Independent Auditors' Report

To the Plan Administrator

West Fraser, Inc. 401(k) Plan for Collectively Bargained Employees

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of West Fraser, Inc. 401(k) Plan for Collectively Bargained Employees (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

For the Years Ended December 31, 2025 and 2024

NOTE 1 - DESCRIPTION OF PLAN

The following description of West Fraser, Inc. 401(k) Plan for Collectively Bargained Employees (the "Plan") provides only general information. Participants should refer to the Plan document and the Summary Plan Description for a more complete description of the Plan's provisions, which are available from the plan administrator.

GENERAL

The Plan is a defined contribution plan available to all employees of West Fraser, Inc., including wholly-owned subsidiaries as identified in the Plan document (collectively, the "Company"), who are covered by any collective bargaining agreement with the employer, except for leased employees and participants in another defined contribution plan sponsored by the Company. Employees are eligible to enroll in the plan on the first day of the month following the completion of 30 days of continuous employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan Committee is responsible for oversight of the Plan. The Plan Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

The Plan was amended, effective January 1, 2022, to change the Plan name from "West Fraser, Inc. Hourly Savings Plan" to "West Fraser, Inc. 401(k) Plan for Collectively Bargained Employees".

CONTRIBUTIONS

Participants' contributions may be pre-tax or Roth up to eighty-five (85%) percent of their annual eligible compensation, as defined in the Plan, subject to Internal Revenue Service (IRS) limitations. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at five percent (5%) pre-tax of eligible compensation. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Additionally, participants age 50 or older who are making contributions to the Plan are allowed to make catch-up contributions as defined in the Plan.

The Company makes matching contributions of fifty percent (50%) of the first five percent (5%) of participant contributions.

The Company also makes retirement contributions for each eligible participant based upon their hired or rehired dates, as defined by the Plan document, of two and one half percent (2.5%) of the participant's eligible compensation.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

PARTICIPANT INVESTMENT ACCOUNT OPTIONS

The Plan allows participants to direct their contributions and account balances among the different investment options offered by Fidelity Management Trust Company (Fidelity).

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and the Company's matching and retirement contributions, plus a proportionate interest in the investment earnings or losses of the funds in which the contributions are invested. Participant accounts are charged with an allocation of certain administrative expenses that are based upon the participant earnings, account balances, or specific participant transactions, as defined by the plan document. All other administrative expenses are paid by the Plan sponsor. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their contributions plus earnings and losses thereon. Participants vest in the Company's matching and retirement contributions and related earnings and losses based upon years of service. A participant is 100% vested after three (3) years of credited service. In the event of death, disability, normal retirement age (65), or if the Plan is discontinued, participants become 100% vested in all account balances.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow up to the lesser of \$50,000 or 50% of their vested account balance. The minimum amount that can be borrowed is \$1,000. The loans are secured by the balance in the participant's account and bear interest at the prime interest rate plus one percent (1%). Principal and interest is repaid ratably through payroll deductions. A participant may have no more than two (2) loans outstanding at any time.

PAYMENT OF BENEFITS

Upon termination of service for any reason, a participant may request to receive the value of the vested interest in his or her account as a distribution in the form of a lump-sum payment or substantially equal installments. Withdrawals by a participant while still employed are limited to those requested due to events of financial hardship as defined by the plan document, withdrawals of voluntary after-tax contributions and rollover contributions, or upon attainment of age 59-1/2. All vested balances less than \$5,000 may be automatically distributed as a lump sum at the discretion of the Company.

FORFEITED ACCOUNTS

If an employee terminates before his or her Company matching and retirement contributions have become fully vested, such unvested portion of the account is forfeited. Participant forfeitures that are not used to pay plan expenses are used to reduce future Company contributions.

TRANSFERS

At times, certain participants will move from this plan to the West Fraser, Inc. 401(k) Plan, a related plan. When these participants transfer between plans, their balances transfer over with them. As a result, during 2025, net transfers from the Plan to the West Fraser, Inc. 401(k) Plan were \$355,919. During 2024, net transfers into the Plan from the West Fraser, Inc. 401(k) Plan were \$67,814. Net transfers are included in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared using the accrual method of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions which affect reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

CONTRIBUTIONS

Contributions from Plan participants and the matching and retirement contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Certain expenses of the Plan are paid by the Company and are not included in the statements of changes in net assets available for benefits. Fees related to the administration of notes receivable from participants are charged directly to the respective participant's account and are included in administrative expenses. Certain investment related expenses are included in net appreciation in fair value of investments.

NOTE 3 - INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and the supplemental schedule is complete and accurate:

- Investments at fair value
- Notes receivable from participants
- Net appreciation in fair value of investments
- Interest and dividend income
- Interest income on notes receivable from participants
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and the supplemental schedule.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described below.

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value common collective trusts: Stable value funds that are composed primarily of fully benefit-responsive investment contracts is valued at the NAV of units of the collective trust. The NAV, as provided by the trustee, is used as practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

**WEST FRASER, INC. 401(k) PLAN
FOR COLLECTIVELY BARGAINED EMPLOYEES**

NOTES TO FINANCIAL STATEMENTS

For the Years Ended December 31, 2025 and 2024

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Pooled separate account: Valued at the NAV of units of the separate account. The NAV, as provided by Fidelity, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments held by the account less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the separate account, the investment advisor reserves the right to temporarily delay withdrawal from the account in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024.

Investments at Fair Value as of December 31, 2025				
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 27,027,465</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 27,027,465</u>
Investments measured at NAV*				<u>1,112,318</u>
Total				<u>\$ 28,139,783</u>

Investments at Fair Value as of December 31, 2024				
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 24,900,167</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 24,900,167</u>
Investments measured at NAV*				<u>1,133,163</u>
Total				<u>\$ 26,033,330</u>

* In accordance with Subtopic 820-10, certain investments that are measured at fair value using the next asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The fair value of the investment in the common collective trust fund and pooled separate account have been estimated using the net asset value of the investment. The pooled separate account is redeemed on a daily basis and does not have any redemption restrictions, except as noted above. Additionally, there are no unfunded commitments.

**WEST FRASER, INC. 401(k) PLAN
FOR COLLECTIVELY BARGAINED EMPLOYEES**

NOTES TO FINANCIAL STATEMENTS

For the Years Ended December 31, 2025 and 2024

NOTE 5 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The Plan investments include certain mutual funds and a pooled separate account held by Fidelity. Fidelity is the trustee and recordkeeper as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. The Plan also pays administrative service fees and investment management fees to Fidelity. Fees paid directly by the Plan for administrative expenses totaled \$50,560 and \$66,240 for the years ended December 31, 2025 and 2024, respectively. The plan sponsor pays directly any other fees related to the Plan's operations.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

NOTE 7 - TAX STATUS

The IRS has determined and informed the Company by a letter dated June 30, 2020 that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrative committee believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through July 29, 2026, which is the date that the financial statements were available to be issued and noted no items requiring disclosure.
