INDEPENDENT AUDITOR'S REPORT

To

The Administrative Committee of
Pioneer Homecare, Inc. Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed audit of the financial statements of Pioneer Home Care Inc., Profit sharing plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise of the statements of net assets available for benefits as of July 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2025 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 Pioneer Homecare Inc., Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution for the year ended July 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section—

- the amounts and disclosures in the accompanying 2025 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2025 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pioneer Homecare Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pioneer Homecare Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statement section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Tel: 516.663.5990 Fax: 516.663.5996
www.kkmcpa.com e-mail: brian@kkmcpa.com

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pioneer Homecare Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pioneer Homecare Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of July 31, 2025, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Distributions may be made upon retirement under the Plan, death, disability, termination of employment, or in-service withdrawal events permitted by the Plan. Benefit payments, including direct rollovers, were $271,317 for the year ended July 31, 2025.

Plan Termination

Although the Company has not expressed an intent to terminate the Plan, it has the right under the Plan to discontinue contributions and terminate the Plan, subject to the provisions of ERISA. Upon termination of the Plan, participants would become fully vested in their employer contribution account balances to the extent required by the Plan and applicable law.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting:

The accompanying financial statements of the plan are prepared in compliance with the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA and the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates:

The preparation of financial statements in conformity with GAAP and the DOL's Rules and Regulations for Reporting and Disclosure under ERISA requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition:

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance companies. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end.

An adjustment is made for fully benefit-responsive investment contracts to bring their fair value to the contract value that participants would receive if they were to initiate permitted transactions under the terms of the plan.

Net appreciation or depreciation of investments is reported in the statement of changes in Net assets available for benefits and consists of the realized gains or losses and the unrealized appreciation or depreciation of these investments.

Notes Receivable from Participants:

Notes receivable from participants are valued at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of July 31, 2025.

Payment of Benefits:

Benefits payments to participants are recorded when paid.

Administrative Expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

Administrative expenses of the Plan are paid by the Plan or the Plan Sponsor as provided by the Plan document and applicable service agreements. Administrative expenses paid by the Plan were $9,060 for the year ended July 31, 2025. Certain administrative expenses may be paid directly by the Plan Sponsor and are not reflected in the accompanying financial statements.

Note 3- Fair Value Measurements

Financial Accounting Standards board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1:

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2:

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the assets or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term the asset or liability.

Level 3:

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020.

Mutual funds: Valued at the quoted market prices that represent the net asset value of shares held by the Plan at year end.

Common/ collective funds: Valued at the quoted market prices.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of July 31, 2025:

	Assets at Fair Value as of July 31, 2025			
	Level 1	**Level 2**	**Level 3**	**Total**
Common Collective Trust	5,127,613	43,682	-	5,171,295
Total assets at fair value	**5,127,613**	**43,682**	**-**	**5,171,295**

Note 4 – Investments

The plan's investments are held in trust by the trustee. The plan's trust agreement requires the trustee to invest the plan's assets into various investment fund options as directed by each participant through web portal.

The following presents investments that represent 5 percent or more of the Plan's net assets as of July 31, 2025.

		2025
AMERICAN FUNDS CONSERVATIVE GROWTH AND INC PORTFOLIO CL R-4 - H2	$	4,158,559
AMERICAN FUNDS 2045 TARGET DATE RETIREMENT CLASS R-4 - IL	$	125,967
AMERICAN FUNDS 2030 TARGET DATE RETIREMENT CLASS R-4 - II	$	123,478

The investments held at guaranteed investment accounts are guaranteed fixed income funds with an average yield of 6.98%, for the years ending July 31, 2025. The accounts are credited with interest earnings on the underlying principle balances and charged for participant withdrawals and administrative expenses. There are no reserves against the balance in the funds for credit risk or otherwise.

Note 5. Information Prepared and provided by Trustee and/or Plan Administrator

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL'S Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified as complete and accurate by the Trustee as of July 31, 2025.

		2025
Investments, at fair Value:		
	Mutual Funds	$ 5,127,613
	Other	43,682
		$ 5,171,295

The following information represents investment earnings (losses) for the years ended July 31, 2025.

	2025
Investment appreciated(depreciated) in value	
Interest	$ -
Net increase(decrease) in fair value of investments	$ 391,816
	$ 391,816

Note 6- Related Party Transactions

Certain Plan investments may be managed by or held through service providers to the Plan. The Plan materials reference Ameritas Life Insurance Corp. in connection with rollover and custodial-related processing for Plan #351252. Transactions involving the Plan Sponsor, Plan fiduciaries, the trustee or custodian, the recordkeeper, investment managers, and other service providers may qualify as party-in-interest transactions under ERISA.

The Plan paid administrative expenses of $9,060 for the year ended July 31, 2025. Certain service-provider compensation may be paid directly by the Plan, paid by the Plan Sponsor, paid from participant accounts, or paid indirectly through investment-related fees or revenue-sharing arrangements.

Management has represented that all party-in-interest transactions were exempt from the prohibited transaction rules under ERISA and that there were no nonexempt prohibited transactions during the year ended July 31, 2025.

A party-in-interest transaction under ERISA is not necessarily a related-party transaction under U.S. GAAP. Related-party transactions, if material, are disclosed in accordance with U.S. GAAP.

Note 7 – Concentration of Credit Risk

The Plan invests in various investment securities. Investment securities are exposed to risks, including interest rate risk, credit risk, liquidity risk, and overall market volatility. Due to the level of risk associated with certain investment securities, changes in the values of investment securities could occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the financial statements.

At July 31, 2025, the Plan held $4,158,559 in American Funds Conservative Growth and Income Portfolio CL R-4. This investment represented approximately 80.4% of total investments at fair value and approximately 79.3% of net assets available for benefits at July 31, 2025. Because a significant portion of the Plan's assets is invested in this fund, changes in the value of this fund could have a significant effect on net assets available for benefits.

Participants direct the investment of their account balances and bear the investment risk associated with their selected investment options.

Note 8 – Federal Tax Status

The Plan is intended to qualify under Section 401(a) of the Internal Revenue Code, and the related trust is intended to be exempt from federal income taxes under Section 501(a) of the Internal Revenue Code.

The Plan has received a favorable determination letter from the Internal Revenue Service, which states that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan. Management has analyzed the Plan's tax positions and has concluded that no uncertain tax positions require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
