Report of Independent Auditors

To the Plan Administrator
Greater Midland Community Centers, Inc. Retirement Savings Plan
Midland, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Greater Midland Community Centers, Inc. Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Greater Midland Community Centers, Inc. Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions for the periods of January 1, 2024 to January 31, 2024, February 1, 2024 to December 31, 2024, and January 1, 2025 to December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Greater Midland Community Centers, Inc. Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Greater Midland Community Centers, Inc. Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Greater Midland Community Centers, Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Greater Midland Community Centers, Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at year end) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Retirement Savings Plan

Notes to Financial Statements

1. Description of Plan

The following description of Greater Midland Community Centers, Inc. Retirement Savings Plan (Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan available to qualifying employees of Greater Midland Community Centers, Inc. (Organization). To be eligible to participate in the Plan, an employee must have attained the age of twenty-one, have completed at least one year of service, and be a full-time or part-time employee who has worked at least 1,000 hours during such plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participant Accounts

Each participant's account is credited with the participant's contribution, the Organization's match, an allocation of earnings on investments, and charged with administration charges, as applicable. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants have the option of determining the nature of individual investments in their accounts. The accounts may be invested in such separate investment vehicles as the Plan may make available for this purpose. The Plan currently offers investments in registered investment companies (mutual funds) and a common collective trust. Organization contributions are automatically invested and subject to the same allocation percentages as the participant contributions.

Contributions

Participants may contribute up to 90% of their annual compensation, not to exceed relevant Internal Revenue Code section limitations. Participants can elect to make Pre-tax deferrals and Roth deferrals. Subject to certain limitations, the Plan sponsor makes a safe harbor matching contribution of 100% of participant elective deferral contributions up to 6%. The plan sponsor may make discretionary matching contributions to the Plan. The plan sponsor made no discretionary matching contributions in 2025 or 2024. The participant's contribution, safe harbor match, and discretionary matching contributions are invested in various investment options as directed by the participant.

1. Description of Plan (continued)

Vesting

The Plan is a safe harbor plan. Therefore, all participant and matching contributions are immediately vested.

Forfeited Accounts

Forfeitures of employer contributions shall be used to reduce employer contributions or to pay plan administrative expenses. The balance of forfeited nonvested accounts was \$7 as of December 31, 2025 and \$3 as of December 31, 2024. During 2025, administrative expenses were reduced by \$26,905 from this account (\$17,674 in 2024).

Payment of Benefits

Participants may withdraw amounts from the Plan only after the occurrence of a distributable event and filing an application for distribution. Distributable events include death, the attainment of age 65, total and permanent disability, termination of employment, financial hardship, and termination of the Plan. Participants are eligible to make in-service withdrawals of their vested account balance upon reaching age 59 1/2. Participants may elect to receive either a lump-sum payment, periodic installments, or partial withdrawals. The plan agreement also allows for participants to make hardship withdrawals from all participant accounts and earnings thereon held in the Plan, subject to certain requirements as defined in the plan agreement.

Notes Receivable From Participants

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested benefit under the Plan. Loan terms range from one to five years or up to six years for the purchase of a principal residence. The loans are secured by up to 50% of the participants' vested interest in the Plan and bear interest at a rate based on 1% over the prime interest rate, as determined by the Plan Administrator. The loan principal and interest is repaid ratably through bi-weekly payroll deductions. Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest.

Administrative Expenses

Administrative expenses of the Plan are paid by either the Plan or the plan sponsor, as provided in the plan agreement. Expenses paid by the plan sponsor are excluded from these financial statements.

2. Summary of Significant Accounting Policies

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, results could differ from those estimates.

Basis of Accounting

The financial statements have been presented on the accrual basis of accounting in accordance with U.S. GAAP.

Benefits Paid to Participants

Benefits paid to participants are recorded when paid.

Valuation of Investments and Income Recognition

The Plan's mutual fund investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the investment date. Mutual funds are stated at quoted market prices of shares held by the Plan at year-end.

The collective investment trust held by the Plan is valued at net asset value ("NAV") as a practical expedient. The collective investment trust is valued using NAV as reported by the trustee or investment manager of the trust, based on the fair value of the underlying investments held by the trust, less its liabilities. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Valuation of Investments and Income Recognition

The change between fair value and the cost of investments held is combined with realized gains and losses on sales of investments and reported in the statement of changes in net assets available for benefits as net realized and unrealized appreciation (depreciation) in the fair value of investments. Realized gains and losses on sales of investments represent the difference between the proceeds received and the original cost of investments sold.

2. Summary of Significant Accounting Policies (continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Subsequent Events

Plan management has evaluated subsequent events for potential recognition or disclosure in the financial statements through July 22, 2026, which is the date the financial statements were available to be issued.

Reclassifications

Certain amounts in the 2024 financial statements have been reclassified to conform with the 2025 presentation.

3. Financial Data Certified by the Trustee - Unaudited

The Plan's financial information and data was certified by ADP Retirement Trust Services, LLC for the period February 1, 2024 through December 31, 2024 and for the year ended December 31, 2025 and was certified by Newport Trust Company, LLC for the period January 1, 2024 through January 31, 2024 in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the investment balances, notes receivable from participants, interest and dividends, and net appreciation (depreciation) in fair value of investments included in the financial statements and supplemental schedule were obtained from data that has been prepared and certified as complete and accurate by the trustees. This certified information has not been audited by independent auditors.

4. Fair Value Measurements

As defined in the current authoritative guidance, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The guidance applies to all financial instruments that are measured and reported on a fair value basis. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

Greater Midland Community Centers, Inc.
Retirement Savings Plan

Notes to Financial Statements

December 31, 2025

4. Fair Value Measurements (continued)

The three levels of the fair value hierarchy are described as follows:

- Level 1 – Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.
- Level 2 – Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.
- Level 3 – Significant unobservable inputs that reflect a company’s own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2025 and 2024.

Mutual funds: Stated at fair value, based on quoted market prices in active markets, of shares held by the Plan at year-end.

Collective investment trust fund: The Plan’s investment in the MetLife Stable Value Solutions J fund is stated at estimated fair value based on the net asset value of the participant units in each fund as a practical expedient. There are no unfunded commitments or redemption restrictions related to the investment.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2025 and 2024:

	Level 1	Level 2	Level 3	Total
2025				
Mutual funds	\$7,651,246	\$ -	\$ -	\$7,651,246

Total investments at fair value				<u>\$6,919,401</u>

5. Income Tax Status

The IRS has determined and informed the Organization by a letter dated October 6, 2020 that the Plan is a qualified plan under Section 401 of the IRC. Although the Plan has been amended since the date of the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRS and is tax exempt.

Generally, tax years from 2022 through the current year remain open to examination. The Plan does not believe that the results from any examination of these open years would have a material adverse effect on the Plan.

6. Termination of the Plan

Although it has not expressed intent to do so, the Plan Sponsor has the right to terminate the Plan at any time subject to the provisions of ERISA. In the event the Plan is terminated, participants will become 100% vested in their account balances and those balances are to be distributed to participants by the trustee of the Plan.

7. Transactions with Parties-in-Interest

The Plan Sponsor, participants, ADP Retirement Trust Services, LLC, Newport Trust Company, LLC, Tri-Star Trust, and Andrews Hooper Pavlik PLC have all been identified as parties-in-interest.

Expenses with ADP Retirement Trust Services, LLC and Newport Trust Company, LLC, the trustees, custodians, and recordkeepers of the Plan, are considered to be party-in-interest transactions. Tri-Star Trust provides investment advisory services which are considered to be party-in-interest transactions. Andrews Hooper Pavlik PLC provides external financial statement audit services for the Plan which is considered to be a party-in-interest transaction.

Notes to Financial Statements

7. Transactions with Parties-in-Interest (continued)

Certain expenses, including salaries and services required for Internal Revenue Service reporting and related to the administration of the Plan were paid by the Plan Sponsor and therefore, these transactions qualify as party-in -interest.

In addition , notes receivable from participants are considered party-in-interest transactions.

8. Risks and Uncertainties

The Plan's investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
