Plan Administrator
C.A. Curtze Company Employees Growth Profile Retirement Plan
Erie, Pennsylvania

We have audited the financial statements of the C.A. Curtze Company Employees Growth Profile Retirement Plan (the "Plan"), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit") for the year ended December 31, 2023, and have issued our report thereon dated September 6, 2024. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated April 30, 2024. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note B to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2023. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

Management's estimate of the fair values of investment securities and the related investment income is based on the valuation methods described within the notes to the financial statements. We evaluated the methods, assumptions, and data used to develop the estimate in determining that it is reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Areas in which adjustments were proposed include:

Proposed Audit Adjustments Recorded

- None

Proposed Audit Adjustments Not Recorded

- None

Management Representations

We have requested certain representations from management that are included in the attached management representation letter.

Supplementary Information

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

OTHER MATTERS

Although not considered material weaknesses or significant deficiencies in internal control over financial reporting, we observed the following matters and offer these comments and suggestions with respect to matters, which came to our attention during the course of the audit of the financial statements. Our audit procedures are designed primarily to enable us to form an opinion on the financial statements and, therefore, may not bring to light all weaknesses in policies and procedures that may exist. However, these matters are offered as constructive suggestions for the consideration of management as part of the ongoing process of modifying and improving financial and administrative practices and procedures. We can discuss these matters further at your convenience and may provide implementation assistance for changes or improvements.

Documentation of Discretionary Profit-Sharing Contribution

Per the Plan adoption agreement, the employer profit-sharing provision of the Plan is determined on a discretionary basis. We recommend as a best practice management prepare documentation that affirmatively provides the approval for the annual profit-sharing contribution percentage or amount. If the Plan is not planning to provide profit-sharing contributions in the foreseeable future, management could instead consider retaining support that indicates the profit-sharing percentage will be zero until further action is taken.

Required Minimum Distributions for Lost Participants

According to IRS guidelines on Required Minimum Distributions (RMDs), participants who reach age 72 by the end of the Plan year and are no longer employed by the Company must receive a required minimum distribution. MPB noted two participants who met the age and termination criteria who should have received a required minimum distribution during the Plan year but were noted by Fidelity as lost participants, so Fidelity was unable to distribute the required amounts to the participants. We recommend management continue their efforts with Fidelity to locate these lost participants and document the efforts taken to do so.

Setting Every Community Up for Retirement Enhancement Act (SECURE Act)

We communicated in previous engagements the significant provisions of the SECURE Act. Some of these provisions were adopted by the Plan before a formal Plan amendment was required. We encourage you to start discussions and planning now with your third-party administrators that maintain your prototype plan to ensure the Plan is operating in accordance with the legislation, and any needed Plan amendments are adopted in a timely fashion. The IRS has issued Notice 2022-33 that extended the deadline to adopt the applicable amendments until December 31, 2025.

SECURE Act 2.0

In December 2022, the President signed into law the Consolidated Appropriations Act, 2023 (CAA, 2023), which incorporated certain retirement plan provisions known as the SECURE 2.0 Act of 2022. This legislation builds on many of the reforms made to retirement plans by the Setting Every Community Up for Retirement Enhancement Act (SECURE Act) during 2019. These new regulations include wide-ranging requirements on the administration of retirement plans, some which are optional and others that are mandatory. There are several different effective dates within the SECURE 2.0 Act, and some of the provisions can be implemented immediately. In most cases, your Plan Document will need to be amended to comply with this legislation, but some provisions may need adopted by the Plan before a formal amendment is required. Further guidance is needed from the Internal Revenue Service and Department of Labor to expand on the implementation for several of these requirements and plan design options. We encourage you to start discussions and planning now with the service providers that either assist in maintaining the Plan Document or administering the Plan.

This representation letter is provided in connection with your audit of the financial statements and supplemental schedule of the C.A. Curtze Company Employees Growth Profile Retirement Plan ("the Plan"), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the disclosures (collectively, the "financial statements"), for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States (U.S. GAAP), and whether the supplemental schedule is fairly stated in all material respects in relation to the financial statements as a whole.

As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the *Employee Retirement Income Security Act of 1974* (ERISA), we have elected for you to not perform any auditing procedures with respect to information prepared and certified to by Fidelity Management Trust Company, the trustee, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedule. We understand that the form and content of the information in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered to be material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the C.A. Curtze Company Employees Growth Profile Retirement Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of C.A. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investments of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the C.A. Curtze Company Employees Growth Profile Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the C.A. Curtze Company Employees Growth Profile Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the C.A. Curtze Company Employees Growth Profile Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the C.A. Curtze Company Employees Growth Profile Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule identified in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such

information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

NOTE A DESCRIPTION OF THE PLAN

General

The following description of the C.A. Curtze Company Employees Growth Profile Retirement Plan (Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan sponsored by C.A. Curtze Company (Company) for the benefit of its employees. Prior to April 6, 2023, employees that were part-time, seasonal, or covered by a collective bargaining agreement, with exception of General Teamsters Local Union No. 397, were excluded from participating in the Plan. Participants are immediately eligible to participate in the Plan upon hire and must complete one year of eligibility service to receive Company employer matching or profit-sharing contributions. Related employers who also participate in the Plan include Midwest Kitchens, LLC. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Fidelity Management Trust Company (Fidelity) is the trustee of the Plan and serves as Plan custodian.

Contributions

The Plan permits eligible employees through a salary deferral election to have the Company make annual contributions of up to 75 percent of their eligible compensation. Employee rollover contributions are also permitted. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions, and their annual contribution limit is increased to 100 percent of eligible compensation. Company matching contributions are discretionary as determined by the Company's Board of Directors. For the years ended December 31, 2023 and 2022, the Company's matching contribution was 100 percent of the employee's deferral to an annual maximum of \$210, plus an additional matching contribution of the lesser of 30 percent of the employee's deferral or 1.5 percent of eligible compensation, plus an additional contribution of \$3.50 per pay if the employee's deferral percentage is greater than 5 percent. Company profit-sharing contributions are discretionary as determined by the Company's Board of Directors. Contributions are subject to certain limitations.

Participant Investment Account Options

Each participant has the option of directing their contributions into any of the various investment options offered by the Plan and may change the allocation daily.

The Plan Document also includes an automatic deferral feature whereby a participant is treated as electing to defer a certain percentage of eligible compensation unless the participant made an affirmative election otherwise.

C.A. CURTZE COMPANY

EMPLOYEES GROWTH PROFILE RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contributions, and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. Expenses related directly to participants' individual activity is charged to the participant account, as well as an allocated portion of investment fees included in net appreciation. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions and Company profit-sharing contributions plus earnings thereon. Vesting in the Company's matching contribution portion of their accounts plus earnings thereon is based on years of continuous service. A participant is fully vested after three years of continuous service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined quarterly, is set at 1 percent above the prime rate, as defined. Principal and interest is paid ratably through bi-weekly payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant may elect to receive a lump-sum amount equal to the value of the vested interest in their account.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$401 and \$1, respectively. These accounts will be used to reduce future employer contributions or pay administrative expenses. Also, in 2023 and 2022, administrative expenses of \$0 and \$1,031, respectively, were paid from forfeited non-vested accounts, and employer contributions were reduced by \$18,877 and \$28,413, respectively, from forfeited non-vested accounts.

NOTE B SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

C.A. CURTZE COMPANY
EMPLOYEES GROWTH PROFILE RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets, changes in net assets and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Quoted market prices, if available, are used to value investments. Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year end. The Plan's interest in the collective trust is valued at the NAV of units of the collective trust. The NAV for the collective trust is used as a practical expedient to estimate fair value of the collective trust investment.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion.

NOTE C CERTIFICATION OF PLAN TRUSTEE

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the trustee of the Plan, has certified the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Investment income and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022.
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at end of year) as of December 31, 2023.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE D RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association or relatives of such persons.

Certain Plan investments are shares of a money market fund or mutual funds managed by Fidelity Investments. Fidelity Management Trust Company (Fidelity) is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. The Company pays directly certain other fees related to the Plan's operations.

The Plan paid \$14,159 and \$11,382 of recordkeeping fees to Fidelity during the years ended December 31, 2023 and 2022, respectively. Individually nonmaterial other expenses paid to parties in interest aggregated \$10,383 and \$6,159 during the years ended December 31, 2023 and 2022, respectively. The Company provides certain administrative services at no cost to the Plan.

NOTE E PLAN AMENDMENTS

Effective February 1, 2022, the Plan was amended and restated with the adoption of a non-standardized defined contribution adoption agreement. The restatement was intended to comply with recent regulatory requirements but resulted in no significant changes to the Plan provisions.

On September 29, 2022, the Plan was retroactively amended effective January 1, 2020 to incorporate the following provisions of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) that had been previously operationally adopted:

- Allowed qualified individuals to take coronavirus-related distributions up to \$100,000 from their vested account balance beginning on or after January 1, 2020 and before December 31, 2020. This provision also allowed the qualified individuals to repay this amount any time over a three-year period.
- Allowed qualified individuals to delay loan repayments for existing outstanding loans.

Effective April 6, 2023, the Plan was amended to merge the Specialty Steak Service Retirement Plan into the Plan. This merger resulted in a transfer of \$2,745,629 of assets from the Specialty Steak Service Retirement Plan into the Plan during 2023. This amendment also removed the exclusion of part-time employees, seasonal employees, and those covered by a collective bargaining agreement, with exception of General Teamsters Local Union No. 397, from participating in the Plan.

Effective November 3, 2023, the Plan was amended to allow participants the ability to make Roth elective deferrals that are includable in their gross income at the time deferred. This amendment also removed the restriction that rollover contributions of after-tax employee contributions from other qualified retirement plans would not be allowed.

NOTE F DISCLOSURES ABOUT FAIR VALUE OF PLAN ASSETS AND LIABILITIES

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. The hierarchy comprises three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities

C.A. CURTZE COMPANY
EMPLOYEES GROWTH PROFILE RETIREMENT PLAN

Recurring Measurements

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2023 and 2022:

		Fair Value Measurements Using		
	Fair Value	Level 1	Level 2	Level 3
December 31, 2023				
Money Market	\$ 1,558,036	\$ 1,558,036	\$ -	\$ -
Mutual Funds	30,222,465	30,222,465	-	-
Total Assets in the Fair Value Hierarchy	31,780,501	\$ 31,780,501	\$ -	\$ -
Investment Measured at Net Asset Value (a)	1,173,204			
Investments at Fair Value	\$ 32,953,705			
		Fair Value Measurements Using

Total Assets in the Fair Value Hierarchy	24,049,833	\$ 24,049,833	\$ -	\$ -
Investment Measured at Net Asset Value (a)	1,110,793			
Investments at Fair Value	\$ 25,160,626			

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in valuation techniques during the years ended December 31, 2023 and 2022. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy.

Investment Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

		December 31, 2023		
		Fair Value	Unfunded Commitments	Redemption Frequency
				Redemption Notice Period
Galliard Stable Return Fund	\$ 1,173,204	N/A	Daily	None
		December 31, 2022		
		Fair Value	Unfunded Commitments	Redemption Frequency
				Redemption Notice Period
Galliard Stable Return Fund	\$ 1,110,793	N/A	Daily	None

NOTE G TRANSFER OF PLAN ASSETS

On August 7, 2022, an employee's employment status changed, which made him no longer eligible to participate in the C.A. Curtze Employees Growth Profile Retirement Plan. This employee's entire account balance of \$586 was transferred to the Specialty Steak Service Retirement Plan during the year ended December 31, 2022, and is included as a transfer out on the statement of changes in net assets available for benefits.

On April 6, 2023, the Specialty Steak Service Retirement Plan merged with C.A. Curtze Employees Growth Profile Retirement Plan. This merger resulted in a transfer of \$2,745,629 into the Plan during the year, and is included as a transfer in on the statement of changes in net assets available for benefits.

NOTE H PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE I TAX STATUS

The Plan operates under an adoption agreement in connection with a pre-approved plan document sponsored by FMR, LLC. This pre-approved plan document has been filed with the appropriate agency. The Plan has not obtained or requested a determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

NOTE K RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events, which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE L SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 6, 2024, which is the date the financial statements were available to be issued.

Plan Amendment

Effective August 2024, the Plan was amended to modify the following provisions:

- The Plan will now accept rollovers of designated Roth contributions from other qualified retirement plans.
- In-plan Roth rollover contributions are now permitted allowing participants or their beneficiaries to have otherwise distributable portion of their account be considered designated Roth contributions.
- In-plan Roth conversions are now permitted allowing participants still employed to have portions of their account (from all contribution sources) not currently distributable be considered designated Roth contributions.
- Added provision for partial withdrawals by allowing terminated employees to withdraw any portion of their vested account balance in a lump sum.
