INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Calendly 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Calendly 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Calendly 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be

independent of Calendly 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Calendly 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Calendly 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Calendly 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CALENDLY 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the Calendly 401(k) Plan(the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General –

The Plan is a defined contribution plan covering substantially all employees of Calendly, LLC (the Company) as defined in the Plan agreement, who are at least age 18. Employees covered by a collective bargaining agreement, nonresident aliens and interns are excluded from participating in the Plan. The Plan is subject to the provisions of the Internal Revenue Code of 1986, as amended (the Code) and the Employee Retirement Income Security Act of 1974 (ERISA). The Retirement Plan Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Company's Board of Directors.

Contributions –

Each year, participants may contribute up to 100% of their eligible compensation, on a pre-tax or after-tax Roth basis, subject to the maximum amount allowed by the Code. Effective February 1, 2025, participants may also elect to make non-deductible after-tax Employee contributions. After-tax employee contributions are subject to the same Plan eligibility, compensation definition, investment, and distribution provisions as other employee deferrals and, together with all other contributions made on a participant's behalf, are counted toward the applicable annual contribution limits under the Code.

The Plan has an automatic enrollment provision, whereby all newly eligible employees will be automatically enrolled in the Plan, unless they make an affirmative election not to participate in the Plan. Automatically enrolled participants will have their pre-tax deferral rate set at 4% of eligible compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Effective January 1, 2025, the Plan also permits super catch-up contributions for participants who attain ages 60 through 63 during the year, subject to the higher catch-up limit under the Code. With the approval of the plan administrator, participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company, at its discretion, may elect to make matching contributions to the Plan. For the Plan years ended December 31, 2025 and 2024, discretionary matching contributions totaled \$2,985,778 and \$3,396,393, respectively.

The Company, at its discretion, may also make nonelective contributions to the Plan. Nonelective contributions are allocated based on the ratio of the participant's compensation to the compensation of all eligible participants. Employees must be employed as of the last day of the plan year to be eligible for any nonelective contributions. For the years ended December 31, 2025 and 2024, the Company elected not to make a nonelective contribution. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

CALENDLY 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts –

Each participant's account is credited with the participant's contribution, the Company's discretionary matching contribution, an allocation of the Company's discretionary nonelective contribution and actual earnings thereon. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting –

Participants are immediately 100% vested in all contributions, plus actual earnings thereon.

Notes Receivable from Participants –

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are required to be repaid within five years unless the loan is to be used for the purchase of a primary residence in which case the note may be repaid within a period of no more than ten years. Participants may have only one loan outstanding at any time. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits –

Upon termination of service, retirement, disability or death, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in their account. Effective November 1, 2024, partial withdrawals and installment payments are permitted. A participant may withdraw from their rollover account at any time. A participant may also request an in-service withdrawal of all or any portion of their vested account balance upon attainment of age 59 ½. If a participant's account balance is greater than \$1,000 but equal to or less than \$7,000, the plan administrator can automatically rollover your entire vested account balance into a traditional individual retirement account (IRA). If a participant's account balance is less than \$1,000, the plan administrator can distribute the entire balance in a lump sum amount.

Hardship withdrawals are available from a participant's account balance, with a minimum amount of \$500, in order to meet a participant's immediate and heavy financial need, as defined in the Plan document.

Forfeitures –

Since participants are immediately vested in all contributions, forfeitures generally result only from excess Company contributions forfeited from participants' accounts upon identification. Forfeitures are used to reduce future Company contributions or pay administrative expenses of the Plan. At December 31, 2025 and 2024, the Plan had available forfeitures of \$2,128 and \$543, respectively. During the year ended December 31, 2025, the Plan used \$182 of forfeitures to pay administrative expenses and did not use any forfeitures to reduce Company matching contributions. During the year ended December 31, 2024, no forfeitures were used to pay administrative expenses; however, the Plan used \$60,167 of forfeitures to reduce Company matching contributions.

NOTES TO FINANCIAL STATEMENTS**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting –

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates –

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition –

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisor and custodian.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants –

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. The Plan does not record an allowance for credit losses on notes receivable from participants because the credit loss guidance in ASC 326 does not apply to loans made to participants by defined contribution employee benefit plans. Delinquent notes receivable from participants, if applicable, are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits –

Benefits are recorded when paid.

Administrative Expenses –

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Under the terms of the Plan's revenue sharing agreement, the Plan has a Revenue Credit Program (RCP) whereby any excess revenues that exceed the administrative expenses for the plan year may be applied to pay future administrative expenses of the Plan or allocated to the accounts of participants on a pro rata basis. As of December 31, 2025 and 2024, the RCP account had an available balance of \$18,824 and \$22,088, respectively. During the years ended December 31, 2025 and 2024, the Plan paid expenses totaling \$4,070 and \$0, respectively, from the RCP account.

**CALENDLY 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Date of Management's Review –

The Plan has evaluated subsequent events through July 16, 2026, the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025.

Mutual funds:

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

CALENDLY 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

3. FAIR VALUE MEASUREMENTS (Continued)

Common collective trust:

Valued using the NAV provided by the trustee or custodian of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to delay withdrawal up to 12 months from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There were no unfunded commitments as of December 31, 2025 and 2024.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value.

Assets at Fair Value as of December 31, 2025				
Description	Level 1	Level 2	Level 3	Total
Mutual funds:	\$ 47,309,776	\$ -	\$ -	\$ 47,309,776

Investments, at fair value	<u>\$ 38,214,957</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 39,123,377</u>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

There were no transfers to or from Levels 1, 2, and 3 during the years ended December 31, 2025 and 2024.

**CALENDLY 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS**

4. INFORMATION PREPARED AND CERTIFIED BY PLAN'S CUSTODIAN

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held and notes receivable from participants at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the custodian of the Plan.

5. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

6. TAX STATUS

The Plan has adopted a volume submitter profit sharing plan and relies on the volume submitter plan sponsor's favorable opinion letter from the IRS dated June 30, 2020, in which the IRS stated that the volume submitter plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has not applied for a determination letter from the IRS specific for the Plan. The Plan has been amended since the date of the opinion letter. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained up on examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would remain 100% vested in their accounts.

8. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions.

**CALENDLY 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS**

8. PARTY-IN-INTEREST TRANSACTIONS (Continued)

The Plan also participates in a revenue sharing agreement with the custodian. This revenue is used to offset certain amounts owed for administrative services to the Plan. Any excess revenues remaining may be allocated to the accounts of participants.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Calendly 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Calendly 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Calendly 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be

independent of Calendly 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Calendly 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Calendly 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Calendly 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CALENDLY 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the Calendly 401(k) Plan(the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General –

The Plan is a defined contribution plan covering substantially all employees of Calendly, LLC (the Company) as defined in the Plan agreement, who are at least age 18. Employees covered by a collective bargaining agreement, nonresident aliens and interns are excluded from participating in the Plan. The Plan is subject to the provisions of the Internal Revenue Code of 1986, as amended (the Code) and the Employee Retirement Income Security Act of 1974 (ERISA). The Retirement Plan Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Company's Board of Directors.

Contributions –

Each year, participants may contribute up to 100% of their eligible compensation, on a pre-tax or after-tax Roth basis, subject to the maximum amount allowed by the Code. Effective February 1, 2025, participants may also elect to make non-deductible after-tax Employee contributions. After-tax employee contributions are subject to the same Plan eligibility, compensation definition, investment, and distribution provisions as other employee deferrals and, together with all other contributions made on a participant's behalf, are counted toward the applicable annual contribution limits under the Code.

The Plan has an automatic enrollment provision, whereby all newly eligible employees will be automatically enrolled in the Plan, unless they make an affirmative election not to participate in the Plan. Automatically enrolled participants will have their pre-tax deferral rate set at 4% of eligible compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Effective January 1, 2025, the Plan also permits super catch-up contributions for participants who attain ages 60 through 63 during the year, subject to the higher catch-up limit under the Code. With the approval of the plan administrator, participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company, at its discretion, may elect to make matching contributions to the Plan. For the Plan years ended December 31, 2025 and 2024, discretionary matching contributions totaled \$2,985,778 and \$3,396,393, respectively.

The Company, at its discretion, may also make nonelective contributions to the Plan. Nonelective contributions are allocated based on the ratio of the participant's compensation to the compensation of all eligible participants. Employees must be employed as of the last day of the plan year to be eligible for any nonelective contributions. For the years ended December 31, 2025 and 2024, the Company elected not to make a nonelective contribution. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

CALENDLY 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts –

Each participant's account is credited with the participant's contribution, the Company's discretionary matching contribution, an allocation of the Company's discretionary nonelective contribution and actual earnings thereon. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting –

Participants are immediately 100% vested in all contributions, plus actual earnings thereon.

Notes Receivable from Participants –

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are required to be repaid within five years unless the loan is to be used for the purchase of a primary residence in which case the note may be repaid within a period of no more than ten years. Participants may have only one loan outstanding at any time. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits –

Upon termination of service, retirement, disability or death, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in their account. Effective November 1, 2024, partial withdrawals and installment payments are permitted. A participant may withdraw from their rollover account at any time. A participant may also request an in-service withdrawal of all or any portion of their vested account balance upon attainment of age 59 ½. If a participant's account balance is greater than \$1,000 but equal to or less than \$7,000, the plan administrator can automatically rollover your entire vested account balance into a traditional individual retirement account (IRA). If a participant's account balance is less than \$1,000, the plan administrator can distribute the entire balance in a lump sum amount.

Hardship withdrawals are available from a participant's account balance, with a minimum amount of \$500, in order to meet a participant's immediate and heavy financial need, as defined in the Plan document.

Forfeitures –

Since participants are immediately vested in all contributions, forfeitures generally result only from excess Company contributions forfeited from participants' accounts upon identification. Forfeitures are used to reduce future Company contributions or pay administrative expenses of the Plan. At December 31, 2025 and 2024, the Plan had available forfeitures of \$2,128 and \$543, respectively. During the year ended December 31, 2025, the Plan used \$182 of forfeitures to pay administrative expenses and did not use any forfeitures to reduce Company matching contributions. During the year ended December 31, 2024, no forfeitures were used to pay administrative expenses; however, the Plan used \$60,167 of forfeitures to reduce Company matching contributions.

CALENDLY 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting –

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates –

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition –

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisor and custodian.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants –

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. The Plan does not record an allowance for credit losses on notes receivable from participants because the credit loss guidance in ASC 326 does not apply to loans made to participants by defined contribution employee benefit plans. Delinquent notes receivable from participants, if applicable, are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits –

Benefits are recorded when paid.

Administrative Expenses –

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Under the terms of the Plan's revenue sharing agreement, the Plan has a Revenue Credit Program (RCP) whereby any excess revenues that exceed the administrative expenses for the plan year may be applied to pay future administrative expenses of the Plan or allocated to the accounts of participants on a pro rata basis. As of December 31, 2025 and 2024, the RCP account had an available balance of \$18,824 and \$22,088, respectively. During the years ended December 31, 2025 and 2024, the Plan paid expenses totaling \$4,070 and \$0, respectively, from the RCP account.

**CALENDLY 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Date of Management's Review –

The Plan has evaluated subsequent events through July 16, 2026, the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025.

Mutual funds:

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

CALENDLY 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

3. FAIR VALUE MEASUREMENTS (Continued)

Common collective trust:

Valued using the NAV provided by the trustee or custodian of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to delay withdrawal up to 12 months from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There were no unfunded commitments as of December 31, 2025 and 2024.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value.

Assets at Fair Value as of December 31, 2025				
Description	Level 1	Level 2	Level 3	Total
Mutual funds:	\$ 47,309,776	\$ -	\$ -	\$ 47,309,776
Total investments in the fair value hierarchy	47,309,776	-	-	47,309,776

Investments, at fair value	<u>\$ 47,309,776</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 48,405,397</u>

Assets at Fair Value as of December 31, 2024				
Description	Level 1	Level 2	Level 3	Total
Mutual funds:	\$ 38,214,957	\$ -	\$ -	\$ 38,214,957
Total investments in the fair value hierarchy	38,214,957	-	-	38,214,957

Investments, at fair value	<u>\$ 38,214,957</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 39,123,377</u>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

There were no transfers to or from Levels 1, 2, and 3 during the years ended December 31, 2025 and 2024.

CALENDLY 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

4. INFORMATION PREPARED AND CERTIFIED BY PLAN'S CUSTODIAN

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held and notes receivable from participants at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the custodian of the Plan.

5. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

6. TAX STATUS

The Plan has adopted a volume submitter profit sharing plan and relies on the volume submitter plan sponsor's favorable opinion letter from the IRS dated June 30, 2020, in which the IRS stated that the volume submitter plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has not applied for a determination letter from the IRS specific for the Plan. The Plan has been amended since the date of the opinion letter. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained up on examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would remain 100% vested in their accounts.

8. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions.

CALENDLY 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

8. PARTY-IN-INTEREST TRANSACTIONS (Continued)

The Plan also participates in a revenue sharing agreement with the custodian. This revenue is used to offset certain amounts owed for administrative services to the Plan. Any excess revenues remaining may be allocated to the accounts of participants.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	December 31,	
	2025	2024
Net assets available for benefits per the financial statements	\$ 48,964,884	\$ 39,581,249
Employer contributions receivable not reported on Form 5500	(229,793)	(232,131)
Net assets available for benefits per the Form 5500	<u>\$ 48,735,091</u>	<u>\$ 39,349,118</u>

The following is a reconciliation of the net increase per the financial statements to Form 5500:

	Years Ended December 31,	
	2025	2024
Net increase per the financial statements	\$ 9,383,635	\$ 12,107,505
Current year Employer contributions receivable not reported on Form 5500	(229,793)	(232,131)
Prior year Employer contributions receivable not reported on Form 5500	232,131	211,382
Net increase per the Form 5500	<u>\$ 9,385,973</u>	<u>\$ 12,086,756</u>
