Independent Auditors' Report

Plan Administrator
The Cleveland Institute of Art Defined Contribution
and Tax Deferred Annuity Plan
Cleveland, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of The Cleveland Institute of Art Defined Contribution and Tax Deferred Annuity Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Further, as described in Note 2 to the financial statements, the Plan has excluded from investments in the accompanying statements of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the DOL's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statements of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable. Accounting principles generally accepted in the United States of America ("GAAP") require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to, and we do not, express an opinion on this supplemental schedule.

THE CLEVELAND INSTITUTE OF ART DEFINED CONTRIBUTION
AND TAX DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following is a summary of certain provisions of The Cleveland Institute of Art Defined Contribution and Tax Deferred Annuity Plan (the "Plan"). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Participation

The Plan is a defined contribution plan under Section 403(b) of the Internal Revenue Code covering all qualified employees of The Cleveland Institute of Art (the "Institute"), as defined by the Plan. Qualified employees of the Institute are immediately eligible to participate upon hiring. Students who are employees at the Institute are generally not eligible to participate. Participants are eligible for employer contributions upon completion of two consecutive years with at least 900 hours of service per year and they must contribute 5% of their own compensation to the Plan on a pre-tax or Roth basis to be eligible for the Institute's contribution; effective November 1, 2025, the required employee contribution to receive the Institute's contribution was reduced to 3%.

Contributions

Participants may elect to contribute a portion of their compensation to the Plan on a pre-tax or Roth basis subject to certain limitations of the Plan and the Internal Revenue Code. The percentage of the employee's compensation that is matched is at the discretion of the Institute. For the plan year ending December 31, 2024, the discretionary match was 5% of compensation; effective November 1, 2025, the discretionary match was reduced to 3%. The Plan also provides for the investment of qualified rollover contributions as well as catch-up contributions for participants age 50 or older and participants with 15 years of service or more.

Participants' Accounts

Teachers Insurance & Annuity Association of America and College Retirement Equities Fund (together, "TIAA"), the Custodian and recordkeeper of the Plan, maintain an individual account for each participant. Each participant's account is credited with the participant's contributions, the Institute's matching contributions, an allocation of Plan earnings, and is charged with an allocation of any administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. Participants elect to maintain their aggregate contributions in the investment funds available to the Plan. Separate accounting for each of the funds is made pursuant to the participant's designated election. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective contributions and earnings thereon. Participants become fully vested in matching contributions after completion of two years of service. Participants attaining normal retirement age and in the case of death or disability become fully vested regardless of years of service.

AND TAX DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 1. Description of Plan (Continued)

Notes Receivable From Participants

The Plan was amended in 2021 to also allow for participant loans. Participant loans are issued directly from the participant's account. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate is based on the prevailing rate of prime plus 1% at the time of the loan. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability, retirement, or separation, a participant is entitled to receive a distribution of his or her account balance in the form of a lump sum, periodic, or annuity payments. Participants are also permitted to receive a distribution from their account prior to termination of employment if they experience financial hardship or are over age 59½.

Termination Provision

Although it has not expressed any intent to do so, the Institute has the right to amend, modify, suspend, or terminate the Plan at any time by an action of its Board of Directors subject to the provisions of ERISA. No amendment, modification, suspension, or termination of the Plan shall have the effect of allowing any amounts then held under the Plan to be used or diverted to any purpose other than for the exclusive benefit of participants or their beneficiaries. In the event of termination of the Plan, the assets then remaining in the funds will be allocated and distributed to participants in accordance with the terms and provisions of the Plan.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts which are at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

The financial statements of the Plan do not include amounts related to certain investment contracts which became inactive prior to January 1, 2009. As contemplated in the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*, the Institute has made a good faith effort to determine the population of plan participants and has included amounts related to all known contracts in these financial statements. Accordingly, these financial statements are acceptable to the Department of Labor as part of the Plan's Form 5500 filing. However, because of the uncertainty involved in ascertaining all previous arrangements, it is possible that contracts may exist related to this Plan which have not been included in these financial statements and those amounts may be material. Accounting principles generally accepted in the United States of America would require these amounts to be included in the financial statements.

THE CLEVELAND INSTITUTE OF ART DEFINED CONTRIBUTION
AND TAX DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Significant Accounting Policies (Continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Institute's Retirement Plan Oversight Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and Custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable From Participants

Participant loans are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and the benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid by the Plan.

Administrative Expenses

Administrative expenses are paid for by the Institute or the Plan, at the Institute's discretion, or are offset with revenue sharing payments received by the Plan from investment fund managers.

To discourage short-term trading and help protect the long-term value of certain funds, the Plan charges a redemption fee equal to 2% of money transferred out of certain funds less than 60 days following initial purchase date. Redemption fees imposed on these funds are paid by the affected participants.

THE CLEVELAND INSTITUTE OF ART DEFINED CONTRIBUTION
AND TAX DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Significant Accounting Policies (Continued)

Administrative Expenses (Continued)

The Plan has entered into a contract with TIAA-CREF that returns to the Plan, as a Plan asset, revenue that exceeds the amount required to operate the Plan. Revenue sharing credits of \$7,808 and \$6,210 were earned by the Plan during the years ended December 31, 2025 and 2024, respectively. Revenue sharing credits may be used either to (i) pay direct, reasonable, and necessary expenses which the Plan is allowed to pay or (ii) provide benefits for Plan participants and beneficiaries in the form of revenue credits.

The College reviews the revenue sharing credits to ensure appropriate usage and will maintain a process for ensuring that revenue sharing credits are disbursed in a timely manner. The College used \$4,400 and \$23,626 during the years ended December 31, 2025 and 2024, respectively. The unused and unallocated balance at December 31, 2025 and 2024 was \$5,178 and \$1,548, respectively.

Subsequent Events

The Plan has evaluated subsequent events and transactions for potential recognition and presentation through the date the financial statements were available to be issued, July 17, 2026.

Note 3. Fair Value Measurements

The Plan estimates the fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

Level 1 – Quoted market prices in active markets for identical assets and liabilities.

Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data.

Level 3 – Unobservable inputs in which little or no market data exists.

The following is a description of the valuation methodologies used for investments of the Plan measured at fair value:

- Non benefit-responsive ("NBR") investment contracts are reported at estimated fair value as determined by TIAA based upon the individual purchases and sales of individual contracts and the correlation between the contracts' crediting rate with the highest quality debt security yields, adjusted for contract liquidity. As such, the Plan does not use any unobservable inputs. These are classified as Level 3 inputs. The NBR investment contracts are reported based on information provided by the investment manager as validated by management and its advisors and, as such, additional quantitative disclosures are not required.

THE CLEVELAND INSTITUTE OF ART DEFINED CONTRIBUTION
AND TAX DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 3. Fair Value Measurements (Continued)

- The investment in the pooled separate account is held and managed by TIAA-CREF. The fair value of investments held in this account is based on its reported net asset value ("NAV") per share (or its equivalent) as a practical expedient, therefore, it has not been classified in the fair value hierarchy.
- Included in registered investment companies are funds which are based on market quotations or prices from independent pricing services and are classified as Level 1 inputs. Also included are various TIAA funds that are not available for sale on any securities exchange but whose underlying investments consist of equity securities and fixed income instruments. These are classified as Level 2 inputs.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. There have been no changes in the methodologies used from 2024 to 2025. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

Assets at Fair Value as of December 31, 2025				
	Level 1	Level 2	Level 3	Total

Note 3. Fair Value Measurements (Continued)

The table below sets forth a summary of changes in the fair value of the Plan's Level 3 assets for the years ended December 31, 2025 and 2024:

	<u>Guaranteed Investment Contracts (NBR)</u>	
	<u>2025</u>	<u>2024</u>

Sales	<u>(852,375)</u>	<u>(966,356)</u>
Balance, end of year	<u>\$4,210,646</u>	<u>\$4,303,187</u>

The following table summarizes the investment strategies of the investments measured using NAV as of December 31, 2025 and 2024:

<u>Instrument</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if Currently Eligible)</u>	<u>Redemption Notice Period</u>
December 31, 2025				
Pooled separate account (a)	\$ 332,677	\$ -	Daily	None
December 31, 2024				
Pooled separate account (a)	\$ 339,444	\$ -	Daily	None

(a) The pooled separate account's value is principally derived from the market value appraisals of the underlying real estate holdings or other real-estate related investments. The TIAA general account provides this real estate fund with a liquidity guarantee to ensure there are funds to meet redemption, transfer or cash withdrawal request.

Note 4. Unaudited Information

The Plan's management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, management received a certification from TIAA, acknowledging the completeness and accuracy of all investments and notes receivable reflected in the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024, the related investment and loan interest activity reflected in the statements of changes in net assets available for benefits for the years then ended, the supplemental schedule as of December 31, 2025 and investment related information in the accompanying notes to the financial statements. This information is unaudited by independent accountants.

THE CLEVELAND INSTITUTE OF ART DEFINED CONTRIBUTION
AND TAX DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 5. Guaranteed Investment Contracts

The Plan holds investment contracts which meet the fully benefit-responsive investment contract criteria and, therefore, are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

TIAA Traditional Annuity ("TIAA Traditional") is an unallocated fixed-annuity contract that is fully and unconditionally guaranteed by TIAA. TIAA Traditional provides a guarantee of principal, a guaranteed minimum rate of interest (generally between 1% and 3%), and the potential for additional interest if declared by TIAA. Additional interest, when declared, remains in effect for the "declaration year," which begins each March 1. Additional interest is not guaranteed for future years. Contributions to a participant's account purchase a guaranteed amount of lifetime annuity income. When a participant's account in the TIAA Traditional is annuitized based on available options, the present value of the stream of payments is equal to the account balance. The subsequent stream of annuity payments occurs outside of the Plan and does not represent an obligation of the Plan.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestiture or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which could limit the Plan's ability to transact at contract value with participants are probable of occurring.

Note 6. Tax Status

The Plan has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service dated August 7, 2017, stating that the form of the pre-approved plan document was in compliance with applicable requirements of the Internal Revenue Code ("IRC"). Although the Plan has been amended since adopting the pre-approved plan document, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified.

The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require such recognition or disclosure in the financial statements.

Note 7. Party-in-Interest Transactions

The Plan's assets are held in guaranteed investment contracts, a pooled separate account, and registered investment companies of TIAA or its affiliates and administrative fees are paid to TIAA. TIAA is the Plan Custodian; therefore, these transactions qualify as party-in-interest transactions.

THE CLEVELAND INSTITUTE OF ART DEFINED CONTRIBUTION
AND TAX DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 8. Risks and Uncertainties

The Plan holds various investment options in combinations of investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
