Report of Independent Auditors

To the Participants and Trustees of
Plumbers and Pipefitters Locals 502 & 633
Variable Contribution 401(k) Plan

Opinion

We have audited the financial statements of Plumbers and Pipefitters Locals 502 & 633 Variable Contribution 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of October 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Plumbers and Pipefitters Locals 502 & 633 Variable Contribution 401(k) Plan as of October 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements (continued)

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Variable Contribution 401(k) Plan**

Notes to Financial Statements

October 31, 2025 and 2024

Note 1. Summary of Significant Accounting Policies

Method of Accounting - The accompanying financial statements of Plumbers and Pipefitters Locals 502 & 633 Variable Contribution 401(k) Plan (the Plan) have been prepared using the accrual basis of accounting.

Investments - Investments are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell that asset (or paid to transfer a liability) in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of the investments are reflected on a trade-date basis.

Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Contributions Receivable - Contributions due and unpaid prior to year end are recorded as contributions receivable. Contributions due as determined by payroll compliance audits are recorded upon settlement with the employer. An allowance for uncollectible accounts is considered unnecessary and is not provided.

Employer Contribution Income - The Plan receives employer contributions pursuant to reciprocity agreements entered into with various other multiemployer defined contribution retirement plans for its participants who perform work outside the geographic jurisdiction of the local unions. Participants who are normally employed within the territory of one local union (home local) may be temporarily employed within the territory of another local union. When a participant works in the territory of a reciprocating local union, the other plan is required to make contributions to the participant's home local benefit plans on the participant's behalf. Revenue derived from reciprocal employer contributions is recognized in the period in which covered work is performed, based on the number of hours worked in covered employment and the contribution rates set forth in the collective bargaining agreement. Employers are required to remit contributions monthly. The Plan carries out its purpose as described in Note 2 within a jurisdiction primarily located in the Kentuckiana region.

Benefit Payments - Benefit payments to participants are recorded upon distribution. There were no participants who elected a withdrawal from the Plan but were not yet paid at October 31, 2025 and 2024.

Note 1. Summary of Significant Accounting Policies (continued)

Reclassifications - Certain prior year amounts have been reclassified to conform to the current year presentation.

Expenses - Certain investment related expenses are included in net appreciation in fair value of investments.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Subsequent Events - Subsequent events have been evaluated through July 22, 2026, which is the date the financial statements were available to be issued.

Note 2. Description of the Plan

The Plan was established pursuant to a collective bargaining agreement between the local union and the contractors' association to provide termination or supplemental retirement benefits for eligible participants. The Plan is primarily funded by contributions from participants, as well as by employer contributions received under reciprocal agreements, and net earnings thereon. The Plan is a multiemployer defined contribution retirement plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation.

Participation in the Plan begins when the Plan first receives contributions from or on behalf of the participant.

Participants may elect to voluntarily contribute pre-tax and after-tax Roth contributions through a salary deferral agreement with their employer. The participant may choose to defer a specified amount per hour worked, as defined by the Plan and subject to certain limitations. Rollovers from another qualified retirement plan are also accepted.

Contributions to the Plan are invested as directed by the participant in various investment options. In the absence of participant direction, contributions are invested in a default target date investment fund. Participants must evaluate their own investment goals and objectives and choose the investments best suited to achieve those goals and objectives. Poor investment performance by the investment options selected by the participants may cause their vested account balance to be lower than contributions made to the Plan.

Each participant's account is credited with participant contributions and reciprocal employer contributions made on their behalf, as well as an allocation of Plan earnings or losses. Allocations are based on account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Note 2. Description of the Plan (continued)

Under current Plan provisions, each participant is immediately vested in all contributions and the earnings thereon. Upon death, disability, retirement, termination of employment or hardship, participants are entitled to receive those contributions and vested earnings in their account, subject to the payment provisions of the Plan.

Participants are charged \$9.00 per month to pay administrative expenses of the Plan. Included in net assets available for benefits at October 31, 2025 and 2024 are unallocated amounts of approximately \$23,500 and \$6,100 respectively, which may be used for administrative expenses incurred by the Plan.

In December 2022, the Setting Every Community Up for Retirement Enhancement (SECURE) Act 2.0 was enacted and increased the required minimum distribution age to 73 effective in 2023 and as late as 75 effective in 2033.

Effective November 1, 2025, the Plan implemented an automatic contribution arrangement allowing for a deferral of 3% of compensation unless the participant opts out of the automatic feature. The automatic contribution arrangement is applicable to any participant who does not opt out only if required by a collective bargaining or other written agreement. The automatic contribution arrangement is not applicable to travelers or SALT organizers.

Participants should refer to the summary plan description for more complete information.

Note 3. Priorities upon Termination

It is the intent of the Trustees to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of the Plan assets to be used for or diverted to purposes other than the exclusive benefit of the participants and their beneficiaries, except that provision may be made for the payment of necessary expenses resulting from termination of the Plan. In the event of termination, the net assets of the Plan will be allocated to pay benefits in priorities as prescribed by ERISA and its related regulations. Whether or not a particular participant will receive full benefits should the Plan terminate at some future time will depend on the sufficiency of the Plan's net assets at that time and the priority of those benefits.

Note 4. Tax Status

The Plan obtained its determination letter dated August 17, 2015, in which the Internal Revenue Service stated that the Plan was in compliance with the applicable requirements of Section 401(a) of the Internal Revenue Code and was, therefore, exempt from federal income taxes under the provisions of Section 501(a). The Plan has been amended since receiving the determination letter. The Plan's administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. They therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Note 4. Tax Status (continued)

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by tax authorities. The Plan was subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 5. Related Organizations

The Plan has a number of related organizations including two local unions, a welfare plan and a pension plan, all of which are tax-exempt.

Shared Expenses

The Plan shares facilities, equipment and staff with one of the related local unions and the pension and welfare plans on a direct and pro-rata basis. These expenses are allocated at the time of payment based on estimated time, utilization and actual costs. Shared administrative expenses allocated to the Plan for the years ended October 31, 2025 and 2024 totaled \$14,137 and \$10,244 respectively. At October 31, 2025, the Plan owed a total of \$2,047 to the welfare plan for shared expenses. At both October 31, 2025 and 2024, the Plan was owed \$1,004 from the welfare plan for shared expenses.

Lockbox Account

Contributions for this Plan and other related organizations are received and deposited in a lockbox account owned by the related welfare plan. On a regular basis, contributions due to the Plan are transferred from the lockbox account to the Plan's investment account. There were no contributions received in the lockbox account and not yet transferred at both October 31, 2025 and 2024.

Note 6. Fair Value Measurements

The *Fair Value Measurements and Disclosures* Topic of the FASB Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The following describes the three levels of the fair value hierarchy.

Note 6. Fair Value Measurements (continued)

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value as of October 31, 2025 and 2024. As required, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. In accordance with generally accepted accounting principles, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the following tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

<u>Fair Value Measurements at 10/31/25 Using</u>				
	<u>Total</u>	<u>Quoted Prices</u>		
		<u>in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>

Investments measured at net asset value:				
Common collective trust	<u>398,724</u>			
Total	<u>\$ 11,347,437</u>			

Note 6. Fair Value Measurements (continued)

Fair Value Measurements at 10/31/24 Using				
	Total	Quoted Prices		
		in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$ 8,079,551	\$ 8,079,551	\$ -	\$ -
Investments measured at net asset value:				
Common collective trust	387,636			
Total	\$ 8,467,187			

Level 1 Measurements

The fair values of the mutual funds are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value as of the last business day of each period presented.

Measurements Using Net Asset Value as a Practical Expedient

The common collective trust is valued at the net asset value per share, used as a practical expedient to estimate fair value. The net asset value is based on the fair values of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value.

The underlying investments of the common collective trust are primarily a pool of investment contracts issued by insurance companies and commercial banks and contracts that are backed by bond trusts. Typically, shares can be redeemed on any business day at that day's unit value. However, the investment manager, at its discretion, may defer such withdrawals over a period of time not to exceed one year.

Note 7. Funding Policy

The Plan is primarily funded by elective participant deferrals. Participants may elect to make pre-tax hourly contributions, or after-tax Roth contributions, as set forth by the Plan. Contributions are subject to applicable limits under the Internal Revenue Code. Participants may elect to change their contribution election throughout the year.

Note 7. Funding Policy (continued)

Employer contributions represent payments from other affiliated retirement plans under reciprocal agreements for work performed in the jurisdiction of the local unions. Hourly contribution rates ranged from \$1.00 to \$10.00 for the years ended October 31, 2025 and 2024. Effective November 1, 2025, the Plan was amended to reflect hourly contributions rates ranging from \$1.00 to \$20.00.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Note 9. Participant Deferrals

Employers withhold participants' contributions from their payroll. During the years ended October 31, 2025 and 2024, several instances were noted where an employer remitted contributions to the Plan more than 15 days after the following month, which did not meet the timeliness requirements prescribed by U.S. Department of Labor (DOL) regulations. These late remittances constitute prohibited transactions with a party-in-interest. During the years ended October 31, 2025 and 2024, contributions that were not timely remitted to the Plan totaled \$54,550 and \$17,042 respectively.

The Plan has a collection program that pursues legal action against delinquent employers. As part of its collection program, the Plan may collect contributions, liquidated damages, interest and attorney fees from delinquent employers. Upon receipt of late contributions from a delinquent employer, the amount of contributions, plus interest, is credited to the participant's account to compensate the participant for lost earnings resulting from the delay in contributions. Delinquent contributions that are determined to be uncollectible are eligible for restorative payments only to the extent funds are available as determined by the Trustees.

Note 10. Major Employers

Participants employed by four employers accounted for approximately 54% of total contributions for the year ended October 31, 2025. Participants employed by three employers accounted for approximately 43% of total contributions for the year ended October 31, 2024. In the event these employers suspend participation, the Plan would retain the risk of meeting current fixed administrative expenses until the appropriate adjustments were made.

Note 11. Party-in-Interest Transactions

The Plan incurs expenses and receives reimbursements under several arrangements with service providers and affiliated entities, and receives contributions from employers under the terms of collective bargaining agreements. In addition, certain Plan investments are owned and managed by Fidelity, the Plan's trustee and recordkeeper. These transactions are considered exempt party-in-interest transactions under ERISA.

REPORT OF INDEPENDENT AUDITORS ON SUPPLEMENTAL SCHEDULES

To the Participants and Trustees of
Plumbers and Pipefitters Locals 502 & 633
Variable Contribution 401(k) Plan

We have audited the financial statements of Plumbers and Pipefitters Locals 502 & 633 Variable Contribution 401(k) Plan (the Plan) as of and for the years ended October 31, 2025 and 2024, and our report thereon dated July 22, 2026, which expressed an unmodified opinion on those financial statements, appears on pages 1 and 2. Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. Supplemental Schedules 1 and 2 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
