INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
of the JPL Integrated Communications, Inc. 401(k) Plan
Harrisburg, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of JPL Integrated Communications, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of JPL Integrated Communications, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in NOTE 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of JPL Integrated Communications, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about JPL Integrated Communications, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of JPL Integrated Communications, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about JPL Integrated Communications, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes at End of Year as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

JPL INTEGRATED COMMUNICATIONS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025

1. DESCRIPTION OF PLAN

The following description of the JPL Integrated Communications, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

A. GENERAL

The Plan was established by JPL Integrated Communications, Inc. effective March 1, 1998. The Plan is a qualified defined contribution plan covering all eligible employees of JPL Integrated Communications, Inc. and d'Vinci Interactive, Inc. (Employers) not covered by a collective bargaining agreement who are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

B. CONTRIBUTIONS

Participants may contribute up to 100% of annual compensation, as defined in the Plan. These elective deferrals may not exceed the annual dollar limits established by the Internal Revenue Service. These salary reductions can be pretax 401(k) Plan deferrals or Roth 401(k) Plan deferrals. Participants may also contribute, with the employer's written consent, cash or property in a rollover contribution from another qualified plan.

Additional contributions are made at the discretion of the Employers. Participants must complete thirty days of service to be eligible for employer contributions. Contributions are in the form of matching contributions and profit sharing. Matching contributions are equal to a percentage of each participant's deferral contributions. Profit sharing contributions are allocated based on participant compensation for the plan year. In order to be eligible for a profit sharing contribution, an employee must be actively employed on the last day of the plan year, unless employment was severed due to death, disability, or retirement and have completed a full year of service during the plan year.

Participants may direct all of the contributions to their accounts in any ratio desired into any of the available investment options. Participants may change their investment allocation at any time during the plan year.

C. PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, employer matching contribution, an allocation of the profit sharing contribution, and an allocation of the Plan's earnings (losses). The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

JPL INTEGRATED COMMUNICATIONS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025

1. DESCRIPTION OF PLAN (CONTINUED)

D. VESTING

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the employer's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after five years of credited service, upon death, disability, or reaching full retirement age.

E. PAYMENT OF BENEFITS

The Plan provides for in-service distributions of vested accounts to employees who have reached age sixty (60). Additionally, Roth 401(k) deferrals and earnings thereon can be distributed after the expiration of the five year participation period. The Plan also provides for hardship withdrawals that may be requested for medical expenses, the purchase of a home, educational expenses, payments to prevent participant's eviction from a principal residence or foreclosure, payments for certain burial or funeral expenses, or repairs to a principal residence that would qualify for the casualty deduction under the Internal Revenue Code. The distribution can be taken from eligible funds in the participant's account balance.

Upon termination of service, a participant is entitled to receive the vested portion of his/her account. If the value of a participant's nonforfeitable account balance is \$7,000 or less, the Plan Administrator has the ability to force a distribution of the account balance out of the Plan. The participant may elect to receive the distribution in cash or roll it over into an individual retirement account (IRA) or the qualified plan of a new employer. However, if the participant does not return election forms in a timely manner, the balance will be automatically rolled over into an IRA in the name of the participant or distributed in cash. If the value of the participant's nonforfeitable account exceeds \$7,000, the account balance will only be distributed upon receipt of consent from the participant. The distribution can be by way of cash or rollover into an IRA or the qualified plan of a new employer. Absent consent of the participant, the account will be held by the Plan until which time the participant reaches the age where required distributions must occur.

F. FORFEITED ACCOUNTS

Forfeited nonvested accounts may be used to satisfy employer contributions or pay administrative expenses. As of December 31, 2025 and 2024, the Plan held forfeitures of \$1,770 and \$1,218, respectively. For the years ended December 31, 2025 and 2024, \$18,250 and \$37,722 of forfeitures were utilized to offset employer contributions and expenses.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. BASIS OF ACCOUNTING

The financial statements of the Plan are prepared using the accrual method of accounting.

B. ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to see an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (NOTE 4). Management determines the Plan's valuation policies utilizing information provided by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the Trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. PAYMENT OF BENEFITS

Benefits are recorded when paid.

E. RECLASSIFICATION

Certain 2024 amounts have been reclassified to conform with the 2025 presentation to facilitate comparability.

F. SUBSEQUENT EVENTS

Management has evaluated subsequent events through June 24, 2026, the date which the financial statements were available to be issued.

JPL INTEGRATED COMMUNICATIONS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025

3. CERTIFIED INVESTMENTS

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the trustee of the plan, has certified the following information, which has not been subject to audit by independent auditors, to be complete and accurate:

- Investment balances included in the statements of net assets available for benefits as of December 31, 2025 and 2024, and in the notes to the financial statements.
- Investment income balances included in the statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, and in the notes to the financial statements.
- Information included in the accompanying schedule of assets held for investment purposes at end of year.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The three levels of the fair value hierarchy under FASB Accounting Standards Codification (ASC) 820, *Fair Value Measurement* are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

JPL INTEGRATED COMMUNICATIONS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025

4. FAIR VALUE MEASUREMENTS (CONTINUED)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2025 and 2024.

Mutal Funds: Valued at the net asset value of the shares held by the Plan at year-end, quoted in an active market.

Common Collective Trust: The fair value of participation units held in the Putnam Large Cap Value Trust I Fund (the Fund) is based on net asset value, as reported by the manager of the Fund, Putnam Fiduciary Trust Company, LLC, as supported by the unit prices of actual purchase and sale transactions occurring as of or close to the financial statement date. The Fund invests mainly in common stocks of midsize and large U.S. companies, with a focus on value stocks that offer the potential for capital growth, current income, or both. The use of net asset value as fair value is deemed appropriate as there are no imposed redemption restrictions and the Plan does not have any contractual obligations to further invest in the Fund.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31:

. 2025.

Total	<u>\$ 17,318,729</u>	<u>\$ 17,059,893</u>	<u>\$ 258,836</u>

*Investments are measured at fair value using net asset value (NAV) and are not classified within the fair value hierarchy.

5. GROUP ANNUITY CONTRACT

The Plan has a fully benefit-responsive group annuity contract with an insurance company called the Key Guaranteed Portfolio Fund. This investment is measured at contract value which is the net assets available for benefits based upon the group annuity contract, \$18,589 and \$15,300 as of December 31, 2025 and 2024, respectively. Contract value consists of participant contributions, plus earnings, less participant withdrawals. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the Plan's ability to transact at contract value with the insurance company. Such events include: (1) premature termination of the contracts by the Plan, (2) Plan termination, (3) bankruptcy. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. The insurance company may not terminate the contract at any amount less than the contract value.

The insurance company is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The average yield earned by the Plan for the group annuity contract is derived by averaging the quarterly gross interest rates for the fund over the year. The crediting interest rate is reset quarterly. The average for the years ended December 31, 2025 and 2024 was 1.45% and 1.41%, respectively.

JPL INTEGRATED COMMUNICATIONS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the employer has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become 100% vested in their accounts.

7. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan has a number of service providers. Such providers are parties-in-interest under ERISA. The plan was involved in several permitted related party and party-in-interest transactions during the years ended December 31, 2025 and 2024. Empower Trust Company was the custodian of Plan investments and therefore is considered a party-in-interest. The Company paid \$3,726 and \$4,227 of administrative expenses for the years ended December 31, 2025 and 2024, respectively.

8. TAX STATUS

The Plan document was written using a volume submitter plan developed by its third-party administrator. The Internal Revenue Service has determined and informed the third-party administrator by advisory letter dated June 30, 2020, that their volume submitter plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax exempt. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
