Independent Auditors' Report

To the Plan Administrator
Fort Wayne Orthopaedics, LLC Employee Benefit Plan
Fort Wayne, Indiana

Opinion

We have audited the financial statements of Fort Wayne Orthopaedics, LLC Employee Benefit Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits and benefit obligations as of December 31, 2025 and 2024, the related statement of changes in net assets available for benefits and benefit obligations for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and benefit obligations for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Fort Wayne Orthopaedics, LLC Employee Benefit Plan (the "Plan") provides only general information. Participants should refer to the Plan document or Summary Plan Description for a more complete description of the Plan's provisions, which are available from the Plan administrator.

General

The Plan is a defined-benefit health and welfare plan sponsored by Fort Wayne Orthopaedics, LLC (the "Company"). The effective date of the Plan is January 1, 1999, and the Trustee is Lake City Bank. The purpose of the Plan is to provide benefits for health (medical, hospital, surgical and major medical), vision and dental to the Company's employees and covered dependents who meet the eligibility requirements set forth in the Plan document.

Certain Plan assets are held in trust at Lake City Bank. The Plan is subject to the provisions of the Employee Retirement Security Act of 1974, as amended ("ERISA").

Benefits

The Plan provides health benefits to its participants, including medical, dental, vision and prescription drugs. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act ("COBRA").

Stop Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims). The limits in place change from year to year given the claims experience of the Plan. Specific and aggregate stop-loss limits for the year ended December 31, 2025, were approximately $70,000 and $1,000,000, respectively.

Self-insured Benefits

All other Plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processor under a service agreement. The claims processor pays claims directly to or on behalf of participants and are then reimbursed by the Plan's trust. Despite the Plan's utilization of a third-party claim's processor, ultimate responsibility for payments to providers and participants is retained by the Plan.

Contributions

In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. The Company pays the full cost of stop loss insurance. The Company makes contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

Contributions

Employer and employee contributions are recognized in the period in which they are due pursuant to the Plan provisions. Contributions are made as specified in the plan document and remitted to the trust or insurance carriers as soon as practicable.

Payment of Benefits

Premiums paid by either the Company or the trust are recorded as premium payments in the accompanying Statement of Changes in Net Assets Available for Benefits and Benefit Obligations. Claims are recorded as expenses when approved for payment. Claims payable at year-end represent amounts approved for payment but not yet disbursed and estimates for incurred by not reported ("IBNR") claims.

Stop Loss

Premiums for stop loss insurance are included in insurance premiums in the accompanying Statement of Changes in Net Assets Available for Benefits and Benefit Obligations.

IBNR Claims

The Plan establishes a liability for claims that have been incurred but not reported as of the end of the plan year. This liability represents the estimated cost of health and welfare claims that relate to services rendered prior to year-end but for which the Plan has not yet received or processed a claim from participants or service providers.

The IBNR liability is determined by the Plan's actuary based on historical claims experience, current enrollment data, plan design, and other relevant factors. The estimate includes both reported claims not yet paid and an accrual for claims incurred but not yet reported. The Plan regularly reviews and evaluates its methodology and assumptions to ensure that the IBNR liability reasonably reflects anticipated future payments for claims incurred as of the balance sheet date.

Changes in the estimated liability for IBNR claims are recognized in the period in which they are determined, and any adjustments are included in the accompanying Statements of Net Assets Available for Benefits and Benefit Obligations and the Statements of Changes in Net Assets Available for Benefits and Benefit Obligations.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

The Plan has evaluated subsequent events through July 28, 2026, which is the date the financial statements were available to be issued. No significant matters were identified for disclosure during this evaluation.

NOTE 3 - ESTIMATED CLAIMS INCURRED BUT NOT REPORTED

At December 31, 2025 and 2024, the Plan has recorded a liability of $285,000 and $265,000, respectively, for claims payable, which includes claims incurred but not yet reported.

The Plan's management believes this method provides the best possible estimate of claims due and any differences from an actuarial determination would be immaterial.

NOTE 4 - ADMINISTRATIVE EXPENSES

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators, the trustee, and actuary. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan.

NOTE 5 - TAX STATUS

The Plan is established as a taxable trust for interest income earned on the money market investment account, pursuant to Section 419(e)(3)(B) of the Internal Revenue Code. The Plan's assets are held in trust pursuant to an agreement with Lake City Bank. The Company believes the Plan qualifies and operates in accordance with applicable provisions of the Internal Revenue Code. There were no income taxes paid by the Plan for the year ended December 31, 2025.

Authoritative accounting standards require the Plan to examine its tax positions for uncertain positions. Management is not aware of any tax positions that are more likely than not to change in the next 12 months or that would not sustain an examination by applicable taxing authorities.

The Plan's policy is to recognize penalties and interest in the period such expenses are paid in its Statement of Changes in Net Assets Available for Benefits and Benefit Obligations, which amounted to $0 for the year ended December 31, 2025.

NOTE 6 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The Plan paid certain expenses related to the Plan's operations and claim activity to various service providers. These transactions are party-in-interest transactions. The Plan sponsor pays directly any other fees related to the Plan's operations.

Automated Group Administration, Inc. (third-party administrator), provides to the Plan certain accounting and administrative services for which fees are charged to the Plan. Fees paid by the Plan for various Plan management services amounted to approximately $95,000 for the year ended December 31, 2025.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 8 - CONCENTRATION OF CREDIT RISK

The Plan's financial instruments that are exposed to concentrations of credit risk consist primarily of cash and cash equivalents. The Plan places its cash and cash equivalents with one financial institution. At times, such amounts may be in excess of the FDIC insured limit. The Plan has never experienced any losses related to these balances.
