# Independent Auditor's Report

To,  
The Participants and the Plan Administrator,  
Cipla USA 401(k) Plan

## Scope and nature of the ERISA Section 103(a)(3)(C) audit

We have performed audits of the accompanying financial statements of Cipla USA 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025, and December 31, 2024, and the related statements of changes in net assets available for benefits for the years ended December 31, 2025, and December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by banks or similar institutions or insurance carriers that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by banks or similar institutions or insurance carriers in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025, and December 31, 2024, and for the years ended December 31, 2025, and December 31, 2024, stating that the certified investment information, as described in note 4 to the financial statements, is complete and accurate.

## Opinion

In our opinion, based on our audits and on the procedures performed as described in the auditor's responsibilities for the audit of the financial statements section —

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the auditor's responsibilities for the audits of the financial statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of management for the financial statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events considered in the aggregate that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's responsibilities for the audit of the financial statements**

Except as described in the scope and nature of the ERISA Section 103(a)(3)(C) audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting

principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other matters- Supplemental schedules required by ERISA.**

The supplemental schedules of Schedule H, Part IV, Line 4i – Schedule of assets held as of December 31, 2025, and Schedule H, Part IV, Line 4a – Schedule of delinquent participant contributions for the year ended December 31, 2025, (under supplemental information), are presented for purposes of additional analysis and not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# Cipla USA 401(k) Plan

## Notes to Financial Statements

### 1. Description of Plan

The following description of the Cipla USA 401(k) Plan (the "Plan") sponsored by Cipla USA ("the Company/ Plan Sponsor/Employer") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### *General*

The Plan is a defined contribution plan. The Plan is a safe harbor plan under Section 401(k)(12) of the Internal Revenue Code ("IRC") and is also subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan became effective on January 01, 2013.

In 2016, Cipla (EU) Limited, a wholly owned subsidiary of Cipla Ltd., acquired Invagen Pharmaceuticals and Exelan Pharmaceuticals, Inc. On January 1, 2017, Invagen Pharmaceuticals, Inc. (hereinafter referred to as "predecessor Plan") was merged into the Cipla USA 401(k) Plan and became an adopting employer. Pursuant to that Plan merger, the assets of the Invagen Plan were fully transferred to the trust for the Plan as of January 5, 2017. Cipla Technologies LLC and Exelan Pharmaceuticals, Inc., wholly owned subsidiaries of Cipla Group, became participating employers effective April 01, 2018. Cipla Therapeutics, a wholly owned subsidiary of Cipla Group, became a participating employer effective July 09, 2021. Effective July 1, 2023, Aspergen Inc. also became a participating employer of the Plan.

#### *Eligibility*

Employees of the Company are permitted to enter the Plan on the date a participant attains the age of 21. The Plan excludes employees covered under collective bargained agreement, leased employees, and nonresident alien employees with no US income.

#### *Contributions*

Participants may contribute an amount equal to a dollar amount or a percentage of the participant's compensation not to exceed certain IRC limitations. Participants who have attained age 50 as of the end of the Plan year are eligible to make catch-up contributions. Effective January 1, 2025, pursuant to provisions of the SECURE 2.0 Act of 2022 and the Plan amendment adopted by the Plan Sponsor, participants ages 60 through 63 may make enhanced catch-up contributions subject to applicable IRS limits. For the 2025 plan year, the enhanced catch-up contribution limit was \$11,250. In no event may participant elective deferrals exceed any statutory limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company provides an enhanced safe harbor match once a participant has met the eligibility requirements.

## Cipla USA 401(k) Plan

### Notes to Financial Statements

The Company matches 100% of the participants' elective deferrals up to 5% of gross compensation, as defined in the Plan document. Participant and employer contributions are accrued in the period in which the related payroll is deducted or earned in accordance with the Plan's terms.

#### *Participant accounts*

Participants direct the investment of participant and employer contributions. Each participant's account is credited with the participant's contributions, employer contributions and an allocation of the Plan's earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### *Administration*

The Company established the Cipla USA 401(k) Plan Committee and appointed members to serve as the Plan Administrator. The Plan Administrator has the responsibility to administer the Plan for the exclusive benefit of the participants and their beneficiaries. These duties include, but are not limited to, establishing procedures, maintaining records, interpreting provisions of the Plan, and making determinations regarding questions that may affect eligibility for benefits. For the year ended December 31, 2025, and December 31, 2024, the Plan Administrator engaged Empower Annuity Insurance Company of America (Empower) as a record-keeper to assist in the administration of the Plan.

Empower Trust Company, LLC served as the Plan trustee for the year ended December 31, 2025, and December 31, 2024. All amounts contributed to the Plan are held by the Plan trustee in a qualified trust ("the Trust"). The trustee is responsible for the safekeeping of the trust funds and need to fulfill all trustee duties in a prudent manner and in the best interest of the beneficiaries. The Trust established on behalf of the Plan is the funding medium used for the accumulation of assets from which Plan benefits are distributed.

Planned Retirement Consultants & Administrators ("PRCA") serves as a third-party Plan Administrator appointed by the Company. Additionally, Pace Fiduciary Services, LLC ("PACE") has been engaged to perform designated Plan administrator services as a 3(16) fiduciary.

#### *Vesting*

Participants are vested immediately in their contributions and the Company's contributions plus actual earnings thereon.

## Cipla USA 401(k) Plan

### Notes to Financial Statements

#### *Investment Options*

Participants are required to make participant-directed allocations of their contributions among various investment options offered by the Plan.

#### *Notes receivable from participants*

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined annually, is set at 1 percent above the prime rate, as defined. Interest rates on outstanding loan balances range from 4.25% to 9.50%. Principal and interest are paid ratably through payroll deductions. Terms range up to five years or greater for the purchase of a primary residence. Delinquent loans are treated as deemed distributions.

#### *Payment of benefits*

In-service withdrawals of all or a portion of a participant's vested account balance may be made by a participant after reaching age fifty-nine and a half. Upon normal retirement at age sixty-five, disability, or death, the participant or beneficiary may receive the value of the account as set forth in the Plan document.

Participants withdrawing from the Plan due to termination of employment, other than due to retirement, disability, or death, may receive the value of their vested account by transfer to another qualified plan or individual retirement account or as set forth in the Plan document.

Distributions from the Plan will normally be subject to income taxes and, in certain circumstances, may also be subject to Internal Revenue Service ("IRS") penalties, unless the distributions are transferred to another qualified plan or individual retirement account.

When the participants reach age 73 and separate from service, they have to begin taking a portion of their balance out of the Plan each year. The participant, who is a five percent owner of the employer, needs to begin taking payments at age 73, even if still employed.

#### *Hardship withdrawals*

Participants may take hardship withdrawals in accordance with the Plan provisions.

## Notes to Financial Statements

### *Forfeitures*

Participants who terminate employment before they are fully vested forfeit all rights to any non-vested portion of their account. Forfeitures account balances are first used to pay allowable Plan administrative expenses and then to reduce employer contributions in accordance with the Plan document. At December 31, 2025, and December 31, 2024, forfeited accounts totaled \$1,986 and \$1,904, respectively which includes adjustments for earnings and losses, amounting to \$159 and \$589 for the years ended December 31, 2025, and December 31, 2024, respectively. Forfeitures of terminated employees' accounts totaled \$2, during the year ended December 31, 2025, and \$1,399 during the year ended December 31, 2024. During December 31, 2025, and December 31, 2024, \$79 and \$ 20,847 were utilized for Plan expenses.

## **2. Summary of Accounting Policies**

### *Basis of Accounting*

The financial statements of the Plan are prepared on the accrual basis of accounting.

### *Use of Estimates*

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### *Plan termination*

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of any Plan termination, Plan assets will be distributed in accordance with the Plan document.

### *Investment Valuation and Income Recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation in the fair value of investments, which consist of realized gains and losses, and the unrealized gains and losses on investments held. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the

## Cipla USA 401(k) Plan

### Notes to Financial Statements

accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred.

#### *Payment of Benefits*

Benefits are recorded when paid.

#### *Expenses*

Investment management fees, fund operating expenses, and certain transaction costs are netted within investment income in the statements of changes in net assets available for benefits. Other administrative expenses of the Plan are paid by the Plan, except for certain expenses paid directly by the Plan sponsor at its discretion, which are not reflected in the accompanying financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

#### *Contributions*

Participant contributions are recorded in the period in which the related amounts are withheld from participants' compensation. Employer contributions are recorded in the period in which they are earned in accordance with the terms of the Plan. Contributions due to the Plan at year-end are reported as contributions receivable.

#### *Recent Regulatory Update*

Effective July 1, 2026, the Plan was amended to incorporate applicable provisions of the SECURE 2.0 Act of 2022, the Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE Act"), the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"), and related regulatory guidance. These legislative changes affect certain Plan provisions and administrative requirements. The application of SECURE 2.0 Act did not have a material effect on the Plan's financial statements.

Cipla USA 401(k) Plan  
Notes to Financial Statements

*Subsequent Events*

The Plan evaluated all events and transactions that occurred after December 31, 2025, through the date the financial statements were available to be issued. Based on the evaluation, the Plan states that the delinquent participant contributions identified during Plan year 2025 were corrected in Plan year 2026 as per note 9.

**3. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments as at December 31, 2025, and December 31, 2024, may not necessarily be indicative of amounts that could be realized in a current market exchange.

**4. Information Certified by Trustee**

## 6. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board's ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, are described as follows:

# Cipla USA 401(k) Plan

## Notes to Financial Statements

Level 1 - Inputs to the valuation technique are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation technique include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation technique are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used at December 31, 2025, and December 31, 2024.

*Money Market and mutual funds:* Valued at the daily closing price as reported by the fund. Money market and mutual funds held by the Plan are open-end mutual funds that are registered with the U.S Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The money market and mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025, and December 31, 2024:

**8. Tax Status**

The Plan adopted a pre-approved plan offered by FIS Business Systems LLC. The pre-approved plan received an IRS Opinion Letter dated June 30, 2020, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the IRS Opinion Letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore believes that the Plan is qualified, and the related trust is tax exempt.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**9. Delinquent Participant Contributions**

Due to unintentional delays, the Company deposited payroll withholdings, including loan repayments, outside of the time frame deemed to be in compliance with DOL regulations for timely remittances. The Company corrected Plan years 2025, 2024, 2023 and 2022 delinquent contributions by calculating and remitting lost

The Plan did not engage in any other non-exempt transactions during the years presented.

### 10. Party-in-Interest Transaction

Empower Trust Company, LLC serves as the Plan's trustee, and Empower Annuity Insurance Company of America serves as the Plan's recordkeeper. These entities perform services for the Plan and manage or maintain certain Plan investments for which fees are paid directly or indirectly by the Plan. In addition to this the Company provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged. Party-in-interest transactions also include loans made to participants. Investment management and fund operating expenses were paid through the funds and are included net within investment income; other plan administrative expenses are presented separately.

Such transactions, while considered party-in-interest transactions under ERISA, are specifically exempt from the prohibition of party-in-interest transactions under ERISA.
