Independent Auditor's Report

Plan Administrator
SPS Companies, Inc. Employee Benefit Plan
Manhattan, Kansas

Opinion

We have audited the financial statements of SPS Companies, Inc. Employee Benefit Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial status (modified cash basis) of SPS Companies, Inc. Employee Benefit Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles described in Note 2.

Basis for Opinion

We conducted our audits in accordance with accounting principles described in Note 2. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SPS Companies, Inc. Employee Benefit Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule (modified cash basis) listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1. Description of the Plan

General

The following description of the SPS Companies, Inc. Employee Benefit Plan (the Plan) provides only general information about the Plan's provisions. Participants should refer to the Plan Document and *Summary Plan Description* for a more complete description of the Plan's provisions, which are available from the Plan Administrator.

The Plan provides health and other benefits covering certain employees and covered dependents who meet certain eligibility requirements. Covered employees include those employed by the following controlled entities: SPS Companies, Inc., Steel and Pipe Supply Company, Inc., Steel Management Group, Inc., Steel Ventures LLC (d/b/a Exttube), SPS Metallurgical Laboratories, LLC, Storage & Processors, Inc., S&P Trucking, Inc., Tubular USA, LLC, Energy Steel Products, Royal Metal Industries, LLC and U.S. Wholesale Pipe & Tube, LLC (the Company). Retired employees are entitled to medical and dental benefits if they have attained at least age 59.5 and have at least 10 years of service with the Company through Medicare eligibility age. Certain plan assets are held in a voluntary employees' beneficiary association (VEBA) trust. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). The eligibility requirement is 30 days of service for entrance into the various plans to begin coverage.

Benefits

The Plan provides health, dental, disability, vision, life insurance, critical illness, accident, cancer, accidental death and dismemberment, wellness, employee assistance and identify theft benefits. Retired employees and spouses, if elected, are entitled to the same health and dental benefits at the same premium rates as active employees until retiree coverage ends. The Plan also provides continuation of certain benefits upon termination of employment through the *Consolidated Omnibus Budget Reconciliation Act* (COBRA).

Insured Benefits

Participants can enroll in certain voluntary benefits that are fully-insured, including disability, vision, life insurance, critical illness, accident, cancer, accidental death and dismemberment, wellness, employee assistance and identify theft coverage. The Company purchases annual insurance contracts for these insured benefits. Premiums for voluntary coverages are fully funded by participants.

Self-Insured Benefits

All other plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by either the Plan's VEBA trust or the general assets of the Company. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

Stop-Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

SPS Companies, Inc. Employee Benefit Plan
Notes to Financial Statements
December 31, 2025 and 2024

Flexible Spending Arrangements

The Plan has two flexible spending arrangements (FSAs) that are funded through participant and Company contributions. The FSAs allow eligible participants to be reimbursed tax free for qualified medical and dependent care expenses subject to a specified ceiling. Amounts remaining at the end of the year can generally be carried over to the next year as defined in the Flexible Benefit Plan Document. The employer is not permitted to refund any part of the balance to the employee; the account cannot be used for anything other than reimbursements for qualified medical and dependent care expenses; and remaining amounts are not portable upon termination once the employee leaves the employer.

Health Savings Account Arrangement

The Plan's health savings account arrangement (HSA) is funded through participant and Company contributions. The HSA allows eligible participants to be reimbursed tax free for qualified medical expenses subject to a specified ceiling. Amounts remaining at the end of the year can be carried over to the next year. While the HSA is made available to plan participants, the related activity is not included in the Plan's financial statements, as the ultimate disposition of the funds is directed by participants.

Contributions

In addition to deductibles and copayments, participants and retirees may contribute specified amounts, based on applicable monthly premiums for their respective benefit elections. The costs of the postretirement benefit plan are shared by the Company and retirees. The Company makes contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis.

Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan maintains its accounts on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under this basis, certain revenue and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Investments are recorded at fair value.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported benefit obligations and changes therein. Actual results could differ from those estimates.

Notes to Financial Statements
December 31, 2025 and 2024

Payment of Benefits

Premiums paid by either the Company or the VEBA trust are recorded as premium payments in the accompanying statements of changes in net assets available for benefits (modified cash basis).

Claim payments are recorded when paid by the third-party claims processor. These payments are recorded as claims paid in the accompanying statements of changes in net assets available for benefits (modified cash basis).

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the modified cash basis.

Postretirement Benefits

A postretirement benefit obligation has been prepared for retiree health and dental benefits for eligible participants and their spouses upon retirement. The postretirement benefit obligation represents the actuarial present value of the cost of those estimated future benefits that are attributed by the terms of the Plan to employee service rendered to the date of the financial statements, reduced by the actuarial present value of contributions expected to be received in the future from current retirees of the Plan (see Note 3). The obligations represent the amounts that are expected to be funded by contributions from the Company and from existing assets of the Plan. Postretirement benefits include future benefits expected to be paid to or for (1) currently retired or terminated employees and their spouses and (2) active employees and their spouses after retirement from service with the Company. Prior to an active employee's full eligibility date, the postretirement benefit obligation is the portion of the expected postretirement benefit obligation that is attributed to that employee's service rendered to the valuation date.

The actuarial present value of the expected postretirement benefit obligation is determined by an actuary and is the amount that results from applying actuarial assumptions to historical claims-cost data to estimate future annual incurred claims costs per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as those for death, disability, withdrawal or retirement) between the valuation date and the expected date of payment.

For measurement purposes, a 7.5% weighted-average annual rate of increase in the average per capita cost of covered health care benefits was assumed for 2025; the rate was assumed to decrease gradually to 4.50% through 2035 and to remain at that level thereafter. These assumptions are consistent with those used to measure the benefit obligation at December 31, 2025.

The following were other significant assumptions used in the valuations as of December 31, 2025 and 2024. Assumptions are based on the participant census as of November 1 of each year.

	<u>2025</u>	<u>2024</u>
Weighted-average assumptions		
Discount rate - benefit obligation	5.15%	5.01%
Discount rate - benefit costs	5.01%	4.71%

SPS Companies, Inc. Employee Benefit Plan
Notes to Financial Statements
December 31, 2025 and 2024

Eligible employees are assumed to retire during the next year according to the following rates of retirement. These assumptions are consistent with those used to measure the benefit obligation at December 31, 2025.

	Probability Per Year
Average retirement age rates	
60-61	5%
62	20%
63-64	10%
65	100%

For the years ended December 31, 2025 and 2024, for mortality assumptions, the actuary used the Society of Actuaries Pri-2012 Headcount-Weighted Total Dataset Mortality tables with Scale MP-2021 Full Generational Improvement mortality table.

Other Plan Benefits

Plan obligations for health claims incurred but not reported are estimated based upon historic claims experience and actual claims reported subsequent to the Plan's year end. Additional accruals are included for the estimated ultimate cost of future claims only if such claims are covered as of the Plan's fiscal year end and the Plan is obligated to pay for the care regardless of continued participation in the Plan.

Stop-Loss

Premiums for stop-loss insurance are included in premium payments in the accompanying statements of changes in net assets available for benefits (modified cash basis). Stop-loss refunds totaling \$1,037,993 and \$459,098 have been netted with claims paid in the accompanying statements of changes in net assets available for benefits (modified cash basis) for 2025 and 2024, respectively.

Flexible Spending Arrangement

Included in the accompanying statements of net assets available for benefits (modified cash basis) are amounts available to reimburse participants for qualifying medical and dependent care expenses as of December 31, 2025 and 2024 totaling \$36,000 and \$25,000, respectively. Claims incurred before plan year end that were submitted after year end (in the grace period for use of contributions as defined by the Plan agreement) totaled \$24,500 and \$19,600 relating to 2025 and 2024, respectively. Forfeited amounts were used by the Company to offset administrative expenses.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion. Expenses that are paid by the Company are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments.

Note 3. Benefit Obligations

Other Obligations for Current Benefit Coverage

The Plan benefit obligation for other obligations for current benefit coverage as of December 31, 2025 and 2024 are attributable to health and dental claims incurred but not reported. The Company estimates the benefit obligation using the most recent claims reports from the health and dental third-party administrators. The Company believes that by March 31 of the subsequent year, substantially all claims incurred for the previous year have been reported. The following table presents the total claims incurred but not reported and the change in the benefit obligation.

	<u>2025</u>	<u>2024</u>
Other Obligations for Current Benefit Coverage, at Present Value of Estimates Amounts		
Claims incurred but not reported	\$ 1,373,000	\$ 602,000
Change in Other Obligations for Current Benefit Coverage, at Present Value of Estimates Amounts		
Balance at beginning of year	\$ 602,000	\$ 403,000
Net change during year - claims incurred	771,000	199,000
Balance at end of year	\$ 1,373,000	\$ 602,000

Postretirement Benefit Obligations

The postretirement benefit obligation represents the actuarial present value of the cost of those estimated future benefits that are attributed by the terms of the Plan to employee service rendered to the date of the financial statements, reduced by the actuarial present value of contributions expected to be received in the future from current retirees of the Plan. The following table presents the postretirement benefit obligation and the change in the benefit obligation.

	<u>2025</u>	<u>2024</u>
Postretirement Benefit Obligations, Net of Amounts Currently Payable		
Current retirees	\$ 259,738	\$ 386,871
Other participants fully eligible for benefits	496,627	336,945
Other participants not fully eligible for benefits	2,569,809	2,812,643
	\$ 3,326,174	\$ 3,536,459
Change in Postretirement Benefit Obligations, Net of Amounts Currently Payable		
Balance at beginning of year	\$ 3,536,459	\$ 3,023,620
Increase (decrease) during the year attributable to		
Service cost	286,752	267,074
Interest cost	186,041	161,715
Change in actuarial assumptions	(452,531)	372,647
Plan amendment	-	83,082
Net benefits paid	(230,547)	(371,679)
Balance at end of year	\$ 3,326,174	\$ 3,536,459

SPS Companies, Inc. Employee Benefit Plan
Notes to Financial Statements
December 31, 2025 and 2024

The weighted-average health care cost-trend rate assumption (see Note 2) has a significant effect on the amounts reported as postretirement benefit obligations. If the assumed rates increased by one percentage point in each year, it would increase the obligations as of December 31, 2025 and 2024 by \$307,100 and \$321,699, respectively.

The Plan's deficiency of net assets over benefit obligations at December 31, 2025 and 2024 relates primarily to the postretirement benefit obligation, the funding of which is not covered by the current contribution rate. It is expected that the deficiency will be funded through future increases in the contribution rates.

Note 4. Related-Party and Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association or relatives of such persons.

The Company is responsible for day-to-day plan administration and provides certain administrative services at no cost to the Plan. Administrative expenses paid to third-party service administrators under administrative service only agreements for processing of claims and other administrative services were \$452,166 and \$354,946 for the years ended 2025 and 2024, respectively.

Note 5. Disclosures About Fair Value of Plan Assets

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities

Recurring Measurements

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits (modified cash basis) measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2025 and 2024:

		Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
	Fair Value			
<u>December 31, 2025</u>				
Interest-bearing cash	\$ 2,237,516	\$ 2,237,516	\$ -	\$ -
Total assets at fair value	<u>\$ 2,237,516</u>	<u>\$ 2,237,516</u>	<u>\$ -</u>	<u>\$ -</u>
<u>December 31, 2024</u>				
Interest-bearing cash	\$ 2,059,559	\$ 2,059,559	\$ -	\$ -
Total assets at fair value	<u>\$ 2,059,559</u>	<u>\$ 2,059,559</u>	<u>\$ -</u>	<u>\$ -</u>

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits (modified cash basis), as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the years ended December 31, 2025 and 2024. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy.

Note 6. Risks and Uncertainties

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimation and assumption process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Note 7. Tax Status

The VEBA trust funding certain benefits of the Plan received an exemption letter from the Internal Revenue Service dated December 20, 1995, stating that the trust, as then designed, was tax-exempt under the provisions of Section 501(c)9 of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan and related trust are currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code. However, as a result of the Plan's funding policy, from time to time, the trust may be subject to income taxes. No federal or state income taxes have been recorded in the financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024, to Form 5500:

	<u>2025</u>	<u>2024</u>
Net assets available for benefits per the financial statements	\$ 2,323,985	\$ 2,134,656
Benefit obligations currently payable (health and dental claims)	<u>(1,373,000)</u>	<u>(602,000)</u>
Net assets available for benefits per Form 5500	<u>\$ 950,985</u>	<u>\$ 1,532,656</u>

The following is a reconciliation of benefit payments per the financial statements for the years ended December 31, 2025 and 2024, to Form 5500:

	<u>2025</u>	<u>2024</u>
Benefits paid to participants per the financial statements	\$ 6,825,706	\$ 6,190,068
Change in benefit obligations currently payable	<u>771,000</u>	<u>199,000</u>
Benefits paid to participants per Form 5500	<u>\$ 7,596,706</u>	<u>\$ 6,389,068</u>

Amounts currently payable to or for participants, dependents and beneficiaries are recorded on Form 5500 for benefit claims that have been processed and approved for payment prior to December 31, but not yet paid as of that date.

Note 9. Subsequent Events

Subsequent events have been evaluated through July 30, 2026, which is the date the financial statements were available to be issued.
