Plan Management and Plan Participants
SpartanNash Company Savings Plus Plan
for Union Associates
850 76th Street
Byron Center, Michigan 49315

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the ***SpartanNash Company Savings Plus Plan for Union Associates*** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements (the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Independent Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Independent Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Independent Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an independent auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The December 31, 2025 supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SpartanNash Company
Savings Plus Plan for Union Associates

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following description of the ***SpartanNash Company Savings Plus Plan for Union Associates*** (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Description of the Plan

General

The Plan is a defined contribution plan covering all associates of SpartanNash Company (the "Plan Sponsor" or "Company") represented by the General Teamsters Union and its Local 406 (Grand Rapids, Michigan) and the Truck Drivers, Warehouseman and Helpers Union Local No. 908. Associates are eligible to participate in the Plan and make a deferral on the first date of entry after the participant completes six months of service and attains age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Fidelity Management Trust Company (the "Trustee") is the trustee and record keeper of the Plan. The Company is the administrator of the Plan (the "Plan Administrator"). The Trustee holds all assets of the Plan in accordance with the service provider contract with the Company. The Retirement Plan Committee is responsible for oversight of the Plan and the appropriateness of the Plan's investment offerings and monitors investment performance.

Risks and Economic Uncertainties

The Plan invests in a stable value common collective trust, common/collective investment trusts, common stocks, and mutual funds with underlying assets consisting of any combination of stocks, bonds, fixed income securities and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the fair values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Contributions

Participants may contribute up to 75% of annual compensation as tax-deferred contributions up to the maximum allowed by the Internal Revenue Code ("IRC"). Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions ("rollovers") from other qualified defined benefit or defined contribution plans. For 2025 and 2024, the Company made matching contributions to each qualified participant's account in accordance with a collective bargaining agreement. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Investment Options

Participants direct the investment of contributions into various investment options offered by the Plan through the SpartanNash Company Savings Plus Master Trust (the "Master Trust") (Note 2). The Plan offers mutual funds, common/collective investment trusts, and a stable value common collective trust. In addition, the Plan allows each participant to create a self-directed brokerage account in which the participant can choose from a variety of investments allowed by ERISA. During 2025 and 2024, the Plan did not offer common stock of the Plan sponsor as an investment option for future contribution elections. However, prior to the Plan Sponsor being acquired by C&S Wholesale Grocers, LLC (C&S) on September 22, 2025, participants of the Plan were able to hold existing shares in their accounts. On September 22, 2025, common stock of Plan sponsor was converted into cash.

Participant Accounts

Each participant's account is credited with the participant's contributions, Company matching contributions, Plan earnings or losses and charged with an allocation of quarterly administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. Participants who initiate certain specific transactions, including distributions and loans, may also be charged a fee for that transaction. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account balance.

Vesting

All funds contributed to the Plan are 100% vested and nonforfeitable.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000, up to a maximum of 50% of the participant's account balance. Additionally, to be non-taxable, the loan cannot exceed $50,000, reduced by the participant's highest outstanding loan balance during the 12-month period immediately preceding the loan issuance date. The terms for new loans from participants generally range from one to five years, or up to ten years for the purchase of a primary residence. The loans are collateralized by the balances in the participant accounts and bear interest at annual rates ranging from 5.25% to 10.50%, which are commensurate with local prevailing rates as determined by the Plan administrator at the time of the issuance of each loan. Loans from participants that are transferred into the Plan continue under their original terms through final payoff. Principal and interest are reimbursed ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant, or his or her beneficiary, receives a lump sum amount equal to the value of the participant's account or installment payments as defined by the Plan agreement. In-service withdrawal of vested balances may be elected by participants who have reached 59 ½ years of age. The Plan also permits withdrawals of active participants' elective contributions and rollovers only in amounts necessary to satisfy financial hardship as defined by the Plan agreement.

Forfeitures

Forfeited nonvested accounts may be used to pay reasonable administrative expenses of the Plan or to reduce future Company matching contributions. During 2025 and 2024, no forfeited nonvested accounts were used to pay administrative expenses. No forfeited nonvested accounts were used to offset Company contributions in 2025 or 2024. At December 31, 2025 and 2024, forfeited nonvested accounts totaled $996 and $885, respectively. These accounts will be used to pay future administrative expenses or reduce future employer contributions.

Administrative Expenses

The Plan's administrative expenses are paid either by the Plan or the Company, as provided by the Plan document. Certain administrative expenses, including an allocation of salaries, accounting, and legal fees, are paid by the Company and qualify as party-in-interest transactions which are exempt from prohibited transaction rules. Expenses that are paid directly by the Company are excluded from these financial statements. Fees for trustee and custodial services are paid by the Plan. Under certain circumstances, an administrative fee is charged to those participants electing to receive a distribution. There are also administrative service fees charged to the individual participant's account at the time a note receivable is issued and quarterly thereafter.

Transfer from Other Qualified Plan

Effective April 2026, the Fresh Encounter, Inc. 401(k) Plan merged into the Plan. The net assets of the Fresh Encounter, Inc. 401(k) Plan totaling $4,100,535 were transferred, which included $51,841 in outstanding loans.

Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Retirement Committee determines the Plan's valuation policies utilizing information provided by the investment advisor. See Note 3 for discussion of fair value measurements.

Purchases and sales are recorded on the trade date. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in aggregate fair value includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds, common/collective investment trusts, and self-directed brokerage accounts are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of net appreciation in the aggregate fair value of such investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their principal balance plus any accrued interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan agreement. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. Interest income from notes receivable from participants is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Contributions

Participant contributions are recorded when withheld from compensation. Employer contributions are recorded in the period in which they become obligations of the Company.

Benefits Paid to Participants

Benefit payments to participants are recorded when paid.

Subsequent Events

In preparing these financial statements, Plan management has evaluated, for potential recognition or disclosure, significant events or transactions that occurred during the period subsequent to the most recent statement of net assets available for benefits presented herein, through the date these financial statements were available to be issued.

2. INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and the ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net change in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2025 and 2024, was obtained by management and agreed to and derived from information certified as complete and accurate by Fidelity Investments Institutional Services Company, Inc. ("Fidelity").

NOTES TO FINANCIAL STATEMENTS

The Plan's investments consist of an interest in the Master Trust, a trust established by the Plan Sponsor and administered by Fidelity. The Master Trust permits commingling of the trust assets of the Plan and the SpartanNash Company Savings Plus Plan for investment and administrative purposes. The Master Trust assets are allocated among the participating plans by assigning to each plan those transactions (primarily contributions, benefit payments, and plan-specific expenses) that can be specifically identified and by allocating among both plans, in proportion to the fair value of the assets assigned to each plan, income and expenses resulting from the collective investment of the assets of the Master Trust. Fidelity maintains supporting records for the purpose of allocating investments at fair value and the net gain or loss of the investment accounts to the participating plans. The following is a summary of information regarding the trust that was prepared from information supplied by the trustee and furnished to the Plan administrator for each plan in the Master Trust.

The investment income for the Master Trust (including investments bought, sold, as well as held during the year) is as follows for the years ended December 31:

	2025	2024
Total net appreciation in fair value of investments	$ 105,028,135	$ 93,404,310
Total dividends and interest	5,362,146	6,728,288
Total investment income	**$ 110,390,281**	**$ 100,132,598**

The assets of the Master Trust are summarized as follows at December 31:

	2025		2024	
	Master Trust Balances	Plan's Interest in Master Trust Balances	Master Trust Balances	Plan's Interest in Master Trust Balances
Investments at fair value:

Total assets	**$ 786,611,928**	**$ 41,421,016**	**$ 752,380,828**	**$ 42,906,149**

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices of similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or by other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024:

Mutual funds: Shares held in mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission ("SEC"). These funds are required to publish their daily value per share and to transact at that price. The mutual funds held by the Plan are therefore deemed to be actively traded.

Common/collective investment trusts: Valued at the net asset value ("NAV") of units of a bank collective trust. The NAV is based on the fair value of the funds underlying net assets. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Investments held by the Plan at year-end, as provided by the insurance company, are not assigned a level in the fair value hierarchy. The fund provides for daily redemptions by the Plan at reported NAV with no advance requirements or unfunded commitments.

Stable value common collective trust: The fair value of investments held in the Putnam Stable Value Fund 15 as of December 31, 2025, and 2024, a stable value common collective trust, is based on the NAV as reported by the issuer of the collective trust fund as of or close to the financial statement date. The NAV is used as a practical expedient to estimate fair value and, as a result, is not assigned a level in the fair value hierarchy. The Putnam Stable Value Fund 15 invests primarily in high-quality guaranteed investment contracts, security-backed investment contracts, and similar contracts issued by insurance companies, banks and other financial institutions. Both funds provide for daily redemptions by the Plans at reported net asset value, with no advance notice requirements or unfunded commitments.

Self-directed brokerage accounts: These accounts primarily consist of mutual funds and common stocks that are valued on the basis of readily determinable market prices.

Common stock: Beginning on September 22, 2025, in connection with the acquisition by C&S, participants were not able to hold common stock of SpartanNash Company. Prior to the acquisition by C&S, SpartanNash Company common stock was valued at the closing price reported in the active market in which the individual securities were traded.

The following tables set forth by level, within the fair value hierarchy, the Master Trust's investments at fair value as of December 31:

	2025				
	Total	Level 1	Level 2	Level 3	NAV (1)
Mutual funds	$ 57,515,928	$ 57,515,928	$ -	$ -	$ -
Common/collective investment trusts	664,140,838	-	-	-	664,140,838
Stable value common collective trust	41,564,682	-	-	-	41,564,682
Self-directed brokerage accounts	15,654,917	10,782,691	238,669	-	4,633,557
Total investments	**$ 778,876,365**	**$ 68,298,619**	**$ 238,669**	**$ -**	**$ 710,339,077**

	2024				
	Total	Level 1	Level 2	Level 3	NAV (1)
Mutual funds	$ 55,334,947	$ 55,334,947	$ -	$ -	$ -
Common/collective investment trusts	630,175,774	-	-	-	630,175,774
Stable value common collective trust	46,970,364	-	-	-	46,970,364
Self-directed brokerage accounts	10,490,076	8,071,649	267,289	-	2,151,138
Common stock	1,363,411	1,363,411	-	-	-
Total investments	**$ 744,334,572**	**$ 64,770,007**	**$ 267,289**	**$ -**	**$ 679,297,276**

(1) Assets are measured at the NAV (or its equivalent) on a non-active market and therefore have not been classified in the fair value hierarchy.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. Plan management evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. There were no transfers of assets between levels in 2025 or 2024.

4. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Substantially all professional fees for the administration and audit of the Plan are paid by the Company. Other professional fees related to the trustee and custodial services for the Plan's assets were paid by the Plan to Fidelity. The fees paid by the Plan for these services, net of amounts funded by forfeitures, amounted to $38,117 and $42,869 for 2025 and 2024, respectively.

Certain investments held by the Plan are managed by Fidelity, the custodian and record-keeper of the Plan. Such investments fall within the investment guidelines of the Plan and are considered related party transactions. The participating plans in the Master Trust together held $203,591,526 and $173,970,434 in such investments as of December 31, 2025 and 2024, respectively.

The Plan's prior investment in SpartanNash Company common stock represents a party-in-interest transaction. The participating plans in the Master Trust did not hold any SpartanNash Company common stock as of December 31, 2025, and held 78,360 shares as of December 31, 2024, representing approximately 0.23% of the Company's outstanding shares as of each of that date.

Cash dividends of $43,035 and $63,748 were paid to the Master Trust by the Company during 2025 and 2024, respectively, related to shares held by the Master Trust on the dividend record dates. This dividend income is included as dividends and interest income in the statements of changes in net assets available for benefits.

5. INCOME TAX STATUS

The IRS has determined and informed the Company by a letter dated August 9, 2023, that the Plan and the related Master Trust are designed in accordance with applicable sections of the IRC.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan may be subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. On June 22, 2026, the Company formally communicated its intent to merge the Plan effective July 28, 2026 into the C&S Affiliates 401k Savings Plan C. Any unallocated assets of the Plan would be allocated to participant accounts and distributed or transferred in such manner as the Company may determine in accordance with applicable regulations.

7. TRANSFER OF ASSETS TO OR FROM THE PLAN

Assets totaling $990, net, were transferred to the Plan from the SpartanNash Company Savings Plus Plan during 2025. These transfers were in connection with a change in employment status of certain SpartanNash Company associates. There were no such transfers during 2024.
