## **Independent Auditors' Report**

To the Plan Administrator  
Spero Health, Inc. 401K Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of the Spero Health, Inc. 401K Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management has determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental schedule of assets (held at end of year) as of December 31, 2025, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Notes to the Financial Statements

December 31, 2025 and 2024

### (1) Description of plan

The following description of the Spero Health, Inc. 401K Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### (a) General

The Plan is a defined contribution plan established to provide retirement benefits for employees of Spero Health, Inc. (the "Plan Sponsor") and affiliates. The Plan covers substantially all employees who have completed six months of service and are age twenty-one or older ("participants"). Eligible employees can begin participating in the Plan on the first day of each month following when the eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### (b) Contributions

Participants may voluntarily make qualified retirement contributions to the Plan which are deductible for federal income tax purposes under Section 401(k) of the Internal Revenue Code (IRC) or may be made after-tax in the form of a Roth 401(k) contribution. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan Sponsor is required to make a nonelective safe harbor match equal to 100% of each participant's elective deferrals that do not exceed 3% of eligible compensation plus 50% of elective deferrals between 3% and 5% of the participant's eligible compensation.

The Plan also provides that the Plan Sponsor may contribute each year a discretionary profit sharing amount; however, such discretionary contributions by the Plan Sponsor are not required. There were no discretionary profit sharing contributions made by the Plan Sponsor during 2025 or 2024.

Plan Sponsor and participant contributions may not exceed the maximum amount allowable for income tax purposes.

#### (c) Participant accounts

Each participant's account is credited (charged) with the participant's contributions and allocations of the Plan Sponsor contributions, investment earnings (losses) and administrative expenses. Allocations are based on participant compensation or account balances as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**SPERO HEALTH, INC. 401K PLAN**

**Notes to the Financial Statements**

**December 31, 2025 and 2024**

**(d) Vesting**

Participants are immediately vested in their elective salary deferral contributions plus actual earnings (losses) thereon, as well as the Plan Sponsor's safe harbor matching and discretionary profit sharing contributions.

**(e) Payment of benefits**

On termination of service due to death, permanent disability, or retirement, a participant may elect to receive a lump-sum payment equal to his or her entire account balance or a partial distribution thereof. For termination of service due to other reasons and for in-service withdrawals, a participant will be entitled to receive only the vested interest in his or her account as a lump-sum distribution. In-service withdrawals may be made to participants who have not separated service, provided such participants have attained age 59½.

**(f) Administrative expenses**

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the processing of distributions are charged directly to the applicable participants' accounts and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

**(g) Plan termination**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

**(2) Summary of significant accounting policies**

**(a) Basis of accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**(b) Investment valuation and income recognition**

The Plan's investments are stated at fair value or contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Notes 4 and 5 for discussion of investment value measurements.

# **SPERO HEALTH, INC. 401K PLAN**

## **Notes to the Financial Statements**

**December 31, 2025 and 2024**

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**(c) Payment of benefits**

Benefits are recorded when paid.

**(d) Use of estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**(e) Events occurring after reporting date**

The Plan Sponsor has evaluated events and transactions that occurred between December 31, 2025, and July 22, 2026, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

**(3) Certified information**

Information related to the investments disclosed in the accompanying financial statements and supplemental schedule of assets (held at end of year), including the fair (and contract) value of investments held at December 31, 2025 and 2024, and net appreciation in fair value of investments, and interest and dividend income for the years ended December 31, 2025 and 2024, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Voya Retirement Insurance and Annuity Company ("Voya").

## Notes to the Financial Statements

December 31, 2025 and 2024

### (4) Investments measured at net asset value using the practical expedient

The Plan's investments presented at fair value are measured at net asset value ("NAV") as a practical expedient to estimate fair value, and therefore, have not been classified in the fair value hierarchy.

The following table summarizes investments for which the fair value is measured using the NAV practical expedient as of December 31, 2025 and 2024, respectively. There are no participant redemption restrictions for these investments.

| <u>Description</u>          | <u>Fair Value</u><br><u>12/31/2025</u> | <u>Fair Value</u><br><u>12/31/2024</u> | <u>Unfunded</u><br><u>Commitments</u> | <u>Redemption</u><br><u>Frequency (if</u><br><u>Currently Eligible)</u> | <u>Redemption</u><br><u>Notice Period</u> |
|-----------------------------|----------------------------------------|----------------------------------------|---------------------------------------|-------------------------------------------------------------------------|-------------------------------------------|
| Pooled separate<br>accounts | \$10,728,609                           | \$10,209,439                           | N/A                                   | Daily                                                                   | N/A                                       |

The Plan holds various pooled separate accounts that are not direct filing entities. These pooled separate accounts have investment strategies that include: various target date funds, international and sector funds, equity and index funds.

### (5) Investment contracts

As of December 31, 2025 and 2024, the Plan maintained a Guaranteed Investment Contract (GIC) investment option with Voya, the Voya Fixed Account. The contract underlying this investment option is considered to be fully benefit-responsive.

Voya's determination of credited interest rates reflects a number of factors, including mortality and expense risks, interest rate guarantees, the investment income earned on invested assets and the amortization of any capital gains and/or losses realized on the sale of the invested assets. A market value adjustment may apply to amounts withdrawn at the request of the contract holder. The underlying contract has no restrictions on the use of Plan assets, and there are no valuation reserves recorded to adjust contract amounts. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (i) amendments to the Plan documents (including a complete or partial plan merger with another plan); (ii) changes to the Plan's prohibition on competing investment options; or (iii) the failure of the trust to qualify for exemption under ERISA. The plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The Voya Fixed Account does not permit Voya to terminate the agreement prior to the scheduled maturity date.

# SPERO HEALTH, INC. 401K PLAN

## Notes to the Financial Statements

December 31, 2025 and 2024

The Voya investment contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Voya, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

### (6) Income tax status

The Plan Sponsor adopted a pre-approved profit sharing plan, which received a favorable opinion letter from the Internal Revenue Service (IRS) on June 30, 2020, which stated that the pre-approved plan was designed in accordance with the applicable sections of the IRC. The Plan itself has not received a determination letter from the IRS stating that the Plan is qualified under Section 401(a) of the IRC. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and is therefore qualified and exempt from taxation.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### (7) Related-party and party-in-interest transactions

Plan investments include an investment contract and units of pooled separate accounts managed by Voya as of December 31, 2025 and 2024 and, therefore, these transactions qualify as party-in-interest transactions under ERISA. As described in Note 1, the Plan paid expenses to various service providers which also qualify as party-in-interest transactions.

### (8) Risks and uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.
