INDEPENDENT AUDITORS' REPORT

To the Plan Trustees
Kane Realty Corporation 401(k) Profit Sharing Plan and Trust
Raleigh, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Kane Realty Corporation 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Kane Realty Corporation 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kane Realty Corporation 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kane Realty Corporation 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kane Realty Corporation 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kane Realty Corporation 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KANE REALTY CORPORATION 401(K) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

1. Description of Plan

The following description of Kane Realty Corporation 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information for the Plan sponsored by Kane Realty Corporation (the "Company"). Participants in the Plan should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan became effective on January 1, 2006 as a trustee profit sharing 401(k) salary deferred plan. The Plan covers all employees of the Company who are at least 21 years old, have completed three months of service, and are not union employees or nonresident aliens. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may contribute pre-tax or after-tax compensation, subject to the contribution limits imposed by the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Effective January 1, 2025, the Plan adopted the optional SECURE Act 2.0 provision which increased the catch-up contribution limit for participants aged 60 to 63 to the greater of \$10,000 or 50% more than the regular catch-up amount in 2025. The Company makes discretionary matching contributions equal to 100% of participants' elective deferrals up to 4%. Effective January 1, 2025, the Plan was amended to adopt a safe harbor match whereby elective deferrals are matched up to 4%. The Company may decide to make an additional profit-sharing contribution at the discretion of the Company's Board of Directors but is not required to do so. The Plan also permits rollover contributions from other qualifying retirement plans.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution, and allocations of plan earnings and administrative expenses. Allocations are based on participants' compensation or account balances, as defined. A participant is entitled to the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in the salary reduction amount and the Company's safe harbor match contributed to the Plan. Vesting in the Company's discretionary matching and profit-sharing contribution portion of their accounts is based on the years of continuous service. Participants are fully vested after completing three years of credited service.

Forfeited Accounts

At December 31, 2025, forfeited non-vested accounts totaled \$16,810. Forfeited accounts can be used to reduce the employer match contribution or to pay Plan expenses as permitted by the Plan's provisions. During the year ended December 31, 2025, the Plan used \$11 of forfeited accounts to pay plan expenses.

1. Description of Plan (Continued)

Payment of Benefits

Generally, the participant becomes eligible to receive benefits on their normal retirement age (65), death, disability, termination of employment, or reasons of proven financial hardship. Participants are also eligible to take in-service withdrawals once they attain age 59 ½. For retirement, death or disability, the participant may receive 100% of their account balance in a lump sum, substantially equal installments or partial withdrawals. Participants who terminate their employment will receive their vested account balance under the same options as above.

Hardship Withdrawals

Upon approval by the plan administrator, a participant may withdraw all or part of their elective contributions for immediate and severe financial need. In accordance with Internal Revenue Service ("IRS") regulations, the participant must exhaust all other assets available prior to obtaining the hardship withdrawal.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by the excess of the highest outstanding balance of loans from the Plan during the one-year period ending the day before the loan is made over the outstanding balance of loans from the Plan on the date the loan is made or 50% of their vested account balances. A participant can only have one loan outstanding at a time. The loans are secured by the balance in the participants' accounts and bear interest at a fixed rate of prime plus 1% (7.75% at December 31, 2025) as of the date of the new loan. Principal and interest are paid ratably through payroll deductions. Total notes receivable from participants at December 31, 2025 and 2024 were \$40,213 and \$55,863, respectively.

2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Plan considers all invested cash balances to be cash equivalents.

KANE REALTY CORPORATION 401(K) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

2. Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

All contributions and rollovers are invested at the direction of each participant in any combination of the investment funds offered. Investments are comprised of mutual funds and collective investment trust funds. Fair value of the collective investment trust funds is based on the cost plus credited interest, less expenses, subject to market value adjustment for early termination. See Note 7 for additional discussion of the valuation of the collective investment trust funds. Investments in mutual funds are valued at quoted market prices established in an active market which represent the net asset value of shares held by the Plan at year end.

Purchases and sales of securities are recorded on the trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized and unrealized appreciation and depreciation in value of investments are allocated to the participant accounts based on participant holdings in each fund.

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

Certain plan expenses are paid by the plan sponsor as provided by the plan document. Expenses related to specific participant transactions (notes receivable from participants and distributions) are charged directly to the participant's account.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

3. Federal Income Taxes

The Plan has adopted a Non-Standardized Pre-Approved Profit Sharing plan document. This document received an opinion letter dated June 30, 2020, in which the IRS stated that the document was in compliance with the applicable requirements of the IRC. As allowed by the IRS, the Plan is relying on the opinion letter issued on the plan document for its own qualification. The plan document has been amended for changes required by the IRS since receiving the opinion letter. Plan management believes the Plan is currently designed and operating in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would be sustained upon examination by the applicable authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

4. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in the employer portion of their accounts.

5. Investments

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the accompanying financial statements and supplemental schedule was obtained or derived from information certified as complete and accurate by Voya Institutional Trust Company ("Voya"), the trustee of the Plan, and was not subject to audit for the years ended December 31:

	<u>2025</u>	<u>2024</u>

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.

Level 2 Inputs are based on significant other observable inputs such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs are unobservable and significant to the fair value measurement.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The Plan uses Level 2 inputs when market prices are not attainable but other observable inputs are available to arrive at a fair value, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. There were no Level 2 or 3 investments in the Plan.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end.

KANE REALTY CORPORATION 401(K) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

7. Collective Investment Trust Funds

The Plan invests in various collective investment trust funds ("CITs") maintained and administered by Reliance Trust Company, Northern Trust Investments, Inc., Great Gray Trust Company, John Hancock Investment Management and T. Rowe Price Funds. The CITs sell new units and repurchase outstanding units on a daily basis. The CITs administered by Great Gray Trust Company require the plan sponsor to provide a five-day written notice for withdrawals which will exceed \$1 million of the assets invested in each CIT. There were no unfunded commitments.

8. Party-in-Interest Transactions

Plan investments are managed by Voya, the trustee of the Plan. These transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan to the trustee and other parties-in-interest for contract administration, advisory, and professional services amounted to \$27,488 for the year ended December 31, 2025. The Plan also holds notes receivable from participants. As a result, these notes receivable and all related transactions were with a party-in-interest. All of these transactions are exempt from being prohibited transactions by ERISA.

9. Risks and Uncertainties

The Plan invests in various investment securities as directed by its participants. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. Subsequent Events

The Company has evaluated events and transactions for potential recognition or disclosure in the financial statements through July 24, 2026, which is the date the financial statements were available to be issued.

In December 2022, Congress passed the Setting Every Community Up for Retirement Enhancement Act of 2022 ("SECURE Act 2.0") that continued the retirement system reform previously passed in 2020. Certain provisions of the SECURE Act 2.0 are effective starting at various dates through 2026, with the plan amendment for the adoption of SECURE Act 2.0 due by December 31, 2026.

As part of SECURE Act 2.0, effective January 1, 2026, catch-up contributions made by high-income earners will be designated as Roth contributions.

INDEPENDENT AUDITORS' REPORT

To the Plan Trustees
Kane Realty Corporation 401(k) Profit Sharing Plan and Trust
Raleigh, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Kane Realty Corporation 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Kane Realty Corporation 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kane Realty Corporation 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kane Realty Corporation 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kane Realty Corporation 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kane Realty Corporation 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KANE REALTY CORPORATION 401(K) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

1. Description of Plan

The following description of Kane Realty Corporation 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information for the Plan sponsored by Kane Realty Corporation (the "Company"). Participants in the Plan should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan became effective on January 1, 2006 as a trustee profit sharing 401(k) salary deferred plan. The Plan covers all employees of the Company who are at least 21 years old, have completed three months of service, and are not union employees or nonresident aliens. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may contribute pre-tax or after-tax compensation, subject to the contribution limits imposed by the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Effective January 1, 2025, the Plan adopted the optional SECURE Act 2.0 provision which increased the catch-up contribution limit for participants aged 60 to 63 to the greater of \$10,000 or 50% more than the regular catch-up amount in 2025. The Company makes discretionary matching contributions equal to 100% of participants' elective deferrals up to 4%. Effective January 1, 2025, the Plan was amended to adopt a safe harbor match whereby elective deferrals are matched up to 4%. The Company may decide to make an additional profit-sharing contribution at the discretion of the Company's Board of Directors but is not required to do so. The Plan also permits rollover contributions from other qualifying retirement plans.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution, and allocations of plan earnings and administrative expenses. Allocations are based on participants' compensation or account balances, as defined. A participant is entitled to the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in the salary reduction amount and the Company's safe harbor match contributed to the Plan. Vesting in the Company's discretionary matching and profit-sharing contribution portion of their accounts is based on the years of continuous service. Participants are fully vested after completing three years of credited service.

Forfeited Accounts

At December 31, 2025, forfeited non-vested accounts totaled \$16,810. Forfeited accounts can be used to reduce the employer match contribution or to pay Plan expenses as permitted by the Plan's provisions. During the year ended December 31, 2025, the Plan used \$11 of forfeited accounts to pay plan expenses.

1. Description of Plan (Continued)

Payment of Benefits

Generally, the participant becomes eligible to receive benefits on their normal retirement age (65), death, disability, termination of employment, or reasons of proven financial hardship. Participants are also eligible to take in-service withdrawals once they attain age 59 ½. For retirement, death or disability, the participant may receive 100% of their account balance in a lump sum, substantially equal installments or partial withdrawals. Participants who terminate their employment will receive their vested account balance under the same options as above.

Hardship Withdrawals

Upon approval by the plan administrator, a participant may withdraw all or part of their elective contributions for immediate and severe financial need. In accordance with Internal Revenue Service ("IRS") regulations, the participant must exhaust all other assets available prior to obtaining the hardship withdrawal.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by the excess of the highest outstanding balance of loans from the Plan during the one-year period ending the day before the loan is made over the outstanding balance of loans from the Plan on the date the loan is made or 50% of their vested account balances. A participant can only have one loan outstanding at a time. The loans are secured by the balance in the participants' accounts and bear interest at a fixed rate of prime plus 1% (7.75% at December 31, 2025) as of the date of the new loan. Principal and interest are paid ratably through payroll deductions. Total notes receivable from participants at December 31, 2025 and 2024 were \$40,213 and \$55,863, respectively.

2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Plan considers all invested cash balances to be cash equivalents.

December 31, 2025 and 2024

2. Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

All contributions and rollovers are invested at the direction of each participant in any combination of the investment funds offered. Investments are comprised of mutual funds and collective investment trust funds. Fair value of the collective investment trust funds is based on the cost plus credited interest, less expenses, subject to market value adjustment for early termination. See Note 7 for additional discussion of the valuation of the collective investment trust funds. Investments in mutual funds are valued at quoted market prices established in an active market which represent the net asset value of shares held by the Plan at year end.

Purchases and sales of securities are recorded on the trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized and unrealized appreciation and depreciation in value of investments are allocated to the participant accounts based on participant holdings in each fund.

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

Certain plan expenses are paid by the plan sponsor as provided by the plan document. Expenses related to specific participant transactions (notes receivable from participants and distributions) are charged directly to the participant's account.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

3. Federal Income Taxes

The Plan has adopted a Non-Standardized Pre-Approved Profit Sharing plan document. This document received an opinion letter dated June 30, 2020, in which the IRS stated that the document was in compliance with the applicable requirements of the IRC. As allowed by the IRS, the Plan is relying on the opinion letter issued on the plan document for its own qualification. The plan document has been amended for changes required by the IRS since receiving the opinion letter. Plan management believes the Plan is currently designed and operating in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would be sustained upon examination by the applicable authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

4. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in the employer portion of their accounts.

5. Investments

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the accompanying financial statements and supplemental schedule was obtained or derived from information certified as complete and accurate by Voya Institutional Trust Company ("Voya"), the trustee of the Plan, and was not subject to audit for the years ended December 31:

	<u>2025</u>	<u>2024</u>
Collective Investment Trust Funds	\$ 15,021,042	\$ 12,331,014

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.

Level 2 Inputs are based on significant other observable inputs such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs are unobservable and significant to the fair value measurement.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The Plan uses Level 2 inputs when market prices are not attainable but other observable inputs are available to arrive at a fair value, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. There were no Level 2 or 3 investments in the Plan.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end.

NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

7. Collective Investment Trust Funds

The Plan invests in various collective investment trust funds ("CITs") maintained and administered by Reliance Trust Company, Northern Trust Investments, Inc., Great Gray Trust Company, John Hancock Investment Management and T. Rowe Price Funds. The CITs sell new units and repurchase outstanding units on a daily basis. The CITs administered by Great Gray Trust Company require the plan sponsor to provide a five-day written notice for withdrawals which will exceed \$1 million of the assets invested in each CIT. There were no unfunded commitments.

8. Party-in-Interest Transactions

Plan investments are managed by Voya, the trustee of the Plan. These transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan to the trustee and other parties-in-interest for contract administration, advisory, and professional services amounted to \$27,488 for the year ended December 31, 2025. The Plan also holds notes receivable from participants. As a result, these notes receivable and all related transactions were with a party-in-interest. All of these transactions are exempt from being prohibited transactions by ERISA.

9. Risks and Uncertainties

The Plan invests in various investment securities as directed by its participants. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. Subsequent Events

The Company has evaluated events and transactions for potential recognition or disclosure in the financial statements through July 24, 2026, which is the date the financial statements were available to be issued.

In December 2022, Congress passed the Setting Every Community Up for Retirement Enhancement Act of 2022 ("SECURE Act 2.0") that continued the retirement system reform previously passed in 2020. Certain provisions of the SECURE Act 2.0 are effective starting at various dates through 2026, with the plan amendment for the adoption of SECURE Act 2.0 due by December 31, 2026.

As part of SECURE Act 2.0, effective January 1, 2026, catch-up contributions made by high-income earners will be designated as Roth contributions.
