To the Plan Administrator
Child Guidance Center, Inc. Retirement Savings Plan
Jacksonville, Florida

Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Child Guidance Center, Inc. Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year then ended June 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2025 and 2024, and for the year ended June 30, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Independent Auditor's Report
(continued)

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Independent Auditor's Report **(continued)**

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Independent Auditor's Report
(continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) for the period ending June 30, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Independent Auditor's Report
(continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following description of the Child Guidance Center, Inc. Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a discretionary contribution 401(k) plan which covers all employees of Child Guidance Center, Inc. (the "Center") who meet the eligibility requirements of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

Participants may elect to make salary deferral contributions to the Plan in an amount up to 100% of their salary with a total amount not to exceed \$23,500 and \$23,000 in the calendar year ended December 31, 2025 and 2024, respectively. Eligible participants age 50 or over and employees may also elect to defer additional catch-up contributions. The maximum catch-up contribution for the calendar year ended December 31, 2025 and 2024 was \$7,500. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and a money market fund as investment options for participants. The Center's contribution to the Plan, as determined by the Board of Directors, is discretionary but may not exceed the total allowed as a tax deduction unless needed to provide top heavy minimum allocations. As of April 2024, the Center opted to match 401k contributions on a dollar-for-dollar basis up to a maximum of 3% of eligible compensation. The amount of the matching contribution is determined based on compensation and contributions to the Plan during each payroll period.

Participant Accounts:

Each participant's account is credited with the participant's elective contributions, allocations of the employer contributions, Plan earnings (losses), forfeiture of terminated participant's non-vested accounts and administration fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in employee elective deferrals and any rollover account transferred from another qualified plan. Vesting in other accounts is based on the years of service. A participant is 100% vested after five years of credited service for employer discretionary profit sharing contributions and employer discretionary matching contributions. A participant is also 100% vested in the event of death, total and permanent disability or retirement.

Payment of Benefits:

On termination of service, for balances of \$5,000 or more, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested account or periodic payments over a period not to exceed the life expectancy of the participant or his beneficiary. For balances \$5,000 or less, a participant may elect a lump-sum amount equal to the value of the participant's vested account or the balance will be rolled over to an IRA.

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan (Continued)

Forfeitures:

Forfeitures of non-vested employer contributions may be used by the Plan as payment of Plan expenses. Forfeitures of employer matching and profit sharing contributions may also be allocated to the eligible Participants in the Plan.

Notes Receivable from Participants:

Participants may borrow from their account a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested interest in the Plan, whichever is less. Roth deferrals and earnings may not be borrowed upon. The loans are secured by the balance in the participant's account and bear an interest rate equal to the prime rate as specified in the Wall Street Journal.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

Note 2. Summary of Accounting Policies

Basis of Accounting:

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Subsequent Events:

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through June 9, 2026, the date the financial statements were available to be issued.

Use of Estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. See Note 3 for discussion of fair value measurements.

Payment of Benefits:

Benefits are recorded upon distribution.

Plan Expenses:

The Plan pays administration expenses, which are allocated ratably to the participant's accounts.

NOTES TO FINANCIAL STATEMENTS

Note 3. Fair Value Measurements

The Plan applies generally accepted accounting principles for fair value measurements of financial assets and liabilities. These accounting principles define fair value and establish a hierarchy that prioritizes fair value measurements based on the types of inputs used for the various valuation techniques. The three levels of inputs used to measure fair value are as follows:

- Level 1 - Values measured using quoted prices in active markets for identical investments.
- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.
- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value:

Money Market Fund: Money market funds are a type of fixed income mutual funds that invest in debt securities that are characterized by their short maturities and minimal credit risk. Valuation is based on the types of securities held by these funds.

Mutual Funds: reported at fair value based on the number of shares held at year end at the fund closing price quoted in an active market.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2025 and 2024. Classification within the fair value hierarchy tables is based on the lowest level of any input that is significant to the fair value measurement.

Assets at Fair Value as of June 30, 2025

NOTES TO FINANCIAL STATEMENTS

Note 4. Information Prepared and Certified by the Custodian

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Fidelity Management Trust Company and Ascensus Trust Company for the fiscal year ending June 30, 2025 and 2024, respectively.

	<u>2025</u>	<u>2024</u>
Investments:		
Money Market Fund, at fair value	\$ 21,211	\$ 131,719
Mutual Funds, at fair value	<u>5,025,058</u>	<u>4,615,475</u>
Total investments	<u>\$ 5,046,269</u>	<u>\$ 4,747,194</u>
Notes receivable from participants	<u>\$ 8,158</u>	<u>\$ 4,196</u>
Investment income	<u>\$ 449,548</u>	

Note 5. Tax Status

The Internal Revenue Service has determined and informed the Custodians of record at such date, by letters dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letters. However, the Plan's administrator and tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Center has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, all amounts credited to participants shall become 100% vested and shall not thereafter be subject to forfeiture. The employer may direct a distribution of benefits in any manner permitted by the Plan.

Note 7. Party-in-Interest Transactions

For the year ending June 30, 2024 certain investments of the Plan were managed by Ascensus, LLC with advisory services provided by Kestra Advisory Services. During 2025, Fidelity Investments was defined as the trustee of the Plan. These transactions qualify as party-in-interest transactions. The Plan paid fees of \$32,663 for various services for the year ended June 30, 2025.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits.

To Whom it May Concern:

Reasonable Cause Statement for Late Filing of Form 5500

The Form 5500 filing was not submitted by the original deadline due to circumstances related to the plan's transition from Ascensus to Fidelity as the plan service provider. During this transition, we experienced several issues obtaining complete and accurate records, reports, and supporting documents needed for the plan audit and related filing requirements.

We made reasonable and ongoing efforts to gather the necessary information from the prior and new service providers, coordinate with our auditor, and resolve discrepancies in the documentation. However, the delays in receiving the correct documents prevented the auditor from completing the audit in time for the Form 5500 to be filed by the due date.

Once the required records were obtained and the audit process was completed, we moved promptly to finalize and submit the Form 5500. The late filing was not due to willful neglect, disregard of the filing requirements, or a lack of ordinary business care. Rather, it resulted from unavoidable delays in obtaining accurate information during the service-provider conversion.

We respectfully request that the late filing be considered due to reasonable cause and that any applicable penalties be waived or abated.
