## **Independent Auditor's Report**

To the Plan Administrator and Plan Participants of  
Energy Services of America Staff 401k Retirement Savings Plan  
Huntington, West Virginia

### ***Opinion***

We have audited the financial statements of the Energy Services of America Staff 401k Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America (GAAP).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

***Supplemental Schedules Required by ERISA***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 and Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of the Energy Services of America Staff 401k Retirement Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL - The Plan, formerly known as the C.J. Hughes Construction Company, Inc. Management 401k Retirement Plan, was established effective January 1, 1992. Effective November 2009, the Nitro Electric 401k Plan was merged into the Plan, and effective January 1, 2010, the Plan was renamed the Energy Services of America Staff 401k Retirement Savings Plan. The Plan is a defined contribution plan, subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan provides retirement benefits to all qualifying employees of Energy Services of America Corporation (Energy Services of America), C.J. Hughes Construction Company, Inc., Contractors Rental Corporation, Nitro Construction Services, Inc., SQP Construction Group, Inc., West Virginia Pipeline Acquisition Co., Tri-State Paving and Sealcoating Inc., Ryan Construction Services Corporation, and Tribute Contracting & Consultants, LLC, collectively referred to as the Employers. Qualifying employees, defined as all employees except those represented through a collective bargaining agreement, non-resident aliens, part-time/temporary/seasonal employees (employee whose regularly scheduled service is less than 1,000 hours), residents of Puerto Rico, and leased employees, become eligible to participate in the Plan after becoming at least 18 years of age with six months of service, as defined by the Plan. Entry dates are the first day of the plan year quarter coinciding with or next following date eligibility requirements are met. The Benefits Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance. The Benefits Committee reports to the Energy Services of America Corporation Board of Directors.

CONTRIBUTIONS - Participants may elect to contribute up to the maximum percentage of compensation, as defined by the Plan, subject to certain dollar limitations under the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds, collective investment trusts, and a unitized stock fund, the underlying assets of which consist primarily of Energy Services of America common stock. The Employers may make a discretionary matching contribution. Effective January 1, 2018, the Employers elected a discretionary match of 100% of the first 3% and 50% of the next 3% (up to 6%), not to exceed 4.5% of compensation as defined by the Plan. The Employers have elected to direct the investment of the discretionary matching contribution in a unitized stock fund consisting primarily of Energy Services of America common stock. The Employers may also make a discretionary profit-sharing contribution which would be allocated to qualifying participants using a pro-rata compensation based allocation formula. The Employers made no discretionary profit-sharing contributions during the year ended December 31, 2025.

As of December 31, 2025 and 2024, there were no unallocated employee deferrals, employer match, and loan principal payments.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

**PARTICIPANT ACCOUNTS** - An individual account has been established for each participant into which employee contributions, employer matching and profit sharing contributions, and investment earnings are accumulated. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan based on participant earnings, account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**VESTING** - All participants are 100% vested in their individual account balances derived from elective deferrals and rollover contributions, as well as earnings thereon. Employer matching and discretionary profit-sharing contributions are vested as follows: less than one year of service - 0%; one year of service - 25%, two years of service - 50%, three years of service - 75%, four or more years of service - 100%.

**NOTES RECEIVABLE FROM PARTICIPANTS** - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Participants may only have three outstanding loans at any time. The loans are secured by the balance in the participant's account and bear interest at rates of Wall Street Prime plus 2%. Principal and interest are paid ratably at least bi-weekly through payroll deductions. Interest rates ranged from 4.25% to 10.50% at December 31, 2025 and December 31, 2024.

**PAYMENT OF BENEFITS** - In accordance with the Plan document, distribution of benefits upon the retirement, death, disability or termination of a participant, when requested, shall be made in the form of a lump-sum cash payment equal to the value of the participant's vested interest in his or her account, or partial payments. Balances of \$5,000 or less have an automatic lump-sum cash payment. In addition, the Plan allows for hardship distributions if certain criteria are met.

**FORFEITED ACCOUNTS** - At December 31, 2025 and 2024, forfeited non-vested accounts totaled \$36,663 and \$15,873, respectively. Forfeited accounts are used to reduce the Employers' contributions or to pay administrative expenses of the Plan. During the year ended December 31, 2025, the Plan used \$46,529 of forfeitures to pay administrative expenses and offset employer contributions.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

**BASIS OF ACCOUNTING** - The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

**USE OF ESTIMATES** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (Continued)

INVESTMENT VALUATION AND INCOME (LOSS) RECOGNITION - The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Benefits Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and the trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS - Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan.

BENEFIT PAYMENTS - Benefit payments are recorded when paid.

ADMINISTRATIVE EXPENSES - Certain expenses of maintaining the Plan are paid directly by the Employers and are excluded from these financial statements. Fees related to the administration of notes receivable from participants, distribution processing, and recordkeeping expenses for specific investments are charged directly to the participant's account and are included in administrative expenses. All other investment related expenses are included in net depreciation in fair value of investments.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Topic 820, *Fair Value Measurement*, are described as follows:

Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

- Level 2 Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 or 2024.

*Mutual funds* - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Unitized Stock Fund* - Consists of Energy Services of America common stock and cash held in money market funds. The underlying assets are valued using the closing price reported on the active market on which Energy Services of America common stock is traded, and the quoted redemption price and recent transaction prices, with no discounts for credit quality or liquidity restrictions, for money market funds.

*Collective investment trust - capital preservation fund*: A capital preservation fund that is composed primarily of fully benefit-responsive investment contracts that are valued at the NAV of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

*Collective investment trust - government obligation*: Seeks current income consistent with stability of principal by investing in a portfolio of U.S. Treasury and government securities maturing in 397 days or less and repurchase agreements collateralized fully by U.S. Treasury and government securities. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

NOTE 4 - TAX STATUS

The Internal Revenue Service has determined by a letter dated November 30, 2020, that the volume submitter plan and related trust are designed in accordance with applicable sections of the IRC. Although the volume submitter plan has been amended and restated since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan and related trust are designed and are currently being operated in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.

**NOTE 5 - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Effective January 1, 2015, the Employers have elected to invest their matching contributions in a unitized stock fund which holds primarily Energy Services of America common stock. The Plan held 142,048 and 148,803 shares of Energy Services Unitized Stock Fund, or \$5,278,292 and \$8,334,536 in Energy Services Unitized Stock Fund at December 31, 2025 and 2024, respectively. During 2025, the Plan purchased 13,695 shares of Energy Services Unitized Stock Fund for an aggregate cost of \$603,312 and sold 20,450 shares of Energy Services Unitized Stock Fund for proceeds of \$877,498. In addition, participants may elect to direct the investment of other contributions, including their deferrals, to be invested in the Energy Services Unitized Stock Fund. Accordingly, these are related-party transactions. Fees incurred by the Plan for the investment management services are included in net depreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. In addition, the Employers pay directly any other fees related to the Plan's operation and perform various administrative functions at no cost to the Plan. Notes receivable from participants also qualify as exempt party-in-interest transactions.

**NOTE 6 - PLAN TERMINATION**

Although they have not expressed any intent to do so, the Employers have the right under the Plan to discontinue their contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions. There are currently no plans to terminate the Plan.

**NOTE 7 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, credit, and overall market volatility risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. As of December 31, 2025, the Plan had investments of approximately \$5,278,292 million that were concentrated in the Unitized Stock Fund. As of December 31, 2024, the Plan had investments of approximately \$8,334,536 million that were concentrated in the Unitized Stock Fund.

**NOTE 8 - DELINQUENT PARTICIPANT CONTRIBUTIONS**

During the years ended December 31, 2025 and 2024, the Employers did not remit certain participant contributions and loan repayments to the Plan on a timely basis as defined by the Department of Labor's Rules and Regulations for Reporting and Delinquent Participant Contributions Disclosure under ERISA. Untimely remittances identified on the Schedule of Delinquent Participant Contributions totaled \$127,770 and \$242,618 in 2025 and 2024, respectively, which were corrected outside of the Department of Labor Voluntary Fiduciary Correction Program in 2025. Additionally, the Employers compensated participants for lost earnings resulting from the delay in these participant contributions and loan repayments which occurred as part of the corrective action.

**NOTE 9 - TERMINATED PARTICIPANTS**

When participants terminate employment with the Employers, they may choose to leave their investments in the Plan, as long as their vested balance is greater than \$5,000. Terminated participants' accounts totaled \$2,015,510 and \$1,827,501 as of December 31, 2025 and 2024, respectively.

**NOTE 10 - SUBSEQUENT EVENTS**

The Company has evaluated subsequent events since the financial statement date through July 14, 2026, the date the financial statements were issued, and determined that there are no items to record or disclose.
