Independent Auditor's Report

Plan Administrator
SC Pet Food Solutions, LLC 401(k) Plan
Monett, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of SC Pet Food Solutions, LLC 401(k) Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of SC Pet Food Solutions, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in *Note 3* to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SC Pet Food Solutions, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SC Pet Food Solutions, LLC 401(k) Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the SC Pet Food Solutions, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SC Pet Food Solutions, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. Description of the Plan

General

The following description of SC Pet Food Solutions, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan document and *Summary Plan Description* for a more complete description of the Plan's provisions, which are available from the plan administrator.

The Plan was established June 1, 2019, as a defined contribution plan sponsored by SC Pet Food Solutions, LLC (the "Company") for the benefit of its employees age 18 or older.

The Plan excludes nonresident alien employees and residents of Puerto Rico. The Plan Sponsor is responsible for controlling and managing the operations of the Plan. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA).

Reliance Trust Company served as the Plan's trustee until December 31, 2024. Effective January 1, 2025, ADP Retirement Trust Services, LLC replaced Reliance Trust Company as the Plan's trustee. Automatic Data Processing, Inc.'s Retirement Services, is the Plan's record-keeper.

Contributions

Participants may contribute up to 90% of pretax annual compensation to their account. Roth contributions are permitted. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Employee rollover contributions are also permitted. The Company may make discretionary employer matching contributions.

The Plan includes a qualified automatic contribution arrangement (QACA) for employer matching contributions. The Company's matching contribution amounted to 100% of the first 1% of participant's compensation, plus 50% of participant deferrals on a maximum of 6% of participant compensation. The Plan received \$202,987 and \$186,717 in Company matching contributions in 2025 and 2024, respectively.

Participating employers may also make annual discretionary profit-sharing contributions in which participants must be employed on the last day of the plan year to be eligible. There were no profit-sharing contributions made for the years ending December 31, 2025 and 2024. Contributions are subject to certain limitations.

Participant Investment Account Options

Participants have the option of directing their contributions into any of the various investment options offered by the Plan and may change the allocation daily.

The plan document includes an automatic deferral feature whereby a participant is treated as electing to defer a certain percentage of eligible compensation unless the participant made an affirmative election otherwise. The percentage of compensation deferred on each participant's behalf as a pretax elective deferral is 3% and will increase by 1% each year up to a maximum of 10%.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution, and plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes to Financial Statements
December 31, 2025 and 2024

Vesting

Participants are immediately vested in their voluntary contributions plus earnings thereon. Vesting in the Company's profit-sharing contribution portion of their accounts plus earnings thereon is based on years of continuous service. A participant is fully vested after six years of continuous service or upon death, disability, or attainment of normal retirement age while in active service of the Company. Contributions made under the QACA plus earnings thereon are fully vested after two years of continuous service.

Payment of Benefits

Upon termination of services, a participant may elect to receive the value of the vested interest in his or her account as a lump-sum distribution, installments, or partial withdrawals. For participants with vested balances not exceeding \$5,000, the plan administrator will authorize the benefit payment without the participant's consent as a single lump-sum payment. Withdrawals other than for termination are permitted under circumstances provided by the Plan.

Forfeited Accounts

Forfeited nonvested accounts totaled \$289 and \$1,232 as of December 31, 2025 and 2024, respectively. These accounts may be used to pay administrative fees or reduce future employer contributions. During the year ended December 31, 2025 and 2024, forfeitures of \$23,256 and \$29,115 were used to reduce employer-matching contributions.

Notes Receivable from Participants

The plan document includes provisions authorizing loans from the Plan to active eligible participants. The minimum amount of a loan is \$500. The maximum amount of a participant's loan is determined by the available loan balance restricted to the lesser of \$50,000 or 50% of the participant's vested account balance. All loans are covered by demand notes and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence) through payroll withholdings unless the participant is paying the loan in full. Interest on the loans is based on prime rate plus 2%. The maximum number of loans a participant may have outstanding at one time is one.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets, changes in net assets, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Quoted market prices, if available, are used to value investments. Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year-end.

SC Pet Food Solutions, LLC 401(k) Plan
Notes to Financial Statements
December 31, 2025 and 2024

The Plan's interest in the collective trust fund is valued based on information reported by the investment advisor using the audited financial statement of the stable value fund at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the period.

Contributions

Contributions from Plan participants and the matching contributions are recorded in the year in which the employee contributions are withheld from compensation.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion.

Note 3. Certification of Plan Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, ADP Retirement Trust Services, LLC and Reliance Trust Company, qualified institutions, have certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate for 2025 and 2024, respectively.

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024.
- Investment income and interest income on notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024.
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at year-end) as of December 31, 2025.

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 4. Fair Value Measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. The hierarchy comprises three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and that are significant to the fair value of the assets or liabilities

Recurring Measurements

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2025 and 2024:

	Fair Value	Fair Value Measurements Using		
		Level 1	Level 2	Level 3
December 31, 2025				
Mutual funds	\$ 2,253,582	\$ 2,253,582	\$ -	\$ -
Investments measured at net asset value (A)	6,887			
	<u>\$ 2,260,469</u>			
December 31, 2024				
Mutual funds	\$ 1,831,921	\$ 1,831,921	\$ -	\$ -
Investments measured at net asset value (A)	5,353			
	<u>\$ 1,837,274</u>			

(A) Certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

SC Pet Food Solutions, LLC 401(k) Plan
Notes to Financial Statements
December 31, 2025 and 2024

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the years ended December 31, 2025 and 2024. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. Level 1 securities include mutual funds and are valued at the net asset value (NAV) of shares held by the Plan at period end. If quoted market prices are not available, then fair values are estimated by using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan. This fund files a Department of Labor Form 5500 as a direct filing entity.

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
December 31, 2025				
Collective trust	\$ 6,887	\$ -	Daily	10 days
December 31, 2024				
Collective trust	\$ 5,353	\$ -	Daily	10 days

Note 5. Related Party and Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

Fees incurred by the Plan for record-keeping, administrative, and investment management services are included in net appreciation in fair value of the investment, as they are primarily paid through revenue sharing, rather than a direct payment. Individually nonmaterial direct expenses paid to parties in interest aggregated \$19,811 and \$18,979 for 2025 and 2024, respectively. The Company directly pays any other fees related to the Plan's operations and provides certain administrative services at no cost to the Plan.

Note 6. Plan Termination

Although they have not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their employer contributions accounts.

Note 7. Tax Status

The Plan has adopted a pre-approved Plan Document that has received an opinion letter from the IRS dated October 6, 2020, stating that the form of the pre-approved Plan Document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since adopting the pre-approved Plan Document, the Plan Administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United State of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9. Subsequent Events

Subsequent events have been evaluated through July 17, 2026, which is the date the financial statements were available to be issued.
