Independent Auditors' Report

Teamsters Local 348 Health and Welfare Fund
Akron, Ohio

Opinion

We have audited the accompanying financial statements of Teamsters Local 348 Health and Welfare Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of plan benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in plan benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of Teamsters Local 348 Health and Welfare Fund as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and changes in its plan benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Teamsters Local 348 Health and Welfare Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Teamsters Local 348 Health and Welfare Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- * Exercise professional judgment and maintain professional skepticism throughout the audit.
- * Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- * Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Teamsters Local 348 Health and Welfare Fund's internal control. Accordingly, no such opinion is expressed.
- * Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- * Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Teamsters Local 348 Health and Welfare Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets (held at end of year) and of reportable transactions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedules of Administrative Expenses are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTE A - DESCRIPTION OF FUNDING POLICY

The Teamsters Local 348 Health and Welfare Fund (the Plan) is a fully insured multi employer health and welfare plan established to provide health and welfare benefits. The following description of the Plan provides only general information. Participants should refer to the Plan agreement and summary plan descriptions for further information.

GENERAL

The Plan was created by a trust agreement between Teamsters Local Union No. 348 (the Union) and participating employers. These trustees have the sole authority to administer the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) as amended.

BENEFITS

The Plan provides health benefits (medical, hospital surgical, major medical, vision and dental), life insurance, disability benefits and death benefits to eligible participants and their beneficiaries and dependents. Eligibility is determined weekly by participating employers submitting contributions on behalf of employees. The Plan offers no hour banking for eligibility. Retired employees are eligible for similar benefits depending on the employer from whom they have retired.

Health claims of active and retired participants and their dependents and beneficiaries are provided under group insurance contracts. Death, accidental death and dismemberment, and short term disability benefits are covered by a group term policy.

CASH AND CASH EQUIVALENTS

The Plan's cash consists of cash on deposit with banks. Cash equivalents represent money market funds or short-term investments with original maturities of three months or less from the date of purchase, except for those amounts that are held in the investment portfolio which are invested for long-term purposes.

CONTRIBUTIONS

Contributions to the Plan are made by participating employers pursuant to collective bargaining agreements with the Union. Individual contributions are primarily payments for continuation of health coverage.

OTHER

The Board of Trustees have the right under the Plan to modify benefits, funding arrangements, and contribution rates. The Plan may be terminated at any time based on the provisions in the Plan's Declaration of Trust and ERISA.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gain and losses on investments bought and sold as well as held during the year.

USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

POSTRETIREMENT BENEFITS

The amount reported as the postretirement benefit obligation represents the actuarial present value of those estimated future benefits that are attributed by the terms of the Plan to employees service rendered to year end, reduced by the actuarial present value of contributions expected to be received in the future from Plan participants. Postretirement benefits include future benefits expected to be paid for 1) currently retired or terminated employees and their beneficiaries and dependents and 2) active employees and their beneficiaries and dependents after retirement from service with participating employers. The postretirement benefit obligation represents the amount that is to be funded by contributions from the Plan's participating employers and from existing Plan assets. Prior to an active employee's full eligibility date, the postretirement benefit obligations is the portion of the expected postretirement benefit obligation that is attributed to that employee's service.

The actuarial preset value of the expected postretirement benefit obligation is determined by an actuary and is the amount that results from applying actuarial assumptions to historical claim-cost data to estimate future annual incurred claims cost per participation and to adjust such estimates for the time value of money.

INCOME TAXES

The trust established under the Plan to hold the Plan's net assets is qualified pursuant to Section 501(c)(9) of the Internal Revenue Code, and, accordingly, the Trust's net investment income is exempt from income taxes. The Sponsor has obtained a favorable tax determination letter from the Internal Revenue Service and the Sponsor believes that the trust, as amended, continues to qualify and to operate as designed.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

DATE OF MANAGEMENT'S REVIEW

Subsequent events were evaluated through July 15, 2026, which is the date the financial statements were available to be issued.

NOTE C - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of Net Assets Available for Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurements accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs were used only when Level 1 inputs were not available.

Level 1 Fair Value Measurements

We currently do not have any level 1 financial assets or liabilities.

Level 2 Fair Value Measurements

The fair values of corporate bonds and U.S. government securities for which quoted market prices are not available are valued using pricing models maximizing the use of observable inputs for similar investments. This includes basing values on yields currently available on comparable certificates of deposit with similar credit ratings.

Level 3 Fair Value Measurements

We currently do not have any level 3 financial assets or liabilities.

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

NOTE F - BENEFIT OBLIGATIONS

Health costs incurred by participants and their beneficiaries and dependents are covered by insurance contracts maintained by the Plan. It is the present intention of the Plan to continue obtaining insurance coverage for benefits. Insurance premiums for future years in respect of the Plan's postretirement benefit obligation will be funded by Sponsor contributions to the Plan in those later years.

The postretirement benefit obligation at December 31, 2025 and 2024, principally health benefits, relates to the following categories of participants (including their beneficiaries and dependents):

	<u>2025</u>	<u>2024</u>
Current retirees, beneficiaries and dependents	\$ 1,927,154	\$ 2,095,808
Actives - fully eligible for benefits	3,088,840	2,475,480
Actives - not yet fully eligible for benefits	<u>6,554,195</u>	<u>6,151,890</u>
	<u>\$11,570,189</u>	<u>\$10,723,178</u>

The weighted health care cost trend rate assumption (see Note E) has a significant effect on the amounts reported. If the assumed rates increased by one percentage point in each year, it would increase the obligation as of December 31, 2025 and 2024, by \$978,074 and \$906,472, respectively.

NOTE G - RELATED PARTY TRANSACTIONS

The Union is a participating employer in the Plan. The Plan has a lease agreement with the Union to rent office space and shared common areas in the Union building. The lease provides for monthly rental payments of \$1,200 and renews annually. Rental expense during the years ended December 31, 2025 and 2024 was \$14,400.

Certain Plan assets were invested in a brokerage account managed by Merrill Lynch. As described in Note A, the Plan has several arrangements with service providers. These transactions are party-in-interest transactions under ERISA.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

TEAMSTERS LOCAL 348
HEALTH AND WELFARE FUND

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

NOTE H - RISKS AND UNCERTAINTIES - (Continued)

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

NOTE I - CONCENTRATIONS

At December 31, 2025 and 2024, and at times during the year, the Plan has cash in banks in excess of Federally insured limits. At December 31, 2025 and 2024, the Plan had exposure of \$1,168,602 and \$1,731,369, respectively.

For the years ended December 31, 2025 and 2024, the Plan received 81% and 82% of its employer contributions from two and two employers, respectively. United Parcel Service accounted for 69% in 2025 and 72% in 2024, of the Plan's employer contributions.
