INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Board of Trustees
Los Leones 401(k) Retirement Plan
San Antonio, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Los Leones 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, Fidelity Management Trust Company, the Trustee, as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements - (continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Audited Financial Statements
December 31, 2025 and 2024

NOTE A – SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The audited financial statements of the Los Leones 401(k) Plan (the “Plan”) are maintained on the accrual basis in accordance with U.S. generally accepted accounting principles.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The basis of investments held by the Plan is adjusted daily to closing market value and unrealized gains and losses are recorded as part of this adjustment. The Plan's management determines the Plan's valuation policies utilizing information provided by investment advisers and the custodian.

Benefit Payments: Benefits are recorded when paid.

Subsequent Events: Subsequent events have been evaluated by management through the date of the independent auditor's report, the date the financial statements were available to be issued. Material subsequent events, if any, are disclosed in a separate footnote to these financial statements.

NOTE B – DESCRIPTION OF PLAN

The following description of the Los Leones 401(k) Retirement Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General: The Los Leones 401(k) Retirement Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and covers substantially all employees of Casa Rio, Inc. (Plan Sponsor) who have six months of service and are of age seventeen and a half or older.

Termination: Although it has not expressed intent to do so, the Plan Sponsor has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

SECURE 2.0 Act: The Securing a Strong Retirement Act (SECURE 2.0 Act) was signed into law on December 29, 2022, and included mandatory and optional provisions with varying effective dates in 2024 and later. The Company is evaluating the provisions and has not amended the Plan as of the date of these financial statements.

NOTE B – DESCRIPTION OF PLAN (continued)

Contributions: Each year participants may elect to contribute up to 75% of pretax annual compensation, subject to IRS limitations, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions to various investment options offered by the Plan. The Plan makes safe harbor employer matching contributions of 100% of the first 4% of base compensation that a participant contributes to the Plan. Additional profit-sharing amounts may be contributed at the option of the Sponsor. There was \$74,961 of discretionary contributions made for the year ended December 31, 2024. No discretionary profit-sharing contributions were made during 2025. Contributions are subject to certain limitations.

Participant Accounts: Investments are participant directed. Each participant account is credited with the contributions made by the participant and allocations of (a) the Plan Sponsor's contributions and (b) Plan earnings (loss) and is charged with an allocation of administrative expenses. Allocations are based on participant contributions or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions and employer matching contributions plus actual earnings thereon. Vesting in the Plan Sponsor's profit sharing contributions and actual earnings thereon is based on years of service following the Department of Labor guidelines.

Payment of Benefits: On termination of service a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Written consent from the Plan is required before vested balances over \$7,000 can be distributed. Participants who have terminated and have vested balances less than \$1,000 can receive a distribution directly or have their balance rolled into another Plan or an Individual Retirement Account (IRA). Absent participant instructions, balances between \$1,000 and \$7,000 will be rolled into an IRA by the Plan Sponsor. In the event the Plan terminates and the participant fails to make an election for distribution, the Plan Administrator will automatically rollover the entire vested amount to an IRA. The Plan allows for in-service distributions upon reaching age 59 ½. Hardship withdrawals are available subject to certain limitations.

Forfeited Nonvested Accounts: At December 31, 2025 and 2024, forfeited nonvested accounts totaled approximately \$47,184 and \$68,324, respectively. Forfeitures are used in accordance with the Plan document to reduce administrative expenses of the Plan or reduce future employer contributions. During the year ended December 31, 2025 and 2024, forfeitures of approximately \$21,000 and \$37,000, respectively, were used to pay Plan administrative expenses.

Administrative Expenses: Administrative expenses may be paid by either the Plan Sponsor or the Plan, as provided in the Plan document. Expenses paid by the Plan are recorded in the accompanying statements of changes in net assets available for benefits. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Participant distribution fees are paid by the participant receiving the distribution. Fees paid by the Plan for administrative expenses totaled \$74,293 in 2025 and \$46,107 in 2024.

NOTE C – INVESTMENTS CERTIFIED BY THIRD PARTY (unaudited)

As permitted by Department of Labor CFR 2520.103-8, investments at December 31, 2025 and 2024, and the related investment earnings for the years then ended, were certified and held by Fidelity Management Trust Company (“Fidelity”), the Trustee, and were not audited by the independent auditor.

NOTE D – INCOME TAX STATUS

The Plan is a volume submitter non-standardized pre-approved profit sharing 401(k) plan sponsored by FMR, LLC. The standardized 401(k) plan received a favorable opinion letter from the Internal Revenue Service on June 30, 2020. Although the Plan has since been amended, the administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and is qualified for tax-exempt status. The Plan Administrator is not aware of any tax positions that would have a significant impact on its financial position. Its federal tax returns for the last four years remain subject to examination.

NOTE E – FAIR VALUE MEASUREMENTS

In accordance with U.S. generally accepted accounting principles, the Plan utilizes a fair value hierarchy that prioritizes the inputs for the valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets
 - quoted prices for identical or similar assets or liabilities in inactive markets
 - inputs other than quoted prices that are observable for the asset or liability
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means
 - if the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE E – FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, investments measured at fair value:

	Fair Value Measurements Using			
	Level 1	Level 2	Level 3	Total
<i>December 31, 2025:</i>				
Money market	\$ 3,418	\$ -	\$ -	\$ 3,418
Investments in fair value hierarchy	<u>\$ 3,418</u>	<u>\$ -</u>	<u>\$ -</u>	3,418
Investments measured at NAV*				5,989,840
Total investments measured at fair value				<u>\$ 5,993,258</u>
<i>December 31, 2024:</i>				
Money market	\$ 2,462	\$ -	\$ -	\$ 2,462
Investments in fair value hierarchy	<u>\$ 2,462</u>	<u>\$ -</u>	<u>\$ -</u>	2,462
Investments measured at NAV*				5,430,524
Total investments measured at fair value				<u>\$ 5,432,986</u>

** In accordance with Subtopic 820-10, certain investments measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line item presented in the statement of net assets available for benefits.*

There have been no changes in the methodologies used to measure fair value, nor transfers between levels. The following is a description of the valuation methodology used for assets measured:

Money market: Valued at face value of the currency (U.S. Dollar).

Mutual funds: Valued at the daily closing price reported on the active market the individual funds are traded.

Investments measured at NAV: Investments held in collective trusts are valued at the net asset value (NAV) of units of the collective trust fund. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE E – FAIR VALUE MEASUREMENTS (continued)

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient:

<u>Investment</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>(if Currently Eligible)</u>	<u>Redemption Notice Period</u>
<u>December 31, 2025</u>				
Collective trust	\$ 5,989,840	N/A	Daily	1 day for benefit payments and participant transfers to noncompeting options; one year for all other withdrawals
<u>December 31, 2024</u>				
Collective trust	\$ 5,430,524	N/A	Daily	1 day for benefit payments and participant transfers to noncompeting options; one year for all other withdrawals

NOTE F – TRANSACTIONS WITH PARTIES-IN-INTEREST

Parties-in-interest are defined under DOL regulations as any employees of the Plan, fiduciaries of the Plan, service providers to the Plan, the employer whose employees are covered by the Plan, and certain significant owners of the employer and their relatives. Service providers may include, but are not limited to, the custodian, trustee, third-party administrator (TPA), investment managers, investment advisors, legal counsel, and Plan auditor.

The Plan made direct payments in 2025 and 2024 to parties-in-interest for administration and investment advisory fees, as allowed by ERISA. The Plan Sponsor pays directly any other fees related to the operation of the Plan. Fees incurred by the Plan for the investment management services are included in the net appreciation in fair value of the related investment, as they are paid using investment earnings rather than a direct payment.

NOTE G – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the change in net assets for the year ended December 31:

	<u>2025</u>	<u>2024</u>
Change in net assets per financial statements	\$ 485,311	\$ (328,682)

Change in net assets per Form 5500	<u><u>\$ 560,272</u></u>	<u><u>\$ (279,298)</u></u>

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is, at least, reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
