## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of  
Quirch Foods 401(k) Plan  
Coral Gables, Florida

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the accompanying financial statements of Quirch Foods 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Quirch Foods 401(k) Plan's financial statements be performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the investment information is prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

**TF** 866/529.0708

**WALLTITUS.COM**

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Quirch Foods 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Quirch Foods 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the 2025 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Quirch Foods 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Quirch Foods 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Ours audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedule Required by ERISA**

The 2025 supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **QUIRCH FOODS 401(K) PLAN NOTES TO FINANCIAL STATEMENTS**

### **NOTE 1 - DESCRIPTION OF PLAN**

The following brief description of the Quirch Foods 401(K) Plan (the “Plan”) provides only general information. Reference to the Plan agreement should be made for a more complete description of the Plan’s provisions.

**General** - The Plan is a defined contribution plan covering substantially all employees of Quirch Foods, LLC (the “Employer” and “Plan Administrator”) who are full-time employees, completed two months of service, and are 18 or older. The effective date of the Plan is January 1, 1998.

Empower Retirement Services is the custodian and recordkeeper for the Plan.

**Participant Accounts** - Participants may direct the investment of their contributions into various investment options offered by the Plan. A full-time employee who has reached the age of eighteen years and has completed two months of service has met the eligibility requirements and may enter the Plan on the first day of the third month coinciding with or following the completion of eligibility requirements. Each participant’s account is credited with the participant’s contribution and an allocation of (a) the Employer’s contribution and (b) Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**Contributions** - Contributions to the Plan are made by the participants and the Employer. A participant may elect to defer a percentage of his pre-tax compensation, not to exceed the maximum contribution limits specified by ERISA. Participants may designate a portion or all of their deferral contribution as a Roth 401(k) contribution. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants also may contribute amounts representing distributions from other eligible retirement plans (rollover contributions). The Employer may make a matching contribution equal to a discretionary percentage of the participant’s salary reductions. Effective January 1, 2024, the Company no longer provided the automatic employer match but will provide a discretionary match as warranted. There were \$716,531 discretionary amounts contributed to the Plan in 2025.

**Payment of Benefits** - A participant is eligible to receive a distribution of their vested account balance under the following circumstances: (a) retirement, (b) termination of employment, (c) disability, or (d) death. A participant also is eligible for in-service withdrawals. Types of in-service withdrawals available under the Plan are withdrawals after attaining 59½ years of age and hardship withdrawals. Upon termination of service, a participant may request to receive a lump-sum amount equal to the vested percentage of his or her account. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Employer’s contribution portion of their accounts plus actual earnings thereon is based on the accumulated years of vesting service.

**QUIRCH FOODS 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS**

**NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)**

***Vesting*** - Participants are immediately vested in their voluntary contributions plus actual earnings thereon and shall not be subject to forfeiture for any reason. Vesting in the discretionary Employer matching contribution is based on years of service in accordance with the following:

| <u>Years of Service</u> | <u>Vested Percentage</u> |
|-------------------------|--------------------------|
| Less than 2 Years       | 0%                       |
| 2 Years but Less than 3 | 20%                      |
| 3 Years but Less than 4 | 40%                      |
| 4 Years but Less than 5 | 60%                      |
| 5 Years but Less than 6 | 80%                      |
| 6 Years or more         | 100%                     |

Notwithstanding the above, a participant shall become fully vested upon his normal retirement date, upon his date of death, or upon the date of his total or permanent disability.

***Excess Contributions Payable*** - Excess contributions are required to be made to certain active participants to return excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the plan. There were no excess contributions payable at December 31, 2025 or 2024.

***Forfeitures*** - Forfeitures are first used to pay the Plan's administrative expenses. Any remaining forfeitures are used to reduce Employer matching contributions. Forfeitures amounted to \$59,622 and \$28,530 for years ending December 31, 2025 and 2024, respectively. Forfeiture balances were \$115,421 and \$87,453 as of December 31, 2025 and 2024, respectively.

***Notes Receivable from Participants*** - Participants may borrow from the Plan an aggregate amount not to exceed the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years, except in the case of a loan for the purchase of a primary residence, which shall be determined by the Employer. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate. As of December 31, 2025, participant loans have maturities through October 2051 at interest rates of 4.25% through 9.5%. Principal and interest is paid ratably through monthly payroll deductions.

***Basis of Accounting*** - The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of American ("U.S. GAAP").

***Administrative Expenses*** - For the year ended December 31, 2025, substantially all administrative expenses were paid by the Plan. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments. Administrative expenses paid by the Plan for the year ended December 31, 2025 related to Empower Retirement Services contract administration fees, third party administrator service fees and investment advisory fees were \$247,348.

**NOTES TO FINANCIAL STATEMENTS**

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Payment of Benefits*** - Benefits are recorded when paid.

***Use of Estimates*** - The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

***Investment Valuation and Income Recognition*** - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

***Investment Management Fees*** - Investment management fees charged to the Plan for investments in the various funds are deducted from income earned and are reflected as a component of net appreciation in fair value of investments.

***Tax Status*** - The Plan adopted a Volume Submitter Profit Sharing Plan with a cash or deferral arrangement developed by The Pension Studio effective October 1, 2009, which obtained a favorable Internal Revenue Service ("IRS") opinion letter on March 31, 2014 in which the IRS stated that the form of the underlying volume submitter plan was acceptable under provisions of the Internal Revenue Code ("Code") and that any employer adopting this form of the Plan will be considered to have a plan qualified under the Code. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt. No provision for income tax has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

***Notes Receivable from Participants*** - Notes receivable from participants are reported at their unpaid balance, plus any accrued but unpaid interest, with no allowance for credit losses as repayments of principal and interest are received primarily through payroll deductions and notes are collateralized by the participants' account balances. Delinquent notes receivable from participants are recorded as distributions based on terms of the Plan document.

***Subsequent Events*** - The Plan evaluated subsequent events through July 24, 2026, the date these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

**NOTE 3 - PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS**

Parties-in-interest are defined under Department of Labor (“DOL”) Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer and certain others. Certain Plan investments at December 31, 2025 are shares of mutual funds or insurance contracts managed or sponsored by Empower Retirement Services, who is the custodian and recordkeeper of the Plan. Therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid for investment management services were included a reduction of the return earned on each fund. Certain officers and employees of the Company, who may be participants in the Plan, perform administrative and other duties for the Plan at no cost to the Plan. The Plan issues notes receivable to participants, which are secured by the vested balances in the participants’ accounts. Notes receivable from participants also qualify as exempt party-in-interest transactions.

**NOTE 4 - INFORMATION PREPARED AND CERTIFIED BY CUSTODIANS**

Accordingly, the custodian of the Plan, Empower Retirement Services, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as of December 31:

### **NOTE 5 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

### **NOTE 6 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

If the Plan is terminated, the participants will be entitled to their entire account balance. Whether all participants receive their benefits, should the Plan terminate at some future time, will depend on the sufficiency, at that time, of the Plan's net assets to provide those benefits.

### **NOTE 7 - FAIR VALUE MEASUREMENTS**

The Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, provides the framework which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include:
  - quoted prices for similar assets or liabilities in active markets;
  - quoted prices for identical or similar assets or liabilities in inactive markets;
  - inputs other than quoted prices that are observable for the asset or liability;
  - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

**NOTE 7 - FAIR VALUE MEASUREMENTS (CONTINUED)**

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 30, 2025 and 2024.

*Mutual funds:* Investments in mutual funds are valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Insurance contracts:* The investment in insurance contracts is valued daily based on the valuation method disclosed in the associated fixed annuity contracts, as calculated by the annuity provider.

Investments measured at fair value on a recurring basis are summarized below:
