Independent Auditor's Report

Plan Administrator and Those Charged with Governance
Rausch Companies Retirement Savings Plan
Fayetteville, Arkansas

Scope and Nature of the ERISA Section 103(a)(3)(C)

We have performed audits of the financial statements of Rausch Companies Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Rausch Coleman Homes Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Rausch Companies Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rausch Companies Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rausch Companies Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rausch Companies Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters -- Supplemental Schedules Required by ERISA

The supplemental schedule of schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Summary of Significant Plan Provisions

The following description of the Rausch Companies Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreements for a more complete description of the Plan’s provisions.

- a. **General** – The Plan is a defined contribution plan for the benefit of employees of Rausch Services Group, Inc. (the “Company” or “Employer”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

The Plan is administered by a committee, which serves as the Plan trustee. Minnesota Life Insurance Company (the Custodian) holds the Plan assets. Standard Insurance Company maintains the records of the participant data.

Effective October 18, 2022, the Standard acquired Securian Financial retirement plan recordkeeping business (the Securian). The Plan continued to operate on Securian’s platform until the end of the first quarter of 2024 the recordkeeping was transformed to the Standard.

Effective February 10, 2025, the Plan sponsor sold a portion of the Company that resulted in a partial plan termination.

Effective April 1, 2025, the Plan was amended to no longer allow the participating employer, New Land Title, LLC to participate in the Plan.

Effective June 1, 2025, the Plan was amended to change the name of the Plan to Rausch Companies Retirement Savings Plan.

- b. **Eligibility** – Employees, who are not a nonresident alien, collective bargained, intern, or leased employee, are eligible to participate in the Plan upon two months of service and attaining age 21. Plan entry dates are the first day of the month following the date the eligibility requirements are met. Participants are automatically enrolled into the Plan at 6%.
- c. **Contributions** – Participants may contribute through pre-tax and Roth deferrals, as well as rollover contributions. Participants can defer up to the limits set forth by the Internal Revenue Service (“IRS”). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Plan allows a QACA safe-harbor matching contribution at 100% of participant contributions up to 5% of plan compensation. The contributions are made each pay period with a true up at the end of the year. The true up for 2025 net of forfeitures utilized is recorded as a receivable as of December 31, 2025, for \$45,627. Employer contributions are subject to certain limitations by the Internal Revenue Service.

The Plan allows the Employer to make discretionary matching contributions. During the year ended December 31, 2025, no employer matching contributions were made.

See independent auditor’s report.

1. Summary of Significant Plan Provisions (cont.)

Additional amounts may be contributed by the Company under the Plan's profit-sharing contribution provisions at the discretion of the Company's board of directors. During the year ended December 31, 2025, no profit-sharing contributions were made.

Participants direct the investment of their contributions into various investment options offered by the Plan.

- d. **Participant accounts** – Each participant's account is credited with the participant's contributions, employer matching contributions, and allocations of employer profit sharing contributions and Plan earnings. Participant accounts are reduced with applicable withdrawals and an allocation of any administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- e. **Vesting** – Participants are fully vested in their own contributions, safe-harbor matching contributions, and fixed matching contributions plus actual earnings thereon. Employer discretionary matching and profit-sharing contributions shall be fully vested upon death, disability, or upon reaching normal retirement age of 65. If participants terminate employment for any other reason, they are entitled to the portion of discretionary contributions made by the Employer according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%

5	80%
6 or more	100%

The Plan allows for safe harbor QACA contributions to be fully vested upon 2 years of service.

- f. **Notes receivable from participants** – Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of the vested account balance or \$50,000. Note terms cannot exceed five years unless the note is for the purchase of a primary residence. The note is secured by the participant's vested account balance and bears interest based on prime rate plus 1% on the date of origination. Principal and interest are paid directly to the provider from the participant.

1. Summary of Significant Plan Provisions (cont.)

- g. **Payment of benefits** – Upon retirement, termination of employment, or disability, a participant or beneficiary in the event of death, may elect to receive a payment of benefits in a lump sum amount equal to the value of the participant's vested interest in his or her account. Additionally, a participant may receive an in-service withdrawal from any portion of their account upon the age of 65. If the participant's account balance is equal to or less than \$5,000, the balance will be automatically distributed.

The Plan allows participant permissible withdrawal within 90 days of first automatic deferral.

The Plan allows hardship withdrawals, subject to account balance limits and applicable laws.

- h. **Forfeitures** – The portion of a participant's account to which they are not entitled, as a result of being less than fully vested, shall be forfeited by the participant upon distribution. Forfeitures shall be used to reinstate previously forfeited account balances of participants, to reduce employer contributions, or pay plan expenses. During the Plan year ended December 31, 2025, forfeitures of \$62,171 were used to pay administrative expenses and \$40,408 was used to reduce the 2024 employer contributions that were paid in 2025. The Plan had \$85,597 and \$29,728 in unallocated forfeitures as of December 31, 2025 and 2024, respectively.
- i. **Termination of the Plan** – Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. The Plan had a partial plan termination in 2025 due to the sale of a portion of the business and these participants became a 100% vested.

2. Summary of Significant Accounting Policies

- a. **Basis of accounting** – The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.
- b. **Use of estimates** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

See independent auditor's report.

2. Summary of Significant Accounting Policies (cont.)

- c. **Investment valuation and income recognition** – Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Plan management determines the Plan's valuation policies utilizing information provided by the Custodian. See Note 4 for discussion on fair value measurements and Note 6 for contract value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Change in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

- d. **Notes receivable from participants** – Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan documents.
- e. **Payment of benefits** – Benefits are recorded when paid.
- f. **Administrative expenses** – The Plan allows certain administrative expense to be paid from Plan assets.

3. Investments Certified by the Plan's Custodian

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified by the Custodian of the Plan as complete and accurate, and was not subject to any audit procedures, except for comparing the information with the related information included in the financial statements and supplemental schedule of assets held:

- a. Investments and notes receivable from participants as shown in the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024.
- b. Net appreciation in fair value of investments as shown in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2025.
- c. Interest and dividends from investments and interest income on notes receivable from participants as shown in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2025.
- d. All the investment information included in the footnotes and supplemental schedule of assets held as of December 31, 2025.

4. Fair Value Measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value is categorized based on a hierarchy that gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets, unrestricted assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means for substantially the full term of the assets or liabilities

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There has been no changes in the methodologies used at December 31, 2025 and 2024. During the year ended December 31, 2025, there were no transfers of financial instruments into or out of Level 3.

The following is a description of the valuation methodologies used for assets measured at fair value:

Pooled Separate Accounts: These investments are stated at fair value as determined by the issuer of the pooled separate accounts based on the fair market value of the underlying investments, which is valued at Net asset value (NAV) of units of the pooled separate accounts. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the investments for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

See independent auditor's report.

Notes to the Financial Statements

December 31, 2025 and 2024

4. Fair Value Measurements (cont.)

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments measured at fair value on a recurring basis consisted of the following types of instruments as of December 31, 2025 and 2024:

	Fair Value Measurements as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Total investment in fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments measured at NAV*				\$ 27,625,852
Total investments at fair value				\$ 27,625,852

	Fair Value Measurements as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Total investment in fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments measured at NAV*				\$ 33,375,723
Total investments at fair value				\$ 33,375,723

*In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation for the fair value hierarchy to the line items presented on the statements of net assets available for benefits.

See independent auditor's report.

5. Investments Measured Using the Net Asset Value (NAV) per Share as a Practical Expedient

The following table summarizes investments measured at fair value based on NAV per share as a practical expedient as of December 31, 2025 and 2024.

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
<u>December 31, 2025</u>				
Pooled separate accounts	\$ 27,625,852	None	Daily	None
<u>December 31, 2024</u>				
Pooled separate accounts	\$ 33,375,723	None	Daily	None

6. Fully Benefit-Responsive Investment Contracts

In 2020, the Plan entered a fully benefit responsive investment contract with Minnesota Life Insurance Company (Minnesota Life). Minnesota Life maintains the contributions in a general account. Minnesota Life is contractually obligated to repay the principal and a specific interest rate that was guaranteed to the Plan.

The investment contract is presented on the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by Minnesota Life, represents contributions made under the contract, plus interest and transfers into the account, less participant withdrawals, administrative expenses, and transfers out of the account. Participants may direct the withdrawal or transfer out all or a portion of their investment at contract value to non-competing fixed funds, without redemption requirements.

The contract has no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. The crediting rate will not be lower than 0.25% and is reviewed on a quarterly basis for resetting. As of December 31, 2025, the crediting rate was 2.88%.

Certain events limit the ability of the Plan to transact at contract value with the contract issuer:

- Plan termination
- Discontinuance of the investment option

See independent auditor's report.

RAUSCH COMPANIES RETIREMENT SAVINGS PLAN

Notes to the Financial Statements

December 31, 2025 and 2024

6. **Fully Benefit-Responsive Investment Contracts (cont.)**

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value:

- The Plan is no longer deemed to be a qualified plan under the IRS.
- Plan termination
- Discontinuance of the investment option
- Amendments or modifications to the Plan documents
- Change in investment options to a competing fund

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with Minnesota Life and that also would limit the ability of the Plan to transact at contract value with the Participants.

Minnesota Life does not allow transfers from the general account to any competing investment option. Also, transfers will not be allowed from any separate account to any competing investment option within 90 days following a transfer out of the general account.

7. **Related Party and Party-in-Interest Transactions**

Certain administrative expenses, totaling \$15,500, were paid by the Company on behalf of the Plan for the year ended December 31, 2025. The Company does not expect reimbursement from the Plan for these expenses. Certain administrative functions are performed by officers and employees of the Company. No officer or employee receives compensation from the Plan for these services.

All the Plan's pooled separate and fully benefit-responsive investment contract accounts are issued by the current custodian. These transactions qualify as party-in-interest transactions under ERISA. Certain fees incurred by the Plan are included in net appreciation in fair value of investments. The Plan also made direct payments to service providers that are included in administrative expenses on the statement of changes in net assets available for benefits.

8. **Tax Status**

The Company adopted a Non-standardized Profit-Sharing prototype Plan (the "Prototype Plan") sponsored by Minnesota Life Insurance Company. The Internal Revenue Service has informed the Prototype Plan sponsor by a favorable opinion letter dated June 30, 2020, that the Prototype Plan is designed in accordance with the applicable sections of the Internal Revenue Code (the "Code"). The Prototype Plan's opinion letter is being relied on by the Plan. Plan management believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

See independent auditor's report.

Notes to the Financial Statements

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported on the statements of net assets available for benefits.

The Plan is invested in the Minnesota Life Insurance Company iShares S&P 500 Index that has a concentration of 49% of total investments at fair value at December 31, 2025. The Plan was invested in the Minnesota Life Insurance Company Securian AM S&P 500 Index that had a concentration of 48% of total investments at fair value at December 31, 2024. The Plan is invested in the Minnesota Life Nuveen International Equity Index that has a concentration of 21% of total investments at fair value at December 31, 2025 and 2024, respectively.

10. Form 5500 Reconciliation

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31:

	<u>2025</u>	<u>2024</u>
Net assets available for benefits per the financial statements	\$ 29,983,210	\$37,558,220

10. Form 5500 Reconciliation (cont.)

The notes receivable of \$129,568 are loans that have been deemed that are reported on the financial statements as an outstanding loan until a distributable event.

11. Subsequent Events

Effective June 22, 2026, the Plan was amended to allow participants to invest in self-brokerage accounts.

Management of the Plan evaluated the events and transactions subsequent to its December 31, 2025, statement of net assets available for benefits and determined there were no other significant events to report through July 29, 2026, which is the date the Plan issued its financial statements.
