INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of the
Gulliver Preparatory School, Inc. Employee Savings and Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Gulliver Preparatory School, Inc. Employee Savings and Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GULLIVER PREPARATORY SCHOOL, INC. EMPLOYEE SAVINGS AND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of the Gulliver Preparatory School, Inc. Employee Savings and Retirement Plan (the “Plan”) provides only general information. More complete information regarding items such as employee and employer contributions, eligibility, vesting, and benefit provisions, may be found in the Plan agreement. Participants should refer to the Plan agreement for a more complete description of the Plan’s provision, which is available upon request.

General

The Plan is a 401(k) deferred compensation plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility Requirements

To become eligible, participants must have completed one month of service with the employer, Gulliver Preparatory School, Inc. (the “School”) and have attained age 21. Plan entry dates are on the first day of each month or in the next upcoming pay period.

Contributions

Participants may elect to make voluntary pre-tax contributions up to 100 percent of annual compensation including regular salary and wages, overtime pay, bonuses and commissions through payroll deductions. Such contributions are excluded from the participant’s taxable income for federal income tax purposes until received as a withdrawal or distribution from the Plan. Contributions are subject to certain limitations established by the Internal Revenue Service. The maximum pre-tax contributions for the years ended December 31, 2025 and 2024 was \$23,500 and \$23,000, respectively.

The Plan provides that participants who will attain age 50 or older by the end of the calendar year and who are making deferral contributions to the Plan may also make a catch-up contribution. Catch-up contributions are subject to certain limitations established by the Internal Revenue Service. The maximum pre-tax catch-up contribution for the years ended December 31, 2025 and 2024 was \$7,500. Effective January 1, 2025, participants who attain ages 60 through 63 during the calendar year may make an increased catch-up contribution, subject to IRS limits. For the year ended December 31, 2025, the maximum enhanced catch-up contribution for eligible participants was \$11,250.

The School matches employee contributions to the Plan on a dollar-for-dollar basis, up to 4.5% of the employee's eligible compensation.

Rollovers

The Plan accepts rollover contributions from other tax-qualified plans for those participants who choose to invest in the Plan.

Payment of Benefits

Participants may receive an amount equal to the value of their vested interest upon the termination of employment, death, disability or retirement. The form of payment is a lump sum distribution or in installments, or participants may have their account balance transferred to an individual retirement account or other qualified plan.

Vesting Percentage

Participants are immediately vested in their contributions, the employer matching contributions, and actual earnings thereon.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the School's contribution and (b) Plan earnings and losses. Allocation of the Plan's earnings or losses in each investment option are made to the individual participant's account based on the ratio of each participant's current account balance in the respective investment option. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Death and Disability Provisions

Upon death and disability of participants, the accrued benefits will be paid to the beneficiaries as designated by the participants.

Notes Receivable from Participants

Participants may borrow from their accounts up to a maximum of \$50,000. The loans are secured by the balance in the participant's account and bear interest ranging from 4.25% to 9.50%.

Investment Options

Upon enrollment in the Plan, participants may direct their allocated contributions to be vested in one or more of the investment options available to the Plan.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America, except for distributions paid to participants which are prepared on the cash basis of accounting.

Use of Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of certain assets, liabilities, and disclosures. Accordingly, the actual amounts could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

Plan Expenses

Certain of the Plan's administrative expenses are paid by the School. Other expenses such as legal and accounting are paid from Plan assets and deducted from participant accounts in accordance with the Plan documents.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Subsequent Events

The Plan has evaluated subsequent events through July 16, 2026, which is the date the financial statements were available to be issued.

GULLIVER PREPARATORY SCHOOL, INC. EMPLOYEE SAVINGS AND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments are stated at fair value. The Plan's investment contract is not fully benefit-responsive and is reported at fair value. The fair value of the investment contract is estimated using discounted cash flows.

Purchases and sales transactions are recorded on a trade date basis. Any gain or loss resulting from the sale of fund units is determined as the difference between the sales proceeds and the cost of units sold. Investment income is recorded on the accrual basis. Investment income consists of interest, dividends, and gains in the market value of investments.

Risk and Uncertainties

The Plan provides for various investment options. These investments are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of such investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits and statements of changes in net assets available for plan benefits.

NOTE 3 – PLAN TERMINATION

Although it has not expressed any intent to do so, the School has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to provisions of ERISA. In the event of Plan termination, the rights of the affected participants under the Plan shall be fully vested and nonforfeitable.

NOTE 4 – INFORMATION CERTIFIED BY THE PLAN'S CERTIFYING ENTITY

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments and interest income on notes receivable from participants for the years ended December 31, 2025 and 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC and Empower Annuity Insurance Company of America, the certifying entities of the Plan.

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Certain of the Plan's investments are shares of registered investment companies and investment contracts managed by certifying entities. Empower Trust Company, LLC and Empower Annuity Insurance Company of America are the certifying entities of the Plan and, therefore, these transactions qualify as party-in-interest. All fees and expenses of the Plan relating to legal, accounting, and other administrative services are paid by the School.

NOTE 6 – TAX STATUS

The Plan is an adoption of the standardized prototype plan written by Empower Trust Company, LLC. The prototype sponsor received a favorable determination letter dated July 28, 2003 in which the Internal Revenue Service stated that the prototype plan, as then designated, was in compliance with applicable requirements of the Internal Revenue Code (the "IRC").

GULLIVER PREPARATORY SCHOOL, INC. EMPLOYEE SAVINGS AND RETIREMENT PLAN NOTES TO FINANCIAL STATEMENTS

NOTE 6 – TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and reorganize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service (IRS). The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

NOTE 7 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820-10 are described as follows:

- Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 inputs to the valuation methodology include the following:
 - Quoted prices for similar assets or liabilities in active markets
 - Quoted prices for identical or similar assets or liabilities in inactive markets
 - Inputs other than quoted prices that are observable for the asset or liability
 - Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means
 - If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

- *Guaranteed Investment Contract*: Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations, considering the creditworthiness of the issuer.
- *Registered Investment Companies*: Valued at the net asset value of shares held by the Plan at year-end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

NOTE 7 – FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level within the fair value hierarchy the Plan's assets at fair value as of December 31, 2025 and 2024:

		Fair Value Measurements Using:		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Assets at December 31, 2025	Fair Value			
Registered Investment Companies	\$ 53,667,860	\$ 53,667,860	\$ -	\$ -
Guaranteed Investment Contract	4,303,307	-	4,303,307	-
Total investments, at fair value	<u>\$ 57,971,167</u>	<u>\$ 53,667,860</u>	<u>\$ 4,303,307</u>	<u>\$ -</u>

		Fair Value Measurements Using:		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Assets at December 31, 2024	Fair Value			
Registered Investment Companies	\$ 48,027,465	\$ 48,027,465	\$ -	\$ -
Guaranteed Investment Contract	4,272,052	-	4,272,052	-
Total investments, at fair value	<u>\$ 52,299,517</u>	<u>\$ 48,027,465</u>	<u>\$ 4,272,052</u>	<u>\$ -</u>

NOTE 8 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a fixed annuity investment contract (Key Guaranteed Portfolio Fund) with Empower Annuity Insurance Company of America, which maintains the contributions in a general account. The account is credited with actual earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The fixed annuity investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rate is reset quarterly. The average yield of the contract can be derived by averaging the quarterly gross interest rates for the fund over the year. The average yield for the contracts at December 31, 2025 and 2024 was 1.45% and 1.41%, respectively.

As described in Note 2, because the fixed annuity investment contract is not fully benefit-responsive, fair value is the relevant measure attributed for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The fair value of the fixed annuity investment contract at December 31, 2025 and 2024 was \$4,303,307 and \$4,272,052, respectively.
