INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Red Storm Entertainment, Inc. 401(k) P/S Plan and Trust
Cary, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Red Storm Entertainment, Inc. 401(k) P/S Plan and Trust ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits, as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank, similar institution, or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank, similar institution, or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from Empower Trust Company, LLC ("the Trustee"), as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the ***Auditor's Responsibilities for the Audits of the Financial Statements*** section –

- the amounts and disclosures in the financial statements, other than those agreed to, or derived from, the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held and certified by a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the ***Auditor's Responsibilities for the Audits of the Financial Statements*** section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements, in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due, to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except, as described in the ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*** section of our report, our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we –

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements, as a whole, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held at Year Ended December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to, or derived from, the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to, or is derived from, the certified investment information, we compared such information to the related certified investment information.

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

A. DESCRIPTION OF PLAN

The following description of the Red Storm Entertainment, Inc. (“the Company”) 401(k) P/S Plan and Trust (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

1. **General.** The Plan is a defined contribution plan covering all employees. Eligible employees may participate in the 401(k) portion of the Plan. The employer will also match the employees’ deferrals up to a discretionary percentage. In addition, employees meeting eligibility requirements may receive employer discretionary profit-sharing contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).
2. **Contributions.** Eligible participants may make contributions to the Plan under individual salary reduction agreements. The Plan incorporates an Automatic Deferral provision. Under this provision, the Plan Administrators will automatically withhold 3% of eligible participants’ compensation upon their becoming eligible to participate, subject to the participants’ ability to opt out of this automatic enrollment. Each participant’s contribution for any Plan year may not exceed 100% of such participant’s annual compensation, or the maximum allowable under the Internal Revenue Code (“IRC”). The Plan provides for employer matching of participant contributions. The matching percentage was 100% of the first 75% of participants’ deferral up to a maximum of \$5,000 or 6%, whichever is smaller. Eligible participants will also receive, at the discretion of the employer, profit sharing contributions if the participant works 1,000 hours during the Plan year and is employed on the last day of the Plan year.
3. **Participants’ Accounts.** Each participant’s separate account is credited with the participant’s contributions and allocations of (a) the Company’s matching and P/S contributions, if any, and (b) Plan earnings. Allocations are based on participants’ earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.
4. **Vesting.** Employees are always 100% vested in salary deferrals, employer matching contributions, and rollover contributions. Employees are vested in non-elective profit-sharing contributions based on years of service as follows:

<u>Profit Sharing Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1 but less than 2	33%
2 but less than 3	67%
3 or more	100%

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

A. DESCRIPTION OF PLAN *[cont'd]*

- 5. Notes Receivable from Participants.** The Plan's provisions allow participant loans from \$1,000 to \$50,000 per participant, provided the loan does not exceed 50% of the participant's vested balance of the Plan. The Plan's provisions provide a level amortization with payments to be made not less frequently than quarterly. Generally, the term of the loan may not exceed five (5) years. However, if the loan is for the purchase of a participant's principal residence, the Plan Administrator may permit a longer repayment term. Collateral for all loans will be the participant's vested balance in the Plan. Participants are only allowed one outstanding loan at a time. Interest rate is prime plus 1% with a range outstanding of 4.50%–9.50% for the year ended December 31, 2025.
- 6. Payment of Benefits.** Benefits are based on contributions and earnings accumulated to the account of each participant. Plan benefits are generally payable to the participants or their beneficiaries at the time of normal retirement, early retirement for those who qualify, or death or disability while employed by the Company. Settlement of a participant's account may be made by either lump-sum distribution or periodic payments. If a participant incurs a financial hardship, as defined, the participant may withdraw all or a portion of the amount of the participant's contribution account plus earnings thereon.
- 7. Forfeited Accounts.** The Plan sponsor may use forfeitures to pay Plan expenses, or to reduce amounts otherwise required to be contributed to the Plan. As of December 31, 2025 and 2024, forfeited non-vested accounts totaled \$29,043 and \$28,510, respectively.

B. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting, in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments in mutual funds are reported at fair value except for fully benefit responsive investments. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investments in common collective trusts that are not fully benefit responsive, are reported at net asset value ("NAV"). The Plan's management determines the Plan's valuation policies utilizing information provided by the Trustee. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

B. SUMMARY OF ACCOUNTING POLICIES *[cont'd]*

Contributions

Contributions from Plan participants are recorded in the year in which the employee contributions are withheld from compensation. An employee contribution receivable is recorded if employee contributions are withheld in the Plan year but funded to the participant accounts in the following Plan year. Employer contributions are recorded in the year in which the contributions are funded to the participants' accounts. An Employer contribution receivable is recorded if Employer contributions are determined and approved in the Plan year but are then funded in the following Plan year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses for maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through July 7, 2026, the date the financial statements were available to be issued. The board voted in June 2026, and resolved to terminate the Plan as of June 30, 2026.

C. INFORMATION CERTIFIED BY THE TRUSTEE

Certain information summarized below related to the accompanying financial statements and ERISA-required supplemental schedule was obtained by management and agreed to or derived from information certified as complete and accurate by Acensus, LLC, the custodian of the Plan.

D. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (“FASB”) Codification establishes a framework for measuring fair value that provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three (3) levels of the fair value hierarchy under FASB Codification are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liabilities;
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

D. FAIR VALUE MEASUREMENTS *[cont'd]*

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds. These funds are required to publish their daily NAV to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value, as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 31,341,802	\$ ---	\$ ---	\$ 31,341,802
Total investments at fair value	<u>\$ 31,341,802</u>	<u>\$ ---</u>	<u>\$ ---</u>	<u>\$ 31,341,802</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value, as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 28,557,381	\$ ---	\$ ---	\$ 28,557,381
Total investments at fair value	<u>\$ 28,557,381</u>	<u>\$ ---</u>	<u>\$ ---</u>	<u>\$ 28,557,381</u>

E. GENERAL ACCOUNT ANNUITY CONTRACT

The Plan entered into a traditional fully benefit-responsive group annuity contract with Empower Investments Fixed Account Class II ("the Fund") totaling \$1,074,893 and \$968,172 at December 31, 2025 and 2024, respectively. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The Fund's issuer is contractually obligated to repay the principal and a specified interest a rate that is guaranteed to the Plan. The average yield at December 31, 2025, was 1.48%. The crediting rate is based on a formula established by the Fund. The crediting rate is reviewed periodically for resetting. The group annuity contract does not permit the Fund to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit responsive investment contract criteria, and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by the Fund, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

E. GENERAL ACCOUNT ANNUITY CONTRACT *[cont'd]*

Certain events limit the ability of the Plan to transact at contract value with the issuer: Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that causes a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transactions exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

F. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Trustee, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

G. PLAN TERMINATION

On June 5, 2026 the Board voted and resolved to terminate the Red Storm Entertainment, Inc. 401(k) Profit Sharing Plan & Trust effective June 30, 2026.

H. TAX STATUS

The Company obtained the latest determination letter on June 30, 2020, in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Company has not obtained a determination letter from the IRS since that date. The Company is relying on the IRS approval of the prototype (or volume submitter) plan that it is utilizing. The IRS has determined and informed the document sponsor by letter dated June 30, 2020, that the prototype (or volume submitter) plan document was designed in accordance with applicable sections of the IRC. The Plan sponsor believes that the Plan currently is designed and being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt under present income tax law. Therefore, no provision for income taxes has been included in the Plan's financial statements.

As of December 31, 2025, management believes there are no uncertain tax positions.

As of December 31, 2025, and including the previous three (3) years considering extensions, the Plan's Form 5500 is open and subject to examination by tax authorities with relevant jurisdiction. Should such an examination take place, management does not anticipate any significant issues related to the open years.

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

I. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

J. SECURE 2.0

The Securing a Strong Retirement Act of 2024 ("SECURE 2.0") was signed into law on December 29, 2024, and includes mandatory and optional provisions with effective dates in 2025 and later. The Plan Administrator will determine the optional provisions to elect and amend the Plan document accordingly.
