INDEPENDENT AUDITOR'S REPORT

July 27, 2026

To the Trustees and Plan Administrator
Oneta Company Employee Health & Welfare Plan
Corpus Christi, Texas

Opinion

We have audited the accompanying financial statements of Oneta Company Employee Health and Welfare Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of September 30, 2025 and November 30, 2024, and the related statements of changes in net assets available for benefits for the ten-month period ended September 30, 2025 and the year ended November 30, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Oneta Company Employee Health & Welfare Plan as of September 30, 2025 and November 30, 2024, and the changes in its net assets available for benefits for the ten-moth period ended September 30, 2025 and the year ended November 30, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Oneta Company Employee Health & Welfare Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Oneta Company Employee Health & Welfare Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Oneta Company Employee Health & Welfare Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Oneta Company Employee Health & Welfare Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

ONETA COMPANY EMPLOYEE HEALTH & WELFARE PLAN

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2025 AND NOVEMBER 30, 2024

Note 1 – DESCRIPTION OF PLAN

The following description of the Oneta Company Employee Health & Welfare Plan (the Plan) provides only general information about the Plan's provisions. Participants should refer to the plan agreement for a complete description of the Plan's provisions, copies of which may be obtained from the plan sponsor.

General

The Plan provides health benefits to eligible employees of Oneta Company (the Company) who have completed 60 days of service, and covered dependents. The Plan is subject to the provisions of the Employee Retirement Income and Security Act of 1974 (ERISA).

Change in Fiscal Year-End

During the current period, the Company changed the Plan's fiscal year-end from November 30 to September 30 to better align the Plan's financial reporting with the Company's operational and business needs.

Benefits

The Plan provides health benefits (medical, dental, and prescription drugs), life insurance, and accidental death and dismemberment benefits. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Insured Benefits

The Plan fully insures the life insurance benefits (basic, supplemental, and dependent) and the accidental death and dismemberment benefits (basic, supplemental, and spousal). The Company purchases annual insurance contracts for these insured benefits. Premiums for basic life insurance and basic accidental death and dismemberment insurance programs are paid to the insurance company from the general assets of the Company. Premiums for all other insured benefits are paid from the assets of the Plan.

Stop-Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits. The stop-loss insurance arrangement applies to individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims.

Note 1 – DESCRIPTION OF PLAN – (Continuation)

Self-insured Benefits

All plan benefits other than those described in the "Insured Benefits" section above are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processor. The claims processor pays claims directly on behalf of participants and are then reimbursed by the Plan's trust. Despite the Plan's utilization of a third-party claims processor, ultimate responsibility for payments to providers is retained by the Plan.

The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

Contributions

In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. Participants pay the full cost of supplemental and dependent life insurance and supplemental accidental death and dismemberment insurance programs based on the current group rate premium cost. The Company pays the full cost of basic life insurance, basic accidental death and dismemberment insurance, and stop-loss insurance.

Funding of Claims Obligations

The Company funds self-insured claims by transferring amounts to the Plan based on benefit obligations recorded throughout the year. At each year-end, the Plan may request funds from the Company to cover outstanding claims liabilities, including incurred but not reported claims, pharmacy benefit obligations and other amounts due to providers. These requested amounts are reported as a receivable on the accompanying statements of net assets available for benefits.

Note 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared using the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Basis of Presentation

As a result of the change in fiscal year-end described in Note 1, the accompanying financial statements present the statement of net assets available for benefits as of September 30, 2025, and November 30, 2024, and the related statement of changes in net assets available for the ten-month period ended September 30, 2025 and the year ended November 30, 2024. Accordingly, amounts presented for the current period are not directly comparable to amounts presented for the prior period.

Payment of Benefits

Premiums paid by either the Company or the plan trust are recorded as premium payments in the accompanying statement of changes in net assets available for benefits. Claim payments are recorded when paid by the third-party claims processor. Amounts due to the claim processor that have yet to be reimbursed by the Plan are recorded as claims payable in the accompanying statements of net assets available for benefits.

Note 2 – SUMMARY OF ACCOUNTING POLICIES – (Continuation)

Stop-Loss

Premiums for stop-loss insurance are included in premium payments in the accompanying statement of changes in net assets available for benefits. No stop-loss refunds were received in 2025 or 2024.

Refunds

Refunds due from the Plan's PBM are recorded when earned. Refunds due as of the financial statement date have been reported as a claim fund request, with the offset being netted against claims paid. Pharmacy rebates totaling $7,556 and $21,520 for 2025 and 2024, respectively, have been netted with claims paid on the accompanying statement of changes in net assets available for benefits.

Subsequent Events

Management has evaluated subsequent events for the Plan through the date of the independent auditor's report, the date the financial statements were available to be issued. Material subsequent events, if any, are disclosed in a separate footnote to these financial statements.

Note 3 – CONTRIBUTIONS

The Company contributes amounts monthly for their employees who are members of the Plan at a rate which is sufficient to pay reported claims and other expenses when due. Employees may contribute specified amounts determined by coverage elections.

As provided under the Consolidated Omnibus Budget Reconciliation Act (COBRA), terminated employees and their dependents may choose to continue to contribute specified amounts and file claims under the Plan for a limited time.

Note 4 – ADMINISTRATIVE EXPENSES

The Plan pays administrative expenses that consist primarily of administrative fees paid to the third-party claims administrator. These expenses are reported on the statement of changes in net assets available for benefits as administrative fees and expenses. All other administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan.

Note 5 – CLAIMS INCURRED BUT NOT REPORTED

Benefit obligations payable is the approximate outstanding claims liability at the end of the year. Claims incurred but not reported (IBNR) is calculated by determining the average monthly claims expense and applying a claims lag schedule based on the prior two years' experience of the Plan with a 13% increase in the claims trend. Such estimates may be more or less than the amounts ultimately paid when the claims are settled. IBNR at September 30, 2025 and November 30, 2024 was $130,279 and $109,998, respectively. These claims were paid in the subsequent periods.

Note 6 – TAX STATUS

The Plan has established a taxable trust (the Trust) to hold the Plan's net assets. This may require filing a Form 1041, U.S. Income Tax Return for Estates and Trusts. However, returns are not anticipated since taxable income is below the filing limit due to the nature of the Trust's operations.

Note 7 – TERMINATION OF THE PLAN

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to participants, modify the contributions required of participants, discontinue its own contributions at any time, and terminate the Plan, subject to the provisions of ERISA. In the event of termination of the Plan, reasonable notice of discontinuance shall be given to all participating employees as to the date that such benefits and contributions shall cease. The remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on behalf of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

Note 8 – CONCENTRATION

At September 30, 2025 and November 30, 2024, the Plan maintained a cash balance with Frost Bank that exceeded FDIC insured limits by $580,937 and $523,744, respectively. Management believes that the Plan is not exposed to any significant risk related to these accounts.
