedules required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2025 and supplemental schedule of delinquent participant contributions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS**

**December 31, 2025 and 2024**

**NOTE A - PLAN DESCRIPTION**

The following brief description of the J. J. Keller & Associates, Inc. Employees' 401(k) Savings and Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

***General***

J. J. Keller & Associates, Inc. (the Company) established the Plan on May 1, 1988 to continue its effort to stimulate and reward the efforts of its employees and to encourage their continued service by providing retirement benefits. The Plan is a defined contribution plan covering substantially all employees of the Company. It is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

OneAmerica Retirement Services, LLC (OneAmerica) was the Plan recordkeeper and Matrix Trust Company (Matrix) was the Plan trustee through December 7, 2025. In January 2025, Voya Financial completed its acquisition of the full-service retirement plan business of OneAmerica. Effective December 8, 2025, Voya Trust Company (Voya) serves as the Plan recordkeeper and trustee.

***Contributions***

Participants may elect to make contributions to the Plan by deferring pre-tax and/or after-tax compensation, as defined in the Plan document, up to the maximum percentage allowable, not to exceed the limits of the Internal Revenue Code (IRC). All new employees are automatically enrolled at a deferral percentage of 5% until an alternative election is made by the employee. All participants in the Plan will have a 1% annual increase in deferral percentage until a maximum contribution percentage of 10% is reached, unless the participant opts-out of the auto-escalation feature. Each eligible participant may elect to make catch-up contributions to the Plan, as defined in the Plan document.

The Company may make discretionary matching contributions. The Company matches an amount equal to 50% of each participant's deferral contributions (not to exceed 5% of the participant's deferral contributions for the Plan year).

***Participant Accounts***

Each participant's account is credited with the participant's contributions, the Company's matching contributions, and an allocation of Plan earnings and losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan's provisions.

***Investment Options***

Upon enrollment in the Plan, a participant may direct investments consisting of his or her employee contributions and Company contributions, plus actual earnings thereon, in 1% increments in any of the investment options offered by the Plan. Participants may change their investment options daily.

***Vesting***

Participant contributions to the Plan, including earnings thereon, are 100% vested. Participants become 100% vested in employer contributions after one year of service.

Employees' 401(k) Savings and Retirement Plan**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2025 and 2024**

***Participant Benefits***

Upon termination of service, participants have the option to receive payment of the vested portion as either lump sum and/or periodic distributions. Any non-vested portion of a terminated participant's account is forfeited. Forfeitures may be used to pay plan expenses or to reduce employer matching contributions. There were no forfeitures used to reduce employer matching contributions for the Plan years ended December 31, 2025 and 2024. The forfeiture account balance was \$40,683 and \$16,173 as of December 31, 2025 and 2024, respectively.

Required minimum distributions are required upon the participant meeting the relevant required minimum distribution age.

**NOTE B - SIGNIFICANT ACCOUNTING POLICIES**

A summary of the Plan's significant accounting policies consistently applied in the preparation of the accompanying financial statements follows.

***Basis of Accounting***

The accounting records of the Plan are maintained and the financial statements are prepared on the accrual basis.

***Investment Valuation and Income Recognition***

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates that affect the financial statements and accompanying notes. Actual results could differ from those estimates.

***Payment of Benefits***

Benefits paid to participants are recorded when paid.

***Administrative Expenses***

The Plan pays certain Plan administrative costs which are expensed when incurred. Other expenses are paid by the Company.

**NOTE C - INVESTMENTS**

The Plan's investments are held in a trust fund managed by the trustee.

**J. J. Keller & Associates, Inc.**  
**Employees' 401(k) Savings and Retirement Plan**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2025 and 2024**

In general, the investments provided by the Plan are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statements of net assets available for benefits.

**NOTE D - FAIR VALUE MEASUREMENTS**

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds - Valued at the net asset value (NAV) of shares held by the Plan at year end, which is obtained on an active market.

Collective Trust Fund - Valued at the NAV of units of a bank collective trust. The NAV, as provided by the record-keeper, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

<sup>(a)</sup> Redemption of the collective trust fund is generally permitted daily and the collective trust fund has no redemption restrictions. There are no unfunded commitments.

**NOTE E - INCOME TAX STATUS**

Effective January 1, 2024, the Company is a participating employer in the OneAmerica Financial Partners, Inc. Defined Contribution Pre-Approved Plan, a pre-approved plan approved by the Internal Revenue Service (IRS). The pre-approved plan obtained its latest approval letter on August 19, 2020, in which the IRS stated the plan, as then designed, was qualified under Section 401(a) of the Internal Revenue Code (IRC). The Plan has adopted certain discretionary amendments. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified and the related trust is tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Employees' 401(k) Savings and Retirement Plan**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2025 and 2024**

**NOTE F - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

**NOTE G - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are managed by OneAmerica. OneAmerica is the Plan record-keeper as defined by the Plan and, therefore, transactions with OneAmerica qualify as party-in-interest transactions.

The Company pays certain administrative expenses of the Plan.

**NOTE H - INFORMATION CERTIFIED BY TRUSTEES**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustees have certified that the following data included in the financial statements and supplemental schedules is complete and accurate:

- Cash and investments, as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024;
- Investment income, as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024; and
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2025.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

**NOTE I - NONEXEMPT TRANSACTION**

As required by ERISA Section 2510.3-102, the Plan Sponsor is required to segregate participant contributions from its general assets as soon as practicable. During 2025, the Company failed to remit timely to the Plan's trustee certain participant contributions totaling \$518,983, within the period prescribed by DOL regulations. The delayed contributions are considered prohibited, or nonexempt, transactions. The Plan Sponsor corrected the prohibited transactions in 2025, in accordance with applicable DOL guidelines.
