401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Bill Miller Bar-B-Q Enterprises, Ltd. 401(k) Profit Sharing Plan (the Plan) an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Bill Miller Bar-B-Q Enterprises, Ltd. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from John Hancock Life Insurance Company (U.S.A.) as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those

agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bill Miller Bar-B-Q Enterprises, Ltd. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bill Miller Bar-B-Q Enterprises, Ltd. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bill Miller Bar-B-Q Enterprises, Ltd. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bill Miller Bar-B-Q Enterprises, Ltd. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter-Supplemental Schedules Required by ERISA

The supplemental Schedule H Line 4i – Schedule of Assets Held (at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including

their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS AND SCHEDULE

DECEMBER 31, 2025 AND 2024

Vesting

Participants are fully vested in their contributions and the earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

Payment of Benefits

On retirement, death, disability, or termination of service, a participant (or participant's beneficiary in the event of death) may elect to receive a lump-sum distribution equal to the participant's vested account balance. In addition, hardship distributions are permitted if certain criteria are met.

Forfeited Accounts

At December 31, 2025 and 2024, forfeited accounts totaled \$3,905 and \$18,013 respectively. These accounts were reallocated to participants in the same manner as employer contributions. In 2025, employer contributions were reduced by \$3,905 from forfeited nonvested accounts.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The accompanying financial statements are prepared on the accrual basis of accounting. The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest which approximates fair value. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025, and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Notes Receivable from Participants: Loans to participants are reported as notes receivable from participants at the unpaid principal balance plus any accrued but unpaid interest.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE 5 - TAX STATUS

The Plan has adopted a Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA sponsored by Nova 401(k) Associates, the Internal Revenue Service stated in an opinion letter that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code (IRC) and therefore, the related trust is exempt from taxation. The Plan has been amended since receiving the letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 - RELATED-PARTY TRANSACTIONS

The Plan's investments are in shares of mutual funds managed by John Hancock Life Insurance Company (U.S.A). John Hancock Life Insurance Company (U.S.A) is the trustee as defined by the Plan. These transactions qualify as party-in-interest transactions. Fees paid by the Plan to the trustees for the investment management services amounted to \$141,051 for the year ended December 31, 2025.

NOTE 8 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets that the Plan has the ability to access at the measurement date (e.g. prices from New York Stock Exchange, NASDAQ or Chicago Board of Trade).
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for valuing the assets or liability, either directly or indirectly (i.e. interest rate and yield curves observable at commonly quoted intervals, default rates, etc.). Observable inputs include quoted prices for similar assets or liabilities in active or non-active markets. Level 2 inputs may also include insignificant adjustments to market observable inputs.
- Level 3 inputs are unobservable inputs used for valuing the asset or liability. Unobservable inputs are those that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing the assets, based on the best information available in the circumstances. An example could be real estate valuations, which require significant judgment and unobservable inputs.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques

used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Net asset value (“NAV”) per share is permitted by ASC 820 to estimate the fair value of an investment as long as the investment does not already have a readily determinable fair value (i.e. it’s available on a domestic stock exchange or is a mutual fund with a published price), it’s calculated in a manner consistent with the measurement principles of investment company reporting as of the reporting entity’s measurement date and there are no plans to redeem the investments at amounts different from NAV.

The following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024:

Pooled Separate Accounts (PSA) – These investments consist primarily of short-term fixed income investments. The net asset value (NAV) of a pooled separate account is based on the market value of its underlying investments. In accordance with ASC 820, the Plan uses NAV as a practical expedient to estimate fair value.

As of December 31, 2025 and 2024, there are no unfunded commitments related to these investments, and the investor may redeem these assets daily.

For investments for which the Plan has elected the NAV practical expedient in accordance with ASC 820-10-35-59, because of this election, these investments are not classified within the Level 1-3 hierarchy.

Registered Investment Companies – These investments consist primarily of publicly traded mutual funds investing in domestic and international equity and fixed-income securities valued at unadjusted quoted prices in active markets for identical assets.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

DECEMBER 31, 2025 AND 2024

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

<u>Investment Category</u>	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Registered Investment Companies	\$ 25,770,318	\$ -	\$ -	\$ 25,770,318
	<u>\$ 25,770,318</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 25,770,318</u>

Investments Valued at NAV

Reliance MetLife Stable Value Fund	913,603
<u>Total Investments</u>	<u>\$ 26,683,921</u>

<u>Investment Category</u>	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Registered Investment Companies	\$ 22,745,979	\$ -	\$ -	\$ 22,745,979

Investments Valued at NAV

Reliance MetLife Stable Value Fund	896,751
<u>Total Investments</u>	<u>\$ 23,642,730</u>

Assets owned by the accounts are primarily limited fund offerings issued by the underlying fund. These are classified within level 1, as fair values of the underlying funds are based upon reported net asset values ("NAV"), which represent the values at which each sub-account can redeem its investments.

Changes in valuation techniques may result in transfer in or out of an assigned level within the disclosure hierarchy. Transfers between investment levels may occur as the availability of a price source or data used in an investment's valuation changes. Transfers between investment levels are recognized at the beginning of the reporting period. There have been no transfers between any level of fair value measurements during the period ended December 31, 2025.
