## INDEPENDENT AUDITORS' REPORT

To the Board of Directors  
Advanced Concepts Enterprises 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Advanced Concepts Enterprises 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2025 and 2024, the related statement of changes in net assets available for plan benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audits of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards (GAAS) will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings and certain internal control related matters that we identified during the audits.

#### **Supplemental Schedule Required by ERISA**

The supplemental Schedule H, Line 4i Schedule of Assets (held at end of year) and Schedule H, Line 4a Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**ADVANCED CONCEPTS ENTERPRISES 401(K) PLAN  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2025 AND 2024**

---

## **1. DESCRIPTION OF THE PLAN**

The following description of the Advanced Concepts Enterprises 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

### **General**

The Plan Sponsor, Advanced Concepts Enterprises (the Company or Employer), established the Plan effective as of January 1, 2006. The Plan was amended and restated effective as of April 1, 2023. The Plan is a defined contribution plan available to all employees of the Company who are at least 18 years of age. Participants are eligible to enter the Plan on the first day of the month following their hire date. The Plan is subject to the provisions of ERISA.

### **Contributions**

Participants may contribute up to 86%, with a minimum of 1%, of their compensation subject to the Internal Revenue Service (IRS) limitation established by the Internal Revenue Code (IRC). Individuals who attain the age of 50 by the end of the Plan year are permitted to make "catch-up" contributions in accordance with IRC limits. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled at a 1% deferral rate in the Plan unless they affirmatively elect not to participate. The Plan includes a contribution accelerator in which the deferral rate will increase by 1% each Plan year until the participant reaches a maximum deferral rate of 10% or the participant elects otherwise. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

Matching contributions are made by the Company on behalf of the employees who have agreed to have their taxable wages or salaries reduced. Upon enrollment, the Company will match a nonelective employer contribution \$1 for every \$1 of employee contribution up to 4% of the employee's compensation. The Employer may also make an additional discretionary nonelective contribution. Additionally for matching contributions, employees classified by the Employer as "Fringe Pool B, D and E" are excluded. For the 3% fixed nonelective contributions, all employees other than employees classified by the Employer as "Fringe Pool D" are excluded. For the 4% fixed nonelective contributions, all employees other than employees classified by the Employer as "Fringe Pool E" are excluded. "Dept 4C" employees will receive a pretax 4% into their 401k account. "Dept 4E" employees will receive a post-tax 4% as cash. For all contributions, employees classified as "Fringe Pool F" are excluded.

### **Participant Accounts**

Each participant's account is credited with the participant's contributions and allocations of (1) the Company's contribution, if any, and (2) the Plan's net earnings (losses) and charged with an allocation of administrative expenses. Allocations are based on participant contributions, compensation or account balances, as applicable, and pursuant to the terms of the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### **Investment Elections**

Each participant may direct all contributions into one or more investment options offered by the Plan.

**ADVANCED CONCEPTS ENTERPRISES 401(K) PLAN  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2025 AND 2024**

---

**Vesting**

Participants are immediately and fully vested in their contributions, contributions made by the Company and earnings on those contributions.

**Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan transactions are treated as a transfer between the investment account and the account containing notes receivable from participants. Loan terms may range from one to five years, except those loans used to acquire or construct any dwelling unit to be used as a primary residence. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

**Payment of Benefits**

On termination of service due to death, disability or retirement, a participant (or participant's beneficiary in the event of death) may elect to receive an amount equal to the value of the participant's vested account balance in a lump-sum distribution or in monthly installments. For termination of service due to other reasons, a participant may choose to leave the interest in the Plan if such amounts exceed \$5,000 or elect a lump-sum distribution. Participants with amounts less than \$1,000 must elect a lump-sum distribution, and participants with a amount between \$1,000 and \$5,000 may elect to place the vested amount in an IRA provided by the Plan administrator or receive a lump-sum distribution.

Funds may also be accessed prior to the date they become distributable by way of a financial hardship withdrawal. Hardship withdrawals are allowable in accordance with current Internal Revenue Service guidelines.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (GAAP).

**Use of Estimates**

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Payment of Benefits**

Benefits are recorded when paid.

**ADVANCED CONCEPTS ENTERPRISES 401(K) PLAN  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2025 AND 2024**

---

**Investment Valuation and Income Recognition**

Investments are reported at fair value, except for the group annuity contract, which is stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). Contract value represents contributions plus credited interest less participant withdrawals and fees.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

**Contributions**

Contributions from participants and Company-matching contributions are recorded in the period in which the Company makes the deductions from the employees' payroll. Rollover contributions are recorded as Plan contributions during the period in which the funds are received by the Plan.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan is reduced, and a benefit payment is recorded.

**Administrative Expenses**

The Company serves as the administrator for the Plan and has sole responsibility for the administration of the Plan. Those services are provided without charge to the Plan. Fees related to the administration of benefit payments are charged directly to the participant's account. Investment related expenses are calculated based on the net appreciation in fair value of investments as they are paid from the participant's accounts. Administrative expenses for 2025 totaled \$43,597. Other administrative expenses such as accounting and legal fees are paid by the Company, rather than the participants.

**Subsequent Events**

The Plan has evaluated events and transactions that occurred between December 31, 2025, and July 22, 2026, which is the date the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

Supplemental schedule: All investment balances and information are included in the supplemental schedule of assets (held at end of year).

**4. FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurements*, are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**ADVANCED CONCEPTS ENTERPRISES 401(K) PLAN  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2025 AND 2024**

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2025 and 2024:

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2025 and 2024. There were no Level 2 or 3 investments.

Gains and losses (realized and unrealized) included in the statement of changes in net assets available for plan benefits for the year ended December 31, 2025, are reported in net appreciation in fair value of investments.

## **5. GROUP ANNUITY CONTRACT WITH EMPOWER**

The Plan maintains an investment in the Empower Investments Fixed Account (Fixed Account), which is a separate account insured by a general account guarantee to preserve principal and pay a stated rate of return. The general account guarantee protects the separate account from daily fluctuations in the bond market.

As described in Note 2, because the Fixed Account is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for plan benefits attributable to the Fixed Account. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1%. Such interest rates are reviewed on a semiannual basis for resetting.

**ADVANCED CONCEPTS ENTERPRISES 401(K) PLAN  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2025 AND 2024**

---

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2025 and 2024, was \$264,974 and \$123,697, respectively.

Certain events may limit the ability of the Plan to transact at contract value. Such events include the following: amendments to the Plan documents (including complete or partial Plan termination or merger with another plan); changes to Plan's prohibition on competing investment options or deletion of equity wash provisions; bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan; or the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable. The Fixed Account does not permit Empower to terminate the agreement prior to the scheduled maturity date.

## **6. PARTY-IN-INTEREST TRANSACTIONS**

As of December 31, 2025 and 2024, there were certain Plan investments managed by Empower and Principal. As Empower served as the recordkeeper in 2025 and 2024, as defined by the Plan, these transactions qualified as party-in-interest transactions. Notes receivable from participants are also parties-in-interest transactions, which are exempt from the prohibited transaction rules.

## **7. PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will remain fully vested in their accounts in accordance with the terms and provisions of the Plan.

## **8. RISKS AND UNCERTAINTIES**

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

## **9. TAX STATUS**

The Plan has adopted a preapproved plan sponsored by Empower. The IRS has determined and informed Empower by an advisory letter dated June 30, 2020, that the preapproved plan is designed in accordance with applicable sections of the IRC.

**ADVANCED CONCEPTS ENTERPRISES 401(K) PLAN  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2025 AND 2024**

---

The preapproved plan has been amended since receiving the advisory letter; however, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Accordingly, no provision for taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
