## **Independent Auditors' Report**

To the Retirement Committee of  
Pinnacle Financial Partners, Inc. 401(k) Plan

### ***Opinion***

We have audited the financial statements of Pinnacle Financial Partners, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2025, and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in *the Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

### ***Supplemental Schedule Required by ERISA***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2025 AND 2024**

(1) Plan Description:

The Pinnacle Financial Partners, Inc. 401(k) Plan (the "Plan") was assumed by Pinnacle Financial Partners, Inc., a Georgia corporation ("Pinnacle") on January 1, 2026 pursuant to the terms and conditions of the Agreement and Plan of Merger dated as of July 24, 2025 by and among Pinnacle Financial Partners, Inc., a Tennessee corporation ("Legacy Pinnacle"), Synovus Financial Corp., and Pinnacle, with Pinnacle continuing as the surviving corporation in the business combination transaction (the "Merger"), all as more fully described in Pinnacle's filings with the Securities and Exchange Commission.

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

*General:* The Plan is a defined contribution plan covering all eligible employees of Pinnacle Bank (the "Plan Sponsor") and its subsidiaries who are employed during such plan year and are age twenty-one or older ("participants"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

*Contributions:* Each year, participants may contribute up to 100% of pretax annual eligible compensation up to the maximum amount allowed by the Internal Revenue Service, as defined in the Plan. Participants may also make contributions on an after-tax basis (Roth 401(k)), subject to the same internal revenue code limits when combined with their pretax contributions. Eligible compensation is defined as all income excluding fringe benefit income and income from stock appreciation rights, nonqualified stock options, equity-based compensation and bonuses except for incentive bonuses, unless the participant elects otherwise. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds, collective trust funds and Pinnacle Financial Partners, Inc. common stock.

The Plan Sponsor matches up to 4% of a participant's eligible contribution to the Plan on a per pay period basis. Additionally, the Plan Sponsor may elect to make a discretionary contribution to the Plan. During 2025 and 2024, no discretionary contribution was made to the Plan by the Plan Sponsor. The Plan Sponsor's contributions are invested according to the investment options chosen by the participants.

*Participant Accounts:* Each participant's account is credited (charged) with the participant's and Plan Sponsor's contributions and allocations of investment earnings or losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

*Vesting:* Vesting in participants' and the Plan Sponsor's contributions plus actual earnings or losses thereon is immediate.

*Notes Receivable from Participants:* A participant may receive a loan based on the loan program set forth by the Plan. Active participants may borrow a minimum of \$1,000 up to 50% of the vested portion of their accounts, subject to a \$50,000 maximum. Loans are secured by the applicable participant's account. Loans are repaid through payroll deductions over a maximum of five (5) years, unless the loan is for a primary residence, for which an extended term may be obtained. The loan interest rate, determined monthly, is set at the Prime rate. Current loans bear interest at fixed rates between 3.25% and 8.50% as of December 31, 2025.

*Operating Expenses:* Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and processing of distributions are charged directly to applicable participants' accounts. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments.

**DECEMBER 31, 2025 AND 2024**

*Payment of Benefits:* On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

The Plan permits distributions in the event of a hardship, as defined in the plan agreement. These distributions are taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant is younger than age 59 1/2. Hardship withdrawals are limited to the participant's elective account balance.

*Other:* Plan assets are held in trust by Capital Bank & Trust (the "Trustee").

(2) Summary of Significant Accounting Policies:

*Basis of Accounting:* The financial statements of the Plan are prepared on the accrual basis of accounting.

*Estimates:* The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

*Investment Valuation and Income Recognition:* The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisor and Trustee. The Plan's investments are stated at fair value. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are measured on a trade-date basis. Net change in fair value of investments includes realized gains and losses on investments that were bought and sold during the period as well as unrealized appreciation or depreciation of the investments held at the end of the year. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

*Notes Receivable from Participants:* Notes receivable from participants are recorded at their unpaid principal plus accrued but unpaid interest balances. Related application fees are expensed as they are incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2025 or 2024.

*Payment of Benefits:* Benefits are recorded when paid.

*Subsequent Events:* The Plan Sponsor has evaluated all events or transactions that occurred after December 31, 2025 through the date of the issued financial statements, including the Merger.

(3) Administration of Plan Assets:

The Plan's assets are held by the Trustee of the Plan. Contributions are held and managed by the Trustee, which invests cash received, interest and dividend income, and makes distributions to participants. Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan.

|                              | <u>\$ 629,921,608</u> | <u>\$ 557,239,948</u> |

(5) Related Party and Party-In-Interest Transactions:

At December 31, 2025 and 2024, the Plan held 993,051 and 1,001,201 shares, respectively, of Legacy Pinnacle's common stock. During 2025 and 2024, purchases and other increases of Legacy Pinnacle's common stock by the Plan totaled \$14,381,489 and \$7,462,968, respectively. During 2025 and 2024, sales and other decreases of Legacy Pinnacle's common stock by the Plan totaled \$15,629,083 and \$26,338,983, respectively.

Also, certain Plan investments are shares of mutual funds managed by American Funds. The platform to administer the Plan is operated and maintained by American Funds and, therefore, the transactions qualify as party-in-interest transactions. The Plan paid expenses to service providers and holds notes receivable from participants which also qualify as party-in-interest transactions.

(6) Fair Value of Financial Instruments:

Financial Accounting Standard Board Accounting Standards Codification (ASC) 820-10 defines fair value as the exchange price that would be received on the measurement date to sell an asset or the price paid to transfer a liability in the principal or most advantageous market available to the entity in an orderly transaction between market participants. ASC 820-10 also establishes a three level fair value hierarchy that describes the inputs that are used to measure assets and liabilities as follows:

Level 1

Level 1 asset and liability fair values are based on quoted prices in active markets for identical assets and liabilities. The Plan holds mutual funds and common stock with total fair value at December 31, 2025 and 2024 of \$617,643,289 and \$550,640,062, respectively, which are measured as Level 1 assets.

Level 2

Level 2 asset and liability fair values are based on observable inputs that include: quoted market prices for similar assets or liabilities; quoted market prices that are not in an active market; or other inputs that are observable in the market and can be corroborated by observable market data for substantially the full term of the assets or liabilities. The Plan has no Level 2 assets at December 31, 2025 and 2024.

Level 3

Level 3 assets and liabilities are financial instruments whose value is calculated by the use of pricing models and/or discounted cash flow methodologies, as well as financial instruments for which the determination of fair value requires significant management judgment or estimation. These methodologies may result in a significant portion of the fair value being derived from unobservable data. The Plan has no Level 3 assets at December 31, 2025 and 2024.

**PINNACLE FINANCIAL PARTNERS, INC. 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2025 AND 2024**

For investments, if available, quoted market prices are used to value investments. Many factors are considered in arriving at fair value. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan. Common stock is valued at quoted market prices which approximate fair value. Collective trust funds are valued using the net asset value provided by the administrator of the fund as a practical expedient to estimate fair value and, therefore, are not categorized into the fair value hierarchy. The collective trust funds provide for daily redemptions by the Plan at reported net asset value per share, with no advance notice requirement. At December 31, 2025 and 2024, the Plan held collective trust funds whose net asset value was \$12,278,319 and \$6,599,886, respectively. There have been no changes in methodologies used at December 31, 2025 and 2024.

**(7) Tax Status:**

The "Basic Plan Document" was developed by the Plan's Trustee and submitted to the Internal Revenue Service (IRS) for qualifications as a "pre-approved" plan. In its letter dated June 30, 2020, the IRS opined that the form of this pre-approved plan is acceptable under Internal Revenue Code Section 401(k) for use by employers for the benefit of their employees. Although a determination letter has not been requested specifically for this Plan, the Plan's Trustee believes that the Plan, as amended, is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, it believes that the Plan is qualified and the related trust is tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**(8) Plan Termination:**

The Plan Sponsor reserves the right to terminate the Plan at any time, subject to the provisions of ERISA. Upon such termination of the Plan, the interest of each participant in the Plan will be distributed to such participant or his or her beneficiary at the time prescribed by the Plan terms and the Internal Revenue Code. Upon termination of the Plan, the Trustee shall pay all liabilities and expenses of the Plan.

**(9) Risks and Uncertainties:**

The Plan provides for various investment options in several investment securities and instruments. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks and values in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

**(10) Concentration:**

At December 31, 2025 and 2024, approximately 15.0% and 20.6%, respectively, of Plan assets were invested in Legacy Pinnacle's common stock. A significant change in the stock price would have a significant effect on the financial statements.
