**Independent Auditor's Report**

The Plan Administrator and participants  
BSB Design, Inc. 401(k) Savings Plan:

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements***

We have performed an audit of the financial statements of BSB Design, Inc. 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements (Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years then ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

***Opinion on the Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of BSB Design, Inc. 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about BSB Design, Inc. 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of BSB Design, Inc. 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about BSB Design, Inc. 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***Supplemental Schedule Required by ERISA***

The supplemental schedule, Schedule H-Part IV, Line 4i - schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**BSB DESIGN, INC. 401(K)  
SAVINGS PLAN**

Notes to Financial Statements

December 31, 2025 and 2024

**(1) Description of Plan**

The following description of BSB Design, Inc. (the Company) 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

**General:** The Plan is a defined contribution 401(k) profit sharing plan covering all employees of the Company. Participants are immediately eligible to make contributions to their account and to receive a discretionary employer match on the first of the month following employment. Participants are eligible to receive employer discretionary profit-sharing contributions after 1,000 hours of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and the applicable current Internal Revenue Code provisions. The Plan Administrator is responsible for the oversight of the Plan. The Plan Investment Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

**Contributions:** Each year, participants may contribute up to 100% of pretax annual compensation as defined in the plan agreement. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. In March of 2020, the Plan adopted an auto-enrollment provision, whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions are invested in a designated balanced fund until changed by the participant. Each year, the Company may contribute a discretionary match and discretionary employer profit sharing contribution to the Plan. For the years ending December 31, 2025 and 2024, the Company's matching percentage was equal to 50% of the first 4% of the base compensation that a participant contributes to the Plan. The matching Company contribution is invested as directed by the participant. The Company did not make any discretionary employer profit sharing contributions to the Plan during the years ended December 31, 2025 and 2024.

**Participant accounts:**

Each participant's account is credited with the participant's contributions and the Company discretionary matching or employer discretionary profit-sharing contributions, as well as allocations of Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting:** Participants are immediately vesting in their own contributions plus actual earnings (losses) thereon. Vesting in the Company's contribution portion of their accounts plus earnings (losses) thereon is based on continuous years of service. A participant is 100% vested after one year of credited service.

**Notes receivable from participants:** Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate is commensurate with local prevailing interest rates. Principal and interest are paid ratably through payroll deductions.

Notes to Financial Statements

December 31, 2025 and 2024

**Payment of benefits:** On termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum payment equal to the value of the participant's vested interest in his or her account, or distributions in the form of an annuity. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. Hardship and in-service distributions are permitted if certain criteria are met.

**Forfeited accounts:** At December 31, 2025 and 2024, forfeited non-vested accounts totaled approximately \$14,300 and \$15,300, respectively. These accounts will be used to pay administrative expenses or to reduce future employer contributions. During the years ending December 31, 2025 and 2024, approximately \$2,800 and \$300, respectively, were used to pay administrative expenses.

**(2) Summary of Accounting Policies**

**Basis of accounting:** The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

**Use of estimates:** The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment valuation and income recognition:** The Plan's investments are stated at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plans Investment Committee determines the Plan's valuation policies utilizing information provided by the trustee and investment advisers. See note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

**Notes receivable from participants:** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. If a participant ceases making loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a payment is recorded.

**Payment of benefits:** Benefits are recorded when paid.

**Expenses:** Certain expenses for maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

**(3) Investments**

The following is a summary of the investment information as of December 31, 2025 and 2024, and for the years then ended, included throughout the Plan's financial statements and supplemental schedule that was prepared or derived from information provided by the trustee of the Plan, and furnished to the plan administrator. The plan administrator has obtained certifications from the trustee that information provided to the plan administrator by the trustee, relating to the following investments, is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information which appears throughout the financial statements and supplemental schedule relating to the following investments:

**(4) Fixed Income Account**

The MassMutual Guaranteed Interest Account, (GIA) is an investment held by the Plan. GIA is a general account product offered through a group annuity contract. The GIA participant principal and interest are backed by the entire general account assets of Empower Annuity Insurance Company of America. Contract value is the relevant measure for the GIA investment contracts because it is the amount received by participants if they were to initiate permitted transactions under the terms of Plan. The contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

**BSB DESIGN, INC. 401(K)  
SAVINGS PLAN**

Notes to Financial Statements

December 31, 2025 and 2024

The contract value of the GIA investment contract on December 31, 2025 and 2024 was \$488,163 and \$446,208 respectively.

The contract issuer is contractually obligated to repay the principal and specified interest at a specified interest rate that is guaranteed to the Plan. The credit rate is based on a formula established by the contract issuer. The crediting interest rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with a fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total Plan termination, retirement incentive programs, and the liberalization of Plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment may apply. The Plan Administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

**(5) Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The valuation technique maximizes the use of relevant observable inputs and minimizes the use of unobservable inputs. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Notes to Financial Statements

December 31, 2025 and 2024

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used on December 31, 2025 and 2024.

*Pooled Separate Accounts:* The net asset value is used as a practical expedient to determine fair value for all pooled separate accounts. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Each pooled separate account provides for redemptions by the Plan at the net asset value per share, with no advance notice requirement. Investments in pooled separate accounts are not classified according to fair value hierarchy, in accordance with ASU 820, as the net asset value is used as a practical expedient to value the investment.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are shown as Level 1.

*Fixed income account:* The fully benefit responsive investment contract is valued at contract value because it is the amount received by participants if they were to initiate permitted transactions under the terms of Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The following table sets forth by level, within the fair value hierarchy, the Plan's fair value measurements at December 31, 2025 and 2024:

Notes to Financial Statements

December 31, 2025 and 2024

**(6) Tax Status**

The Internal Revenue Service has determined and informed the Company by a letter dated November 14, 2022, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by the taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**(7) Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

**(8) Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of these investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
