Board of Directors
Wilson & Muir Bancorp, Inc. 401(k) & Profit Sharing Plan
Bardstown, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the **Wilson & Muir Bancorp, Inc. 401(k) & Profit Sharing Plan** (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) [“ERISA Section 103(a)(3)(C) audit”]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL’s”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WILSON & MUIR BANCORP, INC. 401(K) & PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

(1) DESCRIPTION OF PLAN

The following description of the **Wilson & Muir Bancorp, Inc. 401(k) & Profit Sharing Plan** (the “Plan”) provides only general information. Participants should refer to the plan document and Summary Plan Description for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan established by Wilson & Muir Bancorp, Inc. and its wholly-owned subsidiary, Wilson & Muir Bank (together referred to as the “Company”), effective February 1, 1974, covering substantially all employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Participants may make pre-tax and after-tax Roth elective salary deferrals up to the maximum amount permissible under Internal Revenue Code (“IRC”) regulations. Eligible participants are also permitted to make catch-up contributions in accordance with IRC regulations and rollover contributions representing distributions from other qualified plans. The plan also permits in-plan Roth rollovers for eligible participants.

In 2025 and 2024, the Company matched fifty cents on every dollar up to 6% of the employees’ eligible compensation. The employer matching contribution for 2025 and 2024 was \$204,518 and \$202,187, respectively. The Company may also make an additional discretionary contribution as determined annually by the Board of Directors of the Company. Additional discretionary contributions of \$258,753 and \$255,815 were made for 2025 and 2024, respectively, net of forfeited nonvested accounts used to reduce the contributions.

Effective for employees hired on or after January 1, 2025, the Plan has an automatic enrollment feature whereby the Company automatically enrolls new employees into the Plan who have met the eligibility requirements. These employees are automatically enrolled to contribute 3% of their eligible compensation to the Plan, on a pre-tax basis, unless such employees affirmatively take action to opt out of the automatic enrollment feature.

Participants direct the investment of their contributions and the Company’s contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and common/collective trust funds as investment options for participants. Participants may change their investment elections at any time.

Participant Accounts

Each participant's account is credited with the participant's contributions, employer contributions, and an allocation of plan earnings, and charged with an allocation of plan losses and administrative expenses. Allocations are based on participant compensation, account balances or specific transactions, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately 100% vested in their contributions and rollover contributions, plus actual earnings thereon. Vesting in employer contributions is based on years of continuous service as defined in the plan document. Participants are 100% vested in their employer contributions after three years of credited service. Upon retirement, death or disability, a participant is immediately 100% vested in all accounts, regardless of years of service.

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, participants may elect to receive a lump sum amount equal to the value of their vested account balance, installment payments, or partial lump sum payments. The Plan also provides for in-service distributions or deemed severance distributions for participants that have attained age 60 or for financial hardships subject to Plan provisions. If a participant terminates employment and the participant's account balance does not exceed \$5,000, the funds will be distributed upon termination of employment in a lump sum amount, subject to automatic rollover provisions if the distribution exceeds \$1,000.

Forfeited Accounts

Forfeited nonvested accounts are used to reduce future employer contributions or pay plan expenses. Forfeited nonvested accounts totaled \$57 and \$1 at December 31, 2025 and 2024, respectively. There were \$3,500 and \$1,735 of forfeitures used to reduce employer contributions for the years ended December 31, 2025 and 2024, respectively.

(2) **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for additional discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Capital gain distributions from mutual funds are included in dividend income. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds and common/collective trust funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for these investments.

Administrative Expenses

Some administrative expenses are paid by the Company, and some are paid by the Plan. Those that were paid by the Plan are reflected in the accompanying financial statements. Employees of the Company perform certain administrative functions for the Plan. Neither the Company nor its employees receive compensation from the Plan.

Payment of Benefits

Benefits are recorded when paid. At December 31, 2025 and 2024, there were no allocated amounts to participants who had elected to withdraw from the Plan, but had not yet been paid.

Subsequent Events

Management has evaluated whether any subsequent events that require recognition or disclosure in the accompanying financial statements and related notes thereto have taken place through July 27, 2026, the date these financial statements were available to be issued.

(3) FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurement*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

WILSON & MUIR BANCORP, INC. 401(K) & PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2025 AND 2024

(3 - continued)

The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include quoted prices for similar assets in active markets; quoted prices for identical or similar assets in inactive markets; inputs other than quoted prices that are observed for the asset; or inputs that are derived principally from or can be corroborated by observable market data by correlation or other means.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs are not available. Level 3 inputs are used only if Level 1 or Level 2 inputs are not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation techniques and related inputs used for assets measured at fair value at December 31, 2025 and 2024.

Mutual Funds

The fair value of mutual funds is based on the quoted net asset value ("NAV") of the shares as reported by the fund (Level 1 inputs). The mutual funds held by the Plan are open-end mutual funds registered with the United States Securities and Exchange Commission. The funds must publish their daily NAV and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Common/Collective Trust Funds

The fair values of common/collective trust fund investments are based upon exchange-traded securities whose NAVs are aggregated and combined with stated fees (Level 2 inputs).

The fair values of participation units in the Stable Value common/collective trust fund are based upon the NAV of the units held by the Plan, after adjustments to reflect all fund investments at fair value, including direct and indirect interests in fully benefit-responsive contracts, as reported in the audited financial statements of the fund. The Stable Value fund seeks stability of principal and a high level of current income consistent with a 2-3 year average maturity. The trust is a tax-exempt trust invested primarily in investment contracts issued by insurance companies, high grade bonds, commercial bank deposits, and similar types of fixed-principal investments. The Stable Value fund generally provides for daily redemptions by the Plan at reported NAV per share, with no advance notice requirement.

The Wealth Preservation Strategy (“WPS”) Target Risk Fund – Moderate II seeks capital growth and income consistent with the fund’s current asset allocation of 75% equity and 25% fixed income and a volatility target of 10%. The WPS Target Risk Fund – Conservative II seeks growth and income consistent with the fund’s current asset allocation of 55% equity and 45% fixed income and a volatility target of 8%. Both funds invest in a combination of exchange traded funds that track broad market exposures, exchange traded futures contracts, and money market assets.

The following table presents the balances of the Plan's investments within the fair value hierarchy measured at fair value as of December 31, 2025 and 2024:

	Level 1	Level 2	Level 3	Total
December 31, 2025:				
Mutual funds	\$18,516,277	\$ -	\$ -	\$18,516,277
Common/collective trust funds	-	2,046,524	-	2,046,524
Investments in the fair value hierarchy	<u>\$18,516,277</u>	<u>\$ 2,046,524</u>	<u>\$ -</u>	<u>20,562,801</u>
Common/collective trust fund (Stable Value), measured at net asset value (A)				<u>5,025,366</u>
Total investments				<u>\$25,588,167</u>
December 31, 2024:				
Mutual funds	\$16,744,538	\$ -	\$ -	\$16,744,538
Common/collective trust funds	-	1,602,032	-	1,602,032
Investments in the fair value hierarchy	<u>\$16,744,538</u>	<u>\$ 1,602,032</u>	<u>\$ -</u>	<u>18,346,570</u>
Common/collective trust fund (Stable Value), measured at net asset value (A)				<u>4,542,457</u>
Total investments				<u>\$22,889,027</u>

(A) In accordance with FASB ASC Subtopic 820-10, certain investments that are measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2025 and 2024, are reported in net appreciation in fair value of investments.

(4) RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are interests in common/collective trust funds managed by an affiliate of American Trust Company, the trustee. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules. Administrative fees paid by the Plan to American Trust Company were \$82,339 and \$67,947 for the years ended December 31, 2025 and 2024, respectively.

(5) PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their employer contributions.

(6) TAX STATUS

The Plan is based on a pre-approved plan which has received a favorable opinion letter from the IRS dated June 30, 2020, that the pre-approved plan is designed in accordance with applicable sections of the IRC. The plan sponsor has not separately applied for a determination letter from the IRS. Although the Plan has been amended since receiving the opinion letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believe that the Plan is qualified and the related trust is tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

(7) RISKS AND UNCERTAINTIES

The Plan invests in mutual funds and common/collective trust funds that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with the investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(8) CERTIFIED INVESTMENT INFORMATION

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Management has obtained certifications from American Trust Company, a qualified institution, as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information is complete and accurate. The following is a summary of the information included in the Plan's financial statements and supplemental schedule that was obtained from data prepared and certified to as complete and accurate by a qualified institution.
