Rödl Management, Inc. 401(k) Savings Plan
Atlanta, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Rödl Management, Inc. 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from an agent on behalf of the qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by an agent on behalf of the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an agent on behalf of the qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by an agent for the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an agent on behalf of the institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. Description of the Plan

The following description of the Rödl Management, Inc. 401(k) Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions.

General

The Plan was established on January 1, 1985, to provide retirement and other benefits for the employees of Rödl Management, Inc. (the “Sponsor”). Employees of the Sponsor become eligible upon hire and attainment of age 21. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (“ERISA”). Ascensus Trust Company (“Trustee”) is the trustee of the Plan.

Contributions

Each participant may contribute a portion of his or her compensation, as defined by the Plan, subject to Internal Revenue Code (“IRC”) limitations, in the form of a salary deferral. Participant salary deferrals may be traditional 401(k) (pretax) or Roth 401(k) (after-tax). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also make rollover contributions to the Plan, which represent distributions from other qualified plans.

The Sponsor makes safe harbor contributions equal to 3% of participants’ base compensation. The Sponsor, at its sole discretion, may also make additional matching contributions and/or profit-sharing contributions to the Plan annually on behalf of participants. Profit-sharing contributions are allocated amongst participants based upon the ratio that each participant’s compensation bears to the total compensation of all participants. No discretionary contributions were made during the year ended December 31, 2025.

Investment Options

Each participant may direct the investment of their contributions and applicable Sponsor contributions among the investment options available under the Plan and may change investment elections at any time through the Plan’s recordkeeping platform. The Plan currently offers mutual funds and a money market fund as options.

Participant Accounts

Each participant’s account is credited with the participant’s contributions, the Sponsor’s contributions on behalf of the participant, and the earnings and losses of the participant’s investments and is charged with any expenses incurred as a result of transactions initiated by the participant and the participant’s pro-rata share of recordkeeping and investment advisory fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Rödl Management, Inc. 401(k) Savings Plan
Notes to Financial Statements
December 31, 2025 and 2024

Vesting

Each participant is immediately fully vested in the portion of his or her account attributable to his or her contributions, Sponsor safe harbor contributions, and earnings thereon. Vesting in the portion of his or her account attributable to the Sponsor's non-safe harbor contributions and earnings thereon is based on years of employment service with the Sponsor as follows:

<u>Years of Service</u>	<u>Vesting</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Notes Receivable from Participants

Loans are allowed for financial distress, medical expenses, education expenses, or the purchase of a principal residence. For such purposes, participants may borrow, from their fund accounts, amounts ranging from \$1,000 up to a maximum amount equal to the lesser of \$50,000 (reduced by the highest outstanding loan balance in the previous 12 months) or 50% of their vested account balance. The maximum term of repayment for a loan is five years, except for a loan for the purchase of a principal residence, which may exceed five years. The loans are secured by the balance in the participant's account and bear interest at Prime plus 2%. Principal and interest are paid ratably through payroll deductions. Interest rates ranged from 5.25% to 10.50% on loans outstanding at December 31, 2025.

Payment of Benefits

Upon termination of service with the Sponsor due to death, disability, or retirement, a participant may request a lump-sum distribution equal to the value of his or her vested account balance. A terminated participant whose vested account balance does not exceed \$1,000 will receive a lump-sum distribution of the vested account balance immediately following termination. Account balances for terminated participants between \$1,000 and \$7,000 will be automatically rolled over into an individual retirement account outside of the Plan assets. Participants who are still employed by the Sponsor may request an in-service distribution of their contributions and earnings due to financial hardship, disability, or attainment of age 59.5.

Forfeitures

Forfeitures of non-vested account balances may be used to reduce future Sponsor contributions. At December 31, 2025 and 2024, forfeited non-vested accounts totaled \$2 and \$1,368, respectively. These accounts may be used to reduce future Sponsor contributions in accordance with the provisions of the Plan. During 2025, Sponsor contributions were reduced by approximately \$4,800 through the use of forfeited non-vested accounts.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Rödl Management, Inc. 401(k) Savings Plan
Notes to Financial Statements
December 31, 2025 and 2024

Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan's management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the agent. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation in investments includes realized and unrealized gains and losses on those investments.

Contributions

Contributions from Plan participants and the matching contributions from the Sponsor are recorded in the year in which the employee contributions are withheld from compensation.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. While delinquent notes receivable from participants may be treated as a deemed distribution for purposes of participants' taxes, for financial statement purposes, such notes receivable are reclassified as distributions based upon the terms of the Plan document. Accordingly, this may result in a reconciling item between the financial statements and Form 5500.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative costs associated with certain participant-initiated transactions are charged to the accounts of the participants who initiate the transactions while recordkeeping and investment advisory fees are first reduced by any administrative fee credits earned by the Plan and then charged to the accounts of the participants pro-rata based on the account balances of the participants.

Reclassifications

Certain reclassifications have been made to the 2024 financial statement presentation to conform to the 2025 presentation, including the addition of a reconciliation between the financial statements and Form 5500. These reclassifications had no effect on previously reported net assets available for benefits or changes therein.

Note 3. Certification of Plan Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Ascensus, LLC, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

	<u>2025</u>	<u>2024</u>
Investments		
Mutual funds	\$ 76,058,058	\$ 65,773,792
Money market fund	2,857,752	2,900,118
Notes receivable from participants	457,211	335,078
Investment income		
Net appreciation in fair value of investments	\$ 9,518,132	
Dividend income	1,476,642	
Interest income	131,023	
Interest income on notes receivable from participants	36,275	

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 4. Related Party and Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association or relatives of such persons.

Certain Plan investments are funds managed by Vanguard Fiduciary Trust Company, the recordkeeper of the Plan. Therefore, these transactions qualify as party-in-interest transactions. The Sponsor directly pays any other fees related to the Plan's operations.

Fees paid by the Plan for administrative services and investment advisory services were \$76,969 during the year ended December 31, 2025. The Sponsor provides certain administrative services to the Plan at no cost.

Note 5. Fair Value Measurements

Fair value, as defined under U.S. GAAP, is an exit price representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. U.S. GAAP establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include:

Level 1 Quoted prices in active markets for identical assets or liabilities.

Level 2 Observable inputs other than Level 1 quoted prices, including quoted prices for similar assets or liabilities and observable market data.

Notes to Financial Statements
December 31, 2025 and 2024

Level 3 Unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

There have been no changes in the methodologies used at December 31, 2025 and 2024. The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds

Mutual funds are publicly traded investments and are valued daily at the closing price reported on the active market on which the funds are traded.

Money market fund

The money market fund is a publicly traded investment that is valued using its quoted market price, which represents the net asset value of shares held by the Plan. Because the quoted market price is available in an active market for identical assets, the money market fund is classified within Level 1 of the fair value hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan recognizes transfers between the levels as of the beginning of the reporting period. There were no transfers between the levels for the year ended December 31, 2025.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

December 31, 2025				
Fair Value Measurements Using				
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$ 76,058,058	\$ 76,058,058	\$ -	\$ -
Money market fund	2,857,752	2,857,752	-	-
Total assets in the fair value hierarchy	<u>\$ 78,915,810</u>	<u>\$ 78,915,810</u>	<u>\$ -</u>	<u>\$ -</u>
December 31, 2024				
Fair Value Measurements Using				
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$ 65,773,792	\$ 65,773,792	\$ -	\$ -
Money market fund	2,900,118	2,900,118	-	-
Total assets in the fair value hierarchy	<u>\$ 68,673,910</u>	<u>\$ 68,673,910</u>	<u>\$ -</u>	<u>\$ -</u>

Note 6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 7. Income Tax Status

The Plan has not obtained a determination letter from the Internal Revenue Service (the "IRS") stating that the Plan was in compliance with the applicable requirement of the IRC. The Plan is relying on the IRS approval of the prototype plan that it is utilizing. The IRS has determined and informed the document sponsor by a letter dated June 30, 2020, that the prototype plan agreement was designed in accordance with applicable sections of the IRC. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024, to Form 5500:

	<u>2025</u>	<u>2024</u>
Net assets available for benefits per the financial statements	\$ 79,389,054	\$ 69,025,934
Forfeitures applied against sponsor contribution receivable on Form 5500	<u>-</u>	<u>4,796</u>
Net assets available for benefits per Form 5500	<u>\$ 79,389,054</u>	<u>\$ 69,030,730</u>

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements for the year ended December 31, 2025, to Form 5500:

	<u>2025</u>
Net increase in net assets available for benefits per the financial statements	\$ 10,363,120
Prior-year forfeitures applied against sponsor contribution receivable on Form 5500	<u>(4,796)</u>
Net income per Form 5500	<u>\$ 10,358,324</u>

Note 9. Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants would become 100% vested in their accounts and benefits will be distributed in accordance with provisions of the Plan.

Note 10. Subsequent Events

The Sponsor has evaluated subsequent events through July 24, 2026, the date the financial statements were available to be issued.
