## **Independent Auditors' Report**

Plan Administrator and Participants  
CoNetrix 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of the CoNetrix 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2 to the financial statements.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Emphasis of Matter - Basis of Accounting**

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2 of the financial statements; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

## **Auditors' Responsibilities for the Audit of the Financial Statements (Continued)**

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) (modified cash basis) as of December 31, 2025 (the "supplemental schedule") is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CoNetrix 401(k) Plan  
NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the CoNetrix 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution profit sharing plan established by the CoNetrix, LLC (the “Company”) under the provision of Section 401(a) of the United States Internal Revenue Code (the “IRC”), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Company.

The Plan covers substantially all employees of the Company except collective bargaining (union) employees, and nonresident aliens. Each covered employee must complete one year of service to be eligible to participate in the Plan. Eligible employees will enter the Plan on the first day of the Plan quarter coinciding with or following the date eligibility requirements have been satisfied. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Plan Administration

The Plan is administered by the Company (the “Plan Administrator”). The duties of the Plan Administrator are to oversee the operations and administration of the Plan in accordance with the specific terms of the Plan, provide for prudent investment of Plan assets and keeping accurate records and reports. Accordingly, the Plan Administrator has been granted discretionary authority concerning investment and management activities.

Empower Trust Company, LLC (the “Custodian”) and its affiliates are responsible for the recordkeeping, custody and management of the Plan’s assets.

Contributions

Each year, participants may contribute up to 100 percent of eligible compensation as defined in the Plan, subject to the dollar limitation under Section 402(g) of the IRC. The Plan permits both pre-tax and certain after-tax (Roth) deferral contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other eligible retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company makes basic safe harbor matching contributions equal to 100% of each participant’s salary deferrals that do not exceed 3% of the participants compensation plus 50% of the participant’s salary deferrals between 3% and 5% of the participant’s compensation. The Company may make discretionary additional matching contributions. If the Company makes a discretionary additional matching contribution, the discretionary additional matching contribution will not apply to elective deferrals exceeding 6% of the participant’s compensation. The total amount of this discretionary additional matching contribution will not exceed 4% of the participant’s compensation. Each year the Company may make a discretionary nonelective contribution which will be allocated or divided among participants eligible to share in this contribution. Each participant’s share of the nonelective contribution depends on how much compensation the participant received as well as the group to which the participant is assigned. The Company may contribute a different amount on behalf of each group. In order to share in the nonelective contribution, participants must either (a) be employed on the last day of the of the plan year, or (b) credited with 501 hours of service during the plan year if not employed on the last day of the plan year. For the years ended December 31, 2025 and 2024, the Company made safe harbor matching contributions of \$419,765 and \$402,372, respectively. No discretionary or nonelective contributions were made for the years ended December 31, 2025 and 2024.

Participant Accounts

Individual accounts are maintained for each of the Plan’s participants to reflect the participant’s contributions and related employer contributions, as well as the participant’s share of investment income and any related administrative expenses and benefit payments. The participant determines both the amount to be invested and the allocation of the investment to one or more of the investment alternatives. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

1. DESCRIPTION OF PLAN (Continued)

Vesting

Participants are vested immediately in their elective contributions, rollover contributions, and the Company's safe harbor matching contributions, plus actual earnings thereon. Vesting of additional matching and nonelective employer contributions plus earnings on those contributions, is based on years of vesting service, as defined in the Plan. A participant is 100 percent vested after six years of credit service. Full and immediate vesting will occur when a participant is employed on or after the early (59½) or normal (65) retirement age. Participants who leave the Company before they are fully vested in the Company's discretionary and nonelective contributions forfeit their non-vested portion.

Investment Options

Upon enrollment in the Plan, a participant may direct the contributions made to the Plan, for or on behalf of the participant, to any one or more of the investment funds determined at the discretion of the Plan Administrator and in such multiples as the participant prescribes. A participant may change his or her investment direction with respect to future contributions or redirect the investment of his or her account balances.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, whichever is less. The maximum amount of \$50,000 is reduced by the highest outstanding loan balance during the past 12 months or any existing loan balances on the date a new loan is made, whichever is greater. The note receivable is secured by the balance in the participant's account and bears interest at the Prime rate, which is fixed at the time the loan is issued. Principal and interest is paid ratably through payroll deductions. If a participant does not repay the loan or breaches any of the obligations as set forth in the loan agreement, the note is in default. Upon default the entire principal balance and interest is immediately due and payable. Participants may only have up to three loans outstanding at any given time.

Payment of Benefits

On retirement, death, disability, or termination of service, a participant (or participant's beneficiary in the event of death) may elect to receive a lump-sum distribution, installment payments, or a direct transfer to another qualified retirement plan subject to certain conditions, equal to the participant's vested account balance. In addition, in-service and hardship distributions are permitted if certain criteria are met. A participant has the right to receive all or any portion of their vested account balance upon attainment of age fifty-nine and a half (59½), normal retirement, or upon termination of service. Normal retirement is age sixty-five (65). Hardship distributions are subject to meeting strict hardship guidelines established by the Internal Revenue Service.

Forfeited Accounts

Forfeitures represent unvested portions of terminated participants' accounts. These funds may be used to reduce the Company's nonelective or matching contributions, or used to pay reasonable Plan expenses, in accordance with the Plan document. At December 31, 2025 and 2024, there were no forfeited account balances in the Plan, and no forfeitures were used to reduce the Company's nonelective or matching contributions or used to pay Plan expenses in 2025 and 2024.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

CoNetrix 401(k) Plan

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Method of Accounting

The accounting records of the Plan are maintained on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America ("GAAP"). Under this basis, contributions are recognized when received rather than when earned, and distributions are recognized when paid rather than when incurred. Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the Plan in conformity with GAAP.

Use of Estimates

In preparing financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Changes in fair value are reflected in operations. Mutual funds, variable annuities and common/collective trusts represent investments with various investment managers. The respective fair values of these investments are determined by reference to the fund's underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value at year end. Units held in variable annuities are calculated daily by the annuity provider according to methods described in the annuity contract. Units held in common/collective trusts are valued at net asset value based on information reported to the Plan by the investment manager as a practical expedient for fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded when received. Dividends are recorded on the ex-dividend date. The net appreciation (depreciation) of investments includes realized gains and losses on sales during the year and current changes in unrealized appreciation (depreciation) in the market value of investments held at year-end, is presented in the statements of changes in net assets available for benefits. Brokerage fees, if any, are added to the acquisition costs of assets purchased and subtracted from the proceeds of assets sold.

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Plan. The remaining administrative expenses are paid by the Company. The Plan is under no obligation to reimburse the Company for these expenses. Plan expenses paid by the Company are not included in these financial statements. Fees related to the administration of notes receivable from participants or fees paid related to benefits paid to participants are charged directly to the participants' account and are included in administrative expenses. Investment management fees and operating expenses charged to the Plan for investments in the various funds are deducted from income earned on a daily basis and are reflected as a component of net appreciation (depreciation) in fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties

The Plan provides for investments in various investment securities with different investment strategies, which, in general, are exposed to various risks, such as interest rate, credit, foreign investment, active management, and overall market volatility risks. Market risks include global events, which could impact the value of investment securities, such as a pandemic or international conflict. The Plan attempts to limit these risks by authorizing and offering participants a broad range of investment options that are invested in high quality securities or are offered and administered by reputable and known investment companies. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits. The Plan's exposure to a concentration of risk is limited by the diversification of investments across multiple investment fund options. Additionally, the investments within each investment fund option are further diversified into varied financial instruments.

Market conditions have resulted in an unusually high degree of volatility and increased the risks and may affect the short-term liquidity associated with certain investments held by the Plan which could impact the value of investments after the date of these financial statements. Because the values of individual investments fluctuate with market conditions, the amount of gains or losses that will be recognized in subsequent periods, if any, cannot be determined.

3. TAX STATUS

The Company has adopted the Great-West Trust Company, LLC Defined Contribution Pre-Approved Plan (Basic Plan Document No. 2 and the Adoption Agreement). Great-West Trust Company, LLC was renamed Empower Trust Company, LLC. The Internal Revenue Service ("IRS") has issued an opinion letter dated November 14, 2022 stating that the plan is acceptable under section 401 of the IRC for use by employers for the benefit of their employees. The Company is relying on the opinion letter (in accordance with Revenue Procedure 2017-41) that the Plan meets the qualification requirements of the IRC. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

4. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Empower and its affiliates, therefore, these transactions qualify as party-in-interest transactions. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA. Additionally, certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

5. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standard Codification ("ASC") 820, *Fair Value Measurements* provide the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

CoNetrix 401(k) Plan  
NOTES TO FINANCIAL STATEMENTS

5. FAIR VALUE MEASUREMENTS (Continued)

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of the observable inputs and minimize the use of unobservable inputs. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value to another. For the years ended December 31, 2025 and 2024, there were no significant transfers in or out of levels 1, 2 or 3.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2025 and 2024.

*Mutual Funds:* Valued at the net asset value ("NAV") of shares held by the Plan at year-end. These mutual funds are registered with the Securities and Exchange Commission and are actively traded.

*Variable Annuities:* Valued at the quoted price obtained from the underlying mutual fund and adjusted to apply the expense factor disclosed in the annuity contract in a manner similar to a mutual fund NAV calculation. The variable annuities are classified within Level 2 of the fair value hierarchy since their valuation is based on observable inputs, including the NAV of the underlying mutual funds and observable market pricing for the securities held within those funds.

The variable annuities offered through Empower Annuity Life Insurance Company of America do not have lock-up periods, gates or withdrawal restrictions, redemption fees, and advance notice requirements. The Plan is not subject to any contractual restrictions that would limit its ability to redeem the variable annuities at fair value.

*Common/collective trust funds:* Valued at the NAV of units of the common collective trust. The underlying investments held in the collective trust fund consist of actively managed, highly diversified portfolio of common stocks of real estate companies, primarily domiciled in the United States and other permitted investments. These funds have no redemption restrictions or unfunded commitments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth the level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

|                                          | Level 1       | Level 2    | Level 3 | Total         |

- (a) This investment is valued using NAV as a practical expedient, and therefore has not been classified in the fair value hierarchy. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA and the IRC. The Plan provides for full and immediate vesting of all participant rights upon termination of the Plan. The net assets available for benefits would be distributed in accordance with the provisions of the Plan agreement, ERISA, and the IRC, subject to payment of liquidation costs and expenses.

7. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN (Unaudited)

The Plan Administrator has elected the method of annual reporting compliance permitted by Section 2520.103-8 of the United States Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, LLC and Empower Annuity Insurance Company of America ("EAICA") has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

8. REPORTABLE TRANSACTIONS

9. CHANGES IN PLAN OPERATIONS

When the Plan was amended and restated effective May 20, 2021, certain administrative defaults for the Plan were updated to be in accordance with final regulations of the Bipartisan Budget Act of 2018, the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act, the Setting Every Community Up for Retirement Enhancement (“SECURE”) Act of 2019 and other law changes. These changes included (1) allows long-term, part time workers to participate in 401(k) plans beginning in 2025 if 1,000 hours are worked throughout the year or 500 hours are worked for three consecutive years; (2) changes the age for required minimum distributions from 70 ½ to 72 effective December 31, 2020; (3) allows in-service withdrawals for childbirth and adoption expenses up to \$5,000; (4) establishes a 10-year rule for distribution of inherited retirement plan accounts and IRA’s; and (5) provides special provisions to count certain non-taxable foster care payments as eligible 415 compensation. The Plan has been amended to comply with these provisions on July 22, 2022.

10. RECENT LEGISLATION

In December 2022, Securing a Strong Retirement Act (“SECURE 2.0”) was passed into law. This package of laws builds on the Setting Every Community Up for Retirement Enhancement (“SECURE”) Act of 2019. SECURE 2.0 covers numerous changes to retirement provisions designed to increase retirement savings, facilitate access to retirement savings, encourage employees to save for retirement, and lower employers’ cost of offering and funding retirement savings plans. The provisions include both required and optional elements and the Plan Administrator will determine the optional provisions to elect. The United States Department of the Treasury and the Internal Revenue Service continue to issue guidance and regulations implementing provisions of SECURE 2.0. Many of the provisions in SECURE 2.0 were effective in 2023 and 2024, but it will not be completely implemented until 2028. The deadline for amending plan documents has been extended to December 31, 2026.

11. SUBSEQUENT EVENTS

Management has evaluated subsequent events through July 23, 2026, the date the financial statements were available to be issued.
