SALARY DEFERRAL 401(K) PROFIT SHARING PLAN

SCOPE AND NATURE OF THE ERISA SECTION 103(A)(3)(C) AUDIT

We have performed audits of the accompanying financial statements of I.G. Burton and Co., Inc. Salary Deferral 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of I.G. Burton and Co., Inc. Salary Deferral 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

OPINION

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BASIS FOR OPINION

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of I.G. Burton and Co., Inc. Salary Deferral 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITOR'S REPORT - CONTINUED

RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about I.G. Burton and Co., Inc. Salary Deferral 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of I.G. Burton and Co., Inc. Salary Deferral 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about I.G. Burton and Co., Inc. Salary Deferral 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT - CONTINUED

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

OTHER MATTER - SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

I.G. BURTON AND CO., INC. SALARY DEFERRAL 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE A - DESCRIPTION OF PLAN

The following description of the I.G. Burton and Co., Inc. Salary Deferral 401(k) Profit Sharing Plan provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all employees of Burton Insurance Group, LLC, I.G. Burton of Berlin, Inc., I.G. Burton of Smyrna, Inc., I.G. Burton of Lewes, LLC, I.G. Burton of Seaford, LLC, I.G. Burton Buick GMC of Glen Burnie, Inc., I.G. Burton Subaru of Glen Burnie, Inc., and I.G. Burton of Dover, Inc., collectively (Employer) who are age eighteen or older and have met the service requirement. Full-time employees, regularly scheduled service is greater than 1,000 hours, are eligible after completing 3 months of service. Part-time, temporary or seasonal employees, regularly scheduled for less than 1,000 hours, are eligible after completing 1 year of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Participants may contribute up to 90% of eligible compensation, as defined in the Plan document, up to the dollar limit established by the Internal Revenue Service. Participants are automatically enrolled in the Plan after meeting the service requirement. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Effective January 1, 2025, participants who are between the ages 60-63 during the year are allowed to make additional "super" catch-up contributions, which increase catch-up limits by \$3,750. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Employer may elect to make matching contributions equal to a uniform percentage of elective deferrals for eligible employees who have completed one year of service. During 2025 and 2024, the Employer elected to match 100% of the first 1% and 25% of the next 4% of eligible compensation that a participant contributes to this plan.

Participant Accounts - Each participant's account is credited with the participant's contribution, the Employer's matching contribution and an allocation of plan earnings. Investment earnings are allocated based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Participants direct the investment of their contributions and Employer matching contributions into various investment options offered by the Plan.

Vesting - Participants are vested immediately in their contributions plus actual earnings or losses thereon. Vesting in the Employer's contribution plus actual earnings or losses thereon is based on years of continuous service. A participant becomes 20% vested after the completion of two years of service and 20% each year thereafter until becoming fully vested after six years of credited service.

Notes Receivable From Participants - Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear a fixed rate of interest of 4.25% to 9.50%, which commensurate with local prevailing rates at the time the loan is originated. All loans must have a definite repayment schedule, which provides for principal and interest payments to be made ratably through payroll deductions over a period not to exceed five years, except for home loans that may be repaid over a reasonable period of time that may exceed five years. Notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest.

Payment Of Benefits - Payments of benefits are permitted in various methods depending upon whether the request for payment results from retirement, death, an event of disability or termination. The Plan administrator may allow distribution of 100% of the participant's contributions and vested portion of employer contributions in cases of hardship. Balances less than \$5,000 may be paid in lump-sum distributions, without requiring participant approval.

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2025 AND 2024

NOTE A - DESCRIPTION OF PLAN - CONTINUED

Forfeited Accounts - Forfeitures may be to used to reduce future employer contributions and pay any administrative expenses. During 2025 and 2024, the Plan utilized forfeitures to reduce employer contributions by \$46,885 and \$85,742, respectively. At December 31, 2025 and 2024, the balances of unallocated forfeited non-vested accounts totaled approximately \$3,240 and \$4,793, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis Of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation And Income Recognition - Investments in registered investment companies and collective investment trusts are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

See Note E for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment Of Benefits - Benefits are recorded when paid.

Notes Receivable From Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. No allowance for uncollectible participant notes has been recorded as of December 31, 2025 and December 31, 2024.

Plan Expenses - Certain expenses of maintaining the Plan are paid directly by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions from the Plan are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Use Of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent Events - The Plan evaluates the events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through July 27, 2026, the date the financial statements were available to be issued.

NOTE C - INVESTMENTS

All investment information and notes receivable from participants included in the accompanying financial statements and supplemental schedule was obtained or derived from information certified as complete and accurate by ADP Retirement Trust Services, LLC as of and for the year ended December 31, 2025. Reliance Trust Company certified as complete and accurate as of and for the year ended December 31, 2024.

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2025 AND 2024

NOTE D - PARTY-IN-INTEREST TRANSACTIONS

ADP Retirement Services (ADP) provides participant recordkeeping services to the Plan which qualifies as a party-in-interest. Fees paid by the Plan for these services were \$96,840 and \$86,422 for the Plan years ended December 31, 2025 and 2024, respectively.

Certain participants of the Plan have outstanding loans with the Plan at December 31, 2025 and 2024. These loans are considered party-in-interest transactions according to the Department of Labor guidelines. Total outstanding loans as of December 31, 2025 and 2024 were \$685,096 and \$522,672, respectively.

NOTE E - FAIR VALUE MEASUREMENTS

The Plan applies generally accepted accounting principles to establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under generally accepted accounting principles are described as follows:

- Level 1 – inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 – inputs to the valuation methodology include quoted prices for identical or similar assets and liabilities in active or inactive markets; inputs that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 – inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Registered Investment Companies (Mutual Funds) - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trust - Valued at the NAV of units of a collective investment trust. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE G - TAX STATUS

The prototype plan sponsor has obtained an opinion letter dated October 6, 2020, in which the IRS stated that the prototype plan document was in compliance with applicable requirements of the Internal Revenue Code (IRC). The Plan administrator timely adopted the prototype plan. The Plan administrator believes that the Plan is currently being operated in accordance with the Internal Revenue Code.

NOTE H - RISKS AND UNCERTANTIES

Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of financial instruments will occur in the near term that could materially affect the participants' account balances and the amounts reported in the accompanying financial statements.
