Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Empire Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Empire Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from the qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Empire Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Empire Retirement Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Retirement Plan Committee
Empire Retirement Savings Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Empire Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Empire Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Retirement Plan Committee
Empire Retirement Savings Plan

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**EMPIRE RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

NOTE 1 DESCRIPTION OF PLAN

The following description of the Empire Retirement Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Summary Plan Description and the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established on January 1, 1985 and has been amended from time to time since that date. The Plan was last amended and restated effective August 1, 2023. The Plan was created for the exclusive benefit of employees of Empire Southwest, LLC (the Company, the Plan Sponsor, or the Employer) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Retirement Plan Committee has oversight of the Plan.

Eligibility

To be eligible for voluntary salary deferral contributions and employer discretionary matching contributions, employees must (a) be at least age 18, (b) be employed at least one month, and (c) be a Plan-eligible employee. An employee can participate in the voluntary salary deferral contributions in the first pay period in which the eligibility period commences.

To be eligible for a portion of any employer discretionary profit sharing contribution, employees must (a) be at least age 18, (b) complete at least one year of service, (c) work at least 1,000 hours during an applicable Plan year, (d) be employed by the Company on the last day of the applicable Plan year and (e) be a Plan-eligible employee.

Effective August 1, 2023, the age requirement was removed from the Plan for the voluntary salary deferral contributions, employer discretionary matching contributions, and the employer discretionary profit sharing contributions.

Contributions

The Plan provides for four types of contributions:

- Participant pretax and Roth voluntary salary deferrals ranging from 1% to 100% of eligible compensation, as defined in the Plan document. The Plan has an automatic deferral feature of 5%, increasing each year by 1% up to a maximum of 10%, unless the participant opts out. The maximum percentage contribution for participant pretax and Roth voluntary salary deferrals is 75%.
- Employer discretionary matching contributions, to be determined, if any, either as a uniform percentage of deferrals or as a flat dollar amount for each participant.
- Employer discretionary profit sharing contributions, as determined by the Company's Board of Directors, are allocated to participants based on gross annual compensation. There were no profit sharing contributions made for the year ended December 31, 2025.
- Rollovers into the Plan from another qualified plan.

**EMPIRE RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Contributions (Continued)

All contributions are subject to certain Internal Revenue Code (IRC) limitations.

The employer discretionary match was 50% of the first 6% of employee deferrals for the year ended December 31, 2025.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, the Company's matching contribution, allocations of Company discretionary profit sharing contributions, and Plan earnings; and charged with withdrawals and an allocation of Plan losses and Plan expenses. Allocations are based on participant earnings or account balances, or participant transactions as defined. The benefit to which a participant is entitled is the total benefit that can be provided from the combined vested amount of these participant accounts.

Investments

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and collective funds as investment options for participants.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at Wall Street Journal's prime rate at the time the note is made, plus two percentage points. A participant may not have more than one note outstanding from the Plan at any time. Principal and interest is paid ratably through payroll deductions.

Vesting

Participants are vested immediately in their contributions plus actual earnings (losses) thereon. Vesting in the Company's contribution portion of their accounts is based on continuous years of service. Participants become 25% vested in their employer discretionary profit sharing contribution accounts and employer discretionary matching contribution accounts after one of service. Vesting increases 25% each year for years two through four. A year of service is earned for any Plan year during which a participant works at least 1,000 hours. All accounts become 100% vested for a participant whose employment with the Company is ended due to death or total disability, or if a participant's employment is ended as part of a Plan termination.

**EMPIRE RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Forfeitures

Forfeitures are the nonvested portion of accounts of participants who have separated from employment with the Company. At December 31, 2025, accumulated discretionary profit sharing contribution account forfeitures were \$-0- and matching contribution account forfeitures were \$651,928. At December 31, 2024, accumulated discretionary profit sharing contribution account forfeitures were \$-0- and matching contribution account forfeitures were \$496,908. The Employer, in its sole discretion, may elect to apply forfeitures arising during a Plan Year either to reduce Employer Contributions and/or Matching Contributions for the immediately succeeding Plan Year, or as an additional allocation to Participants' accounts prior to the application of such forfeitures toward the payment of Plan administrative expenses. During the year ended December 31, 2025, the value of nonvested accounts used to reduce employer contributions was \$515,685.

Payment of Benefits

Generally, participants become eligible for distribution of their accounts upon separation from employment with the Company. If a participant's vested account balance is greater than \$5,000 upon separation, then the account balance will remain in the Plan until the participant directs otherwise. If a participant's vested account balance under the Plan is between \$1,000 and \$5,000 at separation and they do not consent to a distribution of their vested account balance, the vested benefit automatically will be rolled over to an Individual Retirement Account selected by the Plan administrator. Effective April 5, 2024, the \$5,000 threshold was increased to \$7,000. If a participant's total vested benefit is \$1,000 or less upon separation, the entire vested benefit will be distributed to the participant in a lump sum, even if they do not consent to a distribution. Payment of benefits from the Plan will occur as soon as is administratively feasible following separation from employment.

Plan Administration

The Company administers the Plan through a Retirement Plan Committee composed of seven Company employees appointed by the Company's Board of Directors. Through December 7, 2025, Matrix Trust Company served as the Plan's trustee and asset custodian, while OneAmerica Retirement Services, LLC served as the Plan's recordkeeper.

On December 8, 2025, Voya Retirement Insurance and Annuity Company, assumed the roles of trustee, asset custodian, and recordkeeper for the Plan following its acquisition of OneAmerica Retirement Services, LLC.

Merrill Lynch Fiduciary Advisory Services acted as an investment advisor to the Plan during 2025 and 2024.

**EMPIRE RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Administrative Expenses

Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan. In addition, OneAmerica Retirement Services provides the Plan certain accounting and administrative services for which fees are paid directly from the Plan. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expense.

Management fees and operating expenses charged to the Plan, for investments in the mutual funds, are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make a number of estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

**EMPIRE RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

The Plan has evaluated subsequent events through July 22, 2026, the date the financial statements were available to be issued.

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

Matrix Trust Company, the qualified institution of the Plan through December 7, 2025, has supplied the Plan Administrator with a certification as to the completeness and accuracy of investments and notes receivable from participants as of December 31, 2024, and investment income and interest income on notes receivable from participants for the period from January 1, 2025 through December 7, 2025, in the accompanying financial statements.

Voya Institutional Trust Company, the qualified institution of the Plan beginning December 8, 2025, has supplied the Plan Administrator with a certification as to the completeness and accuracy of investments and notes receivable from participants as of December 31, 2025, and investment income and interest income on notes receivable from participants for the period from December 8, 2025 through December 31, 2025, in the accompanying financial statements and ERISA-required supplemental schedule as of December 31, 2025.

NOTE 4 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

**EMPIRE RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds – Valued at the net asset value (NAV) of shares based on the New York Stock Exchange at the close of each day.

Collective Fund – Valued at the NAV of units of the bank collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

2025				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 207,364,979	\$ -	\$ -	\$ 207,364,979
Collective Fund	-	334,805,353	-	334,805,353

Total Investments at Fair Value	<u>\$ 189,818,165</u>	<u>\$ 287,509,927</u>	<u>\$ -</u>	<u>\$ 477,328,092</u>

NOTE 5 PARTY-IN-INTEREST TRANSACTIONS

Matrix Trust Company served as trustee and custodian of the Plan through December 7, 2025, and Voya Retirement Insurance and Annuity Company served as trustee and custodian beginning December 8, 2025. Certain Plan investments are managed by the trustee, and therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return on each fund.

**EMPIRE RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

NOTE 6 PLAN TAX STATUS

The Plan is placing reliance on an opinion letter dated June 30, 2020, received from the Internal Revenue Service (IRS) on the prototype plan indicating that the Plan is qualified under Section 401 of the IRC and is therefore not subject to tax under current income tax law. The prototype Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:

	<u>2025</u>	<u>2024</u>
Net Assets Available for Benefits per Financial Statements	\$ 553,389,119	\$ 487,374,822

Net Asset Available for Benefits per Form 5500	<u><u>\$ 553,351,530</u></u>	<u><u>\$ 487,337,233</u></u>

The following is a reconciliation of the changes in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2025:

Net Increase per Financial Statements	\$ 66,014,297
Less: Current Year Deemed Distributions	<u>-</u>
Net Increase per Form 5500	<u><u>\$ 66,014,297</u></u>

NOTE 8 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participant's employer profit sharing contributions and matching contributions shall become 100% vested and nonforfeitable and participants and each beneficiary shall be entitled to receive any amounts then credited to his/her account, in the manner described in Note 1.

**EMPIRE RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

NOTE 9 RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
