Report of Independent Auditors

To the Administrator of Ingram Marine Group Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Ingram Marine Group Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (in liquidation) as of March 26, 2026, December 31, 2025 and December 31, 2024, and the related statements of changes in net assets available for benefits (in liquidation) for the period from January 1, 2026 to March 26, 2026 and for the year ended December 31, 2025, including the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of March 31, 2026, December 31, 2025 and December 31, 2024 and for the period from January 1, 2026 to March 31, 2026 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

As discussed in Note 4 to the financial statements, the Board of Directors of Ingram Industries Inc. approved a plan of liquidation on March 26, 2024, and the Plan determined liquidation is imminent. As a result, the Plan changed its basis of accounting on March 26, 2024 from the going concern basis to a liquidation basis. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 ("supplemental schedule"), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. NOTE 1 - DESCRIPTION OF PLAN

General

The following description of the Ingram Marine Group Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan covering the employees of Ingram Marine Group and Ingram Industries Inc. Home Office (together, the "Company"). The Plan is designed to comply with Section 401(a) of the Internal Revenue Code ("IRC") as a money purchase pension plan. The 401(k) Committee is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

During 2021, the Plan was amended to prohibit Plan participation to all employees hired by the Company on or after February 24, 2021. Employees hired prior to that date were eligible to participate in the Plan on the day the employee first completed an hour of service for the Company. Employees covered by a collective bargaining agreement may not participate in the Plan unless such participation is expressly stipulated by a written agreement between their collective bargaining unit and their employer.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

John Hancock Trust Company ("JHTC") serves as trustee, custodian and record keeper of the Plan assets.

Plan Termination

On March 26, 2024, the Company's Board of Directors approved a plan to commence termination of this Plan effective August 1, 2024. The Plan was terminated on March 26, 2026. See Note 4 for additional information.

Contributions

During 2021, the Plan was amended to cease all Company contributions to the Plan for any Plan year beginning on or after January 1, 2021. Prior to that date the Company contributed annually to the Plan for each participant who had completed at least 1,000 hours of service (or 100 days for maritime employees) during the Plan year and was an active employee as of December 31 of the Plan year. Contributions for participants were determined by the combination of the participant's age and service points, and eligible compensation. The minimum allocation for any eligible participant was \$1,000 per Plan year.

No direct or indirect participant contributions into the Plan are permitted.

Ingram Marine Group Retirement Plan

Notes to Financial Statements

Participant Accounts

Each participant's account is credited with the participant's portion of the total Company contribution and adjusted for Plan's earnings. The Plan does not charge an administrative expense fee to the participant accounts.

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants vest in contributions made by the Company to their participant account plus earnings thereon based on years of service. All participants become 100% vested after six years of credited service, based upon the graded vesting schedule applicable at the date of their termination, as described in the Plan document. See Note 4 for additional information.

Investment Options

A participant may direct the contributions made by the Company into any of the Plan's investment options.

Participant Loans

Participant loans are not permitted.

Payment of Benefits

Participants were not permitted to withdraw any portion of their vested account balance prior to their retirement or other termination of employment. Participant distributions of vested account balances was to be in the form of an annuity. Participants were able to elect to waive the annuity and receive their vested account balance in a single lump-sum payment. Participants were also able to elect to waive the annuity and rollover their entire vested account balance in a lump-sum distribution to an Individual Retirement Account ("IRA") or other qualified plan. Additionally, if a participant's vested account exceeded \$1, the participant was also able to elect to waive the annuity and delay payment until minimum distributions of a participant's vested account are required at the approximate age of 70 ½. The Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE Act") made a number of changes to the minimum distribution rules. Required minimum distributions are governed by the Internal Revenue Code, as amended. Participants may defer distributions until the applicable required beginning date prescribed by federal law.

The Plan paid \$4,699,374 and \$51,129,034 (net of taxes) in 2026 and 2025, respectively, to participants in the form of a lump-sum resulting from qualified rollovers, death or termination benefit payments. These amounts are included in Payment of benefits on the Statements of Changes in Net Assets Available for Benefits. See Note 4 for additional information.

Forfeited Accounts

Prior to all participants becoming 100% vested upon the termination of the Plan effective August 1, 2024 (see Note 4 for additional information), if a participant leaves the Company for reasons other than death or disability before he or she is 100% vested, the nonvested portion would be left in the Plan and was forfeited by the participant according to the terms and conditions of the Plan.

The forfeited nonvested account balances were zero at March 26, 2026 and December 31, 2025, and \$170,324 at December 31, 2024.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following accounting policies, which conform with accounting principles generally accepted in the United States of America ("GAAP"), have been used consistently in the preparation of the Plan's financial statements:

Basis of Accounting

As discussed in Note 1, on March 26, 2024, the Company's Board of Directors approved the termination of the Plan. As a result, the Plan changed its basis of accounting as of December 31, 2024 to liquidation basis ("In Liquidation") in accordance with GAAP. The accompanying financial statements of the Plan as of March 26, 2026 and for the period January 1 to March 26, 2026 and as of December 31, 2025 and 2024 and for year ended December 31, 2025 were prepared using the liquidation basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties

Investment securities are exposed to various risks including, but not limited to, interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Payment of Benefits

Benefits paid to participants are recorded when paid.

Investment Valuation and Income Recognition

The Plan's investments consist of shares of common collective trusts. The Plan's investments are reported at liquidation value at March 26, 2026 (In Liquidation), December 31, 2025 (In Liquidation) and 2024 (In Liquidation). Under the Liquidation basis of accounting, investments are carried at the amount of cash that the Plan reasonably expects to receive upon liquidation. Liquidation value approximates fair value. Fair value measurements consist of quoted prices in active markets for identical assets and

Ingram Marine Group Retirement Plan

Notes to Financial Statements

liabilities (Level 1), significant other observable inputs including quoted prices for similar assets in active or inactive markets (Level 2), and significant unobservable inputs (Level 3). The Plan recognizes any transfers of assets and liabilities between levels at the end of each reporting period. There were no transfers between levels during the period January 1, 2026 to March 26, 2026 (In Liquidation) and the years ended December 31, 2025 (In Liquidation) and 2024 (In Liquidation).

The Plan also utilizes prescribed guidance related to disclosure requirements of investments in certain entities that calculate net asset value per share. In instances where fair market value is not readily determinable this guidance allows fair value measurements based on the unadjusted net asset value per share or its equivalent. This guidance also requires additional disclosures about the nature and risks of investments including restrictions on an investor's ability to redeem its investments, any unfunded commitments, and the investment strategies of the underlying investments. The Plan utilizes prescribed guidance which removes the requirement to categorize within the fair value hierarchy certain investments whose fair value measurement is based on the unadjusted net asset value per share or its equivalent as a practical expedient. Accordingly, such investments have not been classified in the fair value hierarchy.

Investments in collective investment trusts consist of funds that are valued at net asset value based on the proportionate interest in the underlying pool of investments in the funds which are priced by market exchanges. These investments have no redemption restrictions or unfunded commitments.

Purchases and sales of investments are recorded on a trade-date basis.

The methods described above may produce a fair value calculation that may not be indicative of net realized value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain instruments could result in a different fair value measurement at the reporting date.

The fair values of the Plan's investments as of March 26, 2026 (In Liquidation), December 31, 2025 (In Liquidation) and December 31, 2024 (In Liquidation) are not presented in the fair value hierarchy as those investments are presented on a liquidation basis.

NOTE 3 – PLAN EXPENSES

Certain administrative expenses, including recordkeeping, are charged to the Plan. The Plan incurred no administrative expenses for the period January 1 to March 26, 2026 (In Liquidation). It incurred total administrative expenses of \$9,128 for the year ended December 31, 2025 (In Liquidation), all of which were administrative and management fees with parties-in-interest.

NOTE 4 – PLAN TERMINATION

As discussed in Note 1, the Company's Board of Directors approved a plan to commence termination of this Plan, effective August 1, 2024. The Company communicated its intent to terminate the Plan to

Ingram Marine Group Retirement Plan

Notes to Financial Statements

affected participants on June 1, 2024. The Plan was amended as of July 23, 2024 to reflect the termination. The Company and the plan administrator determined that the likelihood that the Internal Revenue Service ("IRS") would block the termination to be remote and liquidation was deemed imminent upon the approval to terminate the Plan by the Company's Board of Directors. The Plan received approval for the termination from the IRS on August 13, 2025 (see Note 5).

As a result of the Plan termination, participants became 100% vested in their accounts effective August 1, 2024. In connection with the termination of the Plan, participants were offered the option between October 29, 2025 and December 31, 2025 to elect to receive payment of their account balance in the form of annuity purchase, qualified rollovers and termination benefit payments. All participants with account balances exceeding \$7,000 and current Company associates with account balances of \$7,000 or less who failed to take action by December 31, 2025 had their account balances rolled over to the Ingram 401(k) Retirement Plan ("401(k) Plan"). Participants who were former Company associates with account balances of \$7,000 or less who failed to take action by December 31, 2025 had their account balances rolled over to a Inspira Financial Trust LLC ("Inspira") IRA on their behalf. \$4,699,374 and \$46,014,445 (net of taxes) was paid to participants who elected lump-sum payments in the form of qualified rollovers and termination benefit payments from January 1, 2026 to March 26, 2026 and October 29, 2025 to December 31, 2025, respectively. \$176,103 was paid to purchase Inspira IRAs during the period of January 1, 2026 to March 26, 2026. These amounts are included in the Payment of benefits on the Statements of Changes in Net Assets Available for Benefits. \$27,015,463 was transferred to the 401(k) Plan during the period of January 1, 2026 to March 26, 2026. This amount is included in the Transfers to other plans on the Statements of Changes in Net Assets Available for Benefits. No participants elected the annuity purchase option.

NOTE 5 - TAX STATUS

On August 13, 2025 the Plan received a favorable determination from the Internal Revenue Service which found that the termination of the Plan does not affect the Plan's tax exempt status.

The Plan adopted guidance related to accounting for uncertainty in tax positions. There are no uncertain tax positions identified that would require recognition or disclosure in the Plan's financial statements. The Plan does not have any ongoing examinations. The Company believes the Plan is no longer subject to income tax examinations for years prior to 2022.

NOTE 6 – INFORMATION CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at March 26, 2026, December 31, 2025 and 2024, and net appreciation in fair value of investments for period January 1, 2026 to March 26, 2026 (In Liquidation) and the year ended December 31, 2025 (In Liquidation) was obtained by
