Independent Auditor's Report

To the Trustees
403(b) Thrift Plan of
Empowering Abilities:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of 403(b) Thrift Plan of Empowering Abilities, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of 403(b) Thrift Plan of Empowering Abilities' financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Notes 2 and 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with U.S. generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan of Empowering Abilities and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Empowering Abilities' ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan of Empowering Abilities' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Empowering Abilities' ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500, Schedule H, Part IV, Line 4i –Schedule of Assets (Held at End of Year) and Form 5500, Schedule H, Part IV, Line 4j – Schedule of Reportable Transactions as of and for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

(1) Plan Description and Summary of Significant Accounting Policies

(a) Description of Plan

The following description of the 403(b) Thrift Plan of Empowering Abilities (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering eligible employees of Empowering Abilities (the Organization) as defined in accordance with the universal eligibility standards. Eligible employees are allowed to make elective deferrals beginning on their date of hire and are eligible to participate in the Organization’s contribution once they have completed two years of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA). The Board of Trustees oversees governance of the Plan and determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

Contributions

Participants may contribute a percentage of annual compensation (as defined in the Plan document) in the form of a pre-tax and/or after-tax (Roth) salary reduction. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (referred to as rollover contributions). Participants may change or suspend the contribution rate throughout the year at times specified in the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at 1% of eligible compensation with no annual increase and their contributions are automatically invested in a fund determined by the Organization until changed by the participant. The Organization contributes 5% of the total eligible employee wages (as defined by the Plan). Contributions are subject to certain IRS statutory annual limitations.

Employee contributions, matching employer contributions and employer discretionary contributions are invested in one or more investment fund options offered by the Plan as directed by the individual participant.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Organization’s contributions and (b) Plan earnings and charged with the participant’s withdrawals and an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

Participant-Directed Investments

Participants are currently allowed to select from various investment options offered by the Plan in which to invest their contributions and the Organization’s contributions. If a participant does not designate any investment options, all contributions to their account will be deposited into a target date fund based on their age and estimated retirement date.

Notes to Financial Statements

(1) Plan Description and Summary of Significant Accounting Policies, continued

(a) Description of Plan, continued

Vesting

Participants are immediately vested in their elective deferrals and employer contributions (when eligible) and actual earnings thereon.

Payments of Benefits

Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of his or her account, or monthly installments over a period of time, as defined in the Plan agreement. For termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution.

(b) Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with U.S. generally accepted accounting principles. The Plan evaluated subsequent events through July 9, 2026 which is the date the financial statements were available to be issued.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are held by Mutual of America Life Insurance Company (Custodian) who allocates Plan assets to the individual accounts of each participant as directed by the participant.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in a transaction between market participants at the measurement date. The insurance contracts (general account funds) are not fully benefit-responsive and are stated at fair value, as determined by Mutual of America Life Insurance Company, which approximates contract value. Contract value represents contributions made under the contract plus earnings at the contract rate (average rate of 2.94% in 2025 and 2.78% in 2024) less participant withdrawals and administrative expenses. See note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis and dividends are recorded on the ex-dividend date. The net appreciation (depreciation) in the fair value of investments includes realized and unrealized gains and losses on the fair value of investments bought and sold as well as held during the year.

EMPOWERING ABILITIES**

Notes to Financial Statements

(1) Plan Description and Summary of Significant Accounting Policies, continued

(b) Summary of Significant Accounting Policies, continued

Contribution Recognition

The Plan recognizes employee contributions based on the period the employee contribution is withheld by the Organization from the employee's compensation.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses incurred in connection with the general administration of the Plan are paid by the Plan's sponsor and therefore are not included in the statement of changes in net assets available for benefits. Plan administration expenses related to member requested services are deducted directly from the participant's account balance. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

(2) Certified Investments

The following information disclosed in the financial statements and supplemental schedules, was obtained by management and agreed to or derived from information certified as complete and accurate by Mutual of America Life Insurance Company (Custodian) as of and for the years ended December 31, 2025 and 2024.

	<u>2025</u>	<u>2024</u>
Investments, at fair value:		
General account funds	\$ 2,601,466	2,339,554
Separate account funds – mutual funds	16,229,502	14,438,036
Total investments	<u>\$ 18,830,968</u>	<u>16,777,590</u>
Investment income:		
Net appreciation in fair value of investments	\$ 2,093,939	1,755,040
Interest and dividends	72,719	66,393
Total investment income	<u>\$ 2,166,658</u>	<u>1,821,433</u>

(3) Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of quoted prices in active markets of similar assets for assets in non-active markets and Level 3 inputs consist of other valuation techniques which have the lowest priority. The Plan uses appropriate valuation techniques based on the availability inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

The Plan measured the fair value of all its investments using Level 1 inputs as described on the following page. There were no Plan investments requiring the use of Level 2 or Level 3 inputs in 2025 and 2024 and there were no changes to the methods used to measure fair value or transfers between Levels in 2025 and 2024.

**403(b) THRIFT PLAN OF
EMPOWERING ABILITIES**

Notes to Financial Statements

(3) Fair Value Measurements, continued

The fair value of the Plan's investments have been determined by Mutual of America Life Insurance Company and are reported in the accompanying statement of net assets available for benefits as follows:

		Fair Value Measurements Using:		
	Fair Value	Level 1	Level 2	Level 3
<u>December 31, 2025:</u>				
General account funds	\$ 2,601,466	2,601,466	-	-
Separate account funds – mutual funds	16,229,502	16,229,502	-	-

<u>December 31, 2024:</u>				
General account funds	\$ 2,339,554	2,339,554	-	-
Separate account funds – mutual funds	14,438,036	14,438,036	-	-
	<u>\$ 16,777,590</u>	<u>16,777,590</u>	<u>-</u>	<u>-</u>

Level 1 Fair Value Measurements

General Account Funds

The general account funds consist of insurance contracts. The fair value of the insurance contracts has been determined by Mutual of America Life Insurance Company using unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Separate Account Funds – Mutual Funds

The separate account funds consist of mutual funds whose fair values were determined based on quoted net asset values of the shares held by the Plan at year end. These mutual funds are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The mutual funds must publish their daily net asset value and transacted at that price; and therefore, they are considered actively traded.

(4) Tax Status

The Plan is designed for tax-exempt organizations described in Code Section 501(c)(3) to satisfy the requirements for an arrangement described in Code Section 403(b). The Plan has been designed using the pre-approved prototype 403(b) plan document as prescribed by the Internal Revenue Service in Revenue Procedure 2007-71 and 2013-22. The Plan administrator and Plan management believe the Plan is currently designed and operating in compliance with applicable requirements of the Code to maintain tax-exempt status for plan participants under section 403(b). Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan evaluates the tax benefits of a tax position using the "more likely than not" threshold. As of December 31, 2025, management is not aware of any uncertain tax positions and related tax benefits which would be material to the Plan's financial statements. The Plan files annual federal information returns which for years subsequent to 2021 are subject to examination by taxing authorities.

**403(b) THRIFT PLAN OF
EMPOWERING ABILITIES**

Notes to Financial Statements

(5) Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the termination of the Plan, the net realizable value of the assets, at date of termination, shall be distributed to the participants based on their account balance.

(6) Reconciliation to Form 5500

The following is a reconciliation of net assets available for benefits and the changes in net assets available for benefits as of and for the years December 31, 2025 and 2024 per the financial statements to the Form 5500:

	<u>2025</u>	<u>2024</u>
Net assets per Form 5500	\$ 18,830,968	16,777,590
Add – employee contribution receivables	23,210	23,351
Net assets per financial statements	<u>\$ 18,854,178</u>	<u>16,800,941</u>
Net increase in net assets per Form 5500	\$ 2,053,378	1,168,228
Add (deduct) – change in employee contribution receivables	(141)	2,236
Change in Form 5500 opening net assets	-	212
Net increase in net assets per financial statements	<u>\$ 2,053,237</u>	<u>1,170,676</u>

(7) Related Party and Party-in-Interest Transactions

The Plan investments include shares of mutual funds managed by Mutual of America Life Insurance Company (Mutual of America). Mutual of America is the custodian as defined by the Plan, and therefore these transactions qualify as party-in-interest transactions. Fees paid by the Plan for recordkeeping and custodial services amounted to \$5,034 and \$4,589 for the years ended December 31, 2025 and 2024, respectively.

(8) Risks and Uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes would materially affect the amounts reported in the financial statements.

(9) Pledged Assets

Participant loans are not allowed under the terms of the Plan. However, participants may request loans directly from Mutual of America, which are collateralized by the participant's account in the Plan. Those loans are not included in the statement of net assets available for benefits. Outstanding participant loans owed to Mutual of America, which are collateralized by participant accounts, amounted to \$129,857 and \$127,992 as of December 31, 2025 and 2024, respectively.

**403(b) THRIFT PLAN OF
EMPOWERING ABILITIES**

Notes to Financial Statements

(10) Plan Review and Self-Correction Program

During the year ended December 31, 2025, Plan management reviewed enrollment documents for each participant to ensure they were participating in the Plan in accordance with their current enrollment form or change form. After completion of the review, Plan management determined that two participants who designated their contributions to be characterized as Roth were withheld and remitted as Pre-tax contributions. Plan management corrected the error using the IRS 403(b) Plan Fix-It Guide and recharacterized the contributions and related earnings during the year ended December 31, 2025.

During the review noted above, Plan management also determined that one participant elected to contribute 2% of their eligible compensation but no contributions were withheld and remitted to the Plan. Management used the IRS 403(b) Plan Fix-It Guide and made a corrective contribution, including lost earnings, of \$2,949 during the year ended December 31, 2025.

Subsequent to December 31, 2025, Plan management identified an operational payroll error that resulted in a participant being underpaid by the Organization during the current year and subsequent to year end. As a result, the employee was deferring less during the time frame of the underpayment. Plan management corrected the error using the IRS 403(b) Plan Fix-It Guide and made a corrective contribution, including lost earnings, of \$2,059 during the year ended December 31, 2026. In response to the error, Plan management reviewed all employees to ensure they are being paid in accordance with each employee's approved pay rate.

(11) Economic Impacts

National and worldwide factors have led to significant volatility in the financial markets and have affected, and may continue to affect, the value of the Plan's investments. The potential future economic impact of these conditions is difficult to assess or predict. The Plan sponsor is not able to estimate the full impact of these conditions on the Plan's financial statements.

(12) Recent Developments

On December 29, 2022, the Consolidated Appropriations Act of 2023 was signed into law, which includes the package of retirement provisions referred to as "SECURE 2.0". These provisions continue the themes and reforms that began with the 2019 SECURE Act, focusing on getting more participants into the retirement system and finding ways for them to accumulate more assets. These changes had various effective dates starting in 2023 and forward. The Plan Sponsor is working with Mutual of America to determine that the Plan document is updated to comply with the provisions of SECURE 2.0 Act.
