INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Ohio Hickory Harvest Brand Products 401(k) and Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of Ohio Hickory Harvest Brand Products 401(k) and Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Ohio Hickory Harvest Brand Products 401(k) and Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or Federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the period ended December 31, 2025, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ohio Hickory Harvest Brand Products 401(k) and Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ohio Hickory Harvest Brand Products 401(k) and Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ohio Hickory Harvest Brand Products 401(k) and Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ohio Hickory Harvest Brand Products 401(k) and Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Compiled 2024 Financial Statement

Plan management is responsible for the accompanying financial statement of Ohio Hickory Harvest Brand Products 401(k) and Profit Sharing Plan, which comprises the statement of net assets available for benefits as of December 31, 2024. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the financial statement of Ohio Hickory Harvest Brand Products 401(k) and Profit Sharing Plan as of December 31, 2024.

Supplemental Schedule Required by ERISA

The supplemental schedule of The Schedule of Assets Held for Investments are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

OHIO HICKORY HARVEST BRAND PRODUCTS 401(K) AND PROFIT SHARING PLAN

December 31, 2025

NOTE A - DESCRIPTION OF THE PLAN

The following description of Ohio Hickory Harvest Brand Products 401(k) and Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing plan covering all employees of Ohio Hickory Harvest Brand Products who have three consecutive months of service and are age eighteen or older. The Plan's Trustee and Plan Sponsor Designee oversees governance of the plan and along with the Plan Custodian and Financial Advisor determines appropriateness of the Plan's investment offerings and monitors investment performance. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may make salary deferral contributions, as defined in the Plan. The default is a Qualified Automatic Contribution Arrangement (QACA) in which a portion of participant's compensation is automatically contributed from each paycheck on a pre-tax basis. The initial rate is 3% and is then increased on the first day of each plan year by 1% until the rate maxes out at 6%. Participants may alternatively elect to contribute to a Roth deferral or a manually selected pre-tax deferral amount that would fall outside of the QACA.

The Company makes matching contributions equal to 100% of the participant's elective deferrals up to 1% of their compensation and 50% of the participant's elective deferrals that are greater than 1% but less than or equal to 6% of their compensation.

The Company may make Profit Sharing Contributions at their discretion. There were no Profit Sharing Contributions to the Plan for the year ended December 31, 2025.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings (losses), with an allocation of any administrative expenses paid by the plan, or for expenses related directly to a participant, charged against the balance. Allocations are

based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants' Investment Options

Participants must direct their salary deferral contributions and all matching and profit-sharing contributions to selected investments as made available and determined by the Plan Administrator. Participants may change their investment options any time throughout the year via direct phone access to Vanguard or by accessing Vanguard online.

Vesting

Participants are immediately vested in all participant contributions and Qualified Matching Contributions (QMACs) plus actual earnings thereon. Matching Contributions, other than QMACs, and Profit Sharing Contributions are 0% vested for years 1 and 2 and fully vested after three years of service. Qualified Automatic Contribution Arrangement (QACA) ADP test safe harbor contributions are 0% vested during the first year of service and fully vested after two years of service.

Forfeitures

Forfeitures related to the employer matching portion of the Plan can be used to reduce future employer matching contributions or to pay the Plan's administrative expenses.

At December 31, 2025, forfeited nonvested accounts totaled \$1,295. Forfeiture amounts totaling \$11,938 were used to reduce the Plan's administrative expenses.

During the year ended December 31, 2025, \$36,071 was used to reduce employer matching contributions.

Notes Receivable from Participants

The Plan does not allow for loans from participant accounts.

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

Payment of Benefits

In the event of a mandatory distribution greater than \$1,000 and less than \$5,000 that is made in accordance with the provisions of the Plan providing for an automatic distribution to a Participant without the Participant's consent, if the Participant does not elect to have such distribution paid directly to an "eligible retirement plan" specified by the Participant in a direct rollover or to receive the distribution directly, then the Administrator shall pay the distribution in a direct rollover to an individual retirement plan designated by the Administrator. A participant whose vested account balance exceeds \$5,000 is not required to take a payment from the Plan until the required distribution rules apply to them or they may elect to receive either (1) a lump-sum equal to the value of his or her account or (2) non-recurring partial payments.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting from information supplied by the Company, the Plan administrator and the Custodian.

Cash and Cash Equivalents

The Plan considers all short-term investments with an original maturity of three months or less to be cash equivalents.

Investment Valuation and Income Recognition

Investments are generally stated at fair value. Investments in the common/collective trust funds, including the Morley Stable Value Fund, are stated at fair value, which is based on the quoted net asset value of shares held by the Plan. At December 31, 2025 and 2024, the investment in the Morley Stable Value Fund is included at fair value within common/collective trust funds in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)

The fair value of the Morley Stable Value Fund is the net asset value of the underlying investments and the contract value is principal plus accrued interest. The contract value of the Morley Stable Value Fund was \$1,334 as of December 31, 2025 and \$31,884 as of December 31, 2024.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurement. If available, quoted market prices are used to value investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions Receivable

Employer profit-sharing contributions, employer matching contributions and participant salary deferral contributions are recorded as additions to net assets available for benefits during the Plan year for which they are due. Rollovers are recorded as additions to net assets when received.

Payment of Benefits

Benefits are recorded when paid.

Date of Management's Review

Subsequent events were evaluated through July 10, 2026, which is the date the financial statements were available to be issued.

NOTE C - FAIR VALUE AND NET ASSET VALUE MEASUREMENTS

The Plan's investments are reported at fair value and net asset value in the accompanying statement of net assets available for benefits.

FASB ASC 820, Fair Value Disclosures, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE C - FAIR VALUE AND NET ASSET VALUE MEASUREMENTS (CONTINUED)

Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs are not available. Level 3 inputs would only be used when Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the period presented.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the share held by the Plan at year-end. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The fair values of common stock, corporate bonds, and U.S. Government securities are based on the closing price reported on the active market where individual securities are traded.

Level 2 Fair Value Measurements

The fair value of corporate bonds and U.S. government securities are valued using the market approach on yields currently available on corporate securities of issuers with similar credit rating. Currently plan holds no Level 2 investments.

Level 3 Fair Value Measurements

There were no plan investments subject to Level 3 fair value measurements. This category would include investments that are not actively traded, and significant other observable inputs are not available.

Assets Measured at Net Asset Value

In accordance with ASU No. 2015-07, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient (the "NAV") have not been classified in the fair value hierarchy. This investment, The Morley Stable Value Fund, is a common collective trust and is valued using the NAV provided by the Trustee. The NAV is based on the underlying investments by the fund that is traded in an active market, less its liabilities. These investments can be redeemed in the near-term.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE C - FAIR VALUE MEASUREMENTS (CONTINUED)

Investments in the common collective trust fund can be redeemed immediately at the current net asset value which is based on the fair value of the underlying assets in the trust. The underlying assets of the common collective trust fund include conventional guaranteed investment contracts, synthetic investment contracts, wrap contracts and other investments. The fair value of conventional investment contracts is determined using a discounted cash flow methodology where the individual contract cash flows are discounted at the prevailing interpolated yield curve rate as of year-end. Underlying investments of synthetic investment contracts are generally valued as follows: domestic and foreign fixed income securities are valued at fair value based on market values obtained from independent pricing services, quotes by dealers who are market makers in these securities, or by a methodology approved by the trust. Commercial paper and other investment securities with less than 60 days to maturity when purchased are valued at amortized cost, which approximates fair value. Investments in regulated investment companies or collective investment trusts are valued at the net asset value per share/unit on valuation date. Accrued interest, if any, on the underlying investments is added to the fair value of the investments for presentation purposes. The fair value of wrap contracts is determined using the market approach discounting methodology which incorporates the difference between current market level rates for contract level wrap fees and the wrap fee being charged. The difference is calculated as a dollar value and discounted by the prevailing interpolated yield curve as of year-end. There are no withdrawal limits, redemption frequency limits or redemption notice periods. There were no unfunded commitments for these investments as of December 31, 2025 or 2024. The net asset value as reported by the trustee is used as a practical expedient to estimate fair value, which is based on the fair value of the underlying assets in the trust, as discussed above, less its liabilities.

Withdrawals for benefit payments and participant directed transfers to noncompeting options are made to plan participants as soon as practicable after the date the Trustee receives a notice of withdrawal from the Participating Trust and are considered as made immediately after the next valuation date subsequent to the Trustee's approval. Withdrawals, other than for benefit payments and participant transfers to noncompeting options, require a twelve month advance written notice.

NOTE D - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments were cash and equivalent accounts managed by Ascensus Trust Company. This entity provided investment services, recordkeeping and administrative support to the Plan and the Plan Administrator during the year ended December 31, 2025.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions included in the balance of their accounts.

NOTE F - INFORMATION CERTIFIED BY THE PLAN TRUSTEE

Ascensus Trust Company, the trustee of the Plan, certified the following information included in the 2025 financial statements and supplemental schedule:

- Investments, including fair value, investment transactions and related information
- Investment income, including net unrealized appreciation (depreciation) in fair value of investments, net realized gains (losses) from sale of securities and interest and dividend income
- Form 5500, Schedule H, 4(i) – schedule of assets held for investment purposes.

NOTE G - TAX STATUS

Effective December 21, 2018, the Plan sponsor adopted a non-standardized form of a volume submitter plan sponsored by Ascensus LLC. The prototyped plan has received an opinion letter as to the volume submitter plan's qualified status.

The volume submitter plan opinion letters have been relied upon by this Plan. The Plan Administrator does not plan to submit an application for determination for its adoption of such volume submitter plans. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by the tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
