Independent Auditor's Report

To the 401(k) Investment Committee
Atlas Roofing Corporation 401(k) Profit Sharing Plan for Bargaining Unit Employees
Meridian, Mississippi

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Atlas Roofing Corporation 401(k) Profit Sharing Plan for Bargaining Unit Employees (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The ERISA-required Supplemental Schedule H, line 4i- Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the

financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Atlas Roofing Corporation 401(k) Profit Sharing Plan for Bargaining Unit Employees

Notes to Financial Statements

1. Description of the Plan

The following brief description of Atlas Roofing Corporation 401(k) Profit Sharing Plan for Bargaining Unit Employees (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan available to all hourly bargaining unit employees of Atlas Roofing Corporation (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participation

Eligibility is dependent upon the location of the employee. Employees are generally eligible to enter the Plan on the first day of the week in which they will complete the probationary period for their location. The probationary period for each location is as follows:

Probational Location	Period
Meridian, Mississippi	90 days
Ardmore, Oklahoma	90 days
Daingerfield, Texas	90 days
Franklin, Ohio	90 days
Hampton, Georgia	60 days

Participant Contributions, Rollovers and Transfers

Each year, employees elect participation in the Plan by making a compensation deferral not to exceed 70 percent of total annual compensation, subject to regulatory limitations. The Plan allows pre-tax and after-tax (Roth) contributions into the Plan. An additional catch-up contribution is also allowed for the year if an employee reaches age 50 by the end of the Plan year. Participants direct the investment of their contributions into various investment options offered by the Plan, which they may change daily. Participants may also transfer certain vested account balances to or from other qualified benefit plans, subject to regulatory requirements. Transfers to and from the Plan represent transfers to and from other qualified plans within the controlled group. Rollovers represent transfers from qualified plans not sponsored by entities within the controlled group. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set as 5 percent of eligible compensation and their contributions invested in a designated fund until changed by the participant.

Company Contributions

For participants of the Meridian, Mississippi location, the Company contributions are 100 percent of participant compensation deferrals not to exceed 4.75 percent of compensation.

Atlas Roofing Corporation 401(k) Profit Sharing Plan for Bargaining Unit Employees

Notes to Financial Statements

For participants of the Ardmore, Oklahoma location, the Company contributes 3.50 percent of compensation on all hours worked each pay period. The Company also matches 25 percent of each dollar for the first 2 percent of participant contributions.

For participants of the Daingerfield, Texas location, the Company contributes 4.00 percent of compensation on all hours worked each pay period. The Company also matches 25 percent of each dollar for the first 4 percent of participant contributions.

For participants of the Franklin, Ohio location, the Company contributes 3.75 percent of compensation on all hours worked each pay period. The Company also matches 25 percent of each dollar for the first 4 percent of participant contributions.

For participants of the Hampton, Georgia location, the Company contributes 3.00 percent of compensation on all hours worked each pay period. The Company also matches 25 percent of each dollar for the first 4 percent of participant contributions.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's contributions, as well as allocations of the Plan earnings or losses and charged with an allocation of administrative expenses. Allocations are based on participant earnings and losses or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

At the Meridian, Mississippi location, participants' interests in Company contributions, including allocated earnings or losses thereon, are fully vested after three years of credited service, as defined. At all other locations, participants' interest in Company contributions, including allocated earnings or losses thereon, vest according to the following schedule:

Vesting Service	Interest Vested
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Participant contributions, including allocated earnings or losses thereon, are fully vested at all times.

Atlas Roofing Corporation 401(k) Profit Sharing Plan for Bargaining Unit Employees

Notes to Financial Statements

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of (a) \$50,000 (reduced by the highest outstanding loan balance) or (b) the greater of 50 percent of their vested account balances (reduced by any outstanding loan balance) or \$10,000 (reduced by any outstanding loan balance). Note terms range from one to five years, unless used for the purchase of a principal residence, and are collateralized by the participant's account balance.

The notes bear interest at a rate that ranges from 2.25 percent to 7.50 percent for the years ended December 31, 2025 and 2024. Loan interest rates are set to commensurate with the rates available for bank loans of comparable risk with similar terms and durations. Principal and interest payments are made through periodic payroll deductions.

Payment of Benefits

Benefits are generally payable on termination, retirement, death or disability. Benefits may be paid either by a lump-sum amount equal to the value of the participants' vested interest or periodic payments over an actuarially determined period or rolled over into a qualified plan subject to regulatory requirements. After attaining age 59 ½ a participant may elect to receive an in-service distribution for all or a portion of his or her vested balance. Hardship distributions are also available from participants' elective deferral accounts, excluding income earned on such deferrals as defined by the Plan document, subject to regulatory requirements.

Forfeitures

Forfeitures, which result from participants withdrawing from the Plan prior to vesting in Company contributions, are first applied to reduce Company contributions and then to pay administrative expenses under the Plan which would otherwise be paid by the Company. Forfeited nonvested accounts as of December 31, 2025 and 2024 were \$8,370 and \$103,272, respectively. Forfeited amounts applied during 2025 and 2024 were \$353,181 and \$59,337, respectively.

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities and changes therein. Actual results could differ from those estimates.

Atlas Roofing Corporation 401(k) Profit Sharing Plan for Bargaining Unit Employees

Notes to Financial Statements

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded for on a trade-date basis. Dividends are recorded on the ex-dividend date. Realized and unrealized gains and losses in the Plan's investments are included in net appreciation of investments in the statements of changes in net assets available for benefits.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses of the Plan, to the extent that the Company does not pay such expenses, are paid by the Plan. Expenses that are paid by the Company are excluded from the financial statements. Expenses that relate solely to a specific participant are assessed against such participant as provided in the Plan document.

3. Information Certified and Provided by Principal Life Insurance Company and Principal Trust Company

The following is a summary of the Plan's asset information as of December 31, 2025 and 2024, and for the years ended December 31, 2025 and 2024, included throughout the Plan's financial statements and ERISA-required supplemental schedules, obtained by management and agreed to or derived from information certified as complete and accurate by Principal Life Insurance Company and Principal Trust Company (collectively, Principal), a qualified institution:

<i>December 31,</i>	2025		2024

Pooled separate accounts		-		107,871
Collective investment trusts		30,444,832		28,202,495
Total Investments, at fair value	\$	34,951,555	\$	32,487,844

Atlas Roofing Corporation 401(k) Profit Sharing Plan for Bargaining Unit Employees

Notes to Financial Statements

Notes receivable totaling \$1,902,147 and \$1,640,495 for the years ended December 31, 2025 and December 31, 2024, respectively, related to the Plan, were certified by Principal to be complete and accurate.

Principal also certified to the completeness and accuracy of \$3,950,349 and \$2,891,986 of net appreciation in fair value of investments and \$61,087 and \$55,440 of dividends related to the aforementioned assets for the years ended December 31, 2025 and 2024, respectively.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under Accounting Standards Codification (ASC) Topic 820 are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include:
 - quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded (Level 1).

Pooled separate accounts: Pooled separate accounts held by the Plan are invested in domestic and international stocks, mutual funds or fixed securities. These are primarily valued at NAV per share based on quoted market prices of the underlying investments (Level 2).

Atlas Roofing Corporation 401(k) Profit Sharing Plan for Bargaining Unit Employees

Notes to Financial Statements

Collective investment trusts: Valued at the NAV of units of the collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. All Common/Collective Trusts are direct filing entities. The collective investments trusts include the Principal Stable Value Z Fund (Fund), Large-Cap Growth (W Series) Class G, and Principal LifeTime Hybrid Collective Investment Trusts (CITs).

The Fund invests in conventional, synthetic and separate account investment contracts issued by life insurance companies, banks and other financial institutions. The objective of the Fund is to provide preservation of capital and relatively stable returns. The Fund is valued at NAV, as reported by investment managers of the Fund and is supported by unit prices of actual purchase and sale transactions occurring as of or close to the financial statement date resulting in a readily determinable fair value. Participant transactions and redemptions (purchases and sales) may occur daily.

Withdrawals, other than for benefit payments and participant transfers to noncompeting options, require twelve month advanced notice. As of December 31, 2025 and 2024, there were no unfunded commitments.

CITs invest in a collective trust fund as well as a variety of separate accounts and mutual funds that seek total return consisting of long-term growth of capital and current income, consistent with the investment strategy of an investor with a specific target retirement date. These are valued at NAV per unit held by the Plan at year-end as reported by the custodians, which is based on the fair value of the underlying investments held by the fund less its liabilities.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

2025		Level 1	Level 2	Level 3	Total
Mutual funds	\$	4,506,723	\$ -	\$ -	4,506,723
Total Investments, in the fair value hierarchy	\$	4,506,723	\$ -	\$ -	4,506,723
Investments, measured at NAV*					30,444,832
Total Investments, at fair value				\$	34,951,555

2024		Level 1	Level 2	Level 3	Total
Mutual funds	\$	4,177,478	\$ -	\$ -	4,177,478
Pooled separate accounts		-	107,871	-	107,871

- * Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

5. Related Party Transactions and Party-In-Interest Transactions

Certain Plan investments are units or shares of pooled separate accounts and collective investment trusts managed by Principal, the custodian of the Plan. Consequently, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for management services totaled \$38,605 and \$33,654 for the years ended December 31, 2025 and 2024, respectively.

6. Plan Termination

Although the Company has not expressed any intent to terminate the Plan agreement, it may do so at any time subject to the provisions of ERISA. In the event of Plan termination, the accounts of all participants would become fully vested and the assets of the Plan, after payment of expenses, would be distributed to the participants.

7. Income Tax Status

The Plan has adopted a volume submitter plan sponsored by Principal. The volume submitter plan provider has received an advisory letter from the Internal Revenue Service as the volume submitter plan's qualified status. The volume submitter plan advisory letter has been relied upon by the Plan. The Plan has been amended since the volume submitter plan received the advisory letter. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Atlas Roofing Corporation 401(k) Profit Sharing Plan for Bargaining Unit Employees

Notes to Financial Statements

8. Risks and Uncertainties

The Plan's investments include funds which invest in various types of investment securities. Investment securities are exposed to several risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Subsequent Events

The Plan has evaluated subsequent events through July 23, 2026, the date these financial statements were available to be issued.
